BLACKSBURG, VIRGINIA

Dedication

ARMED WITH A KNOWLEDGE
OF THE PAST AND THE EX-
PERIENCE OF THE PRESENT-
WE GREET THE FUTURE-EACH
MAN MUST MAKE FOR HIMSELF
A PLACE IN THE WORLD BY
ENDEAVORING TO *SURPASS*
THOSE WHO WENT BEFORE HIM
-TO THE SPIRIT THAT UNDER-
LIES HONEST EFFORT TOWARD
ACHIEVEMENT BENEFITING
MANKIND-THIS-THE 1930
BUGLE IS DEDICATED

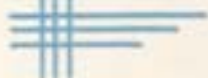

Preface

THERE IS A DEFINITE OBJECTIVE IN THE PLANNING OF THIS BOOK. THE EDITORS HAVE TRIED TO PRESENT A PICTURE SYMBOLIZING THE FACT THAT BACK OF ALL ACHIEVEMENT THERE MUST BE KNOWLEDGE. THE ACQUISITION OF KNOWLEDGE BEGINS WITH THE FIRST TEACHINGS OF MOTHER AND FATHER. THEN FOLLOWS A CONTINUOUS COURSE THROUGHOUT SCHOOL AND COLLEGE.

Preface

TOO MUCH PRAISE CANNOT BE GIVEN THE FACULTY MEMBERS WHO DEDICATE THEIR LIVES TO TEACHING OTHERS. GRADUATION FROM COLLEGE IS AN ACHIEVEMENT, BUT IT MARKS ONLY THE POINT AFTER WHICH A MAN REALLY BEGINS TO LEARN. WITH EACH SUCCESSIVE ACCOMPLISHMENT A NEW HEIGHT IS REACHED FROM WHICH A BROADER VISION MAY BE GAINED.

John Lester Scott

Captain, C. A. C. (DOL.)

Honorary Member, Class of 1930

John L. Scott came to V. P. I. in the fall of 1926 with the class of '30. A college man himself, he knew how to gain both the respect and the comradeship of the students at V. P. I. He has been here with us for four years, instructed us, gone to camp with us, and has established himself as a real man among men.

He took examinations incidental to applying for a commission in the United States Army in 1916, was appointed second lieutenant in 1917, and first lieutenant the same year. When the United States entered the war, he was ordered to France, where he remained until the end of the war; mean-while receiving his captain's commission.

Captain Scott's first post after the war was Fort Constitution, New Hampshire. He served three years in Panama just before he came to V. P. I.

SOPHOMORES

*What's romantic? . . . what's ahead for the
Sophomore? . . . release from the ever-
tightening thumb screws of one more class
. . . but no complete freedom. . . Relief
from boring responsibilities of enforcing rat
rules . . . but there's more. . . Rise from
oblivion to genuine recognition . . .
the fostering of the thought. . .
"Next year we'll amount to
something." . . .*

Startling improvements give new moth protection in chests of glorious beauty

9 new, outstanding features concealed beneath superbly finished hardwood exteriors insure aroma-tight construction—sure moth protection

A new achievement! A new triumph! Again Lane has announced a cedar chest with revolutionary improvements. A chest that more than fulfills the U. S. Government recommendations for a moth-killing cedar chest. A chest that is certified *aroma-tight*. A chest in hardwood finishes of matchless beauty.

Tests made by the U. S. Government and by America's foremost commercial chemists prove conclusively that two things are essential in a cedar chest if it is to give permanent protection from moths.

1. It must be built with aromatic red cedar panels $\frac{3}{4}$ -inch thick to create sufficient moth-killing aroma.
2. It must be *aroma-tight* so as to retain this aroma inside the chest.

Mary Brian, famous Paramount star, with her Lane Cedar Chest No. 48386. A chest of unusual beauty with colorful matched walnut and mottled mahogany veneers.

The patented *aroma-tight* top of this new Lane, its inseparably interlocked joints, *aroma-tight* sealed spring lock, damp-proof bottom, special pore-closing finishes and other features seal in the fragrant aroma created by the $\frac{3}{4}$ -inch red cedar panels. The aroma cannot leak out and lose strength in the usual manner when the lid is closed.

What Business Shall I Enter?

This is the question that must soon be answered by many a young man leaving college to make his way in the world.

For him who is ambitious and willing to work, life insurance offers abundant opportunity and high reward. Unique in that it requires little, if any, capital, it is a business in which the effort contributed is the measure of progress, a business in which a man writes his own pay check.

The background of the entire page is a dark, textured blue. In the upper left, a biplane is shown in flight, leaving a trail of white smoke. The central focus is a large, ornate, cream-colored frame with a decorative border. Inside this frame, the word "Finis" is written in a large, black, gothic-style font. Below the frame is a ribbon-like banner containing the text "ONE CANNOT KNOW EVERYTHING FOR EACH STEP COMPLETED ONLY BEGINS ANOTHER". The lower half of the page features a detailed line drawing of a cityscape. On the right, several tall, rectangular skyscrapers rise vertically. In the foreground, a large steamship is docked at a pier, with a train and several vintage cars visible on the waterfront. The style is reminiscent of early 20th-century graphic design.
