- The selected candidates will first be shortlisted by the affiliates and finally selected by the community.
- These positions are open to any region, but Africa, South Asia, East and Southeast Asia and Pacific, and Latin America and Caribbean are desired (not mandatory) regions.
- Candidates should share how their experiences have equipped them to promote diversity, equity, and inclusion.

# Sought skills

Expertise in skill areas identified as needs by the Board:

1. Organizational strategy and management
2. Enterprise-level platform technology and/or product development
3. Public policy and the law
4. Social data science, big data analysis, and machine learning

# This is an opportunity to advocate for a Board that represents the values and politics of knowledge justice!

# How it works

- With our vote, we are participating in the selection of a shortlist of 6 candidates from 12 that are running.
- The voting period for Affiliates is July 1-15.
- Affiliates vote through a representative through Single Transferable Vote method.
- The community members will have the opportunity to vote to select the two trustees out of the six candidates shortlisted by affiliates.
