

In This Together

**It's the time of the year -
with joy and cheer
we pack our Wikimedia
gear,
gather somewhere
... meet peers, drink beers**

**WIKIMANIA
KATOWICE**

**meet peers, drink beers,
talk-share, lend ears,
sheer happiness is here,
feel of family appears!
... All clear -**

**WIKIMANIA
KATOWICE**

**All clear -
we are definitely **in this**
together
... when time has some**

**when time has some
worned out or weathered
when time has come
for **our get-together**
... **we flock together****

**WIKIMANIA
KATOWICE**

**we flock together
as **birds of a feather**
... we are sturdy as heather**

**we are sturdy as heather
we are **stronger together**
... shake off fear fetters**

**WIKIMANIA
KATOWICE**

**shake off fear fetters
better stick to the letter
of **assuming good faith** ,
have mutual respect
... be open, fair, direct,**

**be open, fair, direct,
discontinue to project!
Rather **listen, care, reflect** ,
other views to collect
... then note the intersect,**

**then note the intersect,
and bring to effect**

our collective intellect

**the UBUNTU
effect**

**We want to go far -
it is a long journey .
We need a Northern star,
as the wheels keep turning.
... We need to heal scars,**

**We need to heal scars,
as **we keep on learning** .
We are all all-stars -
we can keep the fire
burning.

Share kind words!
Appreciate each other!
**Meet wildly different
worlds,
become sisters-brothers!**
... Wikimedia nerds

**Wikimedia nerds -
we take care of each other!
We will change the world -
our passion can't be
smothered!**
