## NARBERTH ASSEMBLY MASQUE DANCE

Held in Elm Hall Last Saturday  
Evening—Most Brilliant  
Affair

Every year it is the custom of the Narberth Assembly to give a masque dance. This affair is especially looked forward to by the assembly members and their friends.

The dance held Saturday evening was fully up to the standard in every way, with the exception that the attendance was not as large as that of the previous year. Nevertheless, the affair was considered very successful.

The costumes were unique, the music splendid, and the hall and dance floor exceptionally clean.

Quite a number of the members went to no little trouble and expense in preparation of their costumes.

Mr. John C. Holme's Japanese make-up as "His Imperial Majesty" was excellent and he looked the part. Mrs. Charles Bodansky's Indian maiden costume was well gotten up. Mrs. W. C. Claghorn's Irish costume was very becoming and certainly appropriate for the 17th of March. Mrs. H. R. Hillegas' Hawaiian costume was very odd and pretty. Mr. Robert G. Savill dressed as Buster Brown and looked funny enough to be in the comic supplement of the Sunday paper. A number of other costumes worn by the members and their friends were equally as good.

It is very gratifying to note that the people of Narberth take such an interest in affairs of this kind, thus making them the success that they are.

Those who attended were: Mr. and Mrs. Charles Bodansky, Mr. and Mrs. (Continued on Third Page)

## WENTZ-ENFIELD

On Wednesday, March 14, the wedding of Miss Achsah M. Wentz to Mr. F. Don Enfield took place in St. Paul's Lutheran Church, in Spring Grove, Pa.

Miss Wentz wore an exquisite white satin gown trimmed with duchess lace, and was attended by a maid of honor, Miss Ruth Furner, of Somerset, Pa., who wore a pink gown of tulle and satin; two bridesmaids, her sister, Helen Wentz, and Miss Salome Dintmer, of Spring Grove, who wore dresses of Nile green tulle and satin, and also two small flower girls, Marie Wentz, of Narberth, and Esther Wentz, of Spring Grove, who were dressed in white with pink sashes and bonnets and strewed rose petals in the path of the bride. The best man was Mr. C. Besterfelt, of Washington, and the ushers were Mr. Jesse Wentz, Jr., Mr. Ames Hendrickson, of Waynesboro, Pa.; Mr. Walter Rohrbach, of York, Pa., and Mr. Cramer, of Hanover, Pa. A recital was given before the wedding, in which Miss Margaret Grove, of Waynesboro, Pa., and Miss Ruth E. Prescott, of Narberth, participated. Miss Grove attended the Conservatory of Music at Lincoln, Nebraska, at the time Miss Wentz studied there, and is a teacher of music, she played several organ compositions by Frank Fleishinger and Ralph Kinder, and Miss Prescott rendered songs by Harriet Ware, Cadman, etc., and sang "O Perfect Love," by Barnby during one part in the wedding ceremony. After the wedding a reception was held at the Aldine Hotel in Spring Grove, which was attended by about 200 people. A dinner was also given to the bridal party at twelve noon on the day of the wedding. The bride's father is superintendent of the Glatfelter Mills, in Spring Grove, and the bridegroom's father is a retired property owner in Hollywood, California, where the bride and groom will live. Miss Wentz will be greatly missed and especially so in Narberth, as she had an extremely large circle of friends here, among whom she was very popular, but she and her husband are expecting to return next fall to Washington when the session convenes again as Mr. Enfield is assistant to Congressman Reavis, of Nebraska. Several members of the Kappa Sigma Phi Sorority of Narberth of which Mrs. Enfield is a member, attended the wedding.

## ANNOUNCEMENT

Through an unfortunate combination of circumstances Mr. Charles Dooïn and his company did not arrive at Narberth until ten minutes after the performance at St. Margaret's Hall, at which he was to appear, had been concluded. Mr. Dooïn desires to express in a public fashion his keen regret at the disappointment which his failure to appear occasioned, on account of which the Rev. R. F. Cowley is disposed to refund money paid for admission to all who shall make application for it. Every possible effort was made to preclude disappointment of any kind, but as the program was not fulfilled in its entirety, nor in a manner which was compatible with the arrangements which had been made for it, the admission money shall be very cheerfully returned to all who request it. Telephone Narberth 6-70 or apply at the rectory.

Mr. Dooïn also desires it to be announced that it is his purpose to bring to Narberth in the near future an array of talent, including his own company, of course, which will well make amends for the disappointment which we have all incurred as a result of our inability to give everything which was promised on last Monday evening.

## WORKMEN, TAKE NOTICE

Mechanics and other workmen, who are willing to accept government positions either at once or at a future time when needed, are advised to inquire at the post office. Among the list of employes needed are carpenters, assemblers, blacksmiths, electricians, inspectors, laborers, millers, drop forgers, polishers, tool grinders, wood workers, etc.

## DR. FRANCIS H. GREEN, OF WEST CHESTER

We shall have the privilege of hearing Dr. Green, on Friday, April 6, at the school auditorium. Keep the date open, and make the best of this opportunity, as we don't know when we can get Dr. Green here again. He will lecture on "The Nature, and Worth of Wit and Humor," which sounds intensely interesting and enticing. Give him a good audience, and show him that Narberth people can enjoy something intellectual once in a while. This is one of the course of lectures under the direction of the Narberth High School Alumni Association. No single lecture tickets have been issued. Just pay at the door, the mere sum of 35 cents.

## NOTICE

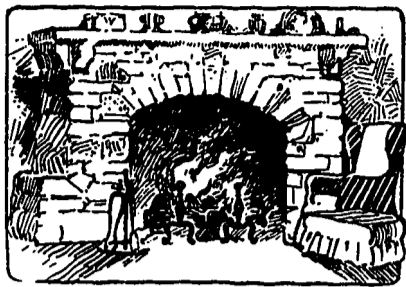

To the Citizens of the "Year 'Round Home Town:"

Most of you are aware of the tragic and sudden death of our long time citizen, William Humphries. Not so many perhaps are acquainted with the fact that his family, consisting of a hard working widow and nine children, the youngest seven months old, are left in destitute circumstances.

At a gathering of several of our citizens, ways and means were discussed of aiding the bereaved ones and it was decided that the undersigned committee be appointed to circularize all residents of Narberth, soliciting contributions for this eminently worthy cause. Immediate pressing expenses have been assumed by a large hearted citizen, but the family should have a fund to depend on until it can adjust itself to the sadly changed conditions. This little fund will be administered in a manner which, in the judgment of the committee, will be to the best and most lasting advantage to its beneficiaries.

Good fellows, both male and female, need not be urged to chip in to the extent of their ability. No contribution, however small, will be criticized by the committee and we feel sure that a cheerful and ready response will greet our circular. Communications should be addressed to the treasurer, Mr. R. G. Savill.

Wm. Fiedler,  
F. Walzer,  
Raymond C. Jones,  
Fred L. Rose,  
G. Elsinger,  
A. B. Eyre,  
Committee.

## WANT 1,000,000 NEW MEMBERS FOR RED CROSS

At this time of national trial, when every one is keyed to a spirit of particular sacrifice and desire to help, I cannot insist too strongly nor too often that the Red Cross is the only volunteer relief organization recognized by the United States Government. Now is a time when we must unify our national efforts and guard, above all, against duplication of work in any vital field.

Numbers of self-sacrificing persons during the last two years have given all their time, and enthusiasm to specialized relief. We have had to be neutral, to lessen suffering wherever we have found it. We could do nothing else if we were true to the spirit of our founders. Others have preferred through keen sympathy to work for special national relief funds, and to make special forms of dressings and bandages for surgeons of this or that particular country. The work of these persons has been one of the sustaining inspirations of American life.

But now the conditions are all changed. It is the United States itself that may need our organized assistance. We do not know at what minute this country may demand our uttermost resources. There is no possibility of divided sympathy. And our Government has made it plain beyond the chance of doubt that where America is suffering, or in danger of suffering, the American Red Cross must bear the burden of national relief and command the loyal and devoted help of the entire country.

We are ready now to provide personnel to care for the sick and

and the President of the United States is its official head. You, as members of the Red Cross, may aid it substantially in all its undertakings to relieve the sick and wounded. In its relief measures in peace-times, helping in flood, in famine, in pestilence, in devastating fires; in finding shelter for the homeless; in caring for the injured—it can make no official call upon you as citizens. It then appeals solely to humanitarian instincts and the sentiment of interest in our fellowmen.

But in time of war or in a time like this, with the possibility of war impending, a call to you is a call to citizens, is a call to you to help yourselves, to help support the great measures that may save the lives of those in your own family or among your own kindred. The Red Cross instantly becomes a practical war-organization. It is a volunteer army! Some volunteer to go into the base hospitals to help the nurses and to be assistants. Some volunteer for ambulance service. Surgeons, physicians, sanitarians, make themselves available. Others roll bandages, pack boxes. Still others can help practically by increasing their actual contributions to the Red Cross, by continuing their memberships, by bringing in new members.—Red Cross Magazine.

Every American citizen—whether pacifist or otherwise—should be a member of the American Red Cross. Tear out the coupon below, check your kind of membership and mail to Mrs. Fletcher W. Stites, local chairman of the Main Line Branch, Narberth.

Our surgical dressings we have standardized to meet the special needs of the United States Army. In one year we have added to our rolls more than a quarter of a million members. Today we need a million new members at once. The time has come when we must ask and obtain the undivided support of patriotic Americans everywhere.

### Your Red Cross

The Red Cross is the great official organization through which volunteer relief service is rendered to the Army and Navy in time of war. It is the only organization so designated by the Government, so acting under a charter from the Government. The very act of its incorporation passed by Congress prescribed that its Central Committee shall have upon it representatives from the Army and Navy.

**Main Line Work**  
Main Line headquarters opened Tuesday, March 20, and will be open every day for registration on classes in "First Aid" and "Home Nursing." One Narberth class in "Home Nursing" has already started, and several others are about to begin work. Work rooms where you may meet to help in the required sewing have been opened in the Merion Title and Trust Building, Ardmore, and at the Merion Cricket Club, Haverford. The Needle Work Guild has set a good example by offering to devote one meeting each month to Red Cross work. Many of the smaller sewing clubs could do likewise—and the members of the numerous card clubs also. Specific information regarding the classes—organization and cost will be furnished by Mrs. Stites. If you haven't the time to sew, or if you have, be sure to send your membership subscription in at once and become one of the needed new members.

**THE BELGIAN CHILDREN'S RELIEF FUND**

The readers of The Literary Digest are already acquainted with the work directed to the raising of a fund for the maintenance of starving Belgian children. Through the pages of The Literary Digest an appeal is made to all the people of the United States to help save the children of ruined Belgium. Individuals, groups of individuals and whole communities have responded. Lancaster alone raised \$7000 to feed the children of a small town in Northern France, and in the issue of March 10, Lancaster is reported as having raised \$2000 more to aid to its original sum of \$7000.

Mrs. Arthur K. Davis, of the Southern College at Petersburg, remits \$339 raised, she says, in the "powder" towns of City Point and Hopewell, ten miles from Petersburg, by the ladies there, after "talks" by herself and readings from The Literary Digest. "The ladies went immediately to work," one of them wrote to Mrs. Davis, "and that accounts for our great success." Quoted from The Literary Digest March 17, 1917.

In Narberth I, personally, began a canvass with the eager desire of raising sufficient money to send to the Digest from Narberth. Though I was remarkably successful in the homes to which I went, the work, so conducted, was slow and attended with some embarrassment.

Therefore, a committee of ladies is being formed to undertake the raising of a fund by personal canvass of our town. It was hoped that it would be possible to publish the names of the ladies comprising this committee in the present issue of the town paper. That was not possible; but the committee will be entirely formed and organized during the present week and the names of its members published in next week's issue.

In the small amount of territory I was able to cover by myself I found much sympathy with the undertaking. If every household will undertake what it can, be it much or little, we shall have a fund of which Narberth may be proud.

Fervently we desire that Narberth give in proportion to her great prosperity.

"Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me.

"Inasmuch as ye did it not to one of the least of these, ye did it not to me." Grace Turner.

**MAGAZINE SUBSCRIPTIONS**

The women of the Y. M. C. A. Auxiliary are within a few inches of the coveted goal of one hundred dollars, for which they have been working. During the past week another check for five dollars was received, which has enabled them to send the magazine for one year to the Methodist Episcopal Hospital, Northwestern General Hospital, Philadelphia Hospital, Presbyterian Hospital, West Philadelphia General Homeopathic Hospital, Women's Hospital of Philadelphia, Temporary Shelter for Women, Episcopal Hospital, St. Agnes Hospital, and the Roxborough Poor House. This makes a total of thirty institutions of suffering and charity which have benefited by the canvass for subscriptions, in addition to the monetary assistance the prize of one hundred dollars will be to the Narberth Y. M. C. A., and the women of the Auxiliary are realizing the truth of the old adage that "There is a happiness in making others happy."

**CUB'S WEEKLY LETTER**

To the Editor of Our Town:

Now that my fame has spread to the uttermost limits of Narberth—from Montgomery to Merion and from the General Wayne Inn to Wynnewood (and in spite thereof no brutal person has taken my life), it is only natural that there should be much curiosity as to my identity. With due respect to that rare virtue we call modesty, I must in the main ascribe this curiosity to admiration for my works. In the words of the poet, John McGraw: "He does not hate himself." Naturally there are persons in every community so constituted as to suffer the pangs of envy when one of their fellow men, by his praiseworthy acts, received the plaudits and approval of his neighbors. As Addison says: "To

an envious man all of the perfections of his fellow creatures are odious—youth, beauty, valor and wisdom are provocations of their displeasure."

One of these envy laden ones, with an evident desire to embarrass me, has adrest (see Literary Digest) to you a poem of rare merit, in which he asks you to reveal my name. His base intention, as I conceive it, is to force me to answer in kind and thus expose my supposed ignorance of poetry and so make myself appear ridiculous to the 50,000 readers of "Our Town."

Ed, old boy, we'll fool that gink. How's this for rotten?:

To the "Village Poet"

Why bother to ask, "Who is the Cub?"  
 Enough to say, he knows he's a dub.  
 And while to his face you cannot accuse him,

He should worry how much you abuse him.

He's neither young, giddy nor gay;  
 Nor yet old, wrinkled and gray;  
 So that settles you, dear village poet;  
 And the Cub's name, you'll ne'er know it.

Should e'er be discovered his identitee,  
 The Cub, like his forebears, would shin up a tree.

(If you're not really dumb, you'll notice the pun.)

Were his name known, 'twould spoil all the fun.

Swan Neck Savill has a new car that looks like a U-boat, although it'll do for a few fishing trips this summer. That's really what Swan Neck bought it for anyway, but don't tell his family that; they think he bought it for their benefit. When you mention this in the paper, put it like this: "Mr. Robert Savill has purchased a beautiful touring car and has planned several interesting trips for the coming summer, including Yellowstone Park, Merion Square, Newfoundland and Anthwyn Farms."

At the next meeting of the Stove League the subject to be discussed by the local patriots will be the purchase of a new flag for the fire house.

Fred Moyer bought a monkey wrench and tire pump several months ago. On Saturday last he completed the outfit by purchasing a touring car. Fred extends a cordial invitation to his fellow townsmen to accompany him in parties of seven on week-end trips, Fred to assume all expenses.

Nothing is too good for the prosperous people of Narberth. Two fine new Locomobiles are now the property of local residents, Frank Bedford and J. H. Ward Wilson.

The fine condition of our local roads is evidently the incentive for all these new autos coming to town.

On Haverford avenue, Stitesville, one can enjoy all the ups and downs of automobiling if he has a tow rope handy. The Alps have nothing on Cummer Hill. Essex avenue, adjoining the pike, was covered with 12 inches of broken stone last summer. This is a kind of self-adjusting stone and in not more than 100 years will roll itself into shape. Mudley avenue, right across the field, is a soft place for machines. The wagons carrying building materials to the new school house are averse to spoiling the beautiful roadway on Ravine avenue, and hence wend their peaceful way along the sidewalk.

**Come, Now, Boys and Girls, Here's a Real Chance For You! Everybody Must Get On Board!**

Let's show Narberth folks just what we can do—let's have the best contest ever conducted in this good old town! And let's make sure that every boy and girl in Narberth takes part in it, for there will be no end of awards, and the opportunity is a golden one from many standpoints! Here's what it shall be:

**THE HOWARD AD-WRITING COMPETITION**

Every boy and girl in Narberth is eligible. And every boy and girl in Narberth can be a winner, for an award will be made for each and every advertisement printed—and the writer's name shall be published along with it, of course. You don't have to be a Howard customer to participate—don't have to do anything except observe a few simple rules as outlined below. Get busy at once—and make everybody else get busy—the more the merrier for all of us—let's get a lot of real fun out of it as well as the experience and instruction which every contestant is bound to receive. Cooperate with each other as much as you please—decide between yourselves as to choice of subject—and get as much help as you can and wherever you can! It won't do at all if you are not represented—don't forget the list of winners must include your name! This week we will outline the few rules which will govern (don't forget to save the issues for reference) and for the next several weeks we will give helpful hints as to what you can write about:

1. All advertisements should be written to occupy 2 columns in Our Town four inches deep.
2. Use one side of the paper only—and make everything plain and distinct.
3. Maintain the present signature unless your advertisement precludes a signature.
4. "Our Town" advertising rates are moderate, and we should all cooperate by not being too hard on the printer in outlining our advertisements.
5. Remember, please, we have no quarrel with our competitors. We wish them exceedingly well, and our stocks and facilities are always at their service.
6. No advertisement should be devoted to any specific patent medicines.
7. Write your name, address, school and class on the advertisement, and also on the envelope which contains it. This applies to graduates as well as undergraduates.
8. When contestant's age is 16 years or under, that fact should be indicated on advertisement.

The Brightest Spot in Narberth

A drug store in the most modern sense of the term

Narberth professes that it wants a new station. How many of us are willing to work for it? When it's a case of "Let George do it," nobody does anything. The Narberth Civic Association has the nucleus of an effective organization that could and would handle affairs of this kind, but a little more public spirit is needed to make the association the efficient machine that was planned at its inception. A dollar a year from each of our citizens, clamoring for a new station and other improvements—and attendance at the regular meeting of the association would work wonders. It does in Merion, hence should be easy in Narberth. Stop talking and kicking, get a hustle on and join the Civic Association and give it your support. The association has accomplished many things, but the work has fallen on a very few. A wider and more active interest in it would be of advantage to the whole caboodle.

Would that Narberth had a good wide awake real estate firm that didn't use its office as sleeping quarters on busy afternoons.

### Church Notes

The attendance at the morning worship last Sunday established a new record for attendance, except on special occasions. There were 253 present.

The chorus choir added materially to the interest of the evening meeting. Rehearsals will be held by this chorus on each Friday evening for the music to be rendered on Easter Sunday evening. Mrs. Wheelock will be the director of the music.

Dr. Anderson will be the principal speaker at the Sunday School Teach-

ers' Supper on Thursday evening of this week.

The Ladies' Aid Society will hold a "mite box social" in the church on Friday evening of this week. A pleasing program is being planned and refreshments will be served. Every member of the congregation is invited.

A special meeting will be held in this church on Good Friday evening. Rev. R. H. Gage, of Wenonah, N. J., will deliver the message.

## Where is the Fire?

Come with us to the telephone central office after an alarm of fire has sounded.

Should we undertake to answer fire-information calls, there would be several hundred people calling at almost the same moment to ask where the fire is located, the switchboard would be a blaze of signal lights, and our operators would be quite unable to distinguish legitimate calls, particularly those of an emergency nature, from those of a purely curious nature.

That the service may be kept at a high standard always, we ask that you co-operate with us and with each other, and refrain from asking our operators the location of fires.

**SCHOOL NOTES**  
Mr. Melchior Talks to School on Subject of Meat Production in the United States

While Mr. Melchior was in Kansas City attending the meeting of the Department of Superintendence of the National Education Association, he had the opportunity of informing himself on the subject of meat production. On Thursday afternoon we had the pleasure of an address on this subject. Mr. Melchior traced the cattle from the moment when they are bred on the ranches to the moment when they are shipped to the great stock yards, and there bought by such companies as Armour or Swift, or are otherwise disposed of. We were particularly interested in hearing of Armour's plant, about which, moreover, we are promised more.

It is impossible in brief space to give an idea of the clearness and detail in which the whole subject was presented. For two full periods the children and teachers listened with entire interest and attention.

**Junior Notes**  
Don't forget the junior candy sale for benefit of Athletic Association on Wednesday 21, 1917. Make it, bring it and buy it.

Many of the juniors are going to the next meeting of the Bureau of Occupation for Trained Women, which will be held at the Little Theatre. The subject will be the "Drama."

**School Notes**  
The ten-minute talk given by Mr. Melchior on Superintendent Wirt's address on "Physical Culture" given at the N. E. A., was clear cut and to the point. We all had something to think about when we left assembly.

The following books have been added to the library and should be examined, studied and used as reference books by teachers and students: 1916 Year Book, New International Encyclopedia in twenty-four volumes and New International Dictionary.

Work has been assigned to all teachers of arithmetic in Klapper's Book on Teaching of Arithmetic. They will find this book a splendid guide in their work.

We wish to express through our "school notes" our appreciation of the work done for the school by Mrs. Carroll Downes and we do not forget Miss Wilson. Rehearsal for the "Senior Movies" took place after school.

Mr. Wohlert's offer of a Japanese cherry tree to the grades of the Narberth School is creating a keen interest. Most of the grades have elected their representative who is to call on Mr. Wohlert.

The new building is progressing rapidly. The window sashes are being hung and inside plastering has begun.

**Y. M. C. A. NOTES OF WEEK**

**Books Needed to Help Brighten the Lobby Corners**

If we could ask on you who read this paper and ask if you had any books to spare, most of you could find some. Can't you do so anyway?

Our aim is to make the library in the lobby of the Association one of the bright spots of the town, so that when your boy or another's comes in to spend an hour, we wish to surround him with the best things, and books are counted among the greatest and best things in the world.

We would gladly provide these if our budget would permit. Since this is impossible, we do the next best thing—appeal to you. All we ask is that you look over that pile of books you don't know what to do with and if you discover one which you think would interest other folks of the town, drop a card to us. Unless otherwise requested, the name of the giver will be placed in each book. The boys, as well as all the other folks, will then know to whom they are indebted for their books.

We were rather surprised to note the small number of people who had paper to dispose of on Friday and Saturday when an authorized collector called for same. If there is anybody who has not been called upon and who wishes to contribute their paper for Association needs, drop a card or telephone, and we will have the papers collected.

Saturday, March 31st, 1917, has been set aside by the Young Men's Christian Associations in the State of Pennsylvania, to encourage our younger boys to the appreciation of the work which the Y. M. C. A.'s are striving to do for them.

On this day a number of boys will be sent out from door to door to solicit contributions in sums as small as 10 cents up to no more than \$1 for a three-fold purpose. First, one-half of the money collected will be invested into those things which the boys need in the various departments. Second, one-quarter will be to help the boys all over this State and country, and thirdly to help the Association in foreign lands.

It is therefore the Association's desire that every young man meet in the Community Room of the Y. M. C. A. on Wednesday evening promptly at 8 o'clock, when all matters can be better and more fully explained. Be on hand and support this noble cause.

This Friday night the Main Line basketball championship will be played with the Ardmore Y. M. C. A. and our 1st team, as well as the Narberth Boys' Club will play the 1st team of Ardmore and the champion Edison team. Show your loyalty to these two star teams by going to Ardmore and rooting strong for them on Friday night.

A return game will be played on the home floor next Saturday night. Admission will be 15 cents.

Have you sent in that contribution for gym apparatus? If you haven't, now is the time to attend to it.

Thanks to Mr. Henry Rose for contributing a gas range for our kitchen. The ladies will appreciate it and we assure you that we do also.

Gym classes close during the latter part of April, so make it your duty to be present at all the classes up to the close.

Did you hear about it! Yes! Those little midgets called the Narberth Juniors put one over on the Lincoln basketball team of the Ardmore Y. M. C. A. on Saturday afternoon. You missed a treat if you didn't see that game.

The successful winners of the two prizes offered in the first pocket billiard tournament were: First, Mr. James G. Foote, and second, Mr. Daniel Lacy.

There is now another billiard tournament under way with three prizes; the first, a silver cup, which Mr. Weir of the Public Ledger is offering, together with two handsome cues which the Association is offering and the following men will compete for same: D. Lacy, C. McCarter, W. Jefferies, J. G. Foote, F. Ward, J. Scanlin, G. Fleck, E. Dickie, W. Meisen, H. Smedley, F. Walzer, F. Winne, W. Laird, J. Cooke, B. Dickie, E. Davis. Mr. Frank Winne is in charge.

**Kremer Home Again**  
We are glad to see that K-2 (alias Karl Kremer) is back from his winter vacation in Florida. K-2 doesn't get much time at home with summer vacations to the mountains or the shore and winter vacations to Florida. He gets about enough time at home to hang up his hat and then it's time for another vacation.

Notice—This is not knocking K-2, but is to let him know we, who don't go to Florida, miss him while he is there.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.  
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
