Agenda

- 7 min brainstorming on post-its
- 10 min discuss ideas and problems in group of 3
- Present 5 ideas and problems per group
- Cluster
- Discuss main clusters

A stylized illustration of a deer in shades of orange and brown, facing right. It is surrounded by green foliage with rounded leaves. The background is white.

**What are the biggest obstacles
to more adoption of Wikidata
on Wikimedia projects?**

What can we do to increase adoption?

**WIKIMANIA
STOCKHOLM**

Let's talk about them in groups of 3

For each obstacle:

- What would you like to do to help overcome it?
- What help would you need or could you use from Wikidata developers to make you more effective in this work?

- **Select 5 in your group**
- **Present to all**
- **Cluster as a group of the whole**
