This Amstran Case.—The demand of Ruis and Mon-ters, the Cabus pistes, spon the Government of the United States for the payment of \$50,000 for the noble fel-lura of the Amistica, has been gain rejected by the last Congress. The bill passed the Senate, but was lost in the Honse. The U.S. Congress, however, will yet app the money for these men as always, whom a U. S. Coart declared to be freemen, should'f we have a Cass or Tay-lor administration, and the elaimants are persevering.

ther way with his heels.

Hos. J. Cauwer, M. C., from Ohio will accept our thanks for a copy of his sound and excells at speech on Stavery in the District of Columbia.

Thus Weark Parsa.—Perhaps we owe our reader as apology for the publication of the long communication on our of the Parsa.—Perhaps we owe our reader as apology for the publication of the long communication on our of the Parsa.—Perhaps we own our reader as apology for the publication of the long communication on our of the Parsa.—Perhaps we will written as a possible of the long communication of the long to the

cassion ends here. We aced not, we presume, call attention to the arti-ele on our tist Page from the New York Harald called-forth by a rumor of a recent abortive alterniat random-ion in Colsa. The Herald is good evidence that the slave power will not be contented with the extension of Shaver into California and New Mexico.

Congressional.

Dehata in the Senate—The Oregon Bill—Speech of Mr. Webster.

By the reports of the recent debates in the Senate, we be observe that Mr. Websier has at last thought it worth

By the reports of the recent debates in the Senste, was we observe that Mr. Weblerb has a 1st this though it worth while to make himself beard on the great question, which, for all that he did shout it might have been settled in favour of Slavery a month sage. The 'thunder' of the Green Danal, bowever, in hearth data, health states that was intended. The amendment against which he caineded, and for the sonnder reasons as he shows the bits speech, was passed by a large vote in its favour. It provides that the line of the Missouri Componins shall be applied to Gregon as follows:

"That the line of the Missouri of north initials," That is the line of the Missouri of the same and finded by the eighth section of an est entitled 'An act to authorise the people of the Missouri Territory is form a Cosmittelian and Solf the Missouri Territory in crisis. Territories,' approved March 6, 120b, less department of the design of the components the residence of the design of the components there is a defended by the eighth section of an est entitled 'An act to authorise the people of the Missouri Territory is form a Cosmittelian and Solf the Missouri Territory in certain Territories,' approved March 6, 120b, less department of the components there is a defended to be in four forcing of the United States, in the same sease and with the same understanding with which it was originally states, and the interest of the Components there is defended to be in four forcing of the Cosmitted States, in the same sease and with the same understanding with which it was originally states, and the man and the same substanding with which it was originally states, and the man and the same understanding with which it was originally states.

often and the United States, which it was unamanded the tames anderstanding with which it was unamanded the same anderstanding with which it was unappeal.

Mr. Wehster exposed this new 'dodge' on the part of the slaveholders, as a national to obtain an acknowledgment of the right of establishing Stavety in all Territory south of 36 deg. 30 min. He further said:—

Takall oppose all such extension and all such increase, in all places, at all times, which all supposed lightation of great interests, against all compositions, against all compositions, against all compositions, against all compositions.

Since the above was in type the Yeas and Naya in the House on the Senate's Amendment have been received and the only years from the Free States—which was vir-tually a vote to extend Slavery South of 36 deg. 30 min : :w York—A. Birdsull of Brooms. .
