

Yemen | Hodeida – Critical lifeline for humanitarian aid

SITUATION OVERVIEW

- **Military operations** around Hodeida are intensifying.
- Hodeida is one of the most densely populated areas in Yemen (**600 000 people**) and a critical entry point for life saving imports into Yemen, especially the highlands.
- An offensive in Hodeida will have **devastating consequences** on the civilian population living in the city and on millions depending on imports from Hodeida port (approximately **70% of the population of Yemen**).
