BLOCKADE OF RUSSIA DISCUSSED BY LEADERS OF ALLIES IN PARIS

No Decision Yet Regarding Measures Against Area in Clutches of Bolsheviki; Territorial Differences Between Greece and Bulgaria

Paris, July 16.—The Russian blockade was discussed by the Council of Five yesterday afternoon. There have been proposals that the powers shall allow ships to enter Russian ports under special permits.

It has been suggested that most of the Black Sea ports could be blockaded by the Denikine Government, which is friendly to the Allies, but the Supreme Council has not decided to ask Denikine to declare such a blockade.

The United States has constantly insisted that there has been no blockade against Russia except as is incidental to the embargo on imports to Germany. Consequently the American delegates were not ready to take any action in the matter until instructions have been received from Washington.

Greece and Bulgaria.

Paris, July 16.—(Havas).—Premier Clemenceau has proposed to the Supreme Inter-Allied Council, according to newspapers here to-day, that Signor Tittoni, Foreign Minister of Italy, be designated to draft a report on the territorial differences between Greece and Bulgaria.

One of the chief causes of friction between the Greeks and the Bulgarians has been their rival claims for Western Thrace. Greek sources reported some time ago that Bulgarians were seeking to have Greeks in Western Thrace make declarations that they were Bulgarians, enforcing their plan by withholding food from these areas, refused to renounce Greek nationality.

Departure of Lewald. Paris, July 16.—The departure of Dr. Lewald, head of a German commission, from Versailles on Saturday followed a discussion between Dr. Lewald and the Inter-Allied Commission as to a proposal made by Germany that no difference should be made as regards postal and customs regulations between occupied and unoccupied Germany. No reply was given the German proposal and it is understood it will be sent later.

The Allied representatives, however, seemed unwilling to accept the German view. When Dr. Lewald left Versailles, it was said he was going to Berlin to receive further instructions from his Government and would return in a few days.

Notes From Bela Kun. A note has been received from Bela Kun, Foreign Minister of the Hungarian Soviet Government, declaring that the Czechs and Roumanians violated the terms of the armistice with Hungary and that, consequently, Hungarian forces were ordered to cross the boundaries fixed by the armistice. The note claims that this order was issued in self-defence.

The boundaries fixed by the armistice are so uncertain that the Supreme Council has referred the matter to a military commission for decision.

FRANCE WILL MAKE REPARATION DEMAND French Sergeant-Major Killed By Unknown Person in Berlin

Paris, July 16.—(Havas).—The French Government will demand reparation from Germany as a result of the death of a sergeant-major of dragons at the hands of persons unknown in Berlin, according to The Liberte. The incident occurred at the French Embassy, where the officer was on guard.

A dispatch received here from Berlin states that Dr. von Haimhausen called on the Spanish Ambassador in charge of French interests in Germany and expressed regret for the incident, adding that the person guilty of the French soldier's death would be punished.

French Senate. Paris, July 16.—The Foreign Affairs Committee of the French Senate met to-day, and named a sub-committee to study the treaty of peace with Germany. Leon Bourgeois will draw up a general report, and also a special report on the labor, political, military, naval, reparations, financial, economic, Alsace-Lorraine, Saar, colonies and punishment clauses.

Conference in Paris. Paris, July 16.—July 23 has been fixed as the date upon which representatives of Holland and Belgium will meet delegates of the five great powers in Paris and begin work on the revision of the treaty.

HOSPITAL SHIP Ottawa, July 16.—The Militia Department has been advised that the ambulance transport Eschiquito, with 295 Canadian wounded on board, will reach Portland July 22.

Birkenfeld Germans in Occupied Area Proclaim Republic

Coblenz, July 16.—(Associated Press).—A republic has been proclaimed in Birkenfeld, in the Allied area of occupation. A Provisional Government was formed Monday and complete separation from Oldenburg proclaimed.

Allied Exchange Suffered New Break at New York To-day

New York, July 16.—Further heavy offerings of bills precipitated another violent break in British, French and Italian exchange here to-day. Dealers quoted sterling at 4.35 1/2 for demand and 4.36 1/2 for cables, this being 3 1/2 to 4 1/2 cents under yesterday's minimum. Paris checks fell to the lowest known figure, demand declining to 7.08 and cables to 7.06. Lires were quoted at 8.62 for demand and 8.60 for cables.

FOOD PRICES IN BERLIN COME DOWN

Raising of Allied Blockade Causes Hoarders to Dump Their Stocks

Berlin, July 15.—Via London, July 16.—(Associated Press).—Prices of all foodstuffs have fallen with a crash in Berlin as a result of the lifting of the blockade. They began to show weakness when it was rumored that the embargo would be lifted, but the real drop came only when illicit dealers with huge concealed stocks brought them out in a virtual panic to unload before competing supplies could enter Germany.

Tons of provisions are being shipped from the occupied territories while everywhere in the city great stores of coffee, cocoa, butter, sausages and other supplies have made their appearance. Coffee prices fell from an average of forty marks to below twenty yesterday and the product could easily be bought for fifteen. Other food prices were correspondingly cut. The restaurants, however, still maintain absurdly high prices and apparently intend to continue to do so as long as possible.

AMMUNITION WAS UNLOADED AT NAPLES

Harbor Workmen Said It Was For Destined Use Against Bolsheviki

Naples, July 16.—When the steamship Cablons arrived here from London yesterday she was stopped by workmen in the harbor who refused to allow her to continue her voyage because she carried ammunition. The crew of the vessel was forced to unload the cargo, after which the vessel was allowed to proceed.

As the reason for their action in forcing the crew to unload the ammunition, the harbor workmen claimed that the ammunition was intended for use against the Bolsheviki in Russia.

The identity of the Cablons is uncertain. Her name does not appear in available shipping records. The proposed general strike in Great Britain, France and Italy on July 21, according to the plans of its leaders, is to be in part a protest against Allied intervention in Russia.

Mr. Harmsworth added that he had no confirmation of the statement made by Robert J. Lynn, a Unionist member, who had questioned the Government stating that owing to the hostility of the Vatican to the Allies during the war, the continued presence of the envoy was causing considerable resentment amongst many who lose relatives in the war.

Mr. Lynn represents the Woodvale division of Belfast.

Prior to August, 1916, the British Government was not represented at the Vatican. On August 16 of that year, Count J. F. C. de Sallis was appointed Envoy Extraordinary and Minister Plenipotentiary on a special mission to the Holy See.

London, July 16.—The British Government is considering the question of withdrawing its envoy from the Vatican, Cecil B. Harmsworth, Under-Secretary of State for Foreign Affairs, declared in the House of Commons to-day.

There also are several British, French and Italian machines on the way and these also will be eligible. Lieut.-Colonel Barker, the famous airman, is an assured entry. Lieut.-Colonel Bishop will enter a machine but may not personally take part in the contest, which is being conducted for the purpose of demonstrating the feasibility of commercial aviation between New York, Albany, Syracuse, Buffalo and intermediate points.

Cardiff, Wales, July 16.—Twelve persons were killed in an explosion on board the British tank steamship Roseleaf here yesterday. The explosion was caused by an accumulation of gas.

PREPARATIONS BEING MADE FOR NEW DOMINION LOAN

Ottawa, July 16.—Preliminary preparations for the Dominion Loan which is to be floated in the Fall are under way. Now that the war is over and financial conditions are normal, it is regarded as probable that the loan will not be tax exempted, as was its war-time predecessors. Should the Government decide to follow this course there is little doubt that the rate of interest will be made quite attractive as compared with the rate at which Victory Bonds can now be bought in the open market.

The tax exemption feature has added greatly to the value of the previous issues and was the means of attracting it, it is believed, a much larger volume of subscriptions than otherwise would have been obtained. During the last two years of the war securities of Great Britain, France and

LORD MILNER AND OTHERS HONORED BY UNITED STATES

London, July 16.—General Pershing, the American Commander-in-Chief, who is in London to participate in the Victory parade Saturday, went to the War Office to-day and presented United States Distinguished Service Medals to Viscount Milner, Secretary for the Colonies; Rt. Hon. Winston Spencer Churchill, Viscount Peel, Baron Weir, Director-General of Aircraft Production; Baron Inverforth (Andrew Weir), former Minister of Munitions, and Felix Casseel, Judge-Advocate-General.

In presenting the medals General Pershing said they were a token of the appreciation of the American Government for services rendered.

TORONTO-NEW YORK FLIGHT CONTEST

In August; Prince of Wales Is to Start First Event

Toronto, July 16.—Seventeen entries and \$10,000 in cash prizes already are assured for the proposed aeroplane contest from Toronto to New York in August. The first event, which is to be started by the Prince of Wales, is scheduled for August 25, when the Prince will be here to open the Toronto Exhibition.

A meeting to complete the details was held here last night, presided over by President Beatty of the Aero Club of Canada, and was attended by C. M. Voight, of the American Flying Club, New York, and other leading aerial authorities. So far all the entries are from the United States, but it is considered that there will be twelve fliers from Canada in the contest, which will last over five days.

It was decided to admit the captured German Fokkers now in possession of the Dominion Government to enter, providing the pilots are from Allied countries. There are now twenty-two of these machines in Toronto.

There also are several British, French and Italian machines on the way and these also will be eligible. Lieut.-Colonel Barker, the famous airman, is an assured entry. Lieut.-Colonel Bishop will enter a machine but may not personally take part in the contest, which is being conducted for the purpose of demonstrating the feasibility of commercial aviation between New York, Albany, Syracuse, Buffalo and intermediate points.

Gas Explosion on Vessel at Cardiff Killed Twelve Men

Cardiff, Wales, July 16.—Twelve persons were killed in an explosion on board the British tank steamship Roseleaf here yesterday. The explosion was caused by an accumulation of gas.

Maura Cabinet in Spain Has Handed Resignation to King

London, July 16.—The Spanish Cabinet, headed by Antonio Maura, which was formed on April 15 last, has resigned, according to a Ruter dispatch from Madrid.

ALL IN GERMANY DECLARED EQUAL

Weimar, July 15.—Via London, July 16.—(Associated Press).—The German National Assembly this morning rejected the Socialist motion to abolish ranks of nobility, but declared in favor of a constitutional proviso decreeing the equality of all men and women and refusing to recognize special rights or privileges based on birth or social station. The new constitution prohibits a German citizen from accepting a title or decoration from a foreign Government.

Taxation. It is reported that the Government's new tax bill will include a surplus assessment on capital amounting to thirty per cent, and a drastic imperial income tax, the receipts from which will be apportioned among the federated states according to their needs.

An increase in the general trading tax, especially on articles of luxury, also is planned. It includes a ten per cent levy on advertising.

Mohenzollerns indisposed. Amerongen, July 15.—(Associated Press).—His former German Kaiser refrained to-day from saying less for the first time in several months. It is understood that he is suffering from a cold.

The former Kaiserin has experienced a recurrence of her heart affection. Both the former Kaiser and his wife remained in their apartments to-day.

Dr. Forster, personal physician of the former Kaiser, was called to the castle late Monday, and remained there all night. It is probable that the recent bad weather is responsible for the illness of the Hohenzollerns.

PRESENTED \$750,000 TO GREAT BRITAIN

Unidentified Wealthy Londoner Turned Victory Bonds Back at Once

London, July 16.—None of the war profiteers followed the example of the wealthy London man whose identity is concealed under the initials "F. S. T." who subscribed £150,000 to the Victory Loan and then turned the bonds back to the Government for immediate cancellation. His appeal to the wealthy classes to do so as he was doing was not heeded.

Signing himself merely as "F. S. T." this man wrote to one of the London papers before the loan closed, stating his intention.

"To-day, on the eve of peace," he wrote, "we are faced with another crisis, less obvious but none the less searching. The whole country is exhausted. By a natural reaction, unlike that which led to the excesses of the restoration after the reign of the Puritans, all classes are in danger of being submerged by a wave of extravagance and materialism.

Danger. The wealthy classes know the danger of the present debt. Let them impose upon themselves, each as he is able, a voluntary levy. It should be possible to pass to the exchequer within twelve months such a sum as would save the taxpayers £50,000,000 a year. I give one-fifth of my estate as a thank offering in the firm conviction that never again shall we have such a chance of giving our country that form of help which is so vital at the present moment."

Publication of this novel form of subscription to the Loan instantly aroused the public and all sorts of opinions were expressed. The more thoughtful newspapers gave their unqualified endorsement. Many war profiteers, it was pointed out, could make such a sacrifice without knowing they had diminished their huge fortunes, while other persons of wealth were urged to follow his example as a "thanksgiving offering," because the Empire had finally been preserved.

HIGHER LUMBER PRICES AT SPOKANE

Spokane, July 16.—Increases ranging from \$3 a thousand feet on dimension lumber to \$10 a thousand on common lumber were in effect here to-day, following announcement of the advance in prices by Spokane lumber concerns. It was said the advance was deemed necessary to meet advances on the coast and in Southern yellow pine.

D'ANNUNZIO PREPARES FOR A FLIGHT FROM ITALY TO THE ORIENT

Italian Poet-Aviator Plans to Make 20,000-Mile Voyage in Stages, Taking a Month; To Go by Way of Asia Minor and India

Rome, July 16.—Gabriele d'Annunzio, poet and aviator, has arranged to attempt a flight from Rome to Tokio and return. The trip will last altogether a month and the aviator proposes to cover about 20,000 miles.

The route is to be through Asia Minor, India, Tonking and China to Japan. D'Annunzio has arranged for stations along the route where he can replenish his supplies.

BORDEN TRIES TO PREVENT STRIKE

Makes Effort to Avert Miners' Strike in Cobalt Region

Cobalt, Ont., July 16.—Sir Robert Borden is putting forth his best efforts to avoid a break between the miners and the mine managers. The Minister of Labor and he have conferred on the matter and gone into the full situation with Mr. McGuire, representing the miners, who is at Ottawa.

Tom Moore, president of the Dominion Trades Congress, also lent a hand. Sir Robert yesterday sent a message to the miners inviting them to send a delegate to Ottawa to discuss the matter at a meeting to be held with the provincial authorities on Wednesday. The mine managers will not send a delegate.

Ottawa Dispute. Ottawa, July 16.—A settlement of the metal trades strike seems likely. Through the efforts of J. A. McDonald, of Amherst, N.S., the only employer of labor who was asked by workmen to represent them on a board of conciliation, the parties to the dispute have had several conferences within the past few days, with the result that officials of the Metal Trades Council will meet some of the employers of the industry this afternoon. Mr. McDonald's proposition is either to submit the dispute to arbitration or to have each craft settle with its employers rather than the Metal Trades Council handle the whole case.

MR. WILSON INVITES REPUBLICANS TO DISCUSS TREATY

Washington, July 16.—President Wilson has decided to invite Republican Senators to call at the White House to discuss the peace treaty and the League of Nations, Secretary Tumulty announced to-day.

While stating that the attack was repulsed, the Havas dispatch says: "It is to be regretted that our losses are so heavy. All dispositions have been made to continue resistance and to impede any Moroccan advance." The attack of the Moroccans was launched July 11.

An Associated Press dispatch from Madrid last evening said: "Raisuli, the Moroccan bandit, according to an official communication issued here to-day, again attacked the Spanish positions at El Arish, but was repulsed after a long and bitter fight. The bandit, realizing that the Spanish troops had cut off communication between his camp and Tangier, decided to attack, and the communication said the attack was carried out on Friday. Raisuli suffered heavy losses. The communication added that the Spanish also lost heavily, but were pursuing Raisuli, who was fleeing into the mountains."

Spanish Losses. Madrid, July 16.—(Havas).—The Spanish losses in the fighting with Raisuli, the Moroccan bandit, who attacked the Spanish positions at El Arish on July 12, were four officers and thirty-four men killed and a lieutenant-colonel and eighty-five others wounded. This announcement was made to-day in the Chamber of Deputies by the Minister of Foreign Affairs in reply to questions by a member. The Foreign Minister said he has no further information.

The Spanish officers killed were two commanders, one captain and one lieutenant.

POINT GREY TIMBER DESTROYED BY FIRE

Vancouver, July 16.—Fire which started in the bush in the vicinity of 29th Avenue and Imperial Street, West Point Grey, on Government-owned land late Sunday, was checked by last night through the efforts of fire rangers after the flames had swept through approximately 500 acres of timber. There were no buildings destroyed but flying sparks at times threatened dwellings adjacent to the fire-swept district.

Definitions. In the course of the examination Mr. Ford defined a traitor as "one who works against the Government," an idealist as one "who helps others to make a profit," and, evidently with Arnold Bennett vaguely in mind, described Benedict Arnold as a "writer."

Much time was consumed in reading President Wilson's preparedness speeches of 1918.

STRIKE IN OTTAWA NOT SETTLED YET
 Labor Association Supports Street Car Men; Talk of General Strike

Ottawa, July 16.—The Allied Trades and Labor Association of Ottawa last night adopted a resolution in support of the striking street railwaymen which may lead to a general strike being declared in the capital. The Minister of Labor is requested to order the Board of Conciliation to resume its sittings, his constitutional right to order the Board suspended being questioned, and the company is asked to take back all the former employees. Otherwise a strike vote of all unions is recommended. All union men are asked to boycott the present service on the electric railway and also the Ottawa Electric Light Company, which is headed by practically the same interests. A mass meeting of all labor unions in the city is to be held shortly. The street railway company is firm in its stand to retain all the men it has employed since the strike began and has the service restored to half normal and declares applications for employment are coming in faster than they can be taken care of. In view of yesterday's developments when the men decided they would not go back unless all were reinstated, the company is speeding up its plans to resume service in full.

REPATRIATION IN YUKON TERRITORY
 Ottawa, July 16.—The Yukon Territory is now included in the activities of the Department of Soldiers' Civil Re-establishment. An office has been established in Dawson City, and placed in charge of Lieut. W. G. Radford. Lieut. Radford is a Yukon man and enlisted in Dawson City, afterward transferred to the Machine Gun Corps. It is not intended to establish vocational training classes in the Yukon but Lieut. Radford will be in a position to deal with all matters affecting the demobilized men, and in this way he will be greatly aided by his previous experience in the Territory.

WEALTHY RANCH OWNER SAYS LIFE WAS MISERABLE
 Had Suffered For Two Years; Says Money Couldn't Buy the Good Tanlac Has Done Him

"By the help of Tanlac I have gotten entirely rid of a case of stomach trouble and rheumatism that made life miserable for me for two years," was the statement made by I. C. Felger, a wealthy Calgary citizen, living at 539 23rd Avenue, West, while in the Leggett-Findlay Drug Store, recently. Mr. Felger, who is a large ranch owner, also owns considerable city property and is widely known and respected. "It certainly speaks well," he continued, "for a medicine that will rid a man of my age of his troubles so quickly, for I am now sixty and, although I have just finished my fourth year, I am feeling fine already. For the past two years I have suffered from indigestion severely, and was also troubled with rheumatism in my back and hips so that getting about was difficult. My appetite was so poor that I had no relish even for the most tempting food. I would often have attacks of indigestion, and gas on my stomach that would almost stop my breath. At night especially I would simply have to fight for breath and as a consequence I couldn't get sufficient sleep and rest. My back ached all the time, and when this rheumatic pain struck me in my hip I could hardly walk. I was really discouraged, as the rheumatism was getting a firmer hold all the time, and no relief in sight. Nothing I tried during those two years helped me, and I had begun to think there was no relief for me. "I had not the slightest idea what Tanlac was, or what it would do, when it was recommended to me, but I certainly know now and money could not buy as good as it has done me. Why, almost before I knew I had an appetite like a bear. I was afraid, at first, to eat as much as I wanted, but I gradually worked up to three rousing meals a day, and soon got entirely rid of every sign of indigestion. Before taking Tanlac I could hardly get out of the automobile after a trip on account of the rheumatism, but now I can take long drives and enjoy them. Tanlac has not only rid me of the stomach trouble and rheumatism, but it has built me up so that I can stand up under work like I could twenty years ago. My friends often remark about how well I am looking these days, and I always tell them that Tanlac is what has made the difference. I am glad to recommend Tanlac because I believe I am telling the people about a medicine that will help them." Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas.

RAILWAY SIGNALMEN IN U. S. MAY STRIKE
 Kansas City, Mo., July 15.—A resolution to call a national strike of railway signalmen unless satisfactory consideration is given by the Railroad Administration to a proposed plan for a national set of rules and wages, was unanimously adopted by the thirteenth annual convention of railway signalmen of America in session here yesterday. It was announced by D. W. Helt, Grand Chief of the organization. The strike, if called, would affect ninety-one railway systems and their subsidiary lines and forty-one terminal yards, according to Mr. Helt.

HON. A. K. MACLEAN GOES TO LONDON
 Halifax, July 15.—The White Star liner Olympic sailed yesterday afternoon for Liverpool. Among her 240 passengers is Hon. A. K. Maclean. As this was reported to be the Olympic's farewell to the Canadian troop transport service, a large number of citizens were at the pier and gave the big ship a rousing send-off.

IF THIN AND NERVOUS, TRY PHOSPHATE
 Nothing Like Plain Bitro-Phosphate to Put on Flesh and to Increase Strength, Vigor and Nerve Force.
 When one stops to consider the host of thin people who are searching continually for some method by which they may increase their flesh to normal proportions by the filling out of their hollows, the rounding off of protruding angles, the attendant bloom of health and attractiveness, it is no wonder that many and varied suggestions along this line appear from time to time in public print. While excessive thinness might be attributed to various and subtle causes in different individuals it is a well-known fact that the lack of sufficient phosphorus in the human system is very largely responsible for this condition. Experiments on humans and animals by many scientists have demonstrated beyond question of doubt that a body deficient in phosphorus becomes nervous, sickly and thin. A noted author and professor in his book, "Chemistry and Food Nutrition," published in 1918, says: "... that the amount of phosphorus in the body, the normal nutrition of man is seriously underestimated in many of our standard text books." It seems to be well established that this deficiency in phosphorus may now be met by the use of an organic phosphate known throughout English speaking countries as Bitro-Phosphate. Through the assimilation of this phosphate by the nerve tissue the phosphorus content which is absorbed in the amount normally required by nature soon produces a well-known change in our body and mind. Nerve tension disappears, vigor and strength replace weakness and lack of energy, and the whole body soon becomes enveloped in a glow of perfect health and beauty and the will and strength to be up and doing. It is sold by Cyrus H. Bowes in Victoria and all good druggists. **CAPTION**—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who feel in need of extra care should take extra care in avoiding fat-producing foods.

DANGEROUS FLIGHTS NOW ARE FORBIDDEN
 Dominion Air Board Has Drawn Up Rules For Protection of Public

Ottawa, July 16.—On the recommendation of the Air Board, the Privy Council has approved of regulations forbidding dangerous flying. Trike or exhibition flights over urban areas are absolutely prohibited, as are also such flights at heights which will permit the machine to land outside in the event of engine trouble. Nothing dangerous must be dropped under any circumstances from a flying machine. The penalties provided are six months in jail or a fine of \$1,000 or both, and not only the pilot but the owner of the machine is liable. The Air Board has under consideration a full code of regulations relating to air navigation, but does not propose to recommend these for adoption until a technical advisory staff has been secured. Notice will be given within a few days of the positions to be filled, and appointments will be made with the assistance of the Civil Service Commission.

SAM BLUMENBURG REFUSED TO ANSWER
 Session of Immigration Board of Inquiry at Winnipeg Halted

Winnipeg, July 16.—Absolute refusal, upon the advice of his counsel, to answer any questions except those pertaining to his entry into Canada, brought to a halt the examination of Sam Blumenburg to an abrupt close before the special Immigration Board of Inquiry here yesterday. An attempt by A. J. Andrews, K. C., special crown prosecutor, to link up the Socialistic and Bolshevik meetings held in the Walker and Majestic Theatres here last winter with the subsequent riots in January and the strike riots last month threw the trial of Blumenburg into a tangle of legal controversy. The outstanding development was the refusal of Magistrate R. M. Noble, chairman of the Board, to allow bail to any of the four men, Blumenburg, Charitonoff, Almazoff and Schoppel, still held on immigration charges, on the ground that the inquiries already were under way and that they would be carried on as rapidly as possible.

Entered Objection.
 At the very outset of the hearing, E. J. Murray, one of the counsel for the defence, entered a formal objection to the nature of the Board, and made a protest against the proceedings being carried beyond an effort to prove that Blumenburg had, by word or act, attempted to create a riot or public disorder. He argued that the portion of the Immigration Act barring from Canada members of societies with revolutionary aims did not come within the scope of the charges. Sergt.-Maj. J. Langdale, of the headquarters staff of this military district, testified that the meeting held in the Walker Theatre was under the auspices of the Trades and Labor Council. He also gave testimony as to the alleged seditious speech Blumenburg was accused of having made at this Winnipeg meeting. He read extracts from Blumenburg's speech that were of a radical nature. He quoted Blumenburg as saying Bolshevism was the only thing that would emancipate the working class, and with saying that he wore a red flag necktie so that there would be no doubt where he stood.

One-Year Sentence.
 Frank Yafford, convicted in police court yesterday afternoon on a charge of rioting, was sentenced to one year in jail by Magistrate Sir Hugh John Macdonald. A charge of rioting preferred against John Kalyn was dismissed. J. S. Woodsworth, former acting editor of the Labor News, was remanded for one week on charges of indictable offence. Charges of rioting preferred against Steve Juswak and David Crabb were given stays of proceedings. A charge of intimidation preferred against Kosh Smolonski was withdrawn.

DISTRIBUTION OF CIVIL SERVICE BONUS
 Ottawa, July 16.—The Civil Service Commission yesterday afternoon announced the signing of an Order-in-Council determining the methods by which the civil service bonus of \$10,000,000 is to be applied. Regulations based on recommendations made by Arthur Young & Co. provide that heads of households receiving less than \$1,200 a year will receive a bonus of \$420. This amount decreases in steps of \$24 for each \$120 increase in salary up to \$3,000. Single employees more than twenty-one years old with a salary of \$950 a year will receive \$252, the amount decreasing as the salary increases up to \$1,800. Single persons between eighteen and twenty-one years with salaries less than \$1,200 a year will receive \$150. The bonus will be paid in monthly instalments, and is retroactive to April 1, 1919. No distinction as to the mode of entry into the service is made as between the inside and outside services. Seasonal employees will participate pro rata. Employees now receiving a

HOLLEWEG BLAMED BY VON TIRPITZ

Latter, in Book Just Published, Blames Hollweg For the War

ADMITS GREY TRIED TO PREVENT CONTEST

Berlin, July 15.—Via London, July 15.—(Reuter's)—Admiral von Tirpitz, chief of the German Admiralty at the outbreak of war, in his war book professes complete innocence of causing hostilities. While Germany could not expect to overthrow Britain, in his opinion, the German navy was strong enough to enable Germany to recuperate after the war, but the revolution upset everything.

Von Tirpitz makes the noteworthy admission that Sir Edward Grey's proposal at the end of July, 1914, was calculated to prevent war. Von Tirpitz places the whole blame for the war upon von Bethmann-Hollweg, the German Chancellor at that time, whom the Entente had given the means of peacefully unraveling the Serbian problem.

From the Entente's obvious unwillingness for war, von Tirpitz says, Bethmann-Hollweg concluded that he could take any liberties. When he saw the highly peppered ultimatum to Serbia, he was convinced that Britain would enter the war and spoke to Prince Henry, warning him of the danger of awakening the war will of Britain.

Britain, by pressure at Belgrade, showed that she did not want war. She helped Austria to a big diplomatic success and Austria's honor was saved, but Bethmann-Hollweg considered it diplomatic to incite Austria, while in the eyes of Europe, pretending that he knew nothing. This equivocation was not only unworthy, but most dangerous.

Von Tirpitz accuses Bethmann-Hollweg of a hasty declaration of war on France and Russia.

WINNIPEG LABOR COUNCIL ENDORSES ONE BIG UNION IDEA

Winnipeg, July 16.—A vote to a great extent committing the Winnipeg Trades and Labor Council to the One Big Union idea was passed at a regular meeting of that body last night. It was not unanimous, several of the representatives who had not received instructions from their respective unions refraining from voting. As a result of the decision, initial steps were taken to promulgate the policies in the Government of labor union affairs.

Prior to the taking of the vote, A. Rigg, recently appointed organizer for Western Canada of the Dominion Trades and Labor Congress, addressed the body in opposition to the One Big Union proposal. Mr. Rigg said that while there were changes that were needed in the formation of their economic organization in order to make this more effective in the interest of the worker, in his opinion the best policy to adopt was to advocate these changes inside the organization and in that way bring the movement along as a whole. Otherwise it was inevitable that a split would take place in the ranks of organized labor and the energies of the organizers would be frittered away in strife between themselves.

The mind of the trades union movements was always susceptible to the influence of new ideas. Many changes had taken place in the past, and rapid progress was being made in preparing the movement for other changes. He warned them against the danger of over-estimating the power of their economic organization to accomplish any drastic improvement, and urged his hearers to concentrate more of their activity upon the political field.

FARM LABORERS IN GERMANY MAY STRIKE

Berlin, July 15.—Via London, July 15.—An agitation has been started in all provinces calling for a general strike of agricultural laborers just prior to the coming harvest.

The strike of the employees of the tramways of Berlin ended to-day after having lasted a fortnight. Following a vote by the strikers Monday night, in which 18,843 ballots to 8,545 were cast in favor of a continuation of the strike four mass meetings were held and it was resolved to resume work forthwith.

The original vote did not constitute a two-thirds majority.

JAPANESE PROMISE REFORMS IN KOREA

Premier Says Changes Under Consideration; Another Report Issued in States

New York, July 16.—The following statement concerning the situation in Korea has been given out by the Commission on Relations with the Orient of the Federal Council of the Churches of Christ in America, of which Commission Wm. I. Haven is chairman, and Sidney L. Gulick is secretary.

"The reports of atrocities against the Korean population, and especially against the native Christians, that have been coming from Korea for several months are confirmed in abundant detail by a special report about to be issued by the Commission on Relations with the Orient of the Federal Council of the Churches of Christ in America.

"The Commission wishes to make it clear that while it has no jurisdiction to speak on the political issues at stake in Korea, yet, as representing the Christian sentiment of a majority of the American churches, it cannot remain silent when a defenceless people are made the victims of massacre and widespread brutality.

From Eyewitnesses. "After nearly three months' study of the Korean situation, this Commission is issuing a statement based on examination of about 1,000 pages of manuscript reports of committees, letters and the personal accounts of responsible eyewitnesses to the events attending the Korean demonstrations in favor of national independence and their ruthless suppression by the Japanese military Government.

"This report substantiates the charge that the Japanese colonial system which has been forced upon the Koreans is thoroughly Prussian in its military severity and its treatment of the native population. Everywhere in Korea, it is stated, the sword is the emblem of authority, and is worn by male school teachers in the classrooms.

"There is every reason to believe," say Chairman Haven and Secretary Gulick in conclusion, "that Premier Hara and his colleagues will exert their fuller power to rectify wrongs and inaugurate a new era in Korea.

Reforms Promised.

San Francisco, July 16.—"A distinct improvement of conditions" and "administrative reform" has been promised for Korea by Premier K. Hara of Japan, according to information given out by T. Ohta, Japanese Consul-General. The Premier's statement was in answer to inquiries by the Committee on Oriental Relations of the Federal Council of Churches of Christ in America, regarding Korean affairs.

The statement was as follows: "I beg to say to you that the reports in circulation regarding abuses said to have been committed by agents of the Japanese Government in Korea have had my serious consideration, and I am prepared to meet the established facts. As I have said on other occasions, the administration established in Korea at the time of the annexation, nearly ten years ago, demands substantial modification in order to adjust it to the altered condition of things.

Plan Considered.

"Since the organization of the present Cabinet in September last I have given much thought and labor to a plan of administrative reform in Korea. A plan with this object in view is already in the cabinet. For patent reasons it has not been possible to put it into effect during the unfortunate disturbances which have broken out in various parts of the peninsula. In view of the progress of the contemplated reform measures can now, in my judgment, be safely introduced, and the same will be put into effect as soon as definite methods of legal procedure have been completed.

"More specific announcements of the plan must be withheld for the present, but I hope that the earnestness with which my colleagues and I are endeavoring to promote the permanent welfare of Korea's citizens, by guaranteeing distinct improvement of conditions will not be misconstrued."

MINIMUM WAGE FOR WOMEN IN FACTORIES MAY BE RECONSIDERED

Vancouver, July 16.—The Minimum Wage Board may reopen the matter of the minimum wage for women factory employees, or at least issue a statement in reply to the representations of the British Columbia manufacturers. At the last conference the Board fixed the minimum wage to be paid to women factory employees, experienced and over eighteen years of age, at \$14 per week. The manufacturers then made representations to the effect that this should either be reconsidered, or steps taken by the Provincial Government to have a federal enactment for a minimum wage supported in Ottawa.

THE SENATE BALKS.

The Republican opposition to President Wilson in the United States Senate has begun to show its teeth in its attitude to the Peace Treaty, as no doubt most people expected from the speeches of Senators Lodge, Borah and others when the instrument was being prepared in Paris. The chief target of the recalcitrants yesterday was the provision of the treaty which gives to Japan certain concessions in the Shantung peninsula formerly held by Germany under a convention with the Chinese Government. After criticizing this section the Foreign Affairs Committee sent to the White House a request for "a full report of the conversations at Versailles and for all data bearing upon or used in connection with the treaty of peace."

Whatever force there may be in the criticism of the Shantung provision, the request that all data bearing upon or used in connection with the peace treaty be submitted by the President to the Foreign Affairs Committee of the Senate is reasonable. The United States Senate shares with the President the treaty-making powers of the republic, yet it had no direct representation at Paris. It not unnaturally objects to being regarded merely as a ratification agency when under the constitution it should have been one of the principals. The President, however, already has intimated that he will appear before the Committee and disclose full information of what transpired at Paris and Versailles, so the Senate will have all the light it needs.

There is a slight Republican majority in the Senate, and if the issue were determined on straight party lines the Peace Treaty would come to grief. But it is not improbable that the majority of the whole House will support the President's course. The onus of rejecting so momentous an agreement after its endorsement by the other Allied nations is something that only extreme partisans are likely to regard with indifference. Moreover, after the President's appeal directly to the American people in the speech-making tour he proposes to inaugurate, it may be presumed that strong pressure will be exercised upon the Senate from that source.

BEWARE OF FOREST FIRES.

With every prospect of a continuation of the present hot, dry spell throughout the Province the danger of forest fires looms up threateningly. During the last few weeks the general public has been warned by the illustrated exhortations of the Forest Branch of the Department of Lands. Practically every newspaper in British Columbia has contained a pictorial reminder of the damage that may be caused by thoughtlessness. The throwing away of a lighted match, a cigarette or cigar stub, into parched undergrowth may very easily cause the loss of valuable timber. Failure to extinguish the camp fire has resulted in the destruction of millions of dollars' worth of the forest wealth of this Province.

Enormous values in timber may be saved by practising ordinary caution. Before making a fire to boil the picnic tea water see that the base of the impromptu hearth is of stones. In that case failure to extinguish completely the dying embers minimizes the danger. Liberal douches of water, however, should be applied before leaving the scene. Never use the open window of a railway carriage as a convenience for disposing of cigarette, cigar or pipe ashes; they may fall on parched grass, light it and spread flames to timber a mile away. British Columbia's forests helped to win the war; be careful to save them from fire.

LETTERS

THE OVERALLS ORDER.

To the Editor:—Amongst your editorials of Wednesday, July 9, appeared one headed "Out in the Cold as Usual," in which you mention the various amounts allotted to the different Provinces out of the \$16,000,000 obtained for Canada by the Canadian Trade Commission for Great Britain and Europe.

You state that the entire sum for B. C. of \$7,536 will be spent in overalls, and as you also mention the name of Mr. H. B. Thomson in connection with this, the inference is that he obtained this sum for the benefit of our company, of which he is a director.

For your information, we may state that we have received no order at all, and as we are the largest overalls manufacturer in the Province, we presume there must be some mistake. Possibly it has gone to Vancouver, in which case we should be glad of your influence to draw a share of it here for the benefit of our factory workers.

On the other hand, it may be to offset the drydock at Esquimalt, in which case never mind.

TURNER, BEETON & CO. LTD.
 G. A. KIRK,
 Director.

THEIR DEEDS NEVER WILL DIE.

There is much to commend the suggestion of Mr. Giolma in which he seeks to perpetuate the memory of British Columbia's fallen heroes. The soldier-member's plan is a commemorative tablet, or series of tablets, inscribed with the names of every soldier who left British Columbia to die for his flag. It would be the intention to place the record in the Parliament Buildings, either in the Library or in the Assembly Hall rotunda, where the general public, visiting tourists and people from all parts of the world could pay silent tribute to the men who died in order that civilization might survive. Consummation of the plan need not necessarily conflict with the general memorial question, for a permanent record of the kind suggested would entail but comparatively small expense. It would, however, constitute a most impressive addition to British Columbia's history and the Parliament Buildings unquestionably would be an appropriate place for it.

MR. ROWELL UNDER FIRE.

The decision of Hon. N. W. Rowell, President of the Council in the Dominion Government, to adhere to the Unionist party and thus support its fiscal policy, has caused a break between that Minister and the well-known Liberal journal which for years has given him powerful support. The Globe points out that if the Liberal electors of Durham had thought, in the general election of 1917, that Mr. Rowell after the war would give his support to policies to which he and they always had been opposed it is doubtful if he would have been elected.

The common belief was that Mr. Rowell and other Liberals had joined the coalition Cabinet for the purpose of ensuring political unity, in the face of the great emergency and to further the prosecution of the war, but on the understanding that certain controversial domestic questions upon which they were opposed to the Prime Minister and their Conservative colleagues would be kept in abeyance. The Globe's quarrel with Mr. Rowell and other Liberals who are pursuing the same course is that they have jettisoned their Liberal principles for the sake of remaining in office.

At this stage it would appear that they have placed themselves in a difficult position. It is going to be a hard task to hold the Unionist party together. If the nation-wide Liberal convention next month should adopt a real Liberal policy in regard to the tariff and other questions on which there is a clear issue between the two historic main parties—which means between the two chief subdivisions of the electorate—a considerable proportion of the support received by the Government from the West will be diverted to the opposition.

On the other hand the old-line Tory influences which never took kindly to the Union Government are muttering against it more loudly than ever. It will encounter trouble from Hon. Robert Rogers, and from Sir Sam Hughes, who has been sharpening his little hatchet ever since he withdrew from the Cabinet. If these adverse currents should drive the Union Government on the rocks, the Liberal Unionists who have decided to uphold the high tariff policy now in force would find themselves without a haven. It looks as if The Globe had pasted on the former leader of the Liberal party of Ontario a label that will be hard to tear off.

LONDON'S HOUSING SCHEME.

During the next two years the London County Council's housing proposals provide for the expenditure of £30,000,000 on 10,000 new buildings, and it is anticipated that there will be an annual deficit of £48 per cottage. When this scheme is complete the Council will commence another for 19,000 cottages on which the annual deficit will be £33 each. The annual housing deficit is estimated at just over £1,000,000. Apparently the London County Council realizes its responsibility to its citizens and prepares for the worst. While local conditions cannot begin to be contrasted with conditions in the Empire's metropolis there is a similar underlying principle owing its origin to the war. Victoria's loss, if such there should be, ought to be negligible.

THE HOUSING SCHEME

To the Editor:—At Monday night's meeting of the City Council Alderman Patrick passed the following remark: "Let's quit being childish." The remark was quite pertinent in the light of the actions of this august body for some weeks past, in regard to the Housing Scheme. The Council, just to show that it could not discard its juvenile manner of dealing with such matters, again tabled the scheme for further consideration.

It is rather sad to think that the City Council has such little confidence in the returned soldiers. When the war was on we stood as the wall between democracy on one hand and autocracy on the other. Then even municipal councils had confidence in us. Now we are home all this is forgotten. We cannot be relied upon. How strangely the world changes its mind!

Perhaps if all the aldermen had more intimate connection with what went on in France there would not be so much hesitation over the acceptance of the Housing Scheme.

**SIR EDWARD CARSON
 CENTRE OF STORM**

London, July 15.—Sir Edward Carson's speech condemning the Dominion Home Rule scheme for Ireland, and threatening in extremity to call out the Ulster Volunteers, was mentioned in the Commons, but the Ulster leader is unrepentant and made another speech attacking his adversaries in the press. He is again subject to newspaper comment. The Times calls upon the Government to do something for Ireland, and says that Carson has conferred a charter of lawlessness upon others who dislike the present state of things. The Daily Express says Carson must know that Great Britain does not dream of inflicting injustice on Ulster. It is perilous in these times to talk of revolt, and it is amazing that such talk should come from Sir Edward Carson, the paper concludes.

**OVER THOUSAND MEN
 AFTER KING'S PRIZE**

Keen Shooting in Main Competition at Bisley; Vincent Is Well Up

London, July 15 (Canadian Associated Press)—Owing to the unrest among the marksmen at Bisley there was a certain fear that the firing in the first stage of the King's Prize would be seriously hampered.

The rifle association council issued an order for the removal of the rifle bolts overnight. One marker was discovered signalling all bulls when a marksman was actually making mistakes. Disciplinary measures were taken. The firing then proceeded normally.

There were 1,003 entries for the King's Prize at the first stage of ten shots at 200 yards, and seven at 500 yards against 985 in 1914, including one woman, Miss Gertrude Preston, of the nursing service.

Wind Freshened

The conditions at 200 yards were excellent at the opening, but the wind freshened considerably later.

Sir Edward Kemp, Dominion Overseas Minister, General Turner and Paymaster Ross visited the ranges yesterday.

The former conditions at 500 yards again have been restored in the King's Prize, first stage, ten shots being taken.

Canadian Scores

The Canadian scores at this range were: Alexander, 99, aggregate for the first stage, 75; Balfour, 42, 86; Chanler, 46, 66; Elliott, 35, 70; Francis, 40, 75; Gerring, 38, 76; Hutchinson, 42, 84; Johnson, 38, 73; Kaufman, 39, 71; Martin, 38, 75; Mortimer, 38, 80; W. **DECLARES GERMANS
 ARE UNREPENTANT**

Massey, of New Zealand, Fears Another Great Conflict Will Come

Vancouver, July 15.—The war just closed was not Armageddon. It was but the last war. Another conflict will follow, for the Germans are not regenerated. This is the view of Rt. Hon. W. F. Massey, Prime Minister of New Zealand, who addressed about 1,000 members of the Vancouver Canadian Club at luncheon yesterday.

"You ask me if this is the last war, I say no. You ask me if I think that this was Armageddon, and I answer you 'No,'" declared the Prime Minister after reviewing the atrocities of the Germans in Northern France and Belgium, and explaining the work of the Peace Conference.

Must Pay.

Germany has been called upon to pay a heavy price, to bear a heavy burden—but it is not too heavy for what Germany has done. Germany forced this war, and she must pay for it.

Germany, he said, had been given a great opportunity of rehabilitating herself, and Germany in a few months would be one of the first industrial nations of the world, the German industries being intact.

Reiterating his declaration that in his opinion this was not the last great war, and that the Huns were still Huns and unrepentant, Premier Massey exclaimed: "They say—some do—that the terms of the peace treaty are too harsh on Germany. I ask 'what would the Huns have done to us?' I do not advocate that we should do to them what they would have done to us, but I do think that we have been no harder on them than they deserve."

Chemists at Work.

"I have been told, and I believe it, that German chemists will be at work, and are now, until the next war comes, to make more destructive methods for the crushing of their opponents."

Continuing, the speaker declared: "Provisions have been put in the peace treaty prohibiting Germany from constructing submarines—those inventions of the devil which proved so disastrous to us in the war—aeroplanes, poison gas or armored cars. How long will this remain in effect?"

**RANTZAU IS GERMAN
 MINISTER TO AUSTRIA**

Vienna, July 15.—Via London July 15.—Count Ulrich von Brockdorff-Rantzau has been accepted by the Government as German Minister to Austria.

This is the first intimation of the appointment of Count von Brockdorff-Rantzau as Germany's Minister to Austria. The Count, who headed the first German peace delegation at Versailles, was superseded by Herman Mueller as German Minister of Foreign Affairs late in June.

STATEMENT BY HAZEN.

St. John, N. B., July 15.—Sir Douglas Hazen, Chief Justice of New Brunswick, asked about an Ottawa dispatch in The Standard here naming him as the probable successor to Hon. C. J. Doherty as Minister of Justice, said he knew nothing of it but what he had read in the press.

"It is entirely newspaper rumor," he said.

I. O. D. E. TO DECORATE ARCH WITH FLOWERS

Appeal For Red, White and Pink Flowers For Peace Celebration

The Daughters of the Empire will have charge of the decorating of the peace arch, now in course of erection at the corner of Government and Belleville Streets, according to the decision made at the special meeting of the Municipal Chapter held yesterday morning. The Provincial, Municipal, Primary and Junior Chapters will also be represented in the peace parade, two chapters being represented, with their standards, in each automobile. At yesterday's meeting, Mrs. R. J. McMicking was appointed convener of the committee on decorations, and Mrs. Hassell convener of automobiles. The arch is to be covered with red, white and pink flowers, and an appeal is made to all Daughters of the Empire as well as to the general public to donate flowers for this purpose. Crimson Ramblers and pink Dorothy Perkins roses are particularly sought, although gifts of other flowers will be gratefully received. Mrs. McMicking and her committee will be on the ground floor of the Belmont Building on Thursday and Friday after 10 a.m. to receive donations of flowers. C. T. Cross having kindly loaned the premises for this purpose. As the decorating will entail much labor it is hoped that members of the order will attend at the Belmont Building to assist in the work of fashioning wreaths and arranging the flowers.

Mr. and Mrs. William Colquhoun, of Regina, are guests at the Empress Hotel.

Major and Mrs. Harrington Foots, of Thetis Island, are registered at the Empress Hotel.

Dr. A. P. Proctor returned to his home in Vancouver yesterday after spending the week-end with his family at their summer home at Oak Bay.

Miss Muriel Dunsmuir returned to her home at 524th Street yesterday after visiting Miss Daphne Brougham in Vancouver.

Col. and Mrs. J. Holmes, of Carberry Gardens, have as their guest for this week their daughter Mrs. R. Marpole, of Vancouver.

Mrs. Gordon A. Watt, of Ottawa, is visiting her cousin, Mrs. Norman A. Watt, 773 Island Road, having come to the coast on account of ill-health.

Pursside-Robinson, of the editorial staff of The Toronto Mail and Empire, was a visitor in the city to-day. He left for Vancouver on the afternoon boat.

Arthur Meeker, the well-known Chicago business man, and vice-president of Armour & Co., who is on a yachting tour to Alaska, arrived in the city yesterday on his way north.

Mrs. V. S. MacLachlan left this morning for Duncan, where she will hold the Board of Directors of the King's Daughters' Hospital to make preliminary arrangements for the Better Babies' and Child Welfare exhibit to be held in connection with the fall fair.

A marriage of interest to many Victorians took place in Winnipeg a few days ago, when Watkin Mills, the well-known barrister, was married to Miss Elsie Cantell, organist of the Broadway Methodist Church, with which he has been associated as choir-leader for the past five years. Mr. Mills and his bride have left for England, where he is under contract for a concert tour during the coming winter.

At the Hutchinson Apartments, Southgate Street, last night Miss Edith Flora Smith, of Elk Lake, and William George Bayer, of Courtenay, were united in matrimony. The ceremony was performed by the Rev. C. M. Tate. Mr. and Mrs. Bayer will make their home in Courtenay, where Mr. Bayer is employed on the railway.

Mrs. Alex. McDonald went over to Vancouver on Sunday to attend the marriage of her niece Dorothy, second daughter of Mr. and Mrs. E. J. McFeely to ex-Lieut. Douglas Morton Christie, of Vancouver, which took place on Tuesday afternoon. Before returning to her home in this city Mrs. McDonald will spend a few days as the guest of Mrs. Alex. Henderson, Burnaby Street.

Lieut. Robert Green, M.M. and two bars, of New Brunswick, is visiting Victoria and is the guest of Sergeant Enfield, 1742 Fairfield Road. Lieut. Green went overseas as a private in the signalling section of the 26th New Brunswick Battalion. For rescuing wounded and assuming command when all the company officers were killed or wounded he was decorated and later received his commission on the field. Lieut. Green may decide to take up permanent residence in Victoria, being much impressed by the city and its climate.

Ex-Sergeant Wm. Crohall, of 930 Fairfield Road, who recently returned from overseas, will leave on Friday night for Vancouver to take part in the peace celebration in the mainland city. A number of members of the ex-servicemen's regiment are residing in Vancouver, and they have arranged to participate in the peace parade as a unit. He will be accompanied to Vancouver by his family. Mrs. Crohall, who accompanied her husband to England when he went across over four years ago was engaged in war work while her husband fought in France, she having charge of the culinary department of the Officers' Club at Witley Camp.

Money to Dress On. Competition over work in an office is a fine thing, but competition and rivalry over clothes is unseemly. Yet Eve being Eve, whether she clicks a typewriter or spends the morning hours shopping in Bond Street, cannot stand being outshone. This is why we question the presence of Miss Silk in the office.

What the Eye Doesn't See—Now, the pin-money girl has as much right to work in the office as the girl who works through the push of necessity, and so long as the former does not accept a wage that will harm the prospects of the latter, she is doing no harm in the labor market. We cannot lay down laws to keep her out. Other enough she is a capable worker and her employer values her services. But that she is unseemly cannot be denied.

There is only one solution where she makes the problem acute—uniform for the office.

When girls are all clothed alike, work comes first, and whether Miss Silk wears a crepe de Chine jumper or a silk jersey does not matter to Miss Serge when she can't see it for the office overall. The heartburning and envious thoughts cease.

Since girls have served as Waacs and Wrens and Penguins, and in other war-posts demanding uniform, they have grown used to looking alike. There is no longer the difficulty which existed before the war. They are willing to wear uniform.—Tit-Bits.

On inspection of the beautiful furnished rooms at the new Hotel Douglas, the Reception Committee of the Realty Convention immediately took steps to reserve fifty suites and rooms for the Convention week.

TO HELP WIVES OF SOLDIER SETTLERS

Mrs. Jean Mildred Here; Director of Home Branch of Settlement Board

Mrs. Jean Mildred, of Ottawa, who will be remembered by many local women's organizations by reason of her visit early last year in connection with the Canada Food Board, of which she was a member, is in the city again to-day. Her visit on the present occasion is made in her capacity of Director of the Home Branch of the Soldier Settlement Board, and while in Victoria Mrs. Mildred is interviewing the authorities in this connection. The work of this branch of the Soldier Settlement Board is along the lines of assisting the wives of settlers under the scheme. Many of the soldiers have brought back with them English wives, who are handicapped by a lack of knowledge of living conditions in Canada, and by an ignorance of many matters which form difficult problems to contend with in rural life. Realizing that the work of the home and of the farm are very closely allied, the Home Branch of the Board was formed to assist these women to make better homes for the men undertaking work on the land, thus tending to their mutual advantage. Mrs. Mildred is at present on a tour of organization, and will endeavor to place, as soon as possible, a woman in each soldier settlement branch, whose duties will be to keep a record of the wives of soldier-settlers in each province, visit them personally, and lend her aid when difficulty arises. These women superintendents will be trained in home economics and co-related subjects, and familiar with the life of the province, and with conditions of farm life. Their task will be to combine the offices of counsellor and friend, and they will also aim towards a linking up of the women with the existing organizations, such as the Women's Institutes. The Soldier Settlement Act provides for training in farming for the men, and for "training in household science or domestic economy for their wives and female dependents." Already a number of wives of soldiers have been enrolled as students for the summer course at the Winnipeg Agricultural College, taking courses in household science. Ontario Agricultural College has also offered courses to soldiers' wives and daughters and many have availed themselves of the opportunity. Mrs. Mildred will leave for Vancouver to-night.

Dominion—Elsie Ferguson in "Eyes of the Soul" and Charlie Chaplin in "Sunnyside."
Variety—Anna Case in "The Hidden Truth."
Columbia—Mary MacLaren in "Creaking Stairs."
Romano—Margarita Fisher in "Molly of the Follies," and Pearl White serial, "The Lightning Raider."

parents he appeared at the location, ready for work. Wyndham Standing, who plays the part of a blind soldier in the picture, interested the boy keenly, who believed that Mr. Standing was really blind.

After the day's work was over, Mr. Chautard said to him, "Well, now, my little man, what do we owe you for your day's work?" And the little boy replied, standing up, "It has been a pleasure to help a blind soldier, please, sir, give my pay to him."

Mr. Chautard did not wish to disillusion the lad about the actor being blind, so he thanked him and told him he was a very patriotic little American. Before the company left Miami, however, a beautiful gift was sent to the little soldier boy.

Miss Ferguson has a delightful role, that of a cabaret dancer in "Eyes of the Soul," which is shown at the Dominion theatre this week. The story is vibrant with heart interest and excellent players portray the various parts.

VARIETY

Accomplished Anna Case, the Metropolitan Opera singer, the girl who has achieved success in the musical world by dint of sheer hard work, a fine natural endowment and high ambition, will be seen in the first moving picture, "The Hidden Truth," which Select Pictures offers at the Variety again to-day.

Helen Merrill, a beautiful dancing girl in Western town, befriended Myrtle Cadby, another dancing girl, whose husband is a bully and a drunkard. Myrtle kills her husband in self-defense. Before she dies she gives Helen a letter to a man in New York, whom she was supposed to have married. Helen appears in New York under an assumed name and before long falls in love with the man who has befriended her. He learns that she is traveling under an assumed name, but she fights to get back the love which she knows rightfully belongs to her. Happiness for all concerned is the result.

COLUMBIA

Mary MacLaren is always an attraction, and last night, in "Creaking Stairs," at the Columbia, she further impressed her stellar importance upon an overflowing house. Incidentally, she comes in this picture under the direction of Rupert Julian, and his hand is distinctly discernible in a very cleverly conceived and superbly acted drama of suspense. In fact, suspense was the principal motive of the entire performance and it was entirely probable and thoroughly enjoyed—suspense—a footstool—trick—wife, who insists on keeping the presence of a former admirer from her husband, although she realizes that her husband is intensely jealous, would not have any more sense than to try to hide the appearance of a crime in her own attic. No audience is proof against the anxiety which Julian has cleverly engendered, lest her husband find out the facts in the case.

ROMANO

Absolutely apart from the usual run of Margarita Fisher's features, is her latest picture, "Molly of the Follies," which will be screened at the Romano to-day.

Peter Clark MacFarlane is the author of this story and it was produced by the American Film Company, under the direction of Edward Sloman. It is a clever and gay satire on sidewalk life in general.

As a ballyhoo dancer Miss Fisher, who plays the title role, has a part which provides her with many excellent opportunities. She is one of the cleverest little actresses on the screen to-day, and is gaining in popularity with each successive release. She has been given a story that permits of her displaying all those distinctive characteristics that won for her thousands of admirers.

Pearl White's serial, "The Lightning Raider," is another interesting offering on the current Romano programme.

PANTAGES

With Kathryn McConnell, Ford Hanford, Toots McConnell and a sextette of charmingly pretty young girls selected for their beauty and ability, Peppie & Greenwald's "Song and Dance Review of 1919," makes a flashing headliner for the new bill of Pantages vaudeville. Eleven beautiful scenes furnish the backgrounds for the perfect presentation of this most gorgeous production and several complete changes of wardrobe are made during the action of the revue. It opens with a bathing paraphernalia, including immense umbrellas, steamer chairs, etc. A bathing song number is offered by Ford Hanford with the girls arrayed in striking bathing costumes, appearing as the chorus. Then a wonderful Nell Brinkley drop follows, furnishing the background for a series of dances interspersed between the big numbers by Kathryn McConnell, one of vaudeville's famous terpsichorean artists. Then a Pat scene with Ford Hanford and chorus costumed as hunters offer a delightfully lulling hunting song number. Then a winter scene with a snowball number in which the audience are pelted and pelted back again with cotton snowballs. A double number by Toots McConnell and Ford Hanford furnishes a pleasant few moments that bring the Tango number into prominence. With an orange and black drop the whole company in costumes of the same combination led by Ford Hanford, they offer one of the best dancing numbers imaginable and a fitting finish to an act that cannot fail to please, satisfy and entertain royally.

Anglican Summer School—The attendance at St. George's School to-day was satisfactory, the principal address being one by Rev. F. W. C. Kennedy on Japan and Korea. This, the second of the series, dealt chiefly with the historical relations between the Island Empire and the Hermit peninsula. This evening Dr. Raynor speaks on Social Service Work, and Dr. Gowen continues his lectures on the Book of Ezekiel.

OTIS SKINNER TO APPEAR TO-NIGHT

Distinguished Actor in "Honor of the Family" at Royal

No one rejoices in the success of "The Honor of the Family" and in the part that Bridau contributes to that success, more than Otis Skinner, who will appear at the Royal Victoria to-night. In speaking of the fiery Colonel recently, Mr. Skinner said:

"I love Bridau—the whole-souled old rogue. And no character among the many that I have played, has a firmer grip on my affections, nor a stronger pull at my heart strings. Bridau and I became fast friends ten years ago. At first I was suspicious of him, when I knew him less well than I do now. I was inclined to look upon him as a more or less unwholesome creature, a braggart, and a flamboyant blusterer, whose chief aim in life was 'money, money, money.'"

"But," continued Mr. Skinner, "as I grew to know him, and in growing to know him, I grew to understand him and his eccentricities. I began to love him. And now, ten years later, I return to find Bridau none the less charming because of the years that have passed, but, on the contrary, more human, more delightful, more lovable than ever."

"Perhaps," said Mr. Skinner, knitting his brows for a moment, "it is because of our increased interest and affection for things French that the present-day appeal for 'The Honor of the Family' is heightened. Here we have a veteran of the Napoleonic wars, a true soldier of another time, and about us to-day we have the veterans of another war, a war for France. Colonel Bridau, with all his eccentricities, was a valiant soldier of France. And the boys of to-day are not one

Mr. Skinner, as his parting shot added: "Don't forget what I say. I love Bridau. It is like drinking old wine with old friends to renew Bridau in 'The Honor of the Family.'"

Charlie Chaplin in his new million dollar comedy "Sunnyside" affords his

admira rich entertainment. The story has real romance and is one of the most human of his recent plots. Charlie has a love affair with the village maiden and a deadly rival in the city chap. How it all comes out provides excellent comedy which all will enjoy.

The other feature on the bill is an Arctcraft production entitled "Eyes of the Soul."

While Elsie Ferguson was in Miami, Fla., whither the producing company journeyed to take some beautiful scenes for her latest Arctcraft production, "Eyes of the Soul," she discovered a clever little boy playing in the park.

He was dressed in soldier costume and immediately removed his little cap from his curly head when she approached him. He was really just the type that Emile Chautard had been seeking and had despaired of finding.

Miss Ferguson asked the boy how he would like to work in the picture. He was delighted at the prospect and after receiving permission from his

REALTY CONVENTION BEGINS TO-MORROW

Inter-State Association Will Bring Large Delegation to Victoria

Greatly impressed with the scenery and other attractions of British Columbia, the executive officers of the Inter-State Realty Association which opens its convention here to-morrow afternoon, are now in Victoria. They will meet the local Association in the Belmont Block at 3 o'clock to-night finally to dispose of any business relating to the arrangements for the affair, which it is expected will be attended by almost 1,000 realty men and their families from Western Canada and the United States.

President E. S. Goodwin, of Seattle, Mrs. Goodwin and daughter arrived here this morning from Vancouver. Past-President F. E. Taylor, of Portland, and his family; Frank McCrillis and family, of Portland; Past-President Fred K. Jones and family, of Spokane, also crossed on the night ferry. The remainder of the executive arrived this afternoon.

The Princess Theatre, 806 Yates Street, has been selected as the convention hall. Following the invocation at 3 o'clock to-morrow afternoon by Rt. Rev. Bishop Chas. Day, Scholfield, addresses of welcome will be given by Hon. John Oliver, Premier of British Columbia; Mayor Porter, of Victoria, and C. T. Cross, President of the Victoria Real Estate Exchange.

All delegates will be registered during the morning at the Registration Bureau, Belmont Building, when badges and tickets of admission to the various entertainments will be issued.

Some Features.

At noon to-morrow the Executive Committee will be invited to a luncheon at the Union Club, tendered by C. T. Cross.

In the afternoon Paul C. Murphy, director of the "Own Your Home" section of the United States Department of Labor, will give an address on the "Own Your Home" campaign carried on across the border.

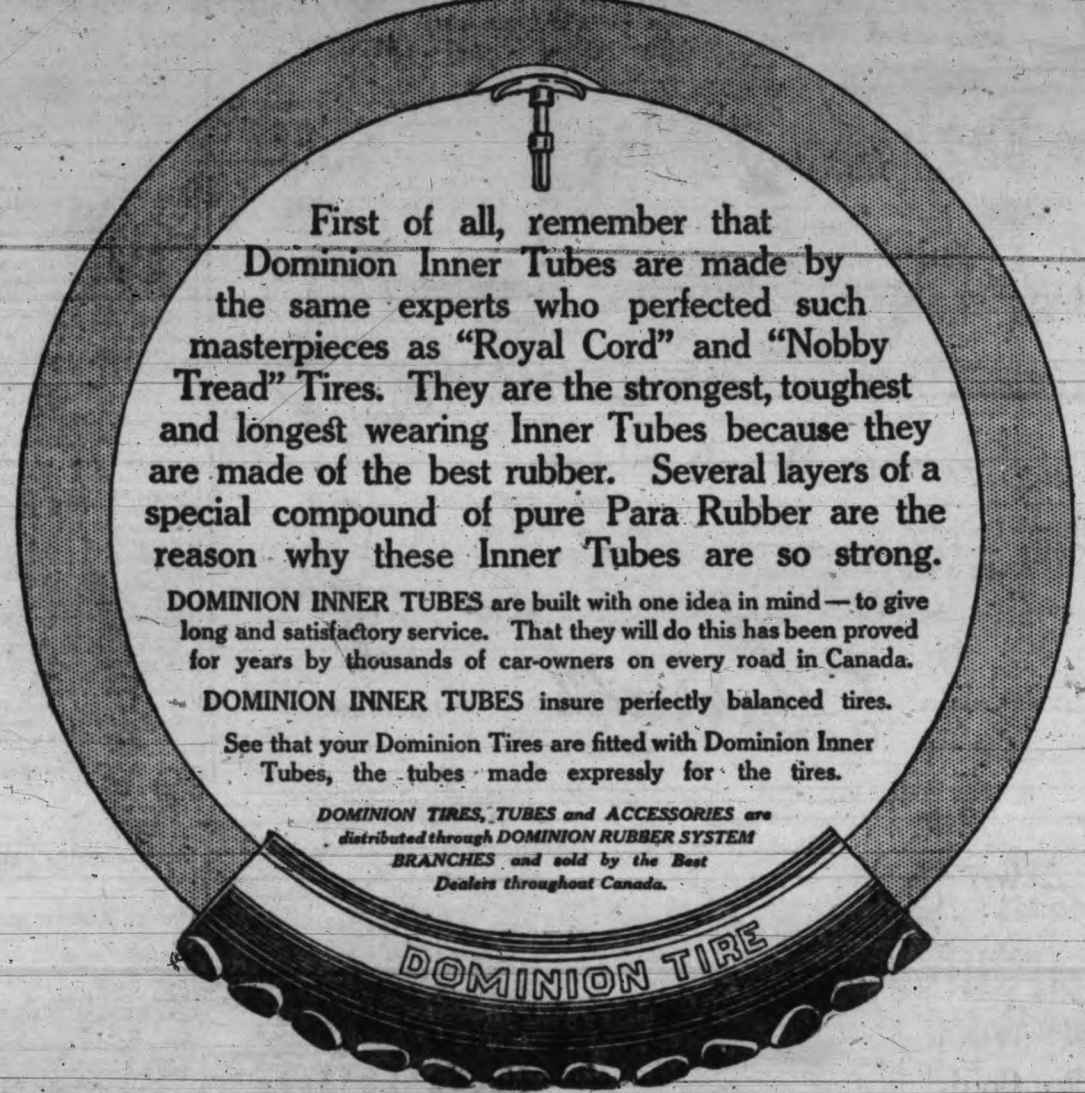

In the evening the five-minute talk contest for the Silver Cup will take place in the Princess Theatre. O. H. Sköthelm, Portland, will preside, and the judges will be Major-General R. G. E. Leckie, C.M.G., G.O.C. Military District No. 11, Hon. J. D. MacLean, Provincial Secretary and Minister of Education, and Miss Helen Stewart, City Librarian. The cup is presented by Joseph McCarthy, of Spokane, for the best talk on the home towns of the respective delegates.

Friday's Programme.

Friday's programme includes some speeches by men particularly fitted to deal with the topics chosen by reason of their close associations with the topic under discussion.

Charles Henry Cheney, Secretary of the California Conference on City Planning and consultant of the Portland and San Francisco City Planning Commissions, will speak on the sub-

PREMIER OLIVER IS OVER ON MAINLAND

Meets Mission Board of Trade This Afternoon; Public Meeting To-night

Premier Oliver left the city on last night's boat for the Mainland to keep an engagement to speak in public meeting at Mission this evening. This will be the first occasion on which Mr. Oliver has met his constituents officially since he became Premier.

This morning he was due to meet a delegation at Haney from the residents of Webster's Corner. Their particular quest of the Government is that it should complete the trunk road proposed by the late Sir Richard McBride to connect Port Moody with Stave Lake.

This afternoon Mr. Oliver met the Mission Board of Trade and discussed with them the general policies of the Government and listened to a number of local matters upon which the Board wishes to get Governmental action.

GOOD NOW, BUT WILL BE BETTER DURING AUGUST

"While the tourist business is exceptionally good at the present time, it is nothing to what it will be in August," stated F. L. Hutchinson, General Manager of the C. P. R. Hotel system, to The Times yesterday.

Mr. Hutchinson, arrived in Victoria yesterday afternoon on a periodical inspection. On the occasion of his last visit he spoke enthusiastically of the prospective business offering this summer to hotels throughout the Canadian West, and the very large travel movement already has justified that prophecy.

LONDON EXPRESS OFFERS AIR PRIZE

London, July 16.—The Daily Express offers a prize of £20,000, open to the whole world, with the exception of the late enemy countries, for an air flight establishing communication on a commercial basis with India and South Africa. Factors to be considered in the award will be the average reliability and air worthiness of the machines.

FOREST CONDITIONS ARE CAUSING ALARM

General Situation Throughout Province Hazardous Department Hears

While the Coast Forest District is judged to be fairly safe from any serious forest fires for the moment, reports reaching the Forest Branch of the Department of Lands this morning indicate that throughout the interior of the Province conditions have reached the dangerous stage.

In the immediate Vancouver locality showery weather during the latter part of last week reduced the risk to a considerable extent. At Kamloops hot and dry weather is reported and the condition generally dangerous. One large fire is completely out of

control extending from Albretha to Tete Jaune Cache. Yesterday's report indicates a maximum shade temperature of 102 throughout the Kamloops section, natural conditions making it extremely difficult for fire fighting officials in this district.

There is a similar report from the Nelson Forest area and although all fires in the Cranbrook district are under control, latest reports indicate that the general condition is still hazardous. Identical remarks apply to the Vernon Forest District. At Fort George weather is hot and vegetation parched, the conditions, however, are regarded as safe for the time being.

"Fair" with situation safe, is the advice from the Prince Rupert section.

Mrs. Neth to Visit Girls' Corner Club—A large attendance of members and friends of the club is expected on Thursday, the final meeting of the season. Tea will be served at 6 o'clock in the club room, Odd Fellows' Hall, Douglas Street, after which Mrs. Neth, of the Vancouver Corner Club, will give an address. The meetings will be resumed early in September, of which due notice will be given.

FIRST AID—in Emergency

A life may be saved or serious results prevented if you know the right thing to do and the way to do it. What to do under any circumstances, accidents, drowning, broken limbs—almost any contingency, is treated of in a comprehensive way in a new book just out, entitled "Nursing," by Lee H. Smith, M. D.

This book is needed in every home. It is well illustrated, and if you want to learn how to nurse, this is a standard work which will teach you all you need to learn in an easily-understood, common-sense way. It is intended for the ordinary reader. Is a handy "First Aid" book to have in the house in case of burns, wounds, broken arms or legs. It teaches you what to do in case of accident. How to bandage; how to take care of fever patients; how to take temperature; how to treat the simple diseases; how to give baths. Contains practical advice for the woman with a family.

This five-hundred page book, nicely bound, can be had at prominent drug stores at the nominal cost of 50 cents, or send that amount to the World's Medical Press, 654 Washington St. Buffalo, N. Y.

YACHT CLUB GETTING BACK TO PEACE BASIS

With most of its soldier members returned from overseas, the Royal Victoria Yacht Club, which was forced during the war to curtail a great part of its previous activities, is rapidly getting back to a peace footing. More and more the beautiful club house at Cadboro Bay is becoming the mecca of local and visiting yachtsmen both as a common meeting place and as a centre for the delightful series of flannel dances which the Club is staging during the summer, and one of which will be held on Friday. The Club will devote most of its energies this year, however, to reorganization with a view to having a period of unprecedented activity in the summer of 1920.

University Returned Soldier Students

The University of British Columbia has provided means whereby those students in Applied Science who enlisted during their University course or during their matriculation year and have intentions of proceeding in the fall, may resume their studies during the summer months. This provision has been made at the suggestion of returned soldier students who are desirous of completing those studies which were interrupted by enlistment, so that regular courses may be continued without undue difficulty.

FAMOUS ACTOR WHO OPENED ROYAL VICTORIA THEATRE, RETURNS TO-DAY IN "THE HONOR OF THE FAMILY"

OTIS SKINNER

Otis Skinner made his professional debut at the age of eighteen at the Philadelphia Museum, October, 1877. His first character was that of Jim, an old negro, in the play of "Woodleigh."

During his first year he had an unusually vigorous experience as a stock actor and when the season ended he had appeared in more than one hundred and twenty parts.

The following season he was in the stock company of the Walnut Street Theatre, Philadelphia, supporting such stars as Januszek, Lotta, John McCullough, Lawrence Barrett, John T. Raymond, Fanny Davenport and Ada Cavendish, and gaining vast experience and proficiency.

He then went to New York, making his metropolitan appearance in a spectacular fairy piece called "Enchantment," produced by the Brothers Kiraly at Niblo's Garden Theatre.

During this season he first played with Edwin Booth at Booth's Theatre, New York, and elsewhere.

The season of 1880-81 found him a member of the Boston Theatre Company. The following three seasons he supported Lawrence Barrett, under whose direction he first rose to the position of leading man.

Augustin Daly then made a contract for his services at Daly's Theatre, New York, and from 1884 to 1889 he appeared as a leading member of the famous Daly Company in the United States and Canada and for three seasons in the capitals of Europe.

He then appeared as the leading support of Edwin Booth and Helena Modjeska in their joint tour, playing such parts as Laertes, Macduff, Bassanio, De Mauprat, etc.

During the seasons of 1890-91 and '92, he was leading man for Margaret Mather, and during the second season Mr. Skinner was manager and co-star.

For the next two years he was associated with Mme. Modjeska in a repertory of Shakesperian and classic plays and made his first appearance as Shylock in the "Merchant of Venice." He has appeared in other Shakesperian parts in the last quarter of a century, starring during the last few years as follows: "Kismet" (three seasons), "Haji the Beggar," 1914-15; "The Silent Voice," Montgomery Starr; "A Celebrated Case," all-star, Jean Renaud, 1915-16; "Cock of the Walk," Antony Bellchamber, 1916-17-18; "Mister Antonio," Antonio Camaradonio.

Heat Wave in Interior.—While Victoria is basking in brilliant sunshine and reveling in cool breezes, the interior country is panting in the throes of a heat wave. Thanks to the presence of a cool westerly breeze here yesterday, the highest temperature was only 66 degrees, but at Kamloops the temperature was 102, at Penticton 104, and at Kelowna 102. The two latter places are on the Okanagan Lakes and yesterday's temperatures constituted a record. Grand Forks gasped when the thermometer recorded 101, while Alberta suffered accordingly, the mercury at Medicine Hat reaching 98 degrees. The hot spell is fairly general over the interior, reaching down through Washington and Oregon with every prospect of continuance for a few days.

Notice.—The Union Barber Shop will remain open Friday night until 9.30 p.m., and will close all day Saturday, peace holiday.

TRAFFIC DIVERTED DURING IMPROVEMENT TO ISLAND HIGHWAY

Commencing to-day and until further notice, traffic will be diverted from the Island Highway to provide for the paving of that section between Craigflower Bridge and Parson's Bridge. Helmscken Road will also be closed from its junction with the highway to a point 600 feet north therefrom to provide a depot for machinery, and the assembling of material.

Traffic will, therefore, until further notice, travel via Burnside Road, thence westerly along the Island Highway and across Parson's Bridge.

SPECIAL ORCHESTRA FOR "PEACE" CABARET

Professors Lou Turner and Heaton to Combine Forces on Saturday Night

Devotees of dancing will find an especial attraction at the Peace cabaret to be held at the Empress Hotel on Saturday night, for a wonderfully attractive programme of music is to be furnished by a joint orchestra comprising Professors Lou Turner's and Professor Heaton's orchestras. Both of these artists are acknowledged leaders in orchestral music and their combined efforts should ensure a programme of dance music of the most attractive and up-to-date nature.

Arranged by the French Red Cross in aid of the French war Orphans Fund, the cabaret will have the distinguished patronage of the Lieutenant-Governor and Lady Barnard, Major-General Leckie, C. M. G., and Capt. Martin, R. N. The programme has been arranged by Mrs. H. Fooley, Miss Lillian Holden and Mrs. A. J. Gibson, and will include vocal numbers by such well known local talent as Mrs. Harry Briggs, Mrs. H. D'Oyly Richford, Miss Eva Hart, Miss Dorothy Kirk, Miss Mona Miesner, H. J. Davis and Lieut. R. R. Webb. Through the kindness of Manager Jamieson several stellar turns from the current Pantages bill will also assist. Mrs. Gibson will act as accompanist.

Owing to the overwhelming demand for tickets the committee in charge have announced that all "extras" that have been reserved must be claimed and paid for at W. H. Wilkerson's store before six o'clock this evening. After that hour any unclaimed reservation will be disposed of.

IS AGAIN PRESIDENT

Comrade Axon Will Preside Over G. W. V. A. For Ensuing Year—New Quarters.

Comrade Axon was unanimously re-elected president of the Great War Veterans Association at a meeting held last evening. He has shown a vast amount of energy in conducting the affairs of the organization during the past few months, and the members decided to leave him in charge for the ensuing year.

The other officers elected were as follows: Comrade Tate, first vice-president; Purser, second vice-president; Bruce, sergeant-at-arms; McLeod, treasurer; Duggan, pensions board committee; Stone, investigation committee; publicity agent, Gordon Smith; resolution committee, O'Halloran; juvenile committee, Ford; chairman ways and means, Norris; chairman membership committee, Morsey; sports committee, Smith; sick fund, Nursing Sister, Smith; finance, Winsby; recording secretary, Donaldson; and Comrades Higgins, Ashdown and Welsh were elected as a committee to watch the interests of the comrades at executive meetings.

It was decided that the association should not participate as a body in the Peace Day parade, but that the members should march with the units with which they served overseas.

The question of new quarters was under discussion for some time, and it was decided to have the special committee approach the owners of the Patricia Hall and secure terms.

Fifty-six new members were admitted last night.

CREWS PICKED TO REPRESENT BAYS AT INTERNATIONAL CHAMPIONSHIPS

Kennedy Will Row in Singles and Couple With Sommers in Doubles—Four-Oared Boat Will Have Most Powerful Crew That Ever Rowed for This City

After watching the various oarsmen working out in their shells Dan O'Sullivan, with his Boating Committee, has decided on the crews which will represent the James Bay Athletic Association at the international regatta to be held on Indian River by the Vancouver Rowing Club on August 16.

The Bays will be represented by the following: Single—W. Kennedy, champion.

Doubles—W. Kennedy and O. Sommers.

Four-oared—J. A. Wickson, stroke; W. S. Day, No. 3; R. D. Travis, No. 2, and J. Y. Simpson, bow.

Change in the Doubles. These crews are practically the same as those which rowed in the regatta at the Gorge on July 1. Sommers has been picked to row with Kennedy in the doubles in order to allow Wickson to conserve his whole strength for the hard fight which is expected in the fours.

On Dominion Day Wickson pulled with Kennedy in the doubles, and also stroked the fours, but this made a heavy day's work.

The four-oared race will be the feature-event of the day's programme, and the Bays are anxious to win it, and will reserve the entire crew for the great effort.

Unless some new star turns up it is almost certain that Kennedy will retain his title and bring home the singles, and Portland is reported to have a fair chance of winning the four.

Busy Rowing Month. August will be a very busy month for the Bays' oarsmen. On August 9 the Shawigan Lake Athletic Association will hold its fourteenth annual regatta at the lake.

The feature race will be the Walkbank Cup, which is open to competition for crews which have never rowed a winning race.

The teams will line up as follows: Yarrrows. Position. Colliers. A. Corkle, pitcher. H. Copas, H. Brown, catcher. Townsley Cummings, first base. H. Jackson T. James, second base. C. Baker H. Gandy, third base. Stevens R. Miller, shortstop. Cummings G. Gerow, left field. R. Copas N. Norton, centre field. Steele C. Brown, right field. Carne

Club Regatta on August 30. The Bays had arranged to hold their annual regatta on Saturday, August 16, but on learning that this would conflict with the international championships immediately postponed the events until August 30.

IMPORTANT MEETING OF LOCAL SWIMMING CLUB. The Victoria Amateur Swimming Club will hold an urgent meeting to-night at 8.30 o'clock in the club house, Gorge Road.

TOOK FIFTEEN MINUTES TO GET HORSE AWAY. Saskatoon, July 16.—Garland Mac won the first race in the trotting and pacing events, 2.24 pace, or 2.19 trot, purse \$600, and Tom Carlisle whisked off the high honors in the 2.17 and 2.12 events.

Novel Event to Be Held in Connection With P. N. A. Swimming Championships

Both the senior and junior boxers of the Victoria and Island Athletic Association have offered their services for the comedy and novelty features to be held in connection with the P. N. A. championship meet at Curtis Point on Saturday afternoon.

One of the features now under consideration is a novel reproduction of the ancient European tourney in which the knights of old did mortal combat on the lists on horse back.

Appropriate Music. The committee of arrangements has arranged for Handmaster Rowland to conduct a special Y. L. A. band, which will offer the very latest jazz and patriotic selections.

The meet will start promptly at 3 o'clock, this being necessary owing to the fact that the visiting swimmers will not arrive until 1.15 o'clock.

Proceeding: the gala an official picture will be taken of all of the contestants.

W. S. Spalding will be the official referee for the swimming event, and Mr. Finnick, secretary of the C. A. S. C., will act as referee for the polo games.

Judges of diving—J. Bartels, Seattle, Harry Fisher, Portland; The Hon. Mr. Justice Martin, Victoria.

Official scorers—E. J. Down, Victoria; F. F. Christopher, Victoria.

Judges Section 1—George Stott, President B. C. Sec. C.A.S.A., Victoria; Dow Walker, Portland; J. Rithet, Victoria; E. E. Jenkins, Victoria; His Worship Mayor Porter, Victoria; Major-Gen. R. G. E. Leckie, D.O.C., Victoria; The Hon. John Hart, Victoria; W. A. McAdam, Victoria.

FAVORITES FAILED TO ROMP HOME IN KALAMAZOO'S RACES

Direct C. Burnett Wins 2.13 Pace in Fast Time From Goldie Todd

Kalamazoo, Mich., July 16.—The opening day of Kalamazoo's 12th annual Grand Circuit meeting was featured by the victory of Direct C. Burnett, Murphy's entry, in the 2.13 pace. He won in straight heats and the time 2.03 1-4, 2.03 1-2 and 2.05 1-2 was fast.

Murphy made it two victories for the day by capturing the 2.15 pace with Sanardo.

Belle Alcantara was picked to win the 2.15 pace, but South Bend Girl showed her heels to the field and won off the reel.

The 2.12 trot raced on the half-mile track was a runaway and won in four heats before being decided. It turned out to be another upset, for the favorite, Miss Woodbine, was never dangerous, and Peter Bilken won the first, third and fourth heats.

BOB LONG UNION MADE OVERALLS SHIRTS & GLOVES. My Dad wears 'em. Known from Coast to Coast. R.G. LONG & CO. LIMITED TORONTO CANADA

IS WORKING ANOTHER MIRACLE WITH REDS. Pat Moran Is Wonder-Worker of Big Leagues; Was No Player Himself

Truly a miracle worker is Patrick J. Moran, of Fitchburg, Mass. The efficient Pat already, wrought one of baseball's greatest miracles when he took hold of a weakened club in Philadelphia in 1916 and won the first and only National League championship that ever went to the Quaker City in its forty-odd years of representation in the National League.

And now Moran shifted to Cincinnati, is at his old tricks. Taking hold of the Reds, which even was a more chronic loser than Philadelphia, Moran has his club in the thick of a pennant fight and playing the best ball any Cincinnati team has shown in years.

Even if Moran slips, he must be given credit for giving Cincinnati the most interesting baseball it has known in a generation. Furthermore, his Reds, after the Brooklyn crash, is the only team that seriously is threatening New York's lead.

Pat Moran is proceeding along the same lines in Cincinnati as he did when he first took the reins of the Philadelphia club. He does his managing in a quiet, unassuming way. He doesn't seem to possess a great deal of pep and hasn't much personality. But he has a great knowledge of the inside of baseball, knows how to develop pitchers and when to work them, and has that quality of baseball leadership which seems to be inherent with so many men of his race.

Moran started his baseball career in 1897 with the old Lyons Club of the New York State League. Pat broke in as a catcher and always remained one though he filled in at third base for a while on the Boston club in 1904.

He remained with the Braves from 1901 to 1905, inclusive, and the following year Moran was traded to the Cubs by one of the famous deals swung by Charley Murphy and Frank Chance shortly after Husk succeeded the great Frank Selee as Cub manager.

In Chicago, Pat never had a great deal to do as Johnny Kling was then in his prime, and he looked after at least three hundred games a year. But Pat was always a smart fellow to have around pitchers, and even in those days inside baseball men gave him much of the credit for developing the great Cub pitching staff of that era.

Medicine Player. In those days many fans, also numerous critics, regarded Moran as just a mediocre performer, carried along as an emergency man in the event anything happened to Kling. Pat never was a great player. He was a good, honest, club always was a poor batsman. In his twelve years as an active National League player Moran only hit above .250 twice.

Pat came to the Philadelphia Nationals in 1910; when the Phillies were hard up for a catcher, and Charley Murphy and Horace Fogel were working hand in glove. Moran filled in as extra catcher on the Phillies until 1911, when he slumped to .154 for a batter, but the Philadelphia Club retained him as coach of pitchers.

When William Baker, the Philadelphia president, let out Charles Dootin as manager in 1914, the only man available was Pat Moran, coach of the team. When Moran was hired the move was suggested at by many Philadelphia fans. "Baker merely hired the cheapest man he could find."

The offset of the matter was that Moran won the pennant that year and finished second in 1916 and 1917 after a tight race. Last year, after Baker sold Alexander and Killifer to the Cubs and the war took Whitted, Rixey and other stars, the Quakers dropped to sixth.

As a result Pat was fired. But it proved a blessing in disguise. Moran is riding near the top with his Cincinnati Reds, while the Phillies are on the rocks.

PEACE WAVE AND EXCEL EFFORTS OF CITIZENS IN HERE

Arch Is Started; Military Units Call Meetings to Settle Representation

MONSTER PLANS FOR SATURDAY'S FESTIVAL

Plans for the Peace Day parade advanced rapidly to-day, this phase of Saturday's festival appealing to a very large class of citizens. Particularly in it the occasion for the gathering of soldiers in their old units, the first opportunity since the war. There is considerable feeling to be seen in the largest number of parade for the procession. Commanding and other officers of battalions who have returned will turn out at the head of their former comrades in arms, and a special soldiers' tribute is prepared for the ceremony at Beacon Hill Park.

Other phases of Saturday's festival have steadily progressed. There will be a heavy call for flowers and flags. The warm weather has made a heavy drain on the flowers, but doubtless the many beautiful gardens of the city and district will be ransacked to supply an adequate quantity for decorative purposes.

An Impressive Feature The most impressive feature in the plans for the Peace Day parade will be that representing the soldiers' tribute to their comrades fallen in battle. The float will represent a broken column of purple, white, and gold, and in gold letters, "To the memory of our fallen comrades." Soldiers and citizens are asked to bring a white flower to deposit on the float as it passes along. When a body under Beacon Hill Park and the procession has been called to attention by General Leckie there will be a moment of reverent silence during which the assembly will stand with bare heads in honor of the dead. General Leckie will then deposit a white wreath on the column, and the bugler will sound the "Last Post."

Some Military Details The Canadian Engineers will parade as a unit under the command of C. E. Russell, D.S.O., late commander of the Sixth Canadian Engineer Battalion. All members of engineer battalions who served overseas are requested to parade with this unit. They will march immediately behind the artillery, and preceding the infantry.

The Canadian Machine Gun Corps will also parade as a unit, and all machine gunners of the various machine gun units will parade in a body under Major Pearce, Captain Cumming, adjutant of the local Machine Gun Corps, is organizing this part of the parade. Men should parade in uniform if possible, but all are asked to wear the High School. The different units are requested to name markers, who should report to Major Nicholson at 9.30 at the muster place, and all units should be drawn up by 9.45 so that the parade may start off at 10 o'clock Saturday morning.

The senior officers of practically every unit in the city have advised General Leckie that they will attend. There will be four bands in the procession, the Foundation, Rowland's, Salvation Army and 50th Gordon Highlanders pipe band. The First Canadian Pioneer's Battalion officers and members are asked to parade at 9 o'clock Saturday morning at the corner of Yates and Blanshard Streets. The appeal for a large turnout is made as a tribute to the comrades who have fallen.

The Peace arch at the corner of Belleville Street and Government Street was begun by an energetic crew from the Foundation, and shipyard last night, and rapid progress was made. The following are contributing to the construction of the arch: Plans by Percy Fox, architect, roofer, lumber, Shawinigan Lumber Company; ship-lap, Cameron Lumber Company; nails and other hardware, E. G. Prior & Co.; millwork, Lemon Goumas & Co., and Moore & Lumber Co.; electrical fittings, Carter Electric Co.; Hawkins & Hayward and the Whittall Electric; cornices and metalwork, Pacific Sheet Metal Co.; paint, British American Paint Company; teaming of material, Luney Brothers; blueprint plans of arch, Electric Blue Print Co.; flowers for decoration, from the citizens of Victoria, collected through the I. O. D. E.

The various units of the Army and Navy are taking a keen interest in the Peace Day procession' Saturday morning. As the parade will play the most important part in the ceremony, which is really in their honor, everyone concerned is anxious to see a large turnout.

ADMISSIONS MADE BY HENRY FORD Suggests Another War If Universal Peace Not Now Established

WELCOME VISITOR at any time in every household. Every Day, Week, Month, Year, etc., etc. See it has some interesting contact with KEATING'S

Mount Clemens, Mich., July 16.—Henry Ford made his first admission in the course of his testimony yesterday in his \$1,000,000 libel suit against The Chicago Daily Tribune. The examination was made by attorney Elliot G. Stevenson, representing the Tribune.

Mr. Ford admitted ignorance of history and said that more than ever he considered it "bunk" growing out of tradition. Nor had he any personal use for mystic or other forms of art.

He reaffirmed his belief that professional soldiers are murderers, nor would he except General Pershing or General Grant from this category. He said that his present view is for the fullest preparedness on the part of the United States unless there is a League of Nations and that if the war just concluded in Europe does not result in such a League, he favors another great war without delay in order to clean up the situation thoroughly that universal peace may be achieved.

It developed that Theodore de LaVigne, a publicity agent for Mr. Ford, wrote practically all of Mr. Ford's pacifist literature and that much of it was circulated broadcast without Mr. Ford having read it.

"I accept full responsibility for it, however," Mr. Ford testified repeatedly.

RETURNED SOLDIER KILLED BY FARMER; WAS IN PIG PEN Collingwood, Ont., July 16.—Early this morning Jack Mooney, a returned soldier, thirty years old, was shot by a farmer, named Amos Sherrick, and died about fifteen minutes later. The tragedy occurred on Sherrick's farm, two miles from town.

Sherrick found Mooney in his pig pen, and when the latter attempted to escape the farmer fired a shotgun, the load lodging under Mooney's right shoulder.

MINIMUM WHEAT PRICE PROBABLY WILL BE SET BY OTTAWA. Ottawa, July 16.—In order to give stability to the financing of the Canadian wheat crop of the present year and safeguard prices from too violent speculation due to the opening of the grain exchanges in the present uncertain and unsettled conditions, it is probable that the Dominion Government will fix a minimum price which it will guarantee to dealers, bankers and others interested in the crop movement.

PLAN DEFEATED. New Glasgow, N. S., July 16.—A resolution providing for the immediate dismissal of all Government employees between the ages of twenty-one and forty who are single and did not prove that they were physically unfit or had volunteered for overseas service during the war and before the Military Service Act came into existence, was defeated at the meeting of the Nova Scotia War Veterans' Association to-day.

ORDER OF PARADE OF VETERANS ANNOUNCED. Wounded Men in Motor Cars Will Lead Parade in Peace Day Celebrations

Arrangements have been made to have the grounds of the Boys' Central School the place of assembly for returned men who will parade in the grand Peace Pageant. Major-General Leckie, C.M.G., G.O.C., requested that all men be at the school at 9.30 o'clock so that they will be able to move off at 10 o'clock.

The order of parade has been arranged as follows: Wounded men in motor cars. Nursing sisters in motor cars. Naval parade. Band. General Officer Commanding, Major-General Leckie. Units of the Imperial forces, including the R. A. F. Artillery. Four overseas divisions with units in order of seniority according to service overseas.

Returned men unable to parade in uniform will be given a place with their unit. It is requested that Commanding Officers arrange to provide distinguishing white armlets with the number of battalion or other unit on to be worn by the flank men of each section and by men in plain clothes.

Every C. E. F. unit which can turn out a section of four will be given a proper place in its division. Odd men whose units cannot be so represented and other unattached officers and men will be formed into a composite unit. General Leckie requests that every officer and man who can possibly do so appear on this voluntary parade in celebration of the grand victory of peace. Every man is asked to report in uniform without further warning as it will be impossible to notify everyone personally.

Canadian Soldier Given Ten Years by Kimmel Courtmartial. London, July 16.—The courtmartial sentence in connection with the Kimmel riots, including a term of ten years, four men receiving five years and one two years. The total period of detention for the twenty-six men whose sentences have already been pronounced amounts to forty-nine years.

40,000,000 BUSHEL'S OF WHEAT IN WASHINGTON. Tacoma, July 16.—J. P. J. Sweeney, chief grain inspector, who is succeeding in that place by C. J. Holst, on his return from a trip through Eastern Washington, to-day estimated that the Washington wheat crop will be below 42,000,000 bushels, on account of dry weather. The Federal Government's estimate of the crop is 57,000,000 bushels.

DR. GALLEGOS DIES IN SAN SALVADOR. San Salvador, Republic of Salvador, July 16.—Dr. Salvador Gallegos, formerly Minister of State and rector of the National University, is dead.

FRENCH DUTIES AND COST OF LIVING. Paris, July 16.—The Chamber of Deputies yesterday discussed a Socialist interpellation on the cost of living. Marcel Cachin, a Socialist, demanding that the Government abandon the policy of protection. Ernest Lafont, also a Socialist, brought up the possibility of utilizing American army stocks.

BOLSHIEVIK SAY EKATERINBURG IS IN THEIR HANDS NOW. London, July 16.—Ekaterinburg, 160 miles southeast of Perm, has been captured by Bolsheviki troops, according to a Bolsheviki wireless dispatch received here to-day. The town was occupied Monday.

AUSTRALIA WANTS NEXT HEAVYWEIGHT BATTLE. Los Angeles, July 16.—Mrs. "Snowy" Egan, wife of the Australian boxing promoter, has come to the United States to represent her husband in his efforts to stage in Australia the next contest for the world's heavyweight championship, so she announced here.

MASONIC GATHERING IN TORONTO TO-DAY. Toronto, July 16.—The Masonic Grand Lodge of Canada, in the Province of Ontario, met in the new Temple here at 10 o'clock this morning. Mayor Church welcomed the delegates, of whom there are 1,100 attending. Grand Master Wardrop was unable to be present owing to illness, and in his absence, acting as the Grand Master, W. Harcourt delivered the Grand Master's address.

DEARER WATER. Santa Cruz, Cal., July 16.—The City Council adopted to-day an ordinance increasing charges for water from the municipal system one-third. An announcement by the Council said this increase was intended to make up the income heretofore derived from liquor licenses.

AIRMAN KILLED. Los Angeles, July 16.—Lieut. Monsoe, an aviator from Rockwell Field near San Diego, was instantly killed here to-day when the aeroplane in which he was circling over De Millie Field went into a tail spin and fell 900 feet.

RESUME WORK. Montreal, July 16.—The 1,700 boiler-makers and iron shipbuilders on strike at the Canadian Vickers Company's plant voted this morning on the company's offer and decided to accept it. They will go back to work to-morrow morning.

MUTT AND JEFF

YOU RUNT, WHAT DO YOU MEAN BY BEING AN HOUR LATE?

IT HAPPENED TO RUN ACROSS BILL SPURNS WHILE HE WAS HAVING A HEATED ARGUMENT WITH A CAB DRIVER, AND AN OFFICER CAME UP AND ARRESTED HIM.

HE HAD A LOT OF NERVE TO ARREST BILL FOR THAT!

YES, AND THE JUDGE TACKLED A TEN BUCK FINE ON BILL, TOO. HE CLAIMED IT WAS AS PLAIN AS DAY THAT BILL WAS LIT UP!

BUT JUST BECAUSE BILL HAD A HOT ARGUMENT WITH A CAB DRIVER DOESN'T PROVE THAT HE HAD HAD A FEW DRINKS. WHY DIDN'T THE COP ARREST THE CAB DRIVER, TOO?

HE COULDN'T, MUTT!

BECAUSE THERE WASN'T ANY CAB DRIVER THERE!

SERIOUS SUICIDE BEING WATCHED BY LEGAL DEPARTMENT

Deputy Attorney-General Johnson Gets Full Report of Seine Net Incident

GILL NET MEN THREATEN TO TIE UP ALL SEINING

Seines, Boats and Gear Burned; Rivers Inlet Canneries Involved

Reference was made in these columns yesterday to the destruction of approximately 150 gill net fishing nets at Rivers Inlet, the property of the Wallace Fisheries. Amplifying the details which reached the Department of the Attorney-General through the Provincial Police authorities yesterday, a full report has now been received by Deputy Attorney-General Johnson.

Long Standing Grievance.

It appears from the report of Provincial Constable Stone that there has been a long standing grievance between the white gill net fishermen and the Japanese operating seine nets. In spite of the alleged promise of the Dominion Fisheries Department to stop operation of the seine net, a further license was issued this year. This has apparently created a tense feeling among the 150 gill net fishermen at Smith Inlet and the constable understands that a meeting was held on July 5, at which the gill net men decided upon a course calculated to force their wishes. Notice of their intention was sent to the manager of the Wallace Fisheries and the formal request made that operating with seine should cease. Apparently no notice was taken of the wish of the netting and the gill net men took the matter into their own hands. The Japanese were unceremoniously chased out of the lagoon and the seine net was burned by the aggressors.

May Clash.

Constable Stone observes in his report, now in the hands of Deputy Attorney-General Johnson, that Chief Inspector of Fisheries, Department, has since granted twenty additional licenses in lieu of the net destroyed and that no further trouble is anticipated unless the Japanese are given notice to cease fishing. The Japs paid no attention to the suggestion.

At mid-day on July 7 Constable Matthews states that the gill net fishermen gathered at the Jap camp and seized three seines and three seine boats, towed the gear out of the lagoon where the Japs were situated, and set fire to the boats with coal oil and set fire to the lot.

Further Threats.

It is further understood by Constable Matthews that a Mr. Reid, of the Great War Veterans Association, is at Smith Inlet looking after the interests of the returned men. Mr. Reid is said to have called a meeting at the Margaret Bay cannery on July 12, at which he told the men that if they would agree to allow the seine to be operated for the rest of the season, which expires on July 20, the Wallace Fisheries would not take proceedings against them for the property destroyed.

Intend to Use Seines.

Constable Matthews reports that the Wallace Fisheries are getting a new supply of seines from the West Coast and intend to operate them. What will be the outcome of this kind of a repetition of seining operations is a matter which is engaging the attention of the Attorney-General's Department.

It is alleged that the seat of the trouble which has been manifested in the fashion above indicated is the Dominion Department of Fisheries that this seine license would not be re-issued. The gill net men claim that each year they have been told that it would be the last, yet, despite their assertions that continued seining operations will not only kill off all the fish and the inlet for gill net fishing, the license is always renewed.

POWDER AND CONFETTI MUST NOT BE THROWN

While they have no desire to repress the natural gaiety of the occasion the city will not permit during the Peace Day celebrations certain practices which on previous holidays have caused inconvenience and damage.

The throwing of talcum powder, which formerly resulted in damage to clothing, will be strictly prohibited, as will the throwing of confetti, which more than once has blinded people. The police desire to see no repetition of the pitiful case of a girl who lay in a local hospital for six months suffering from the effects of confetti upon the pupil of one eye. There will be no ban on fire crackers, but the use of large bombs will be stopped. The police, moreover, request the public not to throw fire crackers into automobiles, for this practice has often caused serious damage.

CITY COUNCIL TO STRIKE TAX RATE

Will Consider Advisability of Taxing Improvements This Year

Victoria's tax rate for this year will probably be struck at the next meeting of the City Council on Monday evening, according to a statement made by Mayor Porter this morning.

City Comptroller James L. Raymer has drawn up a schedule showing what the tax rate would have to be if improvements were taxed this year. In Mr. Raymer's report it is shown just how much revenue would be produced by the taxation of fifty, twenty-five and ten per cent. of the improvements.

"While we will consider the matter," observed Mayor Porter this morning, "I do not think that there is any possibility of the Council deciding to tax improvements this year."

As stated in The Times some weeks ago, the tax rate will probably be about a mill and a half more than last year, and will probably amount to twenty-six mills or more.

NEW RULES WILL NOT AFFECT FLYING HERE

Aerial League Has Always Followed Policy of Safety When Flying Over City

Ever since the Victoria branch of the Aerial League of Canada has had an airplane flying over this city, it has taken every precaution to prevent mishap. As a result the new rules which have just been introduced by the Air Board at Ottawa to govern commercial flying in Canada will have little effect on the policy of the local league.

The new rules prohibit low flying anywhere and when over cities the planes must be sufficiently high to allow them to make a landing outside the limits in case of engine trouble. For any breach of these rules a sentence of six months imprisonment or a fine of one thousand dollars or both may be imposed on the pilot and owner as well.

Only on one occasion has the Pathfinder flown low over this city and this was in connection with the inauguration of the campaign for funds by the Aerial League. On this occasion the plane was flying at an altitude of less than 200 feet.

The new law makes it possible for the flyers to give exhibitions or fly at regattas or other public assemblies, but only if they make special arrangements.

The Aerial League here is glad to see that the Air Board is at last active, and was appointed some time ago but up till the publication of the rules nothing had been heard of the workings of the board.

THREE CASES ONLY IN POLICE COURT

Charged with being in possession of a watch which he knew to have been stolen, George W. Smith appeared in the Police Court this morning and pleaded guilty. The case was remanded until to-morrow.

H. O. Kirkham & Co. were fined \$25 for having unfit fruit for sale contrary to the Health Act.

J. Baboo appeared before the Magistrate to answer to a charge of owning a dog which, within six months, had bitten a person. The case was remanded until to-morrow.

Will Attend Theatre—Over one hundred attendants at the Summer School for Teachers will attend the Royal Victoria Theatre to-night for the Otis Skinner performance. All to-morrow will be taken up with routine work. Friday evening a concert and dance will be held in the High School. On Saturday the teachers will participate in the various events scheduled to take place in connection with the Peace Day celebration. Tennis, cricket and other sports are indulged in during the spare hours.

SIR DONALD MANN CALLED ON MR. SLOAN

Speaks of His Northern Mining Properties; Mr. Sloan Goes North

To discuss with him general development prospects and needs of the Forth and Salmon River districts, Sir Donald Mann was a caller on the Hon. William Sloan, Minister of Mines, this morning.

Sir Donald told Mr. Sloan that he has a large force of men working on his big Missouri property and that he regards this particular group as bidding fair to become one of the best yielding properties on the American continent.

There were a number of suggestions made to the Minister by Sir Donald in connection with trails as aids to still further development and as Mr. Sloan leaves for Prince Rupert and the North this afternoon he will look into the several matters personally.

CITY MAY CHANGE FIRE HALL SYSTEM

May Move Equipment From Duchess Street to Fairfield or James Bay

Unless Oak Bay decides to meet the city's demands for a larger grant toward the maintenance of the Duchess Street Fire Hall, which at present affords the neighboring municipalities fire protection, the civic authorities intend to make a re-arrangement of fire protection system.

Mayor Porter has been informed by the officials in charge of the Fire Department that the city would be more adequately protected if the Fairfield or the James Bay fire stations were reopened. This it is impossible to do while the Duchess Street hall is in use. If, therefore, Oak Bay should refuse to contribute what the city could do, the city would be forced to close the hall, it will be closed. The equipment will then be removed either to the Fairfield or James Bay hall, and the eastern district of the city will be served from the Yates Street station. The civic authorities are now waiting for Oak Bay to decide one way or the other on the question of maintenance.

OBITUARY RECORDS

The death took place at St. Joseph's Hospital yesterday morning of John Giblin. The late Mr. Giblin was seventy-eight years of age and a native of Sligo, Ireland, and had been a resident of Victoria for the past two months. He was a member of the Elks Lodge, No. 359, of Albany, Oregon, and at the lodge's request the funeral services were held at the funeral chapel to Albany for interment.

MAKES EXPLANATION OF DINSDALE REPORT

Mayor Says Aldermen Have Not Examined Housing Agreement

The publication in these columns yesterday of Alderman Dinsdale's report on the Housing Scheme, a document which has become almost famous, has caused some surprise among fellow aldermen completely by surprise.

"Not one member of the Council knew that Alderman Dinsdale had made a report of this kind on the Housing Scheme," Mayor Porter told a Times representative this morning.

"These were the circumstances: Alderman Dinsdale came to me some time ago and we got to talking about the Housing Scheme. He suggested that, as a contractor, he looked over the plans for the proposed soldiers' houses and make a report on them. This report was received by me on Saturday and I put it on the Council file. The report dealt only with the houses, and not with the broad principle of the thing. And I must remark that the Alderman was strongly opposed to the acceptance of the Housing Scheme when I talked to him. Late on Saturday afternoon Alderman Dinsdale sent a second report on the Housing scheme to me. The Times has published, and which expressed sentiments directly opposed to those which the Alderman expressed to me when we were discussing the matter. Neither I nor the Alderman saw the report, and it was not read for that reason. I am sure that Alderman Dinsdale has never looked over the Housing agreement or he would not have made this extraordinary report."

MEET IN CONFERENCE ON SUMAS PROJECT

A conference in connection with the Sumas Reclamation project was held Tuesday afternoon in the Parliament Buildings, when Premier Oliver, Hon. E. D. Barrow, Minister of Agriculture, and the chairman and directors of the Provincial Land Settlement Board met the Sumas Advisory Committee, consisting of Angus Campbell, W. T. Blewford, C. E. Eckert, R. H. S. Crewell and F. Fooks. David Whiteside, M. P. P., of New Westminster, and George S. Hanes, M. P. P., of North Vancouver, were in attendance, as well as the engineers in charge of the undertaking.

The engineers had completed plans of the proposed work, and these were considered at the meeting. No definite plans were endorsed, but the announcement was made that the work would be proceeded with

SECOND FRENCH SHIP IS RUNNING TRIALS

Hull 216 Left Ogden Point This Forenoon For Official Tests

At 10.30 o'clock this morning Hull 216, second of the French fleet to be completed by the Foundation Company of British Columbia, Limited, left the Ogden Point outfitting plant to undergo her official trials.

During the course of the day the vessel made the customary runs over the measured mile at Parry Bay and was also subjected to an extended endurance trial in the Gulf.

The vessel left with Captain T. J. Jackman, port captain for the Foundation Company, in charge, and Captain Charles Harris went out as pilot. A number of Foundation officials, including Edw. E. Jenkins, assistant Northwest manager of the contracting firm, and George H. Wayland, superintendent of the outfitting plant, went out on the steamer. Capt. Letestu, representative of the deck department, and Emile E. Trigueneux, local French representative, were also aboard.

Good Work-Out

The vessel left the Esquimalt dry-dock yesterday, and the preliminary work-out of the engines gave promise of a good steaming performance during the official trials. Hull 207, which had her trials about a week ago, averaged ten and a half knots, and it is predicted that Hull 216 will equal, if not exceed, this fine average.

If the trials are satisfactory, the vessel, on returning to Ogden Point late to-day, will be turned over to the French Government.

MOTORSHIP BENOWA MADE TEN KNOTS ON RECENT TRIALS

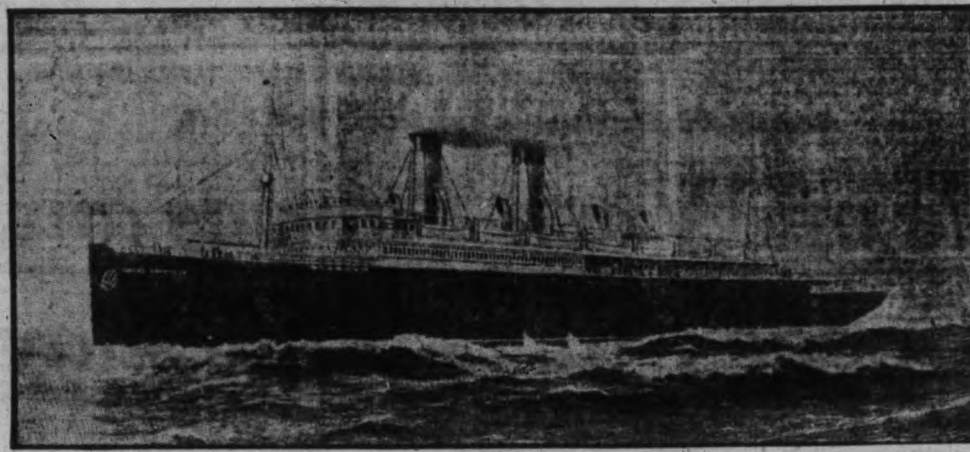

Seattle, July 16.—On her trial trip recently the new motorship Benowa staged a decidedly successful performance, making ten knots.

The Benowa is one of the ten 4,200-ton wooden craft ordered from the Patterson-McDonald Company by the Australian commonwealth government, five of the vessels being steamships and the remaining five, motorships.

CARGO STEAMER TOWED IN.

Washington, July 16.—The American cargo steamer Allison, picked up in a sinking condition off Fenwick Island Lightship, Maryland, to-day, by the steamer Lakeview, was towed safely to Delaware Breakwater where she is now anchored, the Navy Department was advised by radio.

ESTABLISHED NEW ROUND TRIP RECORD

S. S. GREAT NORTHERN

On her last Atlantic run the Great Northern established a record for a trans-Atlantic round-trip of 12 days, 1 hour and 35 minutes, between New York and Brest, France, and return.

Before being pressed into the American transport service the Great Northern operated in conjunction with the Northern Pacific in the passenger service between San Francisco and Portland.

GALICIA IS DUE

LINER FUSHIMI MARU EN ROUTE

Finest Ship of N.Y.K. Fleet Will Arrive Here on Monday

The liner Fushimi Maru, of the Nippon Yusen Kaisha, which sailed from Yokohama July 9, is expected to make this port on Monday next.

The steamship, according to the local agents, is bringing in a full list of saloon passengers, and her holds are well filled with Oriental cargo.

With the departure of the liner Kashimi Maru for the Far East on Saturday, the Nippon Yusen Kaisha issued a splendidly designed passenger list which is significant of the phenomenal increase of European and American passenger travel by Japanese steamships plying on the Pacific.

The front of the booklet is illustrated by an excellent reproduction of a crack N.Y.K. passenger liner, surmounted by the flag of the Nippon Yusen Kaisha.

Niagara Due to

Sail on Outward Trip To-morrow

The Canadian-Australasian liner Niagara is scheduled to leave Vancouver to-night, and clear from the Outer Docks here early to-morrow morning on her return trip to Australia.

The liner is taking out about 600 passengers including Hon. W. F. Massey, Premier of New Zealand, and Sir Joseph Ward, Finance Minister, both of whom are returning to Auckland after attending the Peace Conference at Versailles.

Every Woman's Ambition For Rosy Cheeks Now Easily Satisfied

Hollow cheeks with dark lines under the eyes, how a woman hates them! But rosy cheeks, clear skin and bright eyes, give them to a woman and she is happy.

The woman who attracts whose fresh, dainty complexion compels admiration, is always careful of her health, particularly of her blood condition. Bad complexion always means bad blood.

Girls, don't let your blood grow thin or watery. To do so brings on haggard looks and declining strength. Many a woman who has allowed her self to run-down, to develop that tired, worried look has built up again in this simple way. Why don't you try it?

At the close of every meal, just take two small chocolate-coated Ferronze Tablets—any person can do this in a minute. The action of Ferronze is apparent at once. It sets you up, makes you feel good, starts up your appetite, aids digestion, brings that old-time feeling of youth into the system again.

Ferronze puts you on the right road—the one leading to health. Not a man, woman or child needs iron, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who not receive immediately help from Ferronze.

As a tonic and restorative, as a health-bringer and body-builder, Ferronze is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. For better looks and better health try Ferronze yourself, sold everywhere, 50c. per box, 6 boxes for \$2.50, or by mail from The Cattarhosone Co., Kingston, Ont.

PROTESILAUS COMING. The Blue Funnel liner Protesilaus sailed from Manila July 12 for Victoria and Seattle via Japanese ports. She is due here about the end of the month.

EDWARD LUCKENBACH DISABLED AT SEA

New York, July 16.—The transport Edward Luckenbach, bound from Norfolk to Brest, reported by wireless yesterday that she was disabled 800 miles east of New York. Her turbine bearings are damaged, the message stated. The former coastguard cutter Ossipee left Portland, Maine, to go to the transport's assistance in response to a wireless call.

TIE-UP IN NEW YORK.

New York, July 16.—Failure of coastwise steamers to leave port on schedule time owing to the strike of firemen, oilers and water-tenders has resulted in a great accumulation of freight on piers. It was estimated that three hundred vessels were tied up here. Of the nearly six hundred ships in port 101 were steamships owned by American corporations, 186 by the United States Shipping Board, seventy-one British and thirty-three Norwegian or Swedish.

SUMMER TOURIST ROUTE.

The Grand Trunk Pacific is offering a very attractive round trip summer tourist fare of \$60—Victoria to Edmonton and Calgary, via Prince Rupert. Direct rail line may be used returning if desired. As this fare includes meals and berth for three days at sea on the palatial steamers Prince Rupert and Prince George, many passengers are taking advantage of this trip on their summer vacation. The trip includes over one thousand miles of delightful ocean voyage through the inside passage to and from Prince Rupert. The unsurpassed scenery of the Skeena River, Bulkley Canyon and the Canadian Rockies, the highest of which, Mt. Robson, is 13,700 feet, being a ten-minute stop for all trains of the Grand Trunk Pacific Railway.

RUSSIA COMING ON.

The C.P.O.E. liner Empress of Russia left Hongkong July 10 on her return voyage to Victoria and Vancouver.

C.P.R. SHIP STEWARDS ARE BACK AT WORK

Referring to the ship stewards' strike, Captain J. W. Troup, manager of the B. C. Coast Service, says: "The stewards are returning to work under the old arrangements, and absolutely without conditions. The company has not made any promises. There will not be any displacement of labor by the return to work, though some rearrangement of staffs on the boats will be made. The Chinese will be placed at their old jobs as porters, and similar lines of occupation."

Captain Troup declares that the difficulties with the seamen were not due to working conditions, but to a sympathetic strike, and that he has indisputable evidence that the seamen themselves have admitted that this issue did not arise in the strike.

STRIKE IS SERIOUS.

New York, July 16.—Captain Frank S. Ferris, managing agent for the United States Shipping Board in this city, characterized as a "serious matter," the strike of marine workers which has halted much of the coastwise traffic through this port and which the leaders of the strikers declare is spreading rapidly. The main points at issue are an 8-hour day and the "closed shop." Both the Shipping Board and the private owners have offered material wage increases.

Why all this Precaution?

JUST wherein lies the reason for the use of vegetable preparations for infants and children?

Why are any but vegetable preparations unsafe for infants and children?

Why are Syrups, Cordials and Drops condemned by all Physicians and most laymen?

Why has the Government placed a ban on all preparations containing, among other poisonous drugs, Opium in its variously prepared forms and pleasing tastes, and under its innumerable names?

These are questions that every Mother will do well to inquire about.

Any Physician will recommend the keeping of Fletcher's Castoria in the house for the common ailments of infants and children.

Children Cry For Fletcher's CASTORIA

The False and the True.

Advertising by the use of large space, the expenditure of huge sums of money have placed on the market, have put in your home, perhaps, many articles that today have been discarded, as you will readily admit.

Do you recall anything that has more modestly appealed to the public than has Fletcher's Castoria: modest in all its claims, pleading at all times—and truthfully—for our babies?

The big spur, the misleading claims may win for a time, but the honest truth-telling advertiser is like the old story of the tortoise that beat the hare.

Mothers everywhere, and their daughters, now mothers, speak frankly, glowing, enthusiastically in praise of Fletcher's Castoria. Speak of it lovingly as a friend that has brought comfort, cheer and smiles to their little-ones.

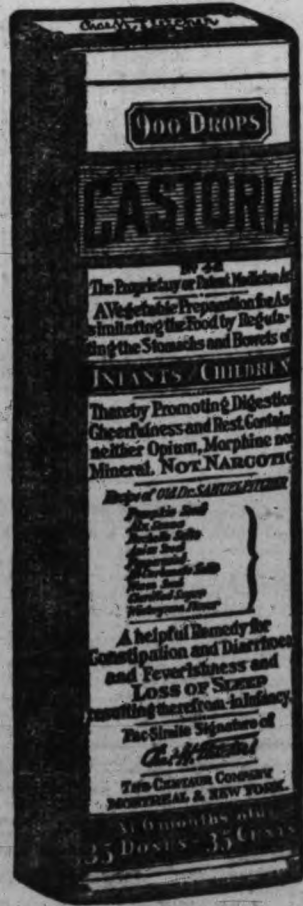

There are substitutes and imitations as there are for the diamond, for anything of value. One might almost say that that which is not copied has no value. So you have had the signature of Chas. H. Fletcher and a copy of the genuine wrapper kept constantly before you that you may guard against the false and the untrue.

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

GENUINE CASTORIA ALWAYS Bears the Signature of

Chas. H. Fletcher

HELPED CAUSE OF KING'S DAUGHTERS

Delightful Function at Home of Mrs. Sears Last Night Netted \$31

With the reception rooms presenting the appearance of a veritable bower of roses, and a programme of uniformly high standard of excellence, the "At Home" and concert given at the home of Mrs. J. Sears, 324 Empress Avenue, last night was an unqualified success from every standpoint. Arranged in aid of the funds of the Ministering Circle of the King's Daughters, the event netted the handsome sum of \$31, which will be devoted to the Circle's work for the Protestant Orphanage.

A generous donation of roses from Ohlsen's Nurseries permitted of the carrying out of an elaborate decorative scheme in which roses, sweet peas and ferns were mingled with lovely effect. The programme was given in the reception rooms and so large was the audience that seating accommodation was taxed and the stairs were pressed into service as a "gallery." Mrs. Sears was assisted in receiving by Mrs. W. North, who shared the responsibility with the hostess of organizing the entertainment.

The programme included songs by such well-known talent as Frank J. Sehl, P. Hughes and Young, Miss Ashdown and Miss Bannerman, all of whom were in excellent voice. Miss Clyde, Miss Norris and Miss Merle North gave pianoforte selections in pleasing style and W. Bryce contributed violin solos. Mrs. Heiby charmed the audience with her dramatic recitations. Perhaps the most popular feature of the evening was the dance performed by little Doreen Campbell, the four-year-old daughter of Mr. and Mrs. C. S. Campbell. Attired in a bewitching fairy costume this tiny performer danced an elfin dance with a childish abandon and baby grace which made instant appeal and after a veritable ovation she was presented with a basket of sweet peas and a box of candies, in appreciation of her charm.

Delicious refreshments were served by the hostess in the library, the proceedings concluding at a late hour with the singing of the National Anthem.

WOMEN IN BUSINESS

Woman's power in America is well illustrated by the thousands of women who entered almost every line of business to replace men who were drafted during the war. Health proved their strongest asset. Many women, however, developed weak, nervous conditions and could not stand the strain of a business life. Such women should remember there is one tried and true remedy in Lydia E. Pinkham's Vegetable Compound, which for forty-five years has been restoring health and strength to the women of America.
