Dear Friend your last parcel of flour

187 lbs arrived on Saturday and on Monday
(27th) was sold as follows 50 lbs at 50 cts to
Stephen Holt and 82 to Wood & Birdsell all at 7/2 cts
perable 1st sort - 5 lbs remaind but not yet sold. We
consider this a fair sale at the time
it was made but in consequence of
recent European news and a report here that transpor-
tation will cease on the Canal after the
15th November whatever may be the state of the
weather, there has been a considerable specu-
lation with some advance in prices. Sales
were made today at 7/4 and for some months
extra by the inspectors 7/2. We believe these
are the highest sales that can be quoted.
many are of opinion there will be still
a further advance

With esteem
yours
Edw. G. Pailett
