AYER'S PILLS.

GOOD MEDICINES.

It is estimated that AYER'S CHERRY PECTORAL and CATHARTIC PILLS have done more to protect the public health than any other one cause. There can be no question that the Cherry Pectoral by its control over the thousand cases of Colds, Coughs, Asthma, Croup, Influenza, Bronchitis, &c., very much reduced the proportion of deaths from consumptive diseases in this country. The pills are as good in the Pectoral and will cure more complaints. Every body needs more or less purging. Purge the blood from its impurities. Purge the bowels, liver, and the whole visceral system from obstructions. Purge out the diseases which lurk in them or in any part of the body to work in decay. But for disease we should die only of old age. The nutritious food and things is from the system, before it is yet too strong to yield.

Ayer's Pills do thrust out disease, not only while it is in full, but while it has taken a strong hold. Hence the astonishing attainments of those who have been cured by them from dreadful Scrofulas.
