

## Content Enrichment

# Wikipedia Education Program (WEP)

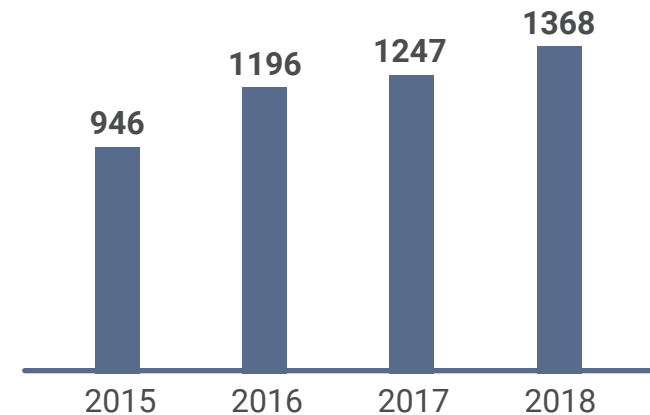

Educators and students around the world contribute to Wikipedia and other Wikimedia projects in an academic setting

### Student Participation from Institutes

\*This is a representational chart showing only certain institutes. This is not an exhaustive list of institutes partnered with.

### Student Participation from Christ University

## Further Initiatives

**Internship program** for the students of Christ University, students have continued to engage with Wikimedia projects even after WEP

**Campus Ambassador Program**, to align WEP activity with A2K's mission of increasing quality content and reducing acts of vandalism on Kannada Wikimedia projects. Ambassadors help the students in understanding the objective, purpose and method of participating in WEP assessment

**Certificate course** in collaboration with Christ University, on using and editing in Wikipedia for students, to enable the spread of content editing and contributing skills on Wikipedia in vernacular languages.
