# KEY CONTENT AGREEMENTS

- **Conciseness:** Keep the Movement Charter as a concise, high level document.
- **Appendices:** Keep the detailed information in appendices to keep the outline and content lean.
- **Definition/preamble:** The first content of the Movement Charter (preamble) should be the definition of the Charter itself.
- **Enforcing:** The Charter should include clear mechanisms of enforcing its content.

A stylized graphic on a dark green background. It features a dark green silhouette of a person with their arms raised, holding a large, bright blue speech bubble. The person's head is a simple circle, and their body is composed of several curved, overlapping shapes. The speech bubble is positioned above the person's head and is partially cut off by the top edge of the frame. The overall style is modern and minimalist.

# Questions/Suggestions

WIKIMANIA

- What do you believe is a necessary part of any Charter ratification process?

# Questions/Suggestions

WIKIMANIA

- What do you see as a minimum responsibility for the Global Council?

# Questions/Suggestions

A stylized graphic on a blue background. It features a grey silhouette of a person with their arms raised, holding a dark green circle representing a globe. To the right of the person are several overlapping geometric shapes in shades of blue and green, including a large blue 'K' shape and a green square.

- What do you envision as the primary difference between a hub, a chapter and a usergroup?
