

G. J. Tillotson,

July 19. 1842.

Brooklyn July 19th 1842

Brother Phelps,

49

I wrote you about a week or 10 days ago requesting you to purchase for me a single share in + Shawmut or Merchants Bank, or in + Wor: & Boston Rail road, at you might think best. I hoped to receive a letter from you this morning, it will doubtless come in due time. Supposing it probably that you have by this time made a purchase, & as I have an opportunity this eve-
to send to you by a passenger who takes + Steam Boat train very early in + morning; I have concluded to remit to you what I have on hand & can conveniently spare. As + Treas^r of my Soc^y is now absent, I send no more at present than + enclosed 70 dollars. When I hear from you, I will avail myself of + earliest convenient opportunity to remit + balance. Send a line by + Coast if convenient. If you have not procured, or can not procure a single share; you may return + funds, or repeat + letter with + enclosed bank. Please not to inform + Board, Mr Warner, of my investment in Boston. In haste yours fraternally
G. J. Tillotson.

P.S. The Bills enclosed, I believe are all good. 5 tens, & 1 twenty.
