Need

- Many users want to contribute but don't know what to write and how to write.

- WikiMarkup is hard to understand for many users.

- Many users simply want to translate.

- Attract professional translators.

- Translate featured and good articles from other languages, which is hard to do at once.

- Improve existing articles (only 5% are new articles)

Idea

- Inspired by User:Doc James' WikiProject Medicine project.
- User:Lilitik22 created the project on hy.wiki in December 2013
- Originally created for Wikipedia Education Program.
- Structure and design was improved at the end of 2014.

=== Introduction===
Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of
the short story, and is generally considered the inventor of the detective fiction genre. He is further
credited with contributing to the emerging genre of science fiction. He was the first well-known American
writer to try to earn a living through writing alone, resulting in a financially difficult life and
career.
