Introduction to the Exhibition Catalogue

All entries in this catalogue are divided into 17 broad subjects. Under each subject, they are alphabetically arranged by either the romanized title or the original English title. Each entry contains all or part of the following information: author and title in Chinese, romanized author and title, English original or translated title, place of publication, publisher's name, date of publication, binding information, cost, and language. The languages are indicated by the letters, C, E, for Chinese, English.

Order forms are available at the NCL display booth. Please use the code number next to each entry when ordering these publications through the Resource and Information Center for Chinese Studies' Subscription Service (43 Nan Hai Road, Taipei, Taiwan, Republic of China).
