**GLAM WIKI
CONFERENCE 2023**

The goal

- personal perspective
- inspiration
- opportunity to ask oneself questions and think about your dos & don'ts

Do build your international network

- you are not alone,
- look for support of people who understand you

Do learn from others & find your way to learn

**Do be brave
enough to share
your failures &
paths to success**

**GLAM WIKI
CONFERENCE 2023**

BE sceptical to your work & open knowledge

“
One of the symptoms of approaching nervous breakdown is the belief that one's work is terribly important, and that to take a holiday would bring all kinds of disaster. If I were a medical man, I should prescribe a holiday to any patient who considered his work important.
”

Bertrand Russell

DON'T burn out yourself & volunteers
