

Women in Climate Change

Camelia Boban, WikiDonne User Group

"Women in Climate Change" edit-a-thon (online)
15 December 2020 presentation

A close-up portrait of Greta Thunberg, a young woman with light brown hair pulled back, looking directly at the camera with a serious expression. She is wearing a black jacket over a black and white striped turtleneck. The background is a blurred indoor setting with some greenery and colorful objects.

Women in Climate Change

1 - 31 December 2020

What is Women in Climate Change Edit-a-thon? [\[modifica \]](#)

A month edit-a-thon about women that are playing a crucial role in climate change

The Climate Action movement is led by women around the world, some very visibly like youth leaders [Greta Thunberg](#) and [Vanessa Nakate](#), and women have taken leading roles in shaping public science and policy about the climate crisis, including Paris agreement facilitator [Christiana Figueres](#) or IPCC vice chair [Carolina Vera](#). Help us write about these women and make them visible on more Wikipedias.

How to participate? [\[modifica \]](#)

WikiDonne User Group è un gruppo di utenti che operano su tematiche legate alle donne e più in generale alla diversità (territoriale, culturale, linguistica, generazionale, di genere, attitudinale e di abilità etc) all'interno del movimento wiki.

Obiettivi [\[modifica \]](#)

L'obiettivo principale è quello di aumentare la diversità e ridurre il *gender gap* all'interno di Wikipedia e del movimento Wikimedia in generale:

- arricchire i contenuti riguardanti le donne ed i gruppi sotto rappresentati nei progetti Wikimedia (soprattutto in italiano)
- offrendo lo spazio ed il supporto alle persone che vogliono collaborare ai progetti
- coordinando le persone al fine di coinvolgere un maggior numero di donne per scrivere su Wikipedia e per migliorare la qualità delle voci
- creando eventi, incontri, edit-a-thons, conferenze, campagne volte a far conoscere le tematiche femminili e accrescere il movimento Wikimedia nel mondo
- collaborando con altri gruppi che hanno i nostri stessi obiettivi: WikiWomen, WikiMujeres, Les sans pagEs, Art + Feminism, Whose Knowledge? ecc.

Storia [\[modifica \]](#)

Preso coscienza dell'enorme divario di genere durante le presentazioni (soprattutto da parte di Rosiestep e FloNight) a Wikimania Esino Lario 2016, nasce l'idea di fare qualcosa. Dopo la creazione del progetto WikiDonne (4 agosto) per la partecipazione all'editathon HerStory organizzato da May Hachem insieme all'ONU (12 agosto), il 14 ottobre 2016 Camelia inizia le pratiche per il riconoscimento come user group affiliato a Wikimedia Foundation da parte di AffCom. Il gruppo, con sede a Roma, ha la seguente descrizione:

Siamo un gruppo di utenti che hanno lo scopo di aumentare la diversità e migliorare la copertura di argomenti che riguardano le donne in Wikipedia, stilando liste di voci (da creare ex novo, da migliorare e da tradurre) e organizzando eventi. Gli uomini sono i benvenuti sempre, la nostra intenzione non è quella di trasformare Wikipedia in "Donnepedia" ma sensibilizzare tutti sulla realtà del gender gap nei contenuti e partecipazione.

Involge nel gruppo altre due wikimediane: Beatrice e Susanna per l'inserimento come utenti attive dell'user group.

WikiDonne - Chi siamo

Benvenuti nel progetto WikiDonne su Wikipedia!

Lo sapevate che solo 15,24% di biografie su Wikipedia in italiano sono bio di donne? Siamo un gruppo di utenti che hanno lo scopo di aumentare la diversità e migliorare la copertura di argomenti che riguardano le donne in Wikipedia, sfidando liste di voci (da creare ex novo, da migliorare e da tradurre) e organizzando eventi. Gli uomini sono i benvenuti sempre, la nostra intenzione non è quella di trasformare Wikipedia in Donnepedia ma sensibilizzare tutti sulla realtà del gender gap nei contenuti e partecipazione.

Linguette 1 * Header con eventi * Benvenuti * Pulsanti eventi * Inviti WiR * CineDonna * Monitoraggio voci * Portale Femminismo * Voci scritte * Modello pagina editathon * Aiuto * Gestire un evento wiki

Benvenuti nel progetto WikiDonne su Wikipedia!

Il progetto ha come obiettivo l'inserimento in Wikipedia ed altri progetti wiki, di biografie di donne enciclopediche mancanti e argomenti correlati (opere delle donne, storia delle donne, movimenti femministi, sport femminili, pregiudizi di genere, violenza sulle donne etc).

Creato il 4 agosto 2016 da Camelia per la partecipazione all'editathon HerStory del 12 agosto, viene gestito dal WikiDonne (User Group con sede a Roma riconosciuto ufficialmente dalla WMF formato da Camelia, Beatrice e Susanna e altri utenti che svolgono attività volte a ridurre il gender gap nel mondo wiki):

- facendo un lavoro di alfabetizzazione wiki
• partecipando alla scrittura delle voci, raggruppando le biografie femminili, creando liste, categorie, barre di navigazione, template associati e altro.
• realizzando collaborazioni con altri movimenti wiki di condivisione della conoscenza libera (WikiWomen, WikiMujeres, Les sans pagEs, Whose's Knowledge?), in quanto partecipante al progetto globale Women in Red
• realizzando un lavoro cross-wiki tramite la copertura degli stessi argomenti negli altri progetti wiki: WikiBooks, WikiQuote, OSM
• organizzando eventi (editathon on line e on site, corsi, incontri)
• stabilendo affiliazioni a progetti organizzati da altri usergroups, gruppi regionali o capitoli (Ibercoop, CEE Spring, Wiki Loves Women, Art + Feminism, AfroCrowd, Wikimedia Ghana User Group, Wikimedians of Cameroon User Group, Wikimedia User Group Nigeria, WMSE, WMIT, WMCH, WMAR, WMDE, WMFR).

Usate il bar tematico per informazioni, domande o richieste inerenti al progetto.

Per partecipare attivamente al progetto, per domande di adesione da parte di privati, associazioni e enti o per richieste di informazioni sulle nostre attività e sotto progetti tematici inviate un'email a camelia.boban@gmail.com, iscrivetevi al nostro gruppo Google+ o iniziate una nuova discussione. Esiste anche il canale freenode (moderatamente attivo).

Il progetto è collegato a:

Wikipedia:Five pillars

From Wikipedia, the free encyclopedia
1,629 revisions since 2005-05-04 (+17 days), 893 editors, 1,196 watchers, 7,902 pageviews (30 days), created by: Neutrality (150.033) · See full page statistics

The fundamental principles of Wikipedia may be summarized in five "pillars":

Wikipedia is an encyclopedia

Wikipedia combines many features of general and specialized encyclopedias, almanacs, and gazetteers. **Wikipedia is not** a soapbox, an advertising platform, a vanity press, an experiment in anarchy or democracy, an indiscriminate collection of information, or a web directory. It is not a dictionary, a newspaper, or a collection of source documents, although some of its fellow Wikimedia projects are.

Shortcuts
WP:5P
WP:PILLARS

Wikipedia is written from a neutral point of view

We strive for articles in an impartial tone that **document** and **explain major points of view**, giving **due weight** with respect to their prominence. We avoid advocacy, and we characterize information and issues rather than debate them. In some areas there may be just one well-recognized point of view; in others, we describe multiple points of view, presenting each accurately and in context rather than as "the truth" or "the best view". All **articles** must strive for verifiable accuracy, citing reliable, authoritative sources, especially when the topic is controversial or is about a living person. Editors' personal experiences, interpretations, or opinions do not belong on Wikipedia.

Shortcut
WP:5P2

Wikipedia is free content that anyone can use, edit, and distribute

Since all editors **freely license their work to the public**, no editor **owns an article** and any contributions can and may be **mercilessly edited** and redistributed. Respect **copyright laws**, and never **plagiarize** from any sources. Borrowing non-free media is sometimes allowed as **fair use**, but strive to find free alternatives first.

Shortcut
WP:5P3

Wikipedia's editors should treat each other with respect and civility

Respect your fellow **Wikipedians**, even when you disagree. Apply **Wikipedia etiquette**, and do not engage in **personal attacks**. Seek **consensus**, avoid **edit wars**, and never **disrupt Wikipedia** to illustrate a point. Act in good faith, and assume **good faith** on the part of others. Be open and **welcoming to newcomers**. Should conflicts arise, discuss them calmly on the appropriate **talk pages**, follow **dispute resolution procedures**, and consider that there are 6,208,609 other articles on the English Wikipedia to improve and discuss.

Shortcut
WP:5P4

Wikipedia has no firm rules

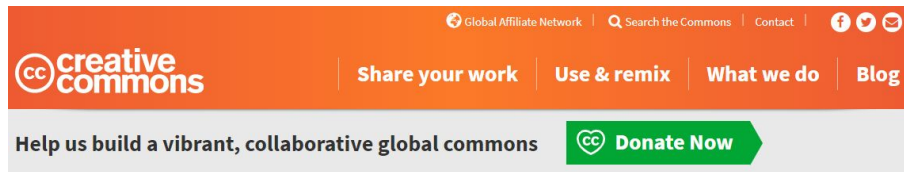

Wikipedia has policies and guidelines, but they are not carved in stone; their content and interpretation can evolve over time. The principles and spirit matter more than literal wording, and sometimes improving Wikipedia requires making exceptions. Be **bold**, but not reckless, in updating articles. And do not agonize over making mistakes: (almost) every past version of a page is saved, so mistakes can be easily corrected.

Come registrarsi su Wikipedia

-guida a cura dell'user group WikiDonne-

1. Registrarsi (creare l'utenza) sul sito Wikipedia

Compilare il form inserendo i seguenti dati: nome utente (deve iniziare con la [lettera maiuscola](#)), password, conferma la password, indirizzo email - per recuperare la password smarrita - e il codice CAPTCHA).

Come effettuare una traduzione da altre versioni linguistiche

-guida a cura dell'user group WikiDonne-

1. Attivare il plugin delle traduzioni. Clic sul link delle *Preferenze*,

25/02/17, 19:23:15

andare nella tab *Funzionalità sperimentali*,

spuntare la funzionalità *Traduzione voci* e salvare
