

Using Wiki Projects to Fix the Leaky Pipeline of Open Knowledge

Overview

- Wiki2030 Goal
- And: WikiProjects already are a hub of knowledge (6)
- But: Credibility hinders trust, engagement, and impact (13)

Therefore: HGAPS helpful because

- Engaged across
 - Full array of stakeholders
- Familiar with
 - Wiki Editing
 - Wiki Community
 - Teaching & Education
 - Professional Practice (4)
 - Research production (3)
