Sir

In reply to your letter respecting
the Mobile Survey on the S.S. *Strambol*
they acquaint you that the
owners expect this vessel to be
a Liverpool sometime this week
& will arrange to have the survey
carried out at that port.

Their attention has also been
called to the fact that the sea
cocks had not been examined
when the vessel was last in dock
for machinery survey.

I am,

The Secretary,
Lloyd's Register
London

Your obedient servant
James Morrison
