1. The attached application has been reviewed in this office and is not favorably considered.

2. There are no indications that the applicant and her family will not become public charges in the Ryukyu Islands as there is no evidence to substantiate how she will make a livelihood. If the parents of Mrs. Yoshimura are able to extend financial assistance, or intercede for employment in her behalf, it should be so stated in the application.

3. It might be to her advantage, from a monetary standpoint, to remain in Japan where she may be eligible for relief under the Daily Life Security Law.

1. This headquarters desires clarification on the following points before a decision can be reached as to TSUZUKI, Soneko's eligibility to return to Oshima for permanent domicile.

a. Is Tsuzuki, Soneko's husband employed in Oshima? If so, is his income sufficient to provide livelihood for the five (5) persons who desire repatriation?

b. Have subject applicants been informed of the fact that transportation charges will have to be borne by them?

2. The application of Yoshimi Ichiro is not favorably considered as this applicant does not indicate how he will support himself and family in Oshima. If the wife's parents are able to extend financial assistance, or intercede for employment in his behalf, it should be so stated in the application.

3. When requested information is received, this headquarters will be able to render a decision.
