

## APPLICATION FOR PURCHASE OF SEED

COUNTY DIRECTOR,

-----  
 ----- County,

Application is hereby made to the Secretary of Agriculture, through the Agricultural Adjustment Administration, United States Department of Agriculture, for the purchase of the following seed grain for my use.

It is my understanding that the Government has endeavored to conserve the best obtainable grain seed; purchase of same having been made through the usual commercial channels; and that this seed has been tested for purity and germination value and cleaned for the separation of weed seeds. However, I understand that the Government does not guarantee the crop yield of this seed, due to the many factors involved which are not directly connected with seed suitability. I agree that should my crop fail I will have no claim against the Government.

I further agree that the seed obtained by me will not be resold, except to my tenants, and in such case the sale will be made at the same price per bushel, or any part thereof, as I have paid for the seed sold and that no profit shall be made by me on the transaction.

I further agree to abide by and be bound by such other terms, conditions, rules, or regulations as may be issued by the Secretary of Agriculture, or by any agent or agency by him designated, in reference to the terms of this application and/or the purchase and sale of seed. When the Secretary of Agriculture or any agent or agency, issuing such terms, conditions, rules, or regulations, shall send copies thereof to the County Director in this county, this shall constitute notice thereof to me.
