The Chronicle

The representative, progressive and
non-sectional newspaper
of Brookline

THIS paper makes no pretense to enter the field well served by Boston daily papers. It aims solely to serve the more intimate life of the community, by printing items of neighborhood news which the dailies do not handle, and by assisting all citizens of the town to come more closely in contact with their common interests.

The news-gathering facilities of the paper are steadily being extended, its circulation is keeping pace with the growth of the town, and advertisers are rapidly becoming convinced that it is the best local medium in Boston's suburbs.
