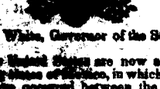
PROCLAMATION



By Edward D White, Governor of the State of Louisiana.

Whereas the United States are now at peace with the neighboring States of America, in which some hostile movements have occurred between the existing government there and a portion of their people, in which contest there has been in the State of Louisiana, some manifestation of interest which might lead not only to an infraction of our laws, but to a breach of national faith and honor.

The citizens of the State and others within its jurisdiction, are reminded of the provisions of the 2d section of the act of Congress, of April 20th, 1818, which is in these words:

"If any person shall, within the territory or jurisdiction of the United States, enlist or enter himself, or hire or retain another person to enlist or enter himself, or to go beyond the limits or jurisdiction of the United States, with intent to be enlisted or entered in the service of any foreign prince, state, colony, district or people, as a soldier, a marine or seaman, on board of any vessel of war, letter of marque or privateer, every person so offending shall be deemed guilty of a high misdemeanor; and be fined not exceeding one thousand dollars, and imprisoned not exceeding three years."

This act does not extend to the subject or citizen of any foreign prince, state or colony, district or people who shall transiently be within the United States, and shall, on board of any vessel of war, letter of marque or privateer, which at the time of its arrival within the United States was fitted and equipped as such, enlist or enter himself, or hire or retain another subject or citizen of the same foreign prince, state, colony, district or people, who is transiently within the United States, to enlist or enter himself to serve such foreign prince, state, colony, district or people, on board such vessel of war, letter of marque or privateer, if the U S shall then be at peace with such foreign prince, state, colony, district or people.

Now therefore I, Edward D White, Governor of the State of Louisiana, issue this my proclamation, calling upon all magistrates and other officers of justice, and upon all good citizens, to exhibit preventing the violation of this law, and in bringing to punishment those who may offend against it.

Given under my hand and the seal of the state, at New Orleans, this 18th day of November 1835, [L S] and of the Independence of the United States the sixtieth.

E. D. WHITE.

By the Governor. MARTIN BADGER, Sec. of State.
