Crews Try Course at Shawnigan Lake for Great Regatta

Oarsmen Had Strenuous Workout Despite Heat Yesterday Afternoon; Crews Are All Confident But Making No Predictions; Junior Events To-day.

(By Times Sporting Editor)

Shawnigan Lake, Thursday Afternoon.—All the crews put in a strenuous workout on the lake this afternoon. The heat was terrific and had visible effects on the oarsmen, but they quickly revived after a dip in the pond and a heavy meal. Everyone is hoping for a little relief from the heat. Pulling over the mile and a half course is a grueling enough contest in moderate weather, but with the mercury trying to burst the top off the thermometer it is a task that would provide fitting punishment for men doing jail sentences.

However, when the crews had taken to their comfortable quarters after the evening meal they relaxed their tired muscles and began to discuss their prospects for Friday and Saturday. This year the clubs have all been mysterious to one another. No one has been able to get a line on the ability of the various crews. This afternoon every man who is to do his bit in the N. P. A. O. Regatta turned out on the lake and rowed over the course. The coaches had their eagle eyes trained upon the opposing boats, but kept their opinions to themselves.

They All Look Good. The captains of the clubs were inclined to speak to-night, but they were not out making wild claims for their own boats. They calmly state that the people who gather on the banks at Shawnigan on Friday and Saturday will witness the greatest struggles between oarsmen that have ever taken place in the Northwest. They are not lauding their own crews and belittling the others. They are prepared to let the result of the race hang in the balance until boats have crossed the finishing line.

All our men are in the best of shape, and we will need to be as the contests will call for an unlimited supply of stamina, especially if the heat continues," said S. A. Kayil, captain of the Vancouver Rowing Club. "All the Portland boys went over the course to-day, and they find that they can stick the distance. We are all in good shape, and are prepared for the hardest races that the Northwest has ever seen. These were the remarks of Fred R. Newell, captain of the Portland Club.

The boys are stronger this year than they have ever been," said Bill Day, of the Junior team, and after seeking the Vancouver, Portland and Coeur d'Alene boys on the waters to-day I can see where we will be forced to exert our last ounce of strength and power to keep in the race. The people who come to Shawnigan are going to see races, the like of which have never been rowed on this coast."

Coeur d'Alene has but two entries, but they are both keen and in top form, and some of the old-timers would not be surprised if they pushed their boats across the finishing line first in the junior singles and doubles.

Surveyor Wanted? The one complaint of the boys after their workout this afternoon was the apparent length of the course. The surveyor was engaged to lay out the course. He found a straightaway one mile and one-half long. The oarsmen went over it this afternoon, and they thought it was nearer two miles, and are looking for the man who did the measuring. However, the heat may have had something to do with the feeling of the oarsmen.

The lake took on a very animated appearance this afternoon, when the shells put out and the crews dipped their oars. Some of the crews made the distance at almost racing pace, while others were content to do it in spurts.

No one has the nerve to come out with a state of winners. All the crews are of unknown speed, and none of them yesterday pulled to their utmost. Everyone feels certain that the majority of the four-oared events will be decided within the last (Concluded on page 16.)

STORM TIED UP CARS IN SEATTLE

Freakish Electrical Storm Threw Theatres and Houses into Darkness

Seattle, July 16.—Street cars were stopped, houses and streets were darkened, motion picture theatres were compelled to close, and the city was subjected to a dozen other inconveniences as the result of a freakish electrical storm that struck Seattle at about 10 o'clock last night.

For nearly half an hour every car line in the city, including the Everett and Tacoma Interurbans, was tied up, and every street lamp in the city was out.

The principal trouble was caused by lightning hitting high tension wires of the Puget Sound Power & Light Company. This resulted in the main tie-up, other inconveniences being blamed on shafts striking local lines.

At Renton the wires were struck directly in front of the power sub-station, which put the town in darkness for two or three hours. This was the only point outside of Seattle from which serious trouble was reported.

VANCOUVER TO HAVE REGATTA NEXT YEAR

Oarsmen at Shawnigan Elect Officers; W. F. Day, Secretary-Treasurer

Shawnigan Lake, Friday afternoon. (By Times Sporting Editor)—Vancouver will have the honor of holding the North Pacific Association Amateur Oarsmen regatta next year. This was decided upon by the annual meeting of the Association held here this morning. As Portland staged the regatta in 1914, the last time it was held previous to the war, and as Victoria is holding it this year, Vancouver naturally was in line for the event next year.

Officers elected this morning for the ensuing year were as follows: President, Reginald Woodward, of Vancouver; Vice-President, Dr. Boyington, of Coeur d'Alene; Secretary-Treasurer, W. F. Day, of Victoria.

The conference of oarsmen this morning considered the drawing for positions in the races to be held to-day and to-morrow. It was decided to allot points for the aggregate cup as follows: Three points for first place and one point for second place, these only to be given in rowing events. In the event of a tie, the club holding the first position in the senior four-oared race will be given the award.

The Dewar Cup, which was given to the Vancouver Rowing Club, has been generously donated to the Association as the aggregate cup.

The sky is overcast here to-day, and a cool temperature has succeeded the heat of yesterday.

DID NOT DESIRE ACCIDENT VICTORY

Week Before Race Lipton Spoke of Possibility of Mishap

New York, July 16.—With the first race of the series for the America's Cup lost to the Shamrock IV, by the Resolute, as a result of the Resolute's throat halyards carrying away yesterday, yachtsmen here to-day recalled remarks made by Sir Thomas Lipton as Shamrock was being towed up the bay on July 8 to be put in a Brooklyn drydock for measurement prior to the races. Sir Thomas said:

"There has been a lot of talk about the cup yachts being lightly built. If anything happened to Resolute, such as an accident, I would wait for another race until she were repaired, no matter how long it took.

"I don't want the cup through accident. Legally I might be entitled to it under such a serious circumstance, but I want to win it fairly and in sporting competition. Let them lick me or let me lick them. And I am sure they would feel the same way if my boat should be the sufferer through a mishap."

Ratifications of Treaty of St. Germain Exchanged

Paris, July 16.—The exchange of ratifications of the Treaty of St. Germain, which established peace between the Allies and Austria, took place this morning in the Clock Room at the Foreign Office. Jules Cambon presided over the ceremony.

Afterward M. Hertz, representing Czechoslovakia, signed the agreements for the protection of minorities within the former territory of the Austro-Hungarian Empire.

OTTAWA IS GIVEN \$100,000 TO BUILD A SANITARIUM

Ottawa, July 16.—Mr. and Mrs. E. C. Whitney, of Ottawa, have given \$100,000 in Victory Bonds to the corporation to be used for the construction of a tuberculosis sanitarium in connection with the City of Ottawa Sanitarium. Mr. Whitney has written Mayor Fisher to this effect, and includes but one provision that the city shall be responsible for the upkeep of the institution.

Resolute Repaired for Next Race To-morrow

Sandy Hook, N.J., July 16.—Repairs on the cup sloop Resolute, whose throat halyards parted in yesterday's race when she was leading the Shamrock IV, proceeded rapidly to-day and there was every prospect that the defender would be in readiness for another joust in the America's Cup match off Sandy Hook to-morrow.

"We will complete our work of adjusting new halyards to-day," said Robert W. Emmons, managing owner. A new metal gaff was to be slung on the Resolute.

Nat Herreshoff, designer and builder of the Resolute, made a careful inspection of the seventy-footer and superintended the repairs on board. Herreshoff had no comment to make on the performance of Shamrock. Sailors on the Resolute expressed the opinion that the Lipton challenger cannot lift the cup.

The Shamrock's crew were happy to-day aboard their tender, Killarney, while Sir Thomas Lipton beamed with fine good humor on visitors who called to congratulate him on board his steam yacht, the Victoria.

Faith Shaken. The accident to the Resolute, coming on top of three other major mishaps in the series—the loss of the mast off New Haven, the breaking of the jaws of the gaff and the carrying away of a topmast off Newport—had a tendency somewhat to shake the faith in the ability of the Herreshoff creation to hold together until the end of the season.

It is claimed, however, that yesterday's race has demonstrated that Resolute's position is better weather qualities, and that in the light air she is several minutes faster up the breeze than Shamrock. It was on such a point of sailing up under such conditions that the challenger was thought to be superior.

Before the Wind. The two yachts have yet to test their relative abilities down the breeze and broad off under large reach-sails. This is expected to come to-morrow in a thirty-mile race over a triangular course.

It was also anticipated to-day that Designer Nicholson and Captain Burton of the Shamrock IV, would endeavor to obtain a re-measurement of the challenger in the hope of still further reducing the handicap time allowance, since it has been explained that the challenger is using a much snitcher sail than was included in the original measurement of the New York Yacht Club officials.

Part of the Game. New York, July 16.—(Canadian Press)—While expressing regret at the accident to the Resolute in yesterday's race, the New York papers are practically unanimous in declaring that it was "part of the game," and Sir Thomas Lipton was perfectly justified in accepting a victory which he fought handily. Doubt is expressed as to whether the construction of the Resolute is sufficiently staunch to stand the heavy strain which a taste of real rough weather would place upon her, and it is recalled that the contest must not be considered one of speed and seamanship alone, but of strength of construction as well.

Fair Win. "What would have happened yesterday but for the accident to the Resolute the experts will endlessly dispute," says The Times, "but the actual result must be set down as a fair win for Shamrock IV."

The Sun says: "It must be borne in mind that the parting of a halyard on the Resolute yesterday, the incident which compelled her withdrawal from the race, was a fair win for Shamrock IV."

COWS ATE "MASH" AT WHISKY STILL AND GOT DRUNK

Durham, N.C., July 16.—John King, a farmer living near his city, last night found two of his cows in a stupor in their pasture, apparently suffering from some strange malady. A veterinary was called and after lengthy examination pronounced both animals as "drunk." A search for the cause led to the discovery of a big moonshine still in a secluded corner of the pasture. The cows had eaten a quantity of the "mash" used by the illicit whisky manufacturers.

MARTIN FAILED FOR KING'S PRIZE

Biales Camp, Eng., July 16.—Captain F. R. Martin failed in the tie for the remaining place in the King's Prize final.

Eliminated. Biales Camp, Eng., July 16.—In the shoot-off of 25 marksman for seven places in the final stages of the King's Prize competition, Private Robert Edmund, Toronto, was 26th, and Sergt-Major Goodhouse was 27th.

BRITISH HAVE NOT RECEIVED REPLY FROM SOVIET YET

Spa, July 16.—British officials here denied this morning that any reply had been received from the Russian Soviet Government relative to the British proposal for an armistice between Russia and Poland.

SIR A. GEDDES SAW YACHT RACE

New York, July 16.—(Canadian Press)—Great Britain's representative at yesterday's international yacht race was Sir Auckland Geddes, Ambassador to the United States, who was a guest of Sir Thomas Lipton on board the latter's steam yacht Victoria.

Also a guest on board the Victoria was Major-General Nelson A. Miles, who was one of the "boy generals" of the Civil War, and a famous Indian fighter.

SIX ITALIANS IN SPALATO, DALMATIA, KILLED IN RIOTS

Spalato, Dalmatia, July 16.—(Associated Press)—Great outbreaks against Italians here Sunday resulted in the death of Commander Guili, of the Italian cruiser Puglia, and another Italian officer, three Italian sailors and a boy of fourteen.

AMERICAN SKIPPER LONG A YACHTSMAN

Adams, at Wheel of Resolute, Started Sailing When a Boy

New York, July 16.—Captain Adams, skipper of the sloop Resolute, the American defender of the America's Cup, which lost the first race of the series yesterday to Shamrock IV, did not seem unduly chagrined to-day over the accident that robbed his yacht of a fine chance of victory yesterday. He was in good spirits when seen by newspaper representatives.

Leading U. S. Yachtsman. Charles Francis Adams is characterized by experts as the premier American yachtsman.

He has owned more than a score of yachts, and has sailed nearly 100, small and large, and some of these have been the best boats of their class in the United States and the world.

Mr. Adams is treasurer of Harvard University, and a member of the corporation, a director in many companies and in personal charge of trust estates amounting to many millions.

Years ago he became known to yachtsmen as the "Deacon," and some of them still call him by that name.

Born at Quincy, Mass., he came of a long line of sea-faring men, and inherited a love for the sea. He is credited with calm judgment and a high type of sportsmanship. His father used to take him sailing in Boston Harbor when he was a child, and by the time he was twelve years old he was winning races with his small boats. In those days he learned a lot about the tricky side of races, for rules were lax.

Built Yachts. In later years Mr. Adams built and sailed to victory many notable yachts, most of which bore names composed of seven letters with a double O, such as the Pappose, Baboon, Gossoon, Harpoon and Rooster.

UKRAINIANS STOP BOLSHEVIK ADVANCE

Berne, July 16.—The Russian Bolshevik offensive in the Ukraine has come to a standstill, according to advices from Bucharest, which declare the counter-offensive of the Ukrainian forces is making progress.

The Ukrainians are being reinforced by growing forces of volunteers, forming in the rear of the Bolsheviks and aided by the extensive uprisings of peasants.

Polish Statement. London, July 16.—Continued success by the Bolsheviks along the northern sector of the Polish front is announced in Thursday's official statement from Moscow, received by wireless to-day. It says: "South of the River Vistula (in the Vistula region) we defeated the resisting enemy along the entire front. Our advance is continuing energetically."

A special dispatch from Kovo received in London last night, reported the occupation of Vilna by the Bolsheviks. This has not been officially confirmed, but Warsaw advices to-day say the Poles have agreed with the Lithuanians for occupation of Vilna by Lithuanian troops. The signing of a peace treaty between Lithuania and Soviet Russia was reported July 15. "West of Molochevo (the railway station between Minsk and Vilna) we are successfully continuing our advance and driving back the enemy."

IRISH RAIDERS KILLED POLICEMAN

Dublin, July 16.—A police patrol was ambushed near Lansborough, Wednesday night, one officer being killed instantly by the first volley. His companion, who was wounded, returned the fire until his ammunition was exhausted, using the body of his dead comrade as a breastwork.

The West Meath County Council has ordered a court inquiry into the county closed and the Government officials evicted. It has directed the "Irish Republican army" to prevent magistrates and other Government officers entering these buildings in future, asserting that the Sinn Fein courts have superseded these functionaries.

DOHERTY VISITS KINGSTON AND LOOKS INTO PRISON AFFAIRS

Kingston, Ont., July 16.—Hon. C. J. Doherty, Minister of Justice, is in this city to-day conducting a thorough investigation into prison matters, which led General A. E. Ross, member of the Ontario Legislature for Kingston, to demand an investigation. The Minister will return to Ottawa to-night.

FEWER STRIKES IN THE DOMINION

Conditions Better Than Last Year; Output of Factories Increases

Ottawa, July 16.—While a considerable number of industrial disputes are being arbitrated by boards of conciliation or being otherwise dealt with, labor conditions throughout the Dominion are quiet as compared with last Summer, when the labor world was in an upheaval, owing to the general strike at Winnipeg, and sympathetic strikes in other Canadian cities.

The reduction in the number of industrial disputes this year, of course, means an increased output by the factories, larger individual earnings and more prosperity for the Dominion.

Chicago, July 16.—Wireless telephone communication between Chicago and Catalina Island, thirty miles off the coast of California, was established yesterday.

GALVESTON POLICE ARE SUSPENDED

Austin, Texas, July 16.—The Board of City Commissioners, City Attorney and police department of the city of Galveston were suspended from office yesterday by Governor W. P. Hobby for alleged neglect of duty in connection with a prolonged strike of coastwise dock workers. In a proclamation the Governor declared these officials had "failed, refused and neglected to maintain order and preserve the peace," and that their suspension was for the duration of the strike, which became operative in modified form at Galveston, June 7.

BURNHAM, EX-M.P., SAYS CABINET AT OTTAWA POOR THING

Peterboro, Ont., July 16.—"I have a confession to make," said J. H. Burnham, ex-M. P. for West Peterboro, in an address last evening at Chatham to the West Peterboro Board of Agriculture.

"The Government at Ottawa is as bad as your roads," he confessed, to the amusement of the farmers present.

SAYS EX-CZARINA BURNED TO DEATH

Former Courier Gives New Version of Her's and Children's Deaths

Paris, July 16.—The former Russian Empress and her children were burned alive after the execution of Ex-Empress Nicholas by Bolsheviks at Ekaterinburg, it is alleged in a statement attributed to Alexis Dolrovoitz, former courier to the Empress, published here to-day. Dolrovoitz said he made vain attempts to save his mistress and her children. The ex-Empress and the children, Dolrovoitz declares, were taken to a wood near Ekaterinburg. Brushwood was gathered and a huge fire made, into which the royal victims were forced. Every time they sought to get out of the flames, Dolrovoitz said, they were driven back at the point of the bayonet.

Titianna, second daughter of the former Empress, fled from the pyre three times and eventually fell pierced through by a bayonet. The former Empress and Alexis, former heir to the throne, clasped in close embrace, walked almost automatically into the flames and disappeared in a whirl of smoke, according to Dolrovoitz.

PEOPLE OF LOS ANGELES ALARMED BY EARTHQUAKE

Los Angeles, July 16.—A sharp earthquake shock was felt here at 10.10 this morning.

The shock was more severe than any of the series felt here recently except that of the night of June 21, when considerable damage was done at Inglewood, a town a short distance southwest of Los Angeles, and chimneys were knocked down and dishes broken in the southwestern part of Los Angeles.

A quick survey to-day showed no frightened people not knowing just where to seek safety. Crowds gathered in many places searching walls and buildings with their eyes for possible cracks.

F. Napier Denison, Superintendent of the Meteorological Observatory at Genoa, Ill., states that the Los Angeles tremors were not recorded by the smoke chart here, but that it is possible that they may have been recorded in the more sensitive photographic chart for the same period.

Germans Agree to Terms On Coal But Want Explanation

Accept In Principle Terms Submitted By Allies But Ask a Declaration on Certain Articles in the Allied Note, Says Dispatch From Spa.

Spa, July 16.—(Associated Press)—The German delegates at the conference here have agreed in principle with the terms submitted to them by the Allies as to Germany's deliveries of coal, but they will ask for an explanation of certain articles in the Allied note. They made this announcement just before entering into conference with the Allied Ministers this afternoon.

Spa, July 16.—(Associated Press)—The German delegation at the conference here sent word to the Allied Supreme Council this morning that the German reply to the Allied ultimatum on coal deliveries would not be ready before 4 o'clock this afternoon. The Germans are expected to ask modification of the terms of the protocol.

The reply was due at 11 o'clock this morning. From what could be learned during the morning, the thing that was standing in the way of acceptance by the Germans of the Allied terms was the clause providing for occupation of the Ruhr Valley unless the coal deliveries reached a total of 6,000,000 tons by October 15.

Described As Annoyed. Dr. Walter Simons, the German Foreign Minister told his colleagues when they met to confer over the Allied conditions that this subject had not been mentioned during his conversation with Premier Lloyd George and Millard yesterday when a verbal agreement was virtually reached. The Germans, it appears, were greatly annoyed to find it in the text of the terms handed them in the note of last night.

COURT HEARS DETAILS OF SERIOUS CHARGES

Evidence Against Griffith R. Hughes Given by Accountant

The case of Griffith R. Hughes, charged with embezzlement on four counts, from David Spencer, Ltd., occupied the attention of Magistrate Jay in the City Police Court to-day.

The prosecution was conducted by A. M. Johnson, K.C., Deputy Attorney-General, and City Prosecutor Harrison.

J. W. Spencer, who signed the informations against Mr. Hughes, was in court, accompanied by Joseph Martin, K.C., the Spencer counsel-in-chief. W. B. Monteith, chartered accountant, now in charge of the Spencer books, was present with the firm's ledger and bank books.

Mr. Hughes sat between his counsel, H. A. Maclean, K.C., and R. T. Elliott, K.C. Mr. Elliott acted solely in an advisory capacity to Mr. Maclean during the hearing.

Court Room Jammed. The court room was jammed. Men climbed the fire escapes, opened the windows and hung on the outside to hear what was going on. Those who managed to get inside the court stood for three hours, while evidence was being taken. At one point one man was overcome and fainted.

There was some commotion as he was carried out. The case is proceeding this afternoon.

DEPOSED BOLIVIAN RULER DEPORTED

New Regime Sends Former President and Others Out of Country

Washington, July 16.—Jose G. Guerrero, deposed President of Bolivia, with a number of his former ministers and other officials of the overthrown Government were deported yesterday by the new regime, the State Department was informed to-day in a dispatch from the American Legation at La Paz.

The dispatch reported that W. Duval Brown, American Consul at La Paz, American Trade Commissioner Schurts and other representatives of the diplomatic and consular corps in the Bolivian capital, had left the city with the former President.

The deposed President, with the members of his official family, the dispatch stated, were sent to Arica, a Chilean port, where it is presumed he will depart on some vessel calling at the port. Previous to his deportation Guerrero had been a refugee in the American Legation.

## TOLD THEM NOT TO ATTEND FUNERAL

In His Will New Jersey Man Forbade Wife and Daughter

Perth Amboy, N. J., July 16.—The will of Joseph Kramor, of Perth Amboy, who died recently, scathingly denounced his wife and daughter, and forbade their attendance at his funeral. Accordingly, the document will be contested by those two members of his family, the greater portion of the estate, which is said to be large in realty holdings, being left to his son, Arthur, and another daughter. After directing the division of the estate, the will reads:

"Expecting my will to be read by my executors before my funeral, it is my earnest wish that my wife Minnie and daughter Jennie do not attend my funeral.

"I do give, devise and bequeath to my wife Minnie, only the dower interest which the law of the State of New Jersey provides I shall give her, and she shall not share in any other part or division of my estate. If it were possible for me to deprive her of what the law of the State of New Jersey compels me to give her, on account of her treatment of me I would do so.

"I do hereby give, devise and bequeath to my daughter Jennie the sum of \$12 a month, to be paid to her from my estate as long as she shall live. My purpose in devising this monthly sum is as follows:

"Five dollars a month to remind her of the time in 1914 when she called me 'Black pig.'

"Five dollars per month to remind her of the time in 1918 when she struck me while I was in the kitchen.

"Two dollars a month to remind her of the time in 1920 when she said to me when I was sick in bed, 'Don't cough so loud; you are making too much noise. I will have you arrested for disturbing the neighbors.'

"Except as above my daughter shall not share in any part or division of my estate."

Hinton, W. V., July 16.—Miss Nyma Seibert, a dancer, apprises one of her knees at \$50,000 in a suit for damages against a local hotel. She alleges that while stopping at the hotel she walked into an open elevator shaft and barked her knee so severely that it had affected her livelihood.

## PLAN FOUR DAMS ON ST. LAWRENCE

New Great Lakes-to-Atlantic Waterway Advocated; Congress at Detroit

Detroit, July 16.—Fourteen central western States favoring the projected Great Lakes-to-the-sea highway will be given a full chance to present their arguments at the Great Lakes-St. Lawrence Tidewater congress here July 22-24.

Spokesmen for commercial, industrial and agricultural interests of the central west will attend the congress. More than 1,500 delegates from the United States and Canada are expected.

The speakers include a large number of professional men. Two more or less popular misconceptions regarding the project were pointed out here to-day by members of the Tidewater Association. One of these is an impression that to complete the enterprise, engineering work on a large scale at various points from the head of Lake Superior to the Atlantic coast must be undertaken. The other is a belief that with the opening of the waterway, lake vessels will begin to ply between lake ports and Europe.

Four Dams. "Both of these impressions are erroneous," said W. H. Adams, chairman of the local committee on inland waterways. "The engineering work involved at present has to do only with the rectification of forty-six miles of the St. Lawrence River between Lake Ontario and Montreal. It is probable the engineers will recommend the construction of four dams, the construction of which it can be completed in five years."

Opening of the waterway, Mr. Adams said, will not mean that lake carriers will go through to Europe. They are not out for ocean travel, he explained. "What it will mean," he continued, "is that every lake port will become an ocean port and the continent will acquire the service of the world's merchant fleets."

Much Power. In discussing the estimated cost of the undertaking, Mr. Adams said that the four dams would develop more than 4,000,000 horse-power, which when commercialized would within two years more than equal the cost of the opening of the route. Utilization of this hydro-power, he added, would mean coal conservation in excess of 50,000,000 tons annually.

Opposition to the proposed undertaking thus far has come chiefly from New York. Mr. Adams expressed the belief that most of this opposition would disappear with more thorough understanding of how much of the hydro-electric power would naturally accrue to New York.

### J. G. HINKLE NEW WASHINGTON OFFICIAL

Olympia, Wash., July 16.—Governor Hart announced yesterday afternoon that J. Grant Hinkle, of Spokane, would be appointed Secretary of State of Washington to succeed the late Capt. I. M. Howell, who died Tuesday. Mr. Hinkle has been Assistant Secretary of State under Capt. Howell since February 15, 1919.

Governor Hart stated that he had taken into consideration not only Mr. Hinkle's qualifications to fill the position efficiently but the fact that the business of the office could continue without interruption incident to a change in the personnel. The Governor had been present before he died Captain Howell, realizing that he would not recover, had expressed the wish that Mr. Hinkle should have the place.

Mr. Hinkle has been requested by Governor Hart to appoint Mrs. Howell to a position in the Department.

### VANCOUVER ISLAND NEWS

On Mission of Inspection. Nanaimo.—W. A. Found, Assistant Deputy Minister of Fisheries, who with Col. Cunningham, chief inspector of this Province, has begun a tour of inspection on the Government patrol vessel Givenchy, extending via to Port Moody before he visited Nanaimo Tuesday and inspected the biological station, Departure Bay. Regarding the investigation made over a year ago by Mr. Justice Eberts into the fisheries of this district, Mr. Found was unable to say when the commissioner's findings might be handed down. The halibut treaty, the Deputy Minister said, and the treaty for the preservation of Fraser River fisheries, were awaiting ratification by the United States Senate. An amendment from original draft of the latter treaty provided that when accused had been prosecuted in the courts of one country, the same charge cannot be laid against him in the courts of another country.

Bastion Chapter Fete. Nanaimo.—The annual garden fete of the Bastion Chapter, I.O.D.E., held on the grounds of Hon. Wm. Sloan, was well patronized in spite of the morning's threatening weather. The booths did a good business and the programme of local vocalists with Principal E. S. Martin's recitations was much enjoyed. The programme prepared by Miss Dobson included solos by Mrs. Drysdale, Mrs. Crawford, Miss Blundell, Miss Bate, Miss Jean Patterson, Miss Dobson, Miss Quinn, R. Wall and T. Lewis and Miss Winnie Polford. Miss Jessie Ferguson and Miss Orlean Wilgrees gave the Sailors' Hornpipe and Miss Jean Drysdale made her debut as an accompanist. Hon. Wm. Sloan, in a few words of welcome counselled all and sundry to register as voters.

Hurt in Logging Camp. Nanaimo.—Robert Kidd, one of the best known and most popular young men of East Wellington, son of John Kidd of that district, was seriously injured while at work in the logging camp of the New Ladysmith Lumber Company and is now lying in the hospital, it is feared with a fractured skull which he received when struck by a cable.

Gone to Victoria. Duncan.—John Kyle has returned to his old occupation as conductor on the Cowichan Lake line, Esquimalt and Nanaimo Railway. He has taken J. Rutledge's house here. Mrs. Rutledge and family have moved to Victoria.

Back on Island. Nanaimo.—Mr. and Mrs. Doig, recently arrived from Scotland, are visiting with their friends at Teit's Place, Nicol Street and Victoria Road. Mrs. Teit and Mr. Doig first met while crossing the Atlantic over twenty years ago. Mrs. Doig, then Miss Amos a young girl still in her teens, may be remembered still by a few in Nanaimo since she often visited here, and also at Comox, where she lived for three years with her aunt Mrs. Cairns of Fairview Farm. On her return to the Old Country previous to her marriage, Mrs. Doig became a hospital nurse and served her profession in hospitals both in England and in Scotland. Mr. and Mrs. Doig stopped off at Nanaimo on their way to Courtenay. They intend to reside in this district.—Nanaimo Free Press.

### RE SOLDIERS' PENSIONS.

To the Editor:—I notice in The Times a letter from Walter Foster, who is a critic of Mr. Flynn on the above question. He says Mr. Flynn's chief plank is inadequacy of soldier's pensions, with a special reference to widow's pension. Perhaps it would be interesting for him to know of a case of a young man only twenty-two years of age who is suffering from service for his country. For this he was awarded \$15 per month at first. Since then he has had another Board, and the result is he has had his pension reduced to the enormous sum of \$3 per month, with the Winter coming along which is not going to be favorable to his ailments.

Why should the widow of a colonel receive more of a pension than the widow of a private? It would be information worth knowing. One should receive the same as the other—we all fought for the same cause.

In the case of a widow, say with six children, receiving the sum of \$1,333 is she not entitled to it? Does Mr. Foster envy her? That would be very poor spirit, I should say.

A man who entered the army with a family of six children, must have gone into it with a purely patriotic purpose, and his widow deserves more recompense than the sum mentioned.

I do not agree with Mr. Foster's suggestion that Mr. Flynn should return to the United States. If he fought in the Canadian army, he is quite justified in disclosing his views as a Canadian citizen, and in all probability more so than Mr. Foster who, I presume, did not see service.

I will have to admit that I agree with one suggestion that Mr. Foster makes, and that is, there should be only one organization of returned soldiers, and then they may be able to receive some benefit at the hands of the Government, who, I consider, have not placed the returned soldier on the same basis, as the man who stayed at home, and is enjoying the benefits of motor cars, and other luxuries, the returned man could not buy on his \$1.10 per day.

### RETURNED SOLDIER.

### WAS IT WORTH IT?

Caller: "What a beautiful baby! And what is her name?" Young Mother: "Bridget. Mary Anne De Vere."

Caller: "Mercy sakes! How did you happen to give her a name like that?" Young Mother: "Why, the cook threatened to leave when baby came, and we got her to stay by naming the baby after her."—Pearson's Weekly.

**SUGGEST AFFILIATION WITH DOMINION BODY**

Retail Section of Board of Trade Asked to Join Canadian Association

The members of the Retail Merchants Section of the Board of Trade met the Provincial Section of the Retail Merchants of Canada at a dinner given by the latter at the Douglas Hotel last night. R. B. Price, chairman, was accompanied by a long list of Victoria members. The occasion of the meeting was the explanation of the executive of the Provincial Section of the Dominion body, of the aims and utility of their organization.

Messrs. G. H. McRobbie, Daryl Kent, and W. Hougham, spoke in favor of the suggested affiliation of the Retail Section of the Board of Trade with the Canadian Retail Merchants. No discussion took place, the proceedings being confined to a statement of the usefulness of the Dominion-wide body, and the advisability of the local Board of Trade securing co-operation by affiliation.

G. H. McRobbie, president; Daryl Kent, treasurer, and W. Hougham, secretary, the three officials of the Provincial Section of the Retail Merchants of Canada, in suitable addresses, advised the affiliation of all the Board of Trade Retail Sections with the Dominion Association. J. L. Beckwith, President of the Board of Trade, was an interested guest at the dinner, while W. W. Ballard and W. H. Bone spoke to the question.

A resolution was passed finally recommending the matter to the executive of the Board of Trade, and suggesting the calling of a further meeting to discuss the advisability of affiliation with the Retail Merchants of Canada.

**PICNIC AT PROSPECT LAKE**

Members of Strawberry Vale Women's Institute Had Enjoyable Time Yesterday.

Ideal picnic weather added the finishing touch of enjoyment to the annual outing yesterday of the Strawberry Vale Women's Institute. About sixty members and friends with their kiddies went out to Prospect Lake and enjoyed the delights of bathing, the principal pastime of the day.

The sports programme resulted as follows:

Ladies' race—1, Mrs. Joyce; 2, Mrs. Watkins; 3, Mrs. O'Connell.

Girls' race—1, Bessie Sakener; 2, May French; 3, Jean Joyce.

Boys' race—1, Eric Foster; 2, Tenyson Joyce; 3, Daisy Bell.

Boys under 10—1, Hughie Haddon; 2, Maurice Foster; 3, Little girls—1, Mildred Joyce; 2, Leslie Foster.

The baby's race was won by Margaret Joyce.

In the evening a basket supper was served and was partaken of with much relish. The committee who made a marked success of the outing included Mesdames J. Greenwood, A. E. Hall, T. Fisher, D. Watkins, George Jones and S. W. Raven.

**SMALL SUMS HELP WORK OF JEWISH RELIEF**

The funds of the Canadian Jewish Relief Committee were augmented by the sum of \$25 this morning, when the chairman received a donation from St. Andrew's Masonic Lodge, the members of the Lodge having deemed the cause of sufficient importance to be worthy of support.

Mrs. Wallace, of Sluggert, remitted the sum of \$25, which she had collected among her friends at Sluggert, and the handsome contribution of \$25 was realized from the "Chicken Sale" conducted by J. Hunter among the Rotarians, during the lunch at the Rockside Poultry Farm on Thursday.

The Musicians Union also has helped to swell the fund by a very generous donation, and it has been intimated to the Relief Committee that it is the intention of several other organizations to devote some part of their accumulations to this humanitarian work.

The Young Women's Christian Association members were very kind in making a gift of \$25 to help out the little sufferers in Eastern Europe.

As already announced, the office at 1317 Government Street will close after July 21, therefore the committee requests those who have not already sent in their donations to try and arrange to have them in the hands of the treasurer not later than that date.

"California Syrup of Figs" Child's Best Laxative

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruit taste. Full directions on each bottle. You must say "California."

In Congress they tell this story of a certain youthful but successful representative. This gentleman's self-confidence has always been most marked, a dominant characteristic even of his extreme youth. When he was about eight years old he decided to take a job during his school vacation, and accordingly sought work in a grocery. After he had been there a week or so his Uncle, meeting the old grocer, asked: "Well, how are you getting on with William at the store?" "I seem to please him," said the old grocer with a smile. "I seem to please him."

**Columbia Medallions Are Perfect Artistic, Imperishable**

Columbia Medallions express faithfully and artistically the personality of a photograph. The improvement is almost magical. Taking an ordinary photograph, as we do, and developing from it a Columbia Medallion by our own original process, rich in beauty, imperishable in quality and faithful in adherence to the original subject is worthy of accomplishment.

There may be many photographs reposing at the bottom of your trunk, yellow with age and frayed at the edges—probably the only reminder of someone dearly beloved to you. Wouldn't it be far better to have those photographs copied and framed than to let them lie forgotten?

Columbia Medallions are made on non-corrosive metal and the surface glazed. This makes the medallion waterproof and practically indestructible from ordinary causes.

The medallions can be copied from any photograph, cabinet, postal card, Kodak, tin-type or religious picture, these being enlarged or reduced to size of Columbia Medallions, six and a quarter inches—round shape.

These works of art FREE when your purchases amount to \$20.00 at our store. Ask the clerk who serves you for a Columbia Medallion card.

### Social Personality

Yesterday the members of the Saanich Council were entertained by Mr. and Mrs. R. F. Butchart in their gardens of their beautiful home at "Bellvenuto," Tod Inlet. On behalf of the residents of Saanich, the Council passed a cordial vote of thanks to the hosts and hostess for the generous policy they had always adopted in connection with their gardens, in throwing them open to the general public and to tourists throughout the year. This is the first occasion on which acknowledgment has been made by any public body of the thoughtfulness of Mr. and Mrs. Butchart in sharing the beauties of their lovely home with others less fortunate.

### RAISE ORGAN MONEY

Ladies of St. John's held their Summer Garden Party.

Members of the Ladies' Guild of St. John's Church under their president, Mrs. Townsley, held their grand Summer garden party at the home of Mrs. Gillespie, Fowl Bay, yesterday afternoon, and raised money for the church organ fund. Mrs. Gray, treasurer, took charge of the gate collections.

### WOMEN WORKERS ARE DISCUSSED

Minimum Wage Questions at Labor Officials' Convention in Seattle

Seattle, July 16.—To safeguard the interests of women workers, women should have at least an equal representation with men on boards which fix working conditions and policies for women, according to the stand taken at yesterday's convention of the governmental labor officials of the United States and Canada, being held in the assembly room of the Seattle Chamber of Commerce and Commercial Club.

### HER IDEA

Hostess: "Won't you sing us another song before you go?"  
 Jones: "Well, it's getting very late and I shouldn't like to annoy your neighbors."  
 Hostess: "Oh, don't mind that; they have a brute of a dog that barks every night, and I should be very glad to take my revenge."

On their return home from a dinner party, Mrs. Smith turned to her husband with a look of curiosity on her face.  
 "John, dear," she asked, "whatever made you tell the Thompsons that you married me for my voice, when you know I can't sing a note?"  
 John was a tactful man as a rule, but this time he tripped.  
 "Well, darling," he replied, cooingly, "I had to give some reason, and that was the only one I could think of at the moment."

Miss Harvey, National Secretary of Canadian girls in training work in British Columbia, will have charge of the camp which is to be held at Beaver Lake on August 3. ### OBITUARY RECORD

Many of his old-time waterfront friends were at the funeral this morning of Captain John Thompson. The cortege left the B. C. Funeral Chapel at 8:45 proceeding to St. Andrew's Cathedral, where service was held at 9 o'clock. Many beautiful floral tributes covered the casket. The pallbearers were: Capt. W. H. Whiteley, Capt. J. Gosse, Capt. C. I. Harris, F. X. O'Neill, Frank Sere and F. W. Nolte. Interment was made at Ross Bay Cemetery.

At the Jubilee Hospital on Wednesday the death occurred of Julia Helen Nelson, aged four years and four months, the little daughter of Mrs. Nelson, 729 Courtney Street. The funeral will be held from the B. C. Funeral Chapel to-morrow at 1:30. Interment will be made in Ross Bay Cemetery.

The funeral of the late John Albert Bunker, the seven-year-old son of Mr. and Mrs. J. C. Bunker, of 714 Market Street, whose death occurred last Tuesday, was held yesterday afternoon from the Sands Funeral Chapel at 3:30 o'clock. The following acted as pallbearers: J. Steveson, Alex. McKie, M. Allen, J. Boydalla. Rev. J. L. Batty officiated. Interment was made in Ross Bay Cemetery.

The remains of the late Mrs. Margaret Hatcher were laid to rest in Ross Bay Cemetery yesterday afternoon. The cortege left the B. C. Funeral Chapel at 2:30 o'clock and proceeded to Christ Church Cathedral, where service was conducted by Rev. F. H. Patt a few minutes later. Many

floral tributes covered the casket. The hymns sung were "Nearer, My God, to Thee" and "What a Friend We Have in Jesus." The following acted as pallbearers: Charles Brown, F. Craddock, P. Cowan, E. Price, Chas. Harrison and E. Kershaw.

Many friends attended the funeral of the late Mrs. Catherine Collins, which took place from the residence, Alderman Road, yesterday morning at 10:30 o'clock, proceeding to St. Saviour's Church, where an impressive service was conducted by Rev. Archdeacon Sweet. The hymns, "Jesus, Lover of My Soul" and "Nearer, My God, to Thee," were rendered. Many lovely flowers covered the casket. The remains were laid to rest in Ross Bay Cemetery. The pallbearers were A. G. Harding, J. D. O'Connell, H. J. O'Leary, W. H. Hadley, C. Kench and W. H. Dallaway, the latter three being from the Army and Navy Veterans.

The death occurred yesterday at St. Joseph's Hospital of John Robert Gunn, aged four years and ten months, little son of Mr. and Mrs. Donald B. Gunn, late of Springfield, Man. He is survived by his parents and two brothers. The remains are resting at the Thomson Funeral Home, 1535 Quadra Street. Funeral arrangements will be announced later.

### NOME PLANES TO PROCEED TO-MORROW

## LOS ANGELES FEELS FURTHER QUAKES

Brick Chimney Thrown Down This Afternoon; People Greatly Alarmed

Los Angeles, July 15.—Another severe earthquake shock was felt at 1:27 p. m. It was followed at 1:29 p. m. by a more violent quake. A brick chimney fell across the entrance of the third Street tunnel. A fire alarm was turned in, but the damage was reported to be trifling. Crowds of people with nerves already on edge as the result of the shock this morning, rushed into the streets, offices and store buildings being practically deserted.

### EXPRESS REGRET AT DEATH OF I. M. HOWELL

The members of the Board of Directors and the officials of the Pacific Northwest Tourist Association have sent a resolution to Mrs. Howell recording their extreme sorrow at the death of Capt. I. M. Howell, who during the formative stages of the association and since its organization had been one of its most ardent friends, and who served as a director and a member of the Finance Committee faithfully since its inception. "As a director he had always in mind the efficiency of its work, the interests of and the benefits that were to be derived by all of the people of the Pacific Northwest, and especially to the State of Washington. His geniality and charm as a man won for him the appreciation and friendship of every member of the Board, and of all with whom he came in contact," says the resolution.

"It is desired to express to Mrs. Howell, his sister, Miss Howell and all the immediate members of his family the keenest sorrow and deepest sympathy in their bereavement."

### SMORAGON OCCUPIED BY BOLSHEVIKI

Warsaw, July 15.—The Bolsheviki have occupied Smoragon, southeast of Vilna, and are advancing south and west to occupy Osmiana, says a communique issued by army headquarters to-day. The battle is still continuing along the Osmiana River, the communique states. "The enemy attack has been repulsed at several points," the communique adds. "The chief attacks are being delivered incessantly south of Dubno."

### COAL TERMS WERE SIGNED BY GERMAN DELEGATES AT SPA

Spa, July 15.—(Associated Press)—The German representatives here signed the coal protocol framed by the Allied conference at 8:45 o'clock to-night.

### OPEN MARKET FOR WHEAT SOON

Ottawa Government Decides Wheat Board Will Not Handle 1920 Crop

Ottawa, July 15.—The Government has decided that the present Wheat Board will not function in so far as the wheat crop of 1920 is concerned. The marketing of this crop will revert to the usual and normal methods of pre-war times.

The Government, however, will carefully watch conditions outside of Canada, and will exercise the right to proclaim the enabling legislation of last session if conditions make it necessary so to act in the public interest. From the present point of view it is hoped that no such action will be found necessary.

Legislation passed a few weeks ago enabled the Government to constitute a Wheat Board, in continuance of the present Wheat Board. The wheat Board, under the bill, was to have well-defined powers and could be called into operation by proclamation in The Canada Gazette should circumstances make it necessary.

### VESSEL GETS IN TROUBLE OFF COAST

Peruska Sends Call From Near Carmanah Light; Tug Is Sent

Seattle, July 15.—In response to an "S.O.S." call from the steamer Peruska, of Tacoma, the coastguard tug Snohomish put out from Port Angeles at 1:45 p. m. to the assistance of the vessel. The Peruska was reported in trouble two miles off Carmanah Light, on the British Columbia side. The Peruska is unknown in shipping circles here and it is believed the name of the vessel is misspelled.

### BELIEVE SMALL'S BODY IS FOUND

Mari May Have Picked Up Toronto Millionaire's Remains in Niagara

Toronto, July 15.—A dispatch from Niagara Falls, Ont., says that "Red" Hill, a local riverman, to-day picked up a body in the Niagara River whose description tallies with that of Ambrose J. Small, the missing Toronto millionaire theatrical magnate.

Toronto, July 15.—An application on behalf of the wife of John Doughty, who has been missing since December 28, 1919, was made to Mr. Justice Lennox at Osgoode Hall here yesterday for authority to collect the Doughty rents. Doughty is "wanted" by the police on a charge of having kidnapped Ambrose J. Small, the millionaire theatre owner of this city who disappeared on December 2, 1919, and also charged with having stolen \$100,000 of Victory Bonds owned by Mr. Small. Doughty was Mr. Small's private secretary for many years.

### TURKS ATTACK GREEK SHIPS IN BLACK SEA

Constantinople, July 15.—(Associated Press)—The Turkish Nationalists have begun an attack upon Greek shipping in the Black Sea. The Greek steamer Fila, on entrance to the west of Trebizond, from Batum, July 14, was seized by Nationalists who took the vessel's officers prisoners, paid Turks in charge and seized 7,000,000 rubles.

### BELA KUN IS GOING TO RUSSIA

Vienna, July 15.—(Associated Press)—Bela Kun, former Dictator of Hungary, and all the Communists whose extradition had been demanded by Hungary, left Vienna last night for Russia by way of Germany, in a prisoners' convoy.

### SUICIDE IN JAPAN

Alarmed by the steady increase in the number of suicides by drowning at Komakura, Danzhi and the neighbouring coast each year, the authorities of the Prefecture are said to be considering measures to prevent men and women from self-destruction. Statistics compiled by the authorities show that 261 persons committed suicide in the neighbourhood in 1915, 295 in 1916, 295 in 1917, 288 in 1918, and 229 in 1919. It is noted that the number of men among the suicides is double that of the women. The authorities are said to be afraid that a result of economic depression the number of suicide cases this year will increase. In this connection, Japanese papers state that on the Japanese coast and neighbourhood several sign-posts were recently set up bearing the following warning:—"Don't commit suicide! Come and seek the advice of the authorities at the nearest station before you take your life."

# The Last Corn

When you end your corn with Blue-jay, it will be the last corn you let grow. You will know how to stop the pain. And how to quickly and completely end all corns.

There are millions who use Blue-jay now, and they never let a corn remain.

© R. B. 1510

**The new-day way**  
Blue-jay is the new-day way, the scientific method.

It was perfected in a laboratory world-famed for its surgical dressings. It is supplanting the many treatments which are harsh and inefficient. It has made paring as ridiculous as it is unsafe, for paring doesn't end corns.

Do this tonight:  
Apply to a corn a Blue-jay plaster or liquid Blue-jay—whichever you prefer.

Mark how the pain stops. Then wait a little and the corn will loosen and come out.

What that corn does all corns will do. Some 20 million corns a year are ended in this way.

Don't suffer corns. Don't have your feet disfigured. They can be ended almost as easily as a dirt-spot on your face. They are just as inexcusable.

Don't forget this. It means too much to you.

Ask your druggist for Blue-jay.

## EX-REEVE CHOSEN AGAIN TO BOARD

Saanich Renews Confidence in Mr. McGregor; Other Matters

George McGregor, ex-reeve, and now Chairman of the House Committee of the Royal Jubilee Hospital, was re-elected last evening by Saanich Council as its representative on the board of directors of the hospital.

The Properties Acquisition Bylaw was introduced in order to legalize the purchase of four properties, the chief ones being the proposed Health Centre, Saanich Road, and the store site, Carey Road. All the lands have been taken over, and some long used, but the necessary legal transfer has not been confirmed by bylaw.

The Council agreed to improve the Mount Newton-Cross Road, east of the East Saanich Road, down to the wharf which serves the Canadian Explosives Company at its James Island plant. The Government, municipality and the company will assist in equal shares of \$250 each. Adoption of the proposal was taken on the initiative of Councillor Brooks.

A very few minutes sufficed to confirm the action reached at previous meeting to take the High School fees dispute for the period 1918-1919 to a Supreme Court judge for decision. The city claims an advance on the Stewart-McGregor Basis of 1915 in keeping with the increasing cost of higher education, while Saanich disputes the amount, declaring that insufficient notice of the advance was given by the city authorities.

The matter came up when the City Council notified the Council that a resolution had been adopted to the end suggested.

Jack—"Why do you call that barrister 'Necessity'?"  
Jack—"Because he knows no law."

## Insufficient Ground to Hold an Inquiry, Says Superintendent Brankin

Attorney-General Issues Report Upon Children's Aid Home Here; Investigator Censures Some Phases of Management.

Although disappointed at the stand taken by the directors of the Children's Aid Society in view of the alleged unsatisfactory conditions obtained at the home, David R. Brankin, Superintendent of Neglected Children, states in his report to Attorney-General Farris that he has heard nothing from either side in the controversy to justify his recommending the authorization of a public inquiry.

The report of Superintendent Brankin—who conducted the investigation on the instructions of the Attorney-General—appears in full below, and in authorizing the details for publication Mr. Farris observed that he had regarded the document as of importance to the Department only, on that account he had not thought fit to make it public. In view of the Mayor's recent references to the subject, however, he has now handed a copy of the report to The Times, which follows:

**The Situation Here.**  
Acting under your instructions I visited the city of Victoria on May 5 and 6 and interviewed several ladies and gentlemen and heard their complaints regarding alleged misadministration and acts of cruelty on the part of the officials of the Children's Aid Society of Victoria.

After listening very attentively to all they had to say and answering a number of questions put to me I arrived at the conclusion that most of those present were more or less satisfied with the management of the Children's Aid Society of Victoria. Some of them agreed that too much publicity had been given to the matter already and that, if the directors of the Children's Aid Society had been more conciliatory, many of the matters would have been adjusted long ago.

I also found that they were most anxious that the matter should be settled amicably and had no desire for a public investigation to be held if I could bring about a meeting between the two parties, at which meeting I was to act as chairman. Some of them agreed that too much publicity had been given to the matter already and that, if the directors of the Children's Aid Society had been more conciliatory, many of the matters would have been adjusted long ago.

The names of those on the committee were:  
Mrs. F. Andrews, of the Victoria School Board.  
Miss Winn, school psychologist.  
Rev. Wm. Stevenson, Baptist minister.  
Miss Grimmer, school nurse.  
Miss Blackader, Soldiers' Civil Re-establishment.

Mrs. Gavin Burns, of the Local Council of Women.  
Mrs. Robinson, Social Service worker.  
Miss Crease, President Local Council of Women.  
Miss Ward, police matron.  
Mrs. Spoford, a former matron of the Children's Aid Society, Victoria.

**Saw Mayor Porter.**  
I then interviewed His Worship Mayor Porter as President of the Children's Aid Society of Victoria, covered all of the ground with him of the complainants and the directors of the Society would proceed satisfactorily results. At first he was not inclined to agree with me, but later said that he would be willing to fall in line with the wishes of the majority members of the Board if I would meet some of them, and advised me to be sure and call upon Dr. Clay, whose opinion was highly respected by all the directors of the Children's Aid Society.

Next I visited the Children's Home and met Miss Greer, matron of the Home, who also acts as secretary of the Board. She received me courteously and showed me all over the building, explaining in detail the things to which I drew her attention. I was favorably impressed with her and believe that she is a sincere person and interested in her wards, but that lack of experience causes her to do things that could be easily misinterpreted as deliberate acts of cruelty. For instance, she is charged with having placed the boy of seven years in the detention room and tied his hands and feet. Her explanation of that to me was this:

**Miss Greer's Statement.**  
A family of four, of which this boy was one, were admitted from a home where there was no discipline, and the children were dirty in their habits. This boy committed an offence in one of the rooms and was told that if it occurred again he would be placed in the detention room. A day or two later the offence was re-committed and she placed the boy, as he had been warned, in the detention room. Some time after being placed there he tore up the sheets into strips knotted them in a rope, which he put out of the window and was attempting to climb down when he was detected by one of the staff. The matron and the boy rushed to the housekeeper rushed up to the room and pulled him in again. Being alarmed they asked, "What shall we do?" and one of them suggested that they tie his hands and feet. This they did, using part of the knotted sheet, and he was placed in a cupboard. The matron once tried to get into communication with some of the members of the Board and finally succeeded in getting the Rev. Dr. Clay, who came round, and the boy was released within half an hour. This action demonstrates the fact that her lack of knowledge in handling incorrigible children caused her to make this mistake. She told the father of the boy, who was a returned soldier, what she had done and he agreed with her that it was right, but later changed his mind and apparently used this against the home.

She also admitted to me that she had given children dry bread and water for a whole day as punishment, and believed she had cured a number of children of enuresis by this method.

The matron admitted it was true that she had kept a boy home from school one day as a punishment.

## Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. WOODRUFF, 3842 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time.

## Lydia E. Pinkham's Vegetable Compound

Not receiving a reply to either, I presumed that everything was satisfactory and accordingly proceeded to Victoria as per arrangement. Upon arriving at the City Hall, where the meeting was supposed to take place, I was handed a letter from the Mayor, which read as follows:

**The Mayor's Letter.**  
"I beg to inform you that at a meeting of the Directors of the Children's Aid Society held yesterday, your communication in reference to a settlement of the matters in dispute between the management of the Home and certain individuals was considered, and the following resolution was adopted, namely:

"That Mr. Brankin be notified that the Children's Aid Society cannot agree to any meeting with the complainants to adjust matters, and that nothing short of a thorough investigation, under oath, will settle the case, and that the Attorney-General will be requested to authorize the same without delay."

"Your truly,  
(Sd.) R. J. Porter,  
"Pres. Children's Aid Society."

After reading this letter, I felt it was useless to attempt anything further and officially withdrew my offer as mediator.

**Disappointed at Stand.**  
I was somewhat disappointed at the stand taken by the Directors of the Children's Aid Society in view of the fact that certain things happened at the Home that gave the complainants ground for their charges and while I do not believe that the acts were committed with the intention of inflicting injury or to practice that they were unwise and unnecessary. At the same time I have heard nothing from either side to justify my recommending that a public inquiry be authorized.

The complainants suggested several points which they thought might be made the subject of inquiry and to which I would reply as follows:

(1) "Whether the institution is intended to be used at one and the same time as a Home for juvenile delinquents, and also for the care of children who do not belong to this class; and if so whether such mixing of delinquent and non-delinquent children is not calculated to work irreparable injury upon the latter."

"Not Satisfactory" Plan.  
In reply I would say that this is not a wise or satisfactory arrangement. I found also that the Directors are of the same mind and will alter this in the near future.

(2) "On what conditions children

are admitted to or excluded from the Home."  
This is a matter for the Directors to decide, and is covered by their own bylaws as any company would have the right to do.

(3) "What power is vested in the Society regarding the disposal of the children. Whether it is the duty of the institution to have the custody and ownership of the parents and can be sent away for adoption, or otherwise disposed of, apart from the consent or wishes of the parent and irrespective of the position of the parents as regards moral qualifications to care for their children."

In the past these things may have happened, but under the Adoption Act they will not, as both parent and child are protected.

(4) "The matter of corporal or other forms of punishment, physical violence, mental torture, depriving the child of its legal right to attend the public school. Whether a record of punishments with a statement as to reasons and nature of punishment is kept and laid before Committee from time to time."

I was informed by the Secretary of the Children's Aid Society that a statement of punishments was presented at all Board meetings, but that a punishment record was not kept. This they are willing to bring into force.

(5) "Medical attendance and examinations."  
Medical attendance and medical examinations are given gratis by Dr. Price, City Health Officer, who told me that he attended at any hour of the day or night when called.

(6) "Whether it is to the advantage of such an institution that the Mayor of the city for the time being

ing should be chairman in view of the fact that the Mayor is 'ex officio' a magistrate and may be led sometimes, as in the present instance, to assume a magisterial authority as chairman which does not and cannot inhere in his office as chairman of such an institution."

My reply to that to its: In some cases it is very much to the advantage of the institution to have the Mayor of the city as chairman, but the question of who should be their chairman rests entirely in the hands of the Directors, but I would say that perhaps as a matter of policy it would be better to have an independent citizen.

In view of these facts, I cannot see the necessity for a public investigation, and recommend accordingly, but still believe that the two parties by getting together and forgetting personalities could amicably settle their grievances.

## To Make a Tart Salad Jell

Jiffy-Jell is for salads as well as desserts. Get the lime-fruit flavor and it will make you a tart, green salad jell. Mint flavor makes a mint jell.

The fruit flavors in Jiffy-Jell are fruit-juice essences in vials—a bottle in each package. They are real fruit, and this flavor is abundant. No artificial flavors—no saccharine.

Try loganberry or pineapple flavor for a dessert, and learn what delicious dainties Jiffy-Jell brings to your table. A package will serve six people.

Jiffy-Jell with its natural fruit flavor costs much less than jam or marmalade.

She was what Mayfair would call "inclined to embonpoint" and White-chapel "a bloomin' whopper!" Also she was straphanging in the tram-car.  
At the first lurch the strap gave way, and she landed in the meek man's lap. She scrambled off and grasped the rail. The rail came down with a crash.  
The meek man carefully sorted himself out and rose.  
"Perhaps, ma'am," he murmured, "you'd like my seat?"  
"You are very kind, sir," she gasped breathlessly.  
"Not at all, ma'am," he responded grimly. "It ain't kindness; it's self-defence!"—Til-Bits.

It certainly was a strange sound—even though at midnight all sounds are strange.

Mrs. Meekton nudged her husband. "Henry," she said, in a loud whisper, "wake up at once and go downstairs! It sounds like burglars!"

"Yes, my dear," replied Henry nervously. "But I don't—"

"If you don't go at once," stated his better half, "I will go myself!"

"I shall certainly go, Maria," Henry said, with dignity; then he added, "if I hear it again."

"No, go now," ordered Maria, "or I shall shriek for the police and tell them that you made no attempt to capture the thieves!"

"Very well," replied Henry, nervously, "but let me kiss you and the baby before I go, and when he grows up tell him that his brave daddy jumped out of bed one bitter night and loudly attacked several armed burglars and fought them till he was overpowered and—"

"O-o-o-oh, Henry, there it is again! Go at once!" yelled Maria, giving him a mighty push.

And Henry went downstairs, trembling violently. Cautiously opening the kitchen door, he found the kitchen playing with the baby's indiarubber ball.

### ASKS FOR DISMISSAL OF CRIMINAL CHARGE

R. T. Elliott, K. C., Claims Agreement of G. R. Hughes Bars Police Proceedings

When the police court was convened this afternoon Mr. Elliott formally applied for dismissal of the charge against Griffith R. Hughes. Mr. Elliott referred to the agreement signed between Mr. Hughes and the Spencers, and asserted that it was "a conclusive bar" to any such action as against Mr. Hughes.

"On July 3, 1920, this deed was presented to the accused which creates a tribunal and appoints W. B. Monteth sole judge of that tribunal, and empowers him to make an absolute decision as to the amount payable by the accused to the Spencer corporations," said Mr. Elliott.

**Sequel To Action.**

### New Wireless Wonder, the S.O.S. Bell, Guards Lives in Mid-ocean

By A. P. Hill, Principal Wireless Department, Sprout-Shaw School.

There is probably no branch of science which commands the admiration of the general public more than that of Wireless Telegraphy or Telephony, especially when used for saving life at sea.

The fact that the modern ocean liner is in constant communication with ship and shore throughout her voyage, has allayed the fears of many a passenger in mid-ocean, with the realization that assistance, if needed, can be summoned at a moment's notice from many quarters.

In the early days of Wireless Telegraphy when the number of ship and shore stations was extremely limited, and the ether was not so laden with messages and correspondence as is now the case, a call-bell was installed on board ships which warned the operator when another vessel was transmitting in his vicinity; this was, as can be readily seen, a valuable asset in the case of vessels carrying passengers, and if he had, "turned in" he could be awakened and summoned to the instruments by the operator on another boat.

**Continued Wave.**

But when the coherer, which was then used as the means of detection, was supplanted by more sensitive and reliable apparatus; and when the ship and shore stations became so numerous that a call-bell would be ringing practically continuously on account of the large amount of business being transacted, it was found that the existence and was superseded by the head-telephone receiver, which must be worn by the operator at all times if he is to be in constant touch with the outside world.

In the case of the larger vessels where two or more operators are carried, and one is always on watch, this method of detection and reception is quite satisfactory, but there are still a large number of boats which carry only one operator, and since he cannot be expected to spend anything like twenty-four hours per diem "listening in," there are certain times every day during his "watch below" when the instruments are left unattended, and in the event of a distress call being sent out during this period it would pass unnoticed, with possible disastrous consequences to the vessel in distress.

**Solve Two Problems.**

In order to amend this state of affairs, and to make certain that distress calls would not pass unnoticed by vessels carrying only one operator, the Research Department of the English Marconi Company recently conducted a series of experiments in order to perfect a call-signal device. The difficulties to be overcome by the company were considerable, for, firstly, the apparatus was to be immune

### TENDERS CALLED FOR HUDSON'S BAY STORE

Interior Decoration to Be Made Shortly at Considerable Cost

Contracts for the interior decoration and finishing of the Hudson's Bay Company Store on Douglas Street have been called for, it is stated to-day, with many local business men tendering.

No announcement has been issued from the company yet, in the absence of C. H. French, local manager, but it is believed the work is to be rushed ahead. The contract will be an extensive one, requiring some six months for completion, and the cost is stated to be in the neighborhood of \$640,000.

**A TWO-WHEELED TRAGEDY.**

The flames shot upwards; the smoke curled in great clouds around the doomed building; and the brave firemen fought.

Every inhabitant, however, had been safely brought out. But suddenly a young woman rushed up to one of the firemen.

"Oh," she cried, "save it for me! Save it if you can!"

She pointed to a second-floor window, and without a word the fireman rushed to do her bidding.

"How old was it?" asked one of the bystanders.

"Only a month!" sobbed the distressed one.

"And, look!"—as the figure of the fireman could be seen coming down the ladder again. "He has failed! He's coming back without it! Oh, what shall I do—what shall I do?"

The fireman approached.

"Err, sorry," he said, "but I could find no child there."

"Child?" cried the fair maiden. "I said nothing about a child!"

"Then—what was it?" they asked her.

"It was my b-b-bicycle!" she sobbed. "I'd only had it a month—on the hire system, too!"

And then she fainted.

### Sole Leather Examined through a Magnifying Glass.

## 8000 Steps a Day and the sole that makes them

COME to think of it, is there any part of your wearing apparel that gets more real hard use than your shoes? 8000 steps a day—over rough pavements, through mud and wet—just think what that means. Think of the punishment the leather that goes into the sole must get. It's the quality of the leather in the sole that determines just how many of these "8000 step" days are in a pair of shoes.

See what the magnifying glass shows up. The picture at the left illustrates two kinds of leather used in making soles. The LECKIE BOOT quality with its high priced, close grained, waterproof leather, and the poor quality porous kind. Both look alike to the naked eye—but one gives vastly more mileage.

The LECKIE DRESS BOOT makes a splendid first impression by its noteworthy style, and this first impression is made lasting by the many weeks of active service it gives. Select that next pair of shoes as you would an automobile tire—on a mileage basis.

Beavers Took Close  
Game From Capitals

Vancouver Ball Tossers Ejected Kinks From Their System and Grabbed First of Local Series By Narrow Margin.

Victoria, 1; Vancouver, 2.

After taking the measure of the Beavers to the tune of three straight in the Vancouver pasture the Capitals returned home with Bob Brown's hirelings convinced of their ability to tuck away the balance of the series. But there's many a slip, as the old adage goes, and the tables were completely turned. The hustling Beavers wound up last evening's entertainment at the Stadium with the long end of the scanty score chalked up in their favor. Bill Leard's crew made a valiant attempt to land the first of the home series but the element of luck was against them.

Good Brand of Ball. The brand of ball served up, however, was of the variety to satisfy even the most exacting fan. It was anyone's game right up to the last frame. The fans were accorded the opportunity of sitting up for the first time Prover Land and Cy Neighbors, who were admitted into the charmed circle while the Leardites were on the road. Grover Land is a big fellow and shapes up as a pretty hefty catcher. He has a powerful wing to second which will create a big respect for him among base pilferers. The former Federal leaguer is also a dangerous man at bat in making his debut here he slammed out a sizzling liner which was good for two bags. Neighbors plays a nice game and looks like an improvement in the centre garden. Bill Leard picked Russell James to do the hurrying, while the auburn-haired manager of the Vancouver left it to Cooper to turn the trick.

James Worked Well. James pitched a nice game and at no stage of the combat was the elongated slabster in serious difficulty. He appeared to have lots of stuff on the ball and his control was greatly improved. In the fourth frame he looked to be in a tight corner with the sacks loaded and no one down but he tightened up in the

ECLIPSE STAKES  
WON BY BUCHAN

Sandown Park, Eng., July 16.—Lord Astor's Buchan, won the Eclipse Stakes, a classic one and one-fourth mile, race for 5,000 sovereigns against a field of seven horses here to-day. Sir Edward Hulton's Silvern was second and W. Raphael's Alenby third.

poor throw to Hinkle. James flew out.

Bags Crowded.

Hinkle started trouble again in the fourth, poking a hit into Carman's territory. Wiggins slammed a hot one over third, duplicating his previous effort, and reached second. Hinkle going to third. McNab was hit by a pitched ball, crowding the bags. Patterson was thrown out at first. Hinkle scoring. Cooper struck out. Messner got a base on balls. Purtell went out. Carman to Dempsey.

In Victoria's half of the fourth, Brown hit into right field and reached first. He went down when Carman hit into a nice double staged by McNab and Purtell. Dempsey killed the hopes of the fans by whiffing. With the crowd clamoring for excitement in the seventh, Fred Carman drove a beauty through short, which Purtell lunged for but was unable to reach. Dempsey again disappointed everybody by striking out. Neighbors flew out to Wiggins. The burly Land sent a sizzling grounder through third and made second, Carman going to third. Zienke was sent in to run for Land. The incident was closed when James fanned, with Zienke and Carman on the paths. At the beginning of the eighth Cunningham donned the catcher's mask. Victoria's only score came in the ninth and excitement was rampant for a few minutes.

Down-flew out and Carman was out off at the plate. Purtell, who grabbed his hot liner on the run and whipped it to first.

Dempsey's Homer. Lee Dempsey then strode to the plate and the first one Cooper second. He hammered it over the right field fence. Neighbors sent a grounder down the infield but Cooper covered the initial bag and he was thrown out.

Here is the score:

Table with columns: AB, R, H, PO, A, E. Rows for Victoria and Vancouver.

Table with columns: AB, R, H, PO, A, E. Rows for Victoria and Vancouver.

Victoria, July 16.—For the first time in many years the Vancouver lacrosse team will enter Saturday's Minto cup match a warm favorite over the famous New Westminster Salmonbellies. Following their two straight victories the Greenshirts and their supporters are confident that next Saturday's big fixture, the chief sporting event of the day on the Mainland, will result in another victory and there has been plenty of wagging with Vancouver on the long end.

One of the greatest crowds that has ever attended a game in the West is expected out for the week-end clash over the famous New Westminster Salmonbellies. Fans will come from many points for the game. Business Manager Pete Muldoon, of the Terminal, has received word from Seattle that a party of admirer-enthusiasts will be up while Victoria and Nanaimo will send over big delegations. New Westminster may be depended on to be over the force. The Royal City fans are roused to action as a result of two wins in a row for Vancouver and the Salmonbellies will be accompanied by several hundred fans when they invade Vancouver. The demand for reservations is heavier than for any other game this season.

The Vancouver players held a workout last evening and will be out this evening for the final practice. Everett McLean, New Westminster, would probably be able to play on Saturday. Whether Manager Harry Pickering will start in the game will not be determined until Saturday, but it is altogether likely that he will be in uniform, and that the task of checking Jack Gifford will be delegated to Bay Carter for the first period at least. Andy McDonald will move to third home. The Terminal are enthusiastic over their chances of coping the famous Minto cup this season and their many admirers look for them to go through with a clean sheet from now on.

Fred Lynch, of New Westminster, who referees New Westminster, will probably line up in exactly the same order in last Saturday's match with Stoddard and Nelson on the defence. It is doubtful whether the club physician will permit Hughie Gifford to return to the game for a while. According to reports from the Royal City the world champions have been out for practice every evening this week, and they will be over Saturday determined to fight it out to a finish. Last Saturday's defeat on the home grounds, but it is bitter pill for Royals to swallow and they are anxious to make good this time.

VANCOUVER TO HELP  
AMERICAN RUGGERS  
FAVORITE FOR  
MINTO CUP GAME  
TO GO TO ANTWERP

Vancouver, July 16.—Vancouver Rugby Union last night agreed to assist in financing the California Rugby team on their trip to Antwerp to compete in the Olympiad. The action followed receipt of a letter from H. Wilfred Maloney, Stanford, in which the support of the local fraternity was solicited in view of the friendly relations existing between California and British Columbia ruggers, the trip in question depending on voluntary contributions. The decision to accede to the request was made with a view to fostering rugby on the Pacific Coast.

HANDICAP CONTESTS  
AT KINGSTON COURTS

Part of the first round of the Kingston Street Lawn Tennis Club's handicap tournament was played last night. The match between Miss E. Thwaites and Miss Dudgeon was particularly well contested. It lasted for an hour and three-quarters and resulted in a win for Miss Edwards. The results were as follows: Mrs. Gardner beat Mrs. O'Halloran, 6-2, 6-0. Mrs. Thwaites beat Miss Hickey, 6-2, 6-3. Miss E. Edwards beat Miss Dudgeon, 6-1, 3-6, 7-5. Matches arranged for to-day in the tournament are as follows: At 5:30 p. m. Miss V. Fowkes plays Miss Thorpe. At 6:30 p. m. Greaves plays Sayer; and Miss Dudgeon and Miss Parkyn play Mrs. Foster and Mrs. O'Halloran. A team representing the Kingston Club will play at James Island tomorrow.

NANAIMO DEFEATS  
VANCOUVER IN CRICKET

Nanaimo, July 16.—Nanaimo cricketers, who were twenty-four runs behind at the end of the first innings with Vancouver Wednesday, in Vancouver, came out three ahead in an exciting finish. Leighton's bowling for Nanaimo being particularly destructive, his analysis showing eight wickets for thirteen runs. Dyke and Lamb, of Vancouver, reached sixty-six and fifty-one in the first innings, the former not out, Jenson, of Nanaimo, climbing into the thirties. The total scores were: Vancouver, 149 and 35; Nanaimo, 125 and 62.

RUTH REACHES HIS  
OLD HOME RUN MARK

New York, July 16.—"Babe" Ruth, star batter of the New York Americans, knocked out his twenty-ninth home run in the game against St. Louis yesterday, equalling the major league record he made last year. He hit in the eleventh inning won the game for the Yankees, there being two men on bases at the time. The score was 13 to 10.

ARRANGE FOR  
BATTLE FOR  
WORLD TITLE

Jack Dempsey to Fight K.O. Brennan Inside of Two Months

BRENNAN HAS LONG STRING OF K.O.'S

New York, July 16.—K. O. Bill Brennan is matched to box Jack Dempsey for the world's heavy-weight championship, inside of two months, before the club offering the best inducements. Brennan arrived here early to-day for a conference with his manager, Leo P. Flynn. The Knockout King will train at a nearby resort for the combat. Ever since the arrival of Jack Kearns, manager of the champion, Flynn has been on his trail. Kearns promised Flynn first crack in case Carpenter admitted he wanted nothing to do with his man. Flynn cornered Kearns in his room at the hotel after the Carpenter's bloodless affair ended. "Are you in a receptive mood? How about Brennan? Are you going to give him a chance and keep your promise?" Flynn asked. Kearns smiled and offered a number of telegrams from his inside coat pocket which revealed the startling news that several promoters wanted a Dempsey-Brennan fight in preference to all others. "By the tone of the telegrams," answered Kearns, "I should imagine Brennan should get the first chance. Here's one from Dominick Tortorich from way out in Orleans who says we can have a bundle of dough for the fight, and here's a telegram from Murray in Buffalo who states he has a half packed all ready up for a scrap, and I could read on indefinitely the many offers."

"That's all very well, Jack, but do I get the fight?" persisted Flynn. There were several newspapermen in the room. "You're on, Leo!" exclaimed Kearns. "Where is your fighter? Wire him to get in shape, the match is on. You need my word in my bond. We'll sign in a couple of days, I just want to get a breathing spell."

Flynn rushed out of the hotel to wire Brennan at Chicago to come to New York and begin light training. When news was flashed that a Brennan-Dempsey match had been clinched, Flynn's office, which is located in his home, was the scene of hurrying and scurrying messengers with telegrams containing offers for the scrap. Flynn's telephone rang incessantly with long distance calls. Complete Arrangements.

Brennan's manager had another long talk to-day with Kearns completing arrangements for the battle. The site is still undecided but the largest bidder will get it. So far it lies between New Orleans and Boston Harbor, the latter place, which is just outside of Chicago, recently held the Benny Leonard-Charlie White, lightweight championship, fight. Kearns, in giving his word to Flynn, realized that sooner or later he would have to give in to him, because Brennan is the only man who stood off the champion several rounds in Milwaukee in 1917. Brennan was giving Dempsey a hard tussle, the latter not knowing that he was boxing a cripple. Brennan fought with a broken ankle, but the pain finally got the best of him.

71 Knockouts. Since the Dempsey fight Brennan has gone along knocking out contenders. Since 1914 he has amassed the wonderful record of seventy-one knockouts, and he has beaten among others: Battling Levinsky, Bob Roger, Willie Meehan, Billy Miske and so on down the line. He is accounted to be one of the hardest punchers in the game and he is the type of a fighter who gives the public a run for its money.

So sure was he of getting Dempsey that Flynn cancelled six fights in San Francisco for Brennan and three on the way out. Only yesterday Flynn wired back "no" to a \$5,000 offer to box "Babe" Martin in Kansas City. "I am glad of another opportunity for the world's title and you can bet I'll be in there whaling the champion every second of the going," said Brennan to-day. "I am in pretty fair shape right now but I am going to be at my best when I face the champion. I will have no excuse to offer in case I am beaten. This fight means a great deal to me and I'm going to go in there to do and die."

It was reported to-day that David Mackay, of the Newark Sportsmen's Club, was ready to lay before the managers a flattering offer. Tex Rickard, matchmaker of the International Sporting Club, has asked to be given time to send in a bid.

NEW YORK SWIMMER MAKES NEW RECORD

New York, July 16.—Miss Ethelda Bleibtrey, of New York, to-day made a new world's swimming record of 4 minutes 34 1-5 seconds in the 300-meter swim for women in the finals of the Olympic tryouts at Manhattan Beach.

The former world's record of 4 minutes 43 seconds, held by Frances Cowsells Schroth, of San Francisco, was broken by Miss Bleibtrey in her trial heat, also in 4 minutes 49 1-5 seconds.

Miss Bleibtrey's competitors in the final event included Frances Cowsells Schroth, San Francisco, and Helen Meeus, Honolulu.

The high dive was won by Miss Meany, Women's Swimming Association, New York.

JOHNSTON WINS IN FIRST DAVIS CUP TENNIS COMPETITION

Wimbledon, Eng., July 16.—(Associated Press)—William M. Johnston, of California, won the first match for the American Davis Cup team to-day in its contest with the British team for the right to challenge Australasia for the trophy. He defeated J. C. Parke in five sets, 6-4, 6-4, 2-6, 3-6, 6-2.

SOUTH AFRICA MAN WINS ST. GEORGE VASE

Bisley Camp, Eng., July 16.—(Canadian Associated Press)—The St. George's Challenge Vase competition to-day was won by Captain Bodley, South Africa, Sergeant Dyer, Royal Engineers, being second.

In the second stage which was shot to-day, 20 shots at 500 yards, Captain Bodley made 93 and Sergeant Dyer 82. The scores and places of Canadians were: Major F. Richardson, Victoria, 89; 15th; Lieut. J. O. Nix, Winnipeg, 86; Major Utton, Toronto, 85; Captain W. J. Sangster, Falmouth, N. S., 83, and Major Northover, Winnipeg, 79.

The Canadian team competing in the McKinnon challenge cup competition to-day was as follows: Captain C. R. Crowe, Guelph; Major F. Richardson, Victoria; Sergeant James Boas, Montreal; Private George Weir, Toronto; Captain P. R. Martin, Calgary; Lieut. John Chandler, Woodstock, N. B.; Sergeant W. A. Hawkins, Toronto; Major Utton, Toronto; Lieut.-Colonel P. E. Bowden, Edmonton; Lieut. J. O. Nix, Winnipeg; Sergeant Major F. Goodhouse, Captain J. H. Vincent, Hamilton.

The shoot-off for additional places for the second stage of the St. George's found the Canadians placed as follows: Private Edmund, 103rd; Lieut. Vincent, 119th; Private Irvine, 142nd; Lieut. Sklinger, 144th, and Captain Crowe, 146th.

RACING CASE UNDECIDED. Toronto, July 16.—Decision was reserved to-day by Magistrate Myers in the Ontario Government case against the Devonshire Racing Association. The technical charge is that while holding a charter merely as an agricultural society, the association conducted a race meeting with betting on the pari mutuel system.

In the newsboys relay race at the Police Sports Wednesday, the second position was taken by the Victoria-Colonist team; and not as stated yesterday.

EVANS IS ONE HOLE UP ON BOBBY JONES

Memphis, Tenn., July 16.—Charles Evans, Jr., of Chicago, was one up on Bobby Jones, of Atlanta, at the end of the first nine holes of the morning round in the semi-finals match of the amateur championship tournament of the Western Golf Association.

ONLY EIGHTEEN NATIONS ENTER OLYMPIC GAMES

Entry Lists Closed, But Delayed Entries May Be Accepted

Antwerp, July 15.—Entry lists for the athletic events in the Olympiad, which closed yesterday, include only eighteen countries. Acceptances, however, were received from several others, including France, Norway, Australia, New Zealand and Japan, but their lists have not arrived, either because of mail or cable delays or clerical errors.

China, British India, Jugoslavia and Mexico also failed to appear in the list.

It is the general opinion in Olympic circles that the rule calling for the closing of the entries one month before the events take place will not be too closely enforced. The nations listed for the athletic contests are Canada, Chile, Egypt, Denmark, Spain, the United States, Finland, Greece, Hungary, Holland, Italy, Luxembourg, Poland, South Africa, Sweden, Switzerland, Czechoslovakia and Estonia. Lists of individual competitors are not yet available.

NEWSPAPERMEN PLAN "ROWDY" TOURNAMENT

This business of playing golf in some unique way has evidently gone to the heads of the moguls in the New York Newspaper Guild Club, which is conducting this month its now famous "boo" handicap at Van Cleeve Park. E. B. Davis, one of the organizers of this annual event, said last night that he had planned still another step along the same lines. It will be a "rowdy" tourney and will be held during August.

Contestants may heckle their opponents in every way except by touching them while making a stroke. Dancing in front of them, popping off firecrackers behind them, and beating things over them will be permitted. The "boo" tourney will seem tame by comparison. Another event out of the ordinary will be perpetrated by the St. Albans Golf Club, according to the schedule.

DEMPEY PLANS TO TRAIN A CHAMPION

Chicago, July 16.—Jack Dempsey is going to take Tony Melchior in hand, train him and possibly build him into a real championship possibility. This was the word received by Melchior's manager from the west to-day and Dempsey himself is expected to be along in a few days.

begin training for future bouts. The amateur plans to train at Benton Harbor and will take Melchior with him.

Larry Leichenstein, Tony's manager, declares that with proper training his protégé will make a champion. Melchior is a gem in the rough. Let Dempsey put the finishing touches on him and then watch him go. It is the way he is in.

Melchior will make his next start Saturday afternoon in East Chicago when he tackles Jack Reed, of Toledo. Reed is said to be a tough heavy.

SELECT TRAINING GROUND

New York, July 16.—Port Stocum, near Here, has been selected as the training quarters of the American Olympic team previous to the sailing of the athletes for Antwerp during the last week of July. Several hundred members of the track and field, swimming, boxing, wrestling and other sport competition groups have been instructed to report at Port Stocum Monday, July 19, with their personal baggage equipped for the trip to Belgium. ### NIAGARA MAKING STATION TO-NIGHT

Questionable Whether She Will Succeed in Getting Pratique

Carrying seven hundred passengers, including the Australian and New Zealand delegates to the Imperial Press Conference, the Canadian-Australasian liner Niagara is being speeded up in an effort to make quarantine before sundown this evening. It is extremely doubtful, however, whether the big liner will make it. The weather conditions outside early to-day were not favorable for a speedy run, heavy mist being reported in the Straits and outside Cape Flattery.

Captain Rolle informed the agents by wireless that he expected to make quarantine by 9 o'clock to-night. On learning this the agents notified him that the ship would have to reach William Head by 8 o'clock in order that the ship may secure pratique. Heretofore the quarantine regulations have been somewhat relaxed in favor of Canadian-Australasian liners, which have been passed up to a late hour. The exception has been made only when the liners carried an all-white passenger list.

**To Enforce Regulations.**  
On this occasion the Niagara has a number of passengers from Honolulu who do not come within this category and it is the intention of the quarantine authorities strictly to enforce the regulations.

Unless the Niagara makes an unexpected burst of speed it is improbable that she will come to her berth here to-night. In case of her failing to make the station before sundown she will come alongside about 7 o'clock to-morrow morning.

**Large List.**  
The Niagara has 693 passengers all told. Among her first class travelers are newspapermen from Australasia who are bound to Ottawa to attend the sessions of the Imperial Press Conference, also General Bramwell Booth, head of the Salvation Army, who has been touring Australia. He is on his way to England and will be greeted on his arrival here by Commissioner Eadie.

In addition to her large list of passengers the Niagara is laden with a full cargo of Australasian products for the Mainland.

**BOUND TO CHINA.**  
The barquentine Jane L. Stanford will sail about the end of this month with a cargo of lumber from Dollarton for Taku Bar, China.

**FUEL OIL PRICES.**  
Washington, July 16.—Approximately 122,553,000 barrels of oil were offered the Shipping Board yesterday, when bids for one-year, three-year and five-year supplies of such fuel oil were opened. Prices quoted ranged from \$1.50 to \$1.50 a barrel.

### CANADIAN WINNER TO GO ON BERTH IN SEPTEMBER

The steel carrier Canadian Winner, which is now being completed by the Harbor Marine Company, Ltd., for the Dominion Government Merchant Marine, will be ready to go on loading berth in September. The vessel will be placed in the Australian trade.

### LINER AFRICA MARU FIGURED IN RESCUE

### O.S.K. Boat Assisted in Removal of Passengers From Fire-swept Kiyo Maru

The Japanese liner Africa Maru, one of the O. S. K. vessels operating in the trans-Pacific trade out of this port, assisted in the rescue of the passengers from the fire-swept T. K. K. steamship Kiyo Maru recently off Yokohama.

All the passengers were safely transferred from the Kiyo Maru to the Japanese steamships Africa Maru and Tado Maru, and to the United States steamship West Jester, which vessel had just been refloated after driving aground off Saratoga Spit. Owing to the high seas running considerable difficulty was experienced in transferring the passengers, the majority being taken aboard the West Jester, which was able to get alongside.

The rescued passengers were sent forward to their destinations by the T. K. K. liner Persia Maru, arriving at Yokohama from San Francisco.

The Kiyo Maru had 236 people aboard when fire broke out, including 154 Chinese, the crew numbering twenty-five men. The cargo consisted of 4,500 tons of saltpetre from Chile, and 500 tons of general freight. The purser's room, crew's quarters, the bar and all the machinery in the engine-room, were destroyed, and damage was also caused in other parts of the Kiyo Maru.

The Kiyo Maru is one of the T. K. K. South American boats, and was commanded by Captain S. Hashimoto. She is a vessel of 3,950 tons. Repairs are being effected at Yokohama.

### KEELS ABOUT TO BE LAID AT NEW PLANT

B. C. Yacht and Boat Builders Ready to Start Work on Government Boats

The next few days will see a start made in laying down the two 75-foot motor vessels which the B. C. Yacht & Boat Builders are building here to the order of the Dominion Government. The B. C. Yacht & Boat Builders is a returned soldier organization, the members of which have qualified in boat construction in the vocational training branch of the Soldiers' Civil Re-establishment department.

H. Gann is manager of the building concern, which is backed by the Provincial Government.

Mr. Gann stated this morning that he expected a commencement would be made in laying keels next week. The 10x12 timbers for the keels are on the ground and are being prepared for laying down on the ways at the company's location on the old Songhees Reserve at Point Hope.

The machine shop has been erected and the machinery is now being installed. The contract figure for the two vessels is in the neighborhood of \$50,000, and under the terms of the contract the boats should be delivered late this year.

The boats are to be utilized in the lighthouse service of British Columbia. One will be stationed at this port and the other at Prince Rupert. Each vessel will be equipped with a 100-horsepower Canadian-Fairbanks engine and will have a wide steaming radius.

### GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Trouble. Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach, accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary "digestive" aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Eucalypti Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, soothe the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Eucalypti Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive and is the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

### NOT READY YET WITH TWO BYLAWS

Saanich Councillors Seek Information; New Water Rates Measure

"When will the water by-law be before the Council?" asked Councillor Clark of the Saanich Council last evening.

Reeve Watson stated that the by-law had not been regularly presented, but he expected it ready shortly.

The clerk indicated that next meeting night be the date of presentation. The sewer plans upon which the Sewer Bylaw will be submitted are now in charge of the Government for approval, it was stated.

No date was set for the submission of the two measures, however, though it is probable now they will be ready before August.

**An Old Problem.**  
The discussion in committee ranged over the whole question of meters versus unmetered services. Next in importance was the issue of whether the City Council would agree to allow unlimited supply to Saanich residents at \$1.67 minimum, while Victoria consumers are metered with a fixed limit.

While the proposed Water Bylaw for extensions is set at \$200,000, no provision is made for metering existing services effectually, and Clerk Cooper stated that it would cost \$30,000 to meter the existing services.

A partial metering was suggested, on a basis of no metering for a house of six rooms or less on an area not exceeding 7,000 square feet.

"We must give the public as cheap water as possible, to encourage development," said Councillor Henderson, in advocating cheap water for irrigation purposes.

The chief changes are a minimum of \$1.67 instead of \$1.10, and the recognition of the flat rate for residences on less than 7,000 square feet, as compared with the present regulations.

The bylaw was carried to the third reading stage.

### WOULD CHALLENGE RECENT RESOLUTION

Reeve Watson Brings Up Beaches Committee Question

"This is a contemptible proceeding," remarked Reeve Watson last evening after the Saanich Council had abruptly adjourned owing to renewed trouble with regard to the future of Saanich in the Victoria-Saanich Beaches and Parks Committee.

The Reeve had asked for reconsideration of the resolution passed last month appointing a new committee to take the place of the previous committee, such committee having attended a meeting with the Victoria members Wednesday afternoon.

Mr. Watson wanted the Council to revoke its action, and apparently had some compromise to offer—at any rate he stated later such was his intention—when Councillor Henderson moved that the Council should adjourn.

Councillor Brookes seconded, and when a tendency arose to debate it, Councillor Dooley pointed out a motion to adjourn was always in order and not to be debated, whereupon the Council suddenly broke up.

Then came the Reeve's remark as above when the councillors were leaving, and a reply from Councillor Henderson: "You cannot bring that up after eleven o'clock, and keep us here till two o'clock in the morning."

The Reeve and Councillor Clark, on the one hand, and Councillors Henderson and Dooley on the other, then fell to discuss the whole question afresh before leaving. The Reeve stating he should bring it up again. Neither side would give way, and the Reeve departed. However, for some time the discussion went on between the others in a desultory way, eventually the members departing.

### PUBLIC STILL THINKS COUNCIL NEGLIGENT

Blames Bus Service Errors on Lack of Saanich Municipal Regulation

Last evening the Saanich councillors warmly repudiated the suggestion that they had condoned the interrupted bus service on the Gorge route, which has been the subject of criticism.

Councillor Clark remarked that some assurance of a regular service had been given, yet people were kept waiting, in other parts of the district, as on Gorge Road.

Councillor Dooley remarked that he had raised the issue with the Gordon Head bus delays recently.

That service, said Councillor Terrell, was now in good order.

Councillor Pim said the people at Royal Oak had waited recently three hours for a bus service to town.

Clark Cooper stated that a by-law to regulate the traffic was now under consideration, dealing with hours and services.

In this connection the clerk added that a measure dealing with trade licenses, including near beer selling premises, was contemplated.

No resolution was passed with regard to the bus service.

On the motion of Councillor Pim the Council instructed the Engineer to make a report upon the class of paving he proposes to lay on the West Road in extension to the present hard surface paving, and the cost of it per yard.
