MEMORANDUM

TO: Mr. David N. Sutton.

Dave, I heard your cross-examination of KAWABE this morning following the court's pronouncement and thought it was splendid. I am delighted with the thought that the witness's denials have surely served to lay a foundation for further cross-examination on this subject and probably rebuttal testimony later on.

At the same time I was so completely indignant over the outrageous lies he uttered that I should like to be elected a committee of one to get him on perjury if this course is going to be followed with respect to any of the witnesses.

William E. Edwards
