The President

Proclamation 4768 of June 28, 1980

Proclamation to Carry Out the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade (the Customs Valuation Code) and for Other Purposes

By the President of the United States of America

A Proclamation

1. Pursuant to Section 204(a)(2) of the Trade Agreements Act of 1979 (93 Stat. 203) in order to implement, beginning on July 1, 1980, the new customs valuation standards as provided in Title II of that Act, and for other purposes, I make the following determinations, and do proclaim as hereinafter set forth.
2. Section 225 of the Trade Agreements Act of 1979 (93 Stat. 235), Sections 131, 132, 133, 134, 135, and 161(b) of the Trade Act of 1974 (19 U.S.C. 2151, 2152, 2153, 2154, 2155, and 2211(b)) and Section 4(c) of Executive Order No. 11846 of March 27, 1975, (3 CFR 1971-1975 Comp. 974), have been complied with.
3. Pursuant to Section 101(a) of the Trade Act of 1974 (19 U.S.C. 2111(a)) and having made the determinations required by that section with regard to the following trade agreements, I, through my duly empowered representative, (1) on July 11, 1979, entered into a trade agreement with other contracting parties to the General Agreement on Tariffs and Trade (61 Stat. (pts. 5 and 6)), as amended (the General Agreement), with countries seeking to accede to the General Agreement, and the European Communities, which agreement consists of the Geneva (1979) Protocol to the General Agreement, including a schedule of United States concessions annexed thereto (hereinafter referred to as "Schedule XX (Geneva-1979)"), (2) on December 18, 1979, entered into a trade agreement with Switzerland, which agreement consists of an exchange of letters, a copy of which is annexed to this proclamation as Part 2 of Annex I, (3) on December 21 and 27, 1979, and on January 2, 1980, entered into trade agreements with the European Communities, which agreements consist of joint memoranda, copies of which are annexed to this proclamation as Part 3 of Annex I, (4) on January 2, 1980, entered into a trade agreement with the Dominican Republic, which agreement consists of an exchange of letters, a copy of which is annexed to this proclamation as Part 4 of Annex I, and (5) on December 29, 1979, entered into a trade agreement with Indonesia, which agreement consists of a memorandum and an exchange of letters, copies of which are annexed to this proclamation as Part 5 of Annex I.
4. After having complied with Section 102 of the Trade Act of 1974 (19 U.S.C. 2112), and having made the required determinations, I notified Congress of my intention to enter into the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade (a copy of which is annexed to this proclamation as Part 1 of Annex I); and an implementing bill, approving the agreement and the proposed administrative action, has been enacted into law (Section 2(a) of the Trade Agreements Act of 1979 (93 Stat. 147)).
5. (a) Pursuant to Section 2(b)(3) of the Trade Agreements Act of 1979 (93 Stat. 147), I determine (1) that each major industrial country, as defined therein, with the exception of Canada, is accepting the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade, (2) that the acceptance of this Agreement by Canada is not essential to the effective operation of the Agreement, (3) that a significant portion of United States trade will benefit from the Agreement, notwithstanding such nonacceptance,

and (4) that it is in the national interest of the United States to accept the Agreement (and have so reported to the Congress);

(b) Pursuant to Section 204(a)(2)(A) and (B) of the Trade Agreements Act of 1979 (93 Stat. 203), I determine that the European Communities (including the European Economic Community) have accepted the obligations of the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade with respect to the United States and each of the member states of the European Communities has implemented the Agreement under its laws (effective July 1, 1980);

(c) Pursuant to Section 503(a)(1) of the Trade Agreements Act of 1979 (93 Stat. 251), I determine, after interested parties were provided an opportunity to comment, that the articles classifiable in the following new items of the Tariff Schedules of the United States (TSUS) (19 U.S.C. 1202), added thereto by Annex II to this proclamation, were not imported into the United States before January 1, 1978, and were not produced in the United States before May 1, 1978:

402.54	405.70	409.76	411.74
402.82	405.82	409.84	411.86
403.14	406.09	409.92	411.96
403.59	406.42	410.02	412.04
403.66	406.58	410.10	412.12
404.30	406.63	410.18	412.36
404.38	407.07	410.22	412.40
404.47	408.23	410.34	412.50
404.90	408.29	411.10	412.66
405.09	408.38	411.42	412.70
405.34	409.28	411.50	413.30;
405.62	409.68	411.58	

(d) Pursuant to Section 503(a)(2)(A) of the Trade Agreements Act of 1979 (93 Stat. 251), I determine, after providing interested parties an opportunity to comment, that each article identified in Annex IV to this proclamation is not import sensitive.

6. Each modification of existing duty proclaimed herein which provides with respect to an article for a decrease in duty below the limitation specified in Sections 101(b)(1) or 109(a) of the Trade Act of 1974 (19 U.S.C. 2111(b)(1) or 2119(a)); and each modification of any other import restriction or tariff provision so proclaimed is authorized by one or more of the following provisions or statutes:

(a) Section 101(b)(2) of the Trade Act of 1974 (19 U.S.C. 2111(b)(2)), by virtue of the fact that the rate of duty existing on January 1, 1975, applicable to the article was not more than 5 percent ad valorem (or ad valorem equivalent);

(b) Section 109(b) of the Trade Act of 1974 (19 U.S.C. 2119(b)), by virtue of the fact that I have determined, pursuant to that section, that the decrease authorized by that section will simplify the computation of the amount of duty imposed with respect to the article; and

(c) The Trade Agreements Act of 1979 (93 Stat. 144 *et seq.*) including, but not limited to, Sections 503(a)(1), (2)(A) and (6) (93 Stat. 251 and 252) by virtue of the fact that they permit departures from the staging provisions of Section 109(a) of the Trade Act of 1974 (19 U.S.C. 2119(a)).

7. In the case of each decrease in duty, including those of the type specified in clause (a) or (b) of the sixth recital of this proclamation, which involves the determination of the ad valorem equivalent of a specific or compound rate of duty, and in the case of each modification in the form of an import duty, the United States International Trade Commission has determined, pursuant to Section 601(4) of the Trade Act of 1974 (19 U.S.C. 2481(4)), in accordance with Section 4(e) of Executive Order No. 11846 of March 27, 1975 (3 CFR 1971-1975 Comp. 973), and at my direction, the ad valorem equivalent of the specific or compound rate, on the basis of the value of imports of the article concerned during a period determined by it to be representative, utilizing, to the extent

practicable, the standards of valuation contained in Sections 402 and 402a of the Tariff Act of 1930 (19 U.S.C. 1401a and 1402) applicable to the article during such representative period.

8. Pursuant to the Trade Act of 1974 and the Trade Agreements Act of 1979, I determine that each modification or continuance of existing duties or other import restrictions and each continuance of existing duty-free or excise treatment hereinafter proclaimed is required or appropriate to carry out the trade agreements identified in the third recital of this proclamation or the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, acting under the authority vested in me by the Constitution and the statutes, including but not limited to Title I and Section 604 of the Trade Act of 1974, Section 2 and Titles II and V of the Trade Agreements Act of 1979, and Section 301 of Title 3 of the United States Code, do proclaim that:

(1)(a) The valuation standards amendments made by Title II of the Trade Agreements Act of 1979 (93 Stat. 194 *et seq.*) to Sections 402 and 402a of the Tariff Act of 1930 (19 U.S.C. 1401a and 4102), and,

(b) subject to the provisions of the General Agreement of the Geneva (1979) Protocol, of other agreements supplemental to the General Agreement, of the other agreements identified in recitals 3 and 4, and of United States Law (including but not limited to provisions for more favorable treatment),—

(i) the modification or continuance of existing duties or other import restrictions, and

(ii) the continuance of existing duty-free or excise treatment provided for in these agreements and in trade agreements legislation, shall become effective on or after July 1, 1980, as provided for herein.

(2) To this end—

(a) The amendments made by Title II of the Trade Agreements Act of 1979 (93 Stat. 194 *et seq.*), except amendments made by section 223(b), shall be effective with respect to articles exported to the United States on and after July 1, 1980;

(b) The TSUS is modified as provided in Annexes II, III and IV of this proclamation;

(c) The modifications to the TSUS made by Sections A and C of Annex II, and Section A of Annex III, of this proclamation shall be effective with respect to articles exported to the United States on and after the effective dates specified in those annexes;

(d) The modifications to the TSUS made by Sections B, D and E of Annex II, Section B of Annex III, and Sections A and B of Annex IV, of this proclamation shall be effective with respect to articles entered, or withdrawn from warehouse for consumption, on and after the effective dates specified in those annexes;

(e) The United States Trade Representative shall make the necessary determinations relevant to the designation of the effective dates of the modifications of the TSUS made by Sections F and G of Annex II and Section C of Annex III to this proclamation, and shall publish in the Federal Register the effective date with respect to each of the modifications made by these sections; such modifications shall apply to articles entered, or withdrawn from warehouse for consumption, on and after such effective date;

(f) With respect to the modifications to the TSUS made by Annex IV to this proclamation and Annex IV to Presidential Proclamation 4707 of December 11, 1979, relating to special treatment for the least developed developing countries (LDDC's), whenever the rate of duty specified in the column numbered 1 for any TSUS item is reduced to the same level as the corresponding rate of duty specified in the column entitled "LDDC" for such item, or to a lower level, the rate of duty in the column entitled "LDDC" shall be deleted from the TSUS;

(g) Annexes III and IV of Presidential Proclamation 4707 of December 11, 1979, are superseded to the extent inconsistent with this proclamation.

IN WITNESS WHEREOF, I have hereunto set my hand this 28th day of June, in the year of our Lord nineteen hundred and eighty, and of the Independence of the United States of America the two hundred and fourth.

ANNEX II

GENERAL MODIFICATIONS OF THE TARIFF
SCHEDULES OF THE UNITED STATES

Notes:

1. A rate of duty specifically set forth in this Annex which does not reflect a trade agreement concession granted in Schedule XX (Geneva-1979) is enclosed in brackets. Such bracketed rates are included in this Annex in cases in which items in the Tariff Schedules of the United States are subdivided or redesignated as required or appropriate to carry out trade agreement concessions. Additional bracketed matter is included to assist in the understanding of proclaimed modifications.

2. In instances in this Annex in which one or more complete items, with or without preceding superior descriptions, supersede matter now in the Tariff Schedules of the United States, the items and superior descriptions are set forth in columnar form, and material in such columns is inserted in the columns designated, "Item", "Articles", "Rates of Duty 1", "Rates of Duty LDDC", and "Rates of Duty 2", respectively, in the Tariff Schedules of the United States.

Subject to the above notes and to the insertion, as indicated herein, of the appropriate rates of duty set forth in Annex III to this proclamation, the Tariff Schedules of the United States are modified as follows:

Section A. Effective as to articles both exported to the United States on and after July 1, 1980, and entered, or withdrawn from warehouse for consumption, on and after July 1, 1980.

Schedule 1, Part 3, Subpart E

1. Schedule 1, part 3E is modified by deleting the headnote;
2. Item 114.05 is superseded by: (as provided in the Trade Agreements Act of 1979, Sec. 223)

Schedule 4, Part I

3. Schedule 4, part I is modified by deleting headnotes 4 and 5;
4. Schedule 4, part I is modified by deleting subparts B and C of this part and inserting the following, in lieu thereof:

"Subpart B. - Industrial Organic Chemicals

Subpart B headnotes:

1. The provisions of items 402.00 to 406.63, inclusive, in this subpart shall apply not only to the products described therein when obtained, derivad, or manufactured in whola or in part from products described in subpart A of this part, but shall also apply to products of like chemical composition having a benzenoid, quinoid, or modified benzenoid structure artificially produced by synthesis, whether or not obtained, derivad, or manufactured in whola or in part from products described in said subpart A.

2. For the purpose of classification of merchandise provided for under items 402.36 to 406.63, inclusive, the following provisions shall govern:

(a) The term "derivatives" refers to only those derivatives which may be obtained by one or more of the following processes: Halogenation, nitration, nitrosation, or sulfonation, and is to be understood to include sulfonyl halides.

(b) A compound with functional groups described in two or more items under items 402.36 to 406.63, inclusive, is to be classified in the latest applicable item. For example, 4-acetamido-2-aminophanol, which contains three functional groups, will be classified in 405.12 (Aminadas), rather than in 404.92 to 405.09, inclusive (Aminophenols), or in 404.84 to 404.90, inclusive (Amines), or in 403.51 (Phenols). When applicable, classification should be made in accordance with the following principles:

(i) Salts of organic acids (including phenols) with inorganic bases and salts of organic bases with inorganic acids are to be classified under the same superior heading as the organic acid or base; salts of organic acids with organic bases are to be classified either under the superior heading which describes the functional groups present in the free acid or under the one which describes the functional groups present in the free base, whichever is listed later.

(ii) Esters of organic acids are to be classified either under the superior heading which describes the functional groups present in the free acid or under the one which describes the functional groups present in the free alcohol or phanol, whichever is listed later.

(iii) The above provisions apply also in cases where the component having the functional groups described under the later superior heading is not of benzenoid origin. For example, benzyl acetate is classified under carboxylic acids (404.24 to 404.47, inclusiva) rather than under alcohols (403.45).

ANNEX II

Subpart C. - Finished Organic Chemical Products

Subpart C headnotes:

1. The provisions of this subpart providing for products obtained, derived, or manufactured in whole or in part from products described in subpart A or B of this part shall also apply to products of like chemical composition having a benzenoid, quinoid, or modified benzenoid structure artificially produced by synthesis, whether or not obtained, derived, or manufactured in whole or in part from products described in the said subpart A or B.

2. For the purposes of the Tariff Schedules, the term "pesticides" means products, such as insecticides, rodenticides, fungicides, herbicides, fumigants, and seed disinfectants, chiefly used to destroy undesired animal or plant life.

3. The term "plastics materials" in items 408.44 to 409.18, inclusive, embraces products formed by the condensation, polymerization, or copolymerization of organic chemicals and to which plasticizers, fillers, colors, or extenders may have been added. The term includes, but is not limited to, phanolic and other tar-acid resins, styrene resins, alkyd and polyester resins based on phthalic anhydride, coumarone-indane resins, urethane, epoxy, toluene sulfonamide, maleic, fumaric, aniline, and polyimide resins, and other synthetic resins. The plastics materials may be in solid, semi-solid, or liquid condition, such as flakes, powders, pellets, granules, solutions, emulsions, and other basic forms not further processed.

4. For the purposes of the classification of merchandise provided for under items 408.44 to 409.18, inclusive, the following provisions shall apply:

(a) The term "thermoplastic resins" means those materials in unfinished forms which in their final state as finished articles are capable of being repeatedly softened by increase of temperature and hardened by decrease of temperature.

(b) The term "thermosetting resins" (or thermosets) means those materials in unfinished forms which in their final state as finished articles are substantially infusible. Thermosetting resins are often liquids at some stage in their manufacture or processing and are cured by heat, catalysis, or other chemical means. After being fully cured, thermosets cannot be resoftened by heat.

(c) Copolymers and terpolymers not specially provided for shall be classified as if they consisted entirely of that monomer which is present in the largest amount by weight on resin content basis (i.e., excluding the weight of plasticizers, liquid diluents, fillers, or other additives). Any polymer consisting of two or more monomers which are present in equal amounts shall be classified as if it consisted entirely of that monomer whose polymer is listed first under the thermoplastic or thermosetting resins, as appropriate.

5. The term "paints and enamel paints" in this subpart covers dispersions of pigments or pigment-like materials with a liquid (vehicle) which are suitable for application to surfaces as a thin layer, and which dry (harden) to an opaque, solid film. The vehicle of paints consists of drying oils or resins which bind the pigment particles together in the film; the vehicle of enamel paints is principally varnish. Paints and enamel paints may also contain thinners, driers, plasticizers, or other agents.

ANNEX II

-21-

6. The term "varnishes" in this subpart covers liquid surface-coating products which contain no pigments or pigment-like materials, and which dry (harden) to a transparent or translucent film. Shellac varnishes are solutions of shellac or any other form of lac in a volatile solvent such as ethyl alcohol. Oleoresinous varnishes consist of resins dissolved in or reacted with a drying oil, to which thinners, driers, and plasticizers may be added. Cellulose-derivative varnishes (lacquers) are solutions of cellulose nitrate or other cellulose derivatives in a volatile solvent.

7. The term "stains" in this subpart covers liquids containing transparent or semi-transparent pigments, dyes, or chemicals, chiefly used to deepen or otherwise alter the color of wood, but which will not obscure its grain, texture, or markings.

8. For the purposes of this subpart --

(a) The term "surface-active agents" means synthetic organic compounds, or mixtures thereof, which function as surface tension modifiers and are chiefly used for any one or combination of the following purposes: as detergents, wetting agents, emulsifiers, dispersants, or foaming agents.

(b) The term "synthetic detergents" embraces formulated materials which are used chiefly for household, laundry, and industrial cleaning purposes, and which consist of one or more surface-active agents as the active ingredients in combination with colors, brighteners, perfumes, inert diluents, builders, and extenders such as inorganic salts, polyphosphates, polysilicates or sodium carboxymethyl-cellulose.

9. The term "plasticizers" in item 409.34 means substances which may be incorporated into a material (usually a plastic, resin material, or an elastomer) to increase its softness, flexibility, workability, or distensibility.

10. The term "drugs" in this subpart means those substances having therapeutic or medicinal properties and chiefly used as medicines or as ingredients in medicines.

11. For the purposes of the provisions of this subpart relating to "colors, dyes, stains, and related products" (except products provided for in items 410.36 to 410.44, inclusive) --

(a) the specific duties shall be based on standards of strength which shall be established by the Secretary of the Treasury, and upon all importations of such articles which exceed such standards of strength the specific duty shall be computed on the weight which the article would have if it were diluted to the standard strength, but in no case shall any such articles of whatever strength be subject to a less specific duty than that provided in the respective items of this subpart;

(b) it shall be unlawful to import or bring into the United States any such product unless the invoice shall bear a plain, conspicuous, and truly descriptive statement of the identity and percentage, exclusive of diluents, of such product;

(c) it shall be unlawful to import or bring into the United States any such product, if the immediate container or the invoice bears a statement, design, or device regarding the product or the ingredients or substances contained therein which is false, fraudulent, or misleading in any particular; and

(d) in the enforcement of the foregoing provisions of this heading the Secretary of the Treasury shall adopt a standard of strength for each dye or other product which shall conform as nearly as practicable to the commercial strength in ordinary use in the United States prior to July 1, 1914. If a dye or other product has been introduced

ANNEX II

-22-

into commercial use since said date then the standard of strength for such dye or other product shall conform as nearly as practicable to the commercial strength in ordinary use. If a dye or other product was or is ordinarily used in more than one commercial strength, then the lowest commercial strength shall be adopted as the standard of strength for such dye or other product.

12. Any product described in two or more of the items under items 411.32 to 412.70, inclusive, is to be classified in the first applicable item.

For convenience, the listed articles are described (1) by reference to their registry number with the Chemical Abstracts Service (C.A.S.) of the American Chemical Society, where available, or (2) by reference to their common chemical name or trade name where the C.A.S. registry number is not available. For the purposes of these schedules, any reference to a product provided for in this appendix includes such products listed herein, by whatever name known.

Proclamation 4769 of June 30, 1980

Extension of the Orderly Marketing Agreements and Temporary Quantitative Limitations on the Importation Into the United States of Color Television Receivers and Certain Sub-assemblies Thereof

By the President of the United States of America

A Proclamation

1. By Proclamation 4634 of January 28, 1979, the President proclaimed, under the authority of the Constitution and the statutes of the United States, including sections 203(a)(5), (e)(3) and (g)(2) of the Trade Act of 1974 (19 U.S.C. 2253(a)(5), (e)(3) and (g)(2)) (the Trade Act), the implementation of the orderly marketing agreements entered into with Taiwan and with the Republic of Korea which imposed quantitative restrictions on imports from Taiwan and Korea of color television receivers and certain subassemblies thereof. The limitations applied to covered articles entered, or withdrawn from warehouse for consumption, on or after February 1, 1979, and were to continue through June 30, 1980, unless earlier modified or terminated. Proclamation 4759 of May 15, 1980, modified Proclamation 4634. The limitations currently in effect, applicable to articles provided for in items 923.74 through 923.83, inclusive of the Tariff Schedules of the United States (TSUS) (19 U.S.C. 1202), will terminate at the close of June 30, 1980, unless extended by the President under section 203(h)(3) of the Trade Act (19 U.S.C. 2253(h)(3)).
2. On May 16, 1980, the United States International Trade Commission (USITC), in accordance with sections 203(i) (3) and (5) of the Trade Act (19 U.S.C. 2253(i) (3) and (5)), reported the results of its investigation under section 203(i)(3) of the Trade Act (19 U.S.C. 2253(i)(3)) to the President (USITC Publication 1068). The USITC advised the President that termination of the import relief currently in effect with respect to certain color television receivers and subassemblies thereof will have an adverse effect on the domestic industry producing like or directly competitive products.
3. Section 203(h)(3) and (5) of the Trade Act (19 U.S.C. 2253(h)(3) and (5)) provides that any import relief instituted under the authority of section 203 may be extended by the President at a level no greater than that in effect at the time of extension if the President determines, after considering the advice of the USITC and the factors indicated in section 202(c) of the Trade Act (19 U.S.C. 2252(c)), that such extension is in the national interest.
4. In accordance with section 203(h)(3) of the Trade Act (19 U.S.C. 2253(h)(3)), I have determined that the level of import relief hereinafter proclaimed extends import relief at a level no greater than that in effect for the period of February 1, 1979 through June 30, 1980, and, having considered the advice given by the USITC in its report to the President and the factors indicated in section 202(c) of the Trade Act (19 U.S.C. 2252(c)), I have determined that the extension of the orderly marketing agreements with the Coordinating Council for North American Affairs and the Republic of Korea, covering certain color television receivers and subassemblies thereof as provided in the Annex to this proclamation, is in the national interest.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, acting under the authority vested in me in the Constitution and the statutes of the United States, including section 203 of the Trade Act (19 U.S.C.

2253), section 604 of the Trade Act (19 U.S.C. 2483), section 301 of Title 3 of the United States Code, and sections 4(b)(2) and 6(b) of the Taiwan Relations Act (22 U.S.C. 3303(b)(2) and 3305(b)), and in accordance with Article XIX of the General Agreement on Tariffs and Trade (GATT) (61 Stat. (pt. 5) A58; 8 UST (pt. 2) 1786), do proclaim that—

(1) Orderly marketing agreements, with respect to trade in certain color television receivers and subassemblies thereof, extending in part those currently in effect, were initiated June 28, 1980 by the Government of the United States of America and the Government of the Republic of Korea, and on June 28, 1980 by the American Institute in Taiwan and the Coordinating Council for North American Affairs. Both agreements will be signed in the near future.

These agreements, which will be made effective July 1, 1980, are to be implemented according to their terms and by the quantitative restrictions as directed in this proclamation, including the Annex.

(2) The Tariff Schedules of the United States (19 U.S.C. 1202) are modified as set forth in the Annex to this proclamation.

(3) The authority of the President under section 203(e)(2) of the Trade Act (19 U.S.C. 2253(e)(2)) to negotiate orderly marketing agreements with other foreign country suppliers of articles subject to this proclamation after any import relief proclaimed pursuant to section 203(a)(1), (2), (3) or (5) of the Trade Act (19 U.S.C. 2253(a)(1), (2), (3) or (5)) takes effect is delegated to the United States Trade Representative (Trade Representative). The authority of the President, under section 203(e)(3) of the Trade Act (19 U.S.C. 2253(e)(3)) to determine that any agreement negotiated pursuant to section 203(a)(4) or (5) or 203(e)(2) of the Trade Act (19 U.S.C. 2253(a)(4) or (5) or 2253(e)(2)) is no longer effective, is delegated to the Trade Representative, to be exercised after consultation with representatives of the member agencies of the Trade Policy Committee. In the event of such a determination, the Trade Representative shall submit to the President a proclamation to implement import relief authorized by section 203(e)(3) of the Trade Act (19 U.S.C. 2253(e)(3)).

(4) The authority of the President in section 203(g)(1) and (2) of the Trade Act (19 U.S.C. 2253(g)(1) and (2)), having been delegated to the Secretary of the Treasury under section 5(b) of Executive Order No. 11846, shall be exercised by the Secretary of the Treasury, upon direction by the Trade Representative, in consultation with representatives of the member agencies of the Trade Policy Committee.

(5) In exercising the authority delegated in paragraphs (3) and (4) above, the Trade Representative shall, in addition to other necessary actions, institute the following actions:

(a) Statistics on imports of articles covered by the agreements shall be collected on a monthly basis.

(b) If, for two years beginning on July 1, 1980, the quantity of imports of the articles covered by the agreements from sources other than those covered by the agreements described in paragraph (1) appears likely to disrupt the effectiveness of the provisions of the orderly marketing agreements described in paragraph (1) above, the Trade Representative may initiate consultations with those countries and may exercise the authority under 203(g)(2) of the Trade Act (19 U.S.C. 2253(g)(2)) to prevent further entry of such articles for the remainder of that restraint period or otherwise moderate or restrict imports of such articles from such countries. Before exercising this authority, the Trade Representative shall consult with representatives of the member agencies of the Trade Policy Committee.

(c) Should the Trade Representative, under the authority of this proclamation, determine to institute import restrictions on articles entered, or withdrawn from warehouse for consumption, from sources other than those covered by the agreements described in paragraph (1) that action shall be effective not less than eight days after the publication in the Federal Register of the determination and any necessary changes in the TSUS.

(6) The Trade Representative shall take those actions and perform those functions for the United States which may be necessary concerning the administration, implementation, modification, amendment or termination of the agreements described in paragraph (1) of this proclamation, and any actions and functions necessary to implement paragraphs (3), (4) and (5) of this proclamation. In carrying out his responsibilities under this paragraph, the Trade Representative is authorized to delegate, to appropriate officials or agencies of the United States, authority to perform any functions necessary for the administration and implementation of the agreements or actions. The Trade Representative is authorized to make any changes in the TSUS which may be necessary to carry out the agreements or actions. Any changes in the agreements shall be effective not less than 8 days following their publication in the Federal Register.

(7) The Commissioner of Customs shall take those actions which the Trade Representative determines are necessary to carry out the agreements described in paragraph (1) of this proclamation and to implement any import relief under the authority of paragraphs (3), (4) and (5) of this proclamation, or any modification of it, with respect to the entry, or withdrawal from warehouse for consumption, into the United States of products covered by the agreements or by other import relief authorized above.

(8) The USITC shall issue reports and conduct the following surveys with respect to the certain color television receivers, and subassemblies thereof the subject of this proclamation:

(a) *Quarterly* surveys by calendar quarter to obtain from producers in the United States monthly data on production, shipments, inventories, employment, man-hours, prices, and other economic factors indicative of conditions in the U.S. industry. The initial surveys shall cover the second quarter of 1980. Subsequent surveys shall cover individual quarters with the last such survey covering the quarter which ends not less than 60 days prior to the termination of the import relief. The USITC shall publish the results of the surveys within 45 days after the end of the surveyed quarter.

(b) *Annual*. Annual surveys to obtain data from producers in the United States by calendar quarter on profits, capacity, and annual data on capital expenditures and research and development expenditures; and to obtain from importers data by calendar quarter on prices, orders, and inventories. The initial surveys shall cover the calendar year 1980, and the results shall be published by March 31, 1981. The results of subsequent surveys shall be published by March 31 of each year thereafter so long as the import relief is in effect.

(9) This proclamation shall be effective as of July 1, 1980, and shall continue in force through June 30, 1982, unless the period of its effectiveness is earlier expressly modified or terminated.

IN WITNESS WHEREOF, I have hereunto set my hand this thirtieth day of June, in the year of our Lord nineteen hundred and eighty, and of the Independence of the United States of America the two hundred and fourth.

Proclamation 4770 of July 1, 1980

Amendment of Proclamation No. 4663 Regarding the Allocation of Quotas on Certain Sugars, Sirups, and Molasses

By the President of the United States of America

A Proclamation

1. Proclamation No. 4663 of May 24, 1979, modified Headnote 3 of Subpart A, Part 10, Schedule 1 of the Tariff Schedules of the United States (TSUS) (19 U.S.C. 1202), authorizing the Secretary of State to allocate the sugar import quota among supplying countries or areas to the extent necessary to conform with the International Sugar Agreement, 1977, which the United States then was applying provisionally.
2. The United States signed the International Sugar Agreement on January 2, 1980. The International Sugar Agreement 1977, Implementation Act (P.L. 96-236; 94 Stat. 336) (the Act) enacted on April 22, 1980, authorized full implementation of United States rights and obligations under that agreement.
3. In order to carry out and enforce the International Sugar Agreement, the Act authorizes the President to limit the entry into the United States of sugar, as defined in the Agreement, which is the product of foreign countries, territories or areas not members of the International Sugar Agreement, to take other action and to issue and enforce rules and regulations necessary or appropriate to enforce U.S. rights and obligations under the Agreement. The President also is authorized to designate agencies or offices of the United States which will exercise the powers and functions conferred by the Act.
4. Reorganization Plan Number 3 of 1979, transferred to the United States Trade Representative the functions of the Secretary of State with respect to commodity agreements. Executive Order No. 12224 of July 1, 1980, delegated the powers and duties of the President to the United States Trade Representative.
5. To reflect the developments described in paragraphs 2, 3, and 4, Proclamation 4663 must be amended. The actions proclaimed below conform with the International Sugar Agreement, 1977, and give due consideration, as required by Headnote 2, of Subpart A, Part 10, Schedule 1 of the TSUS, to the interests of domestic producers of sugar in the United States and of affected contracting parties to the General Agreement on Tariffs and Trade.

NOW, THEREFORE, I, JIMMY CARTER, President of the United States of America, acting under the authority vested in me by the Constitution and statutes of the United States, including the International Sugar Agreement 1977, Implementation Act (P.L. 96-236; 94 Stat. 336) and in conformity with Headnote 2 of Subpart A, Part 10, Schedule 1 of TSUS, do hereby proclaim:

(1) The first paragraph of Headnote 3 of Subpart A, Part 10, Schedule 1 of the TSUS is modified by substituting for the second and third sentences of that paragraph the following:

"The U.S. Trade Representative or his designee may allocate this quantity among supplying countries or areas, and may prescribe further rules, regulations, limitations or prohibitions on the entry of sugar in accordance with the International Sugar Agreement, 1977, and Public Law 96-236. The U.S. Trade Representative or his designee shall inform the Commissioner of Customs of

any such action regarding the importation of sugar, and shall publish notice thereof in the **Federal Register**".

(2) The provisions of this proclamation are effective July 1, 1980.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of July, in the year of our Lord nineteen hundred and eighty, and of the Independence of the United States of America the two hundred and fourth.
