PAY YOUR FIRE ENGINE PLEDGE AT ONCE. MORE MONEY NEEDED

The first payment of \$2,000 on the fire fighting apparatus must be made February 15th. That means that all subscriptions should be in the hands of the treasurer not later than February 15th. If you have not already paid the amount you pledged, do so at once. Payment may be made at the bank, to the Secretary of the Chamber of Commerce office or to any one of the committee, Messrs. Woodson Jones, Pettitt, Dietz, W. A. Evans or L. C. Brooks.

At the time the Chamber of Commerce assumed responsibility for the purchase of the machine, the actual cash pledge was about four hundred dollars short of the amount needed for the first payment. If the city could have assumed the first payment five hundred dollars would have been allowed on the old chemical engine, so the cash pledged was ample. The city can take advantage of that five hundred allowance on a future payment after the apparatus has been turned over to it, but it doesn't help any on this first payment. Additional pledges have been made since that time but the amount is still shy between two-hundred and fifty and three-hundred dollars.

Will not every citizen who has not yet contributed to this fund come forward promptly now with some amount even if it isn't as large as you might like to make it? And some of you have already helped, can't you add some to help over this grade pull? Every body knows it is a good thing for the town—everybody should have a share in it. Chip in and help, so you can truly feel it is your engine. It feels fine to have a personal interest in things of this sort. The Chamber of Commerce confidently expects to be able to return these contributions when the engine is sold to the city—so you will be lending your cash to a mighty good cause. Surely no property owner can afford to lag behind the ex-soldier boy stopping here who came forward with all he could spare from his small allowance saying "Sierra Madre has done a lot for me, I want to be in on this." Get in on it folks.

WILL ENTER TAIN GRAND OFFICERS

Sierra Madre Chapter of the Eastern Star will entertain the Grand Officers at an entertainment February 23. All Masons and their families are invited to attend. The committee composed of Mrs. L. E. Steinberger, Miss Elizabeth Steinberger, Mrs. Frederick Roess, Mrs. Allen J. Gay, Mrs. Spencer Howard, Mrs. Arthur Johnson, Jr., Mrs. F. J. Sokol and Miss Johanna A. Saenger, who will have charge of the entertainment and arrangements met at the home of Mrs. H. E. Long Wednesday afternoon. Permanent organization was perfected and after a short social session, the guests were served a light lunch and tea.

THE LAND OF BEGINNING AGAIN

Do you wish there were some wonderful place
Called "The Land of Beginning Again,"
Where sins might be dropped without leaving a trace,
And you'd never see them again?
Oh, friend, there is such a wonderful place
Called "The Land of Beginning Again."
You can find that place through the Saviour's grace—
He will cleanse you from every stain.

DEATH OF R. T. HICKES

Mr. R. T. Hickes, aged 41 years died at his late home 57 West Laurel street Wednesday afternoon. Funeral services will be held from the Church of Ascension, conducted by Rev. William Carson Shaw, Saturday morning at ten o'clock, interment in Sierra Madre cemetery.

Mr. Hickes, an ex-Canadian soldier, was mustered gassed during the war which ultimately resulted in his death.

SIXTY-FIVE BELONG TO FIREFMEN'S CLUB

Applications for twelve new members, Wednesday night, brought the total number of members up to sixty-five in the Sierra Madre Firemen's Club.

\$10 was voted for local relief and \$5 for Near East Relief.

Action was not taken on the report of the committee appointed to investigate the matter of having suitable quarters for the club. In view of the fact that there is to be one or more buildings erected in Sierra Madre and it is probable that one of them will contain a large hall, the committee was instructed to extend their investigations and report at the next meeting.

The Club has a balance of \$557.83 in the treasury and new members and dues will swell this amount considerably during the remainder of the month.

The attendance Wednesday night was good and a noticeable feature of the meeting was that the men were on time and that the discussions were full of pep and business.

MODERN PRISCILLAS AT DENNISON HOME

The Modern Priscillas will meet with Mrs. Stella Dennison West Central Avenue next Thursday afternoon, February 17.

DO NOT CANCEL FIRE CALL

If you ever have occasion to call the fire company be sure that you have a fire first and then do not cancel the call. The first call of the fire at the Zeller home a few nights ago was cancelled with the result that not all of the firemen answered the second call, and had the fire been a serious one the fire company would have been handicapped by not having all the company there.

Do not cancel your fire call, but first be sure that you have a fire.

NEW OWNERS FOR ORCHARD CAMP

Mrs. Clara Smith and Mr. B. F. Porter have purchased Orchard Camp and are now in charge. The camp and cabins will be renovated throughout. A new rock fire place will be built, new kitchen added and a new lunch counter installed. The new proprietors will cater to dinner parties and will not spare time or means to make the camp a most inviting place, and one you will be glad to return to, once you have visited it. Mr. Porter is general manager and will have charge of the camp and Mrs. Smith will chaperon all parties. Parents need not fear for the safety of their children or young people as Mrs. Smith wishes it distinctly understood that she will have charge of all amusements and entertainments.

MOVING TO PASADENA

Mr. and Mrs. R. W. Hulse, 238 Auburn Street are moving to Pasadena this week. Mr. Hulse is secretary of the Pasadena Post Printing Company. They have been living in Sierra Madre for several years.

NOMURA VERSUS CROSBY

The action of Charlie Nomura against A. B. Crosby for conversion of his automobile was tried last Friday before Judge Forman. Mr. Mitchell appearing as attorney for Nomura and Judge Farrell of Alhambra for Crosby. Judgment was rendered in favor of Nomura for the value of the automobile.

It appears that one Sherwood was indebted to Nomura in the sum of \$150. Last July he brought Crosby to Sierra Madre and introduced him to Nomura and a deal was made between them by which Nomura bought from Crosby the automobile in question, paying him \$350 in cash and assigning to him the obligation of Sherwood for the balance. Sherwood failed to pay Crosby, and he thereupon came and took the automobile out of Nomura's possession. The court found that Crosby had accepted the obligation of Nomura's debtor in full payment of the balance due on the auto, and that he had wrongly taken possession of same, and that he was liable to Nomura in damages for the full value of the auto and costs.

GRAVEURE PLEASURES AUDIENCE

A new era in the musical life of the foothill communities of the San Gabriel valley was opened Wednesday night when Louis Graveure, noted baritone, and artist, appeared in recital at the Colonial theater in Monrovia, opening the Artists Recital Course under the auspices of the Foothill Community Players. Mr. Graveure filled in a highly satisfactory manner the program which was to have been given by Emilio de Gozova.

Edouard Gendron, accompanist, was very pleasing, and his solo numbers were received with enthusiasm.

The Artists Recital Course includes besides Mr. Graveure, May Peterson, Me'rovolitan Opera Soprano, who sings at Monrovia next Monday evening, Feb. 14; Samuel Gardner, most talented of American violinists who come on Feb. 22; the Trio Intime, on March 7, and Mischa Levitzki, renowned pianist, on March 28. Course tickets are on sale at the Colonial theater box offices or at Tanner's music store in Monrovia.

The generosity of L. E. Behrmer, impresario, under whose management the artists are appearing in the course of recital has made it possible for a group of talented youngsters to hear the series free of charge. Mr. Behrmer having donated a number of course tickets to youthful musicians of the various foothill cities. In Sierra Madre the honor has fallen to Robert Mitchell, in Azusa to Raymond Clark, in Glendora to Gerald Anderson. Covina sends Cecil Burk and Monrovia Helen Reed.

district. It is expected he will speak in front of the City Hall about 1 p. m. and will welcome an opportunity to meet as many of the voters of Sierra Madre as can be there.

ST. CATHARINE'S GUILD

The St. Catharine's Guild of the Church of the Ascension met at the home of Mrs. M. D. Codd fellow Wednesday evening. Plans for future work were discussed and Dean Shaw gave a talk, after which the evening was spent informally and refreshments were served.

LOCAL MAN AMONG LEADERS

The name of Curtis H. Goodenow special agent of the New York Life Insurance appears among the list of leaders for January business. This would seem to show that the people of Sierra Madre are certainly up and coming when it comes to protecting their loved ones.

Mr. Goodenow reports that the New York Life's incoming business in January was over five and one-half millions greater than it was in December. This would tend to show that business conditions are greatly improved since the first of the year.

BY THE WAY

Are We Artificial?
Traveling east last November I chatted with a man who had spent six months in Southern California and was on his way back to a good country--Wichita Falls, Texas! The reason for his dislike of our fair state was that everything in Southern California is "too artificial." After pondering the matter three months I have concluded the man was right. For by "artificial" he simply meant different from what he had been accustomed to in Wichita Falls, though he did not realize it was simply a question of personal adjustment which he had been unable to make. All human affairs, where two or more persons have to adjust their varying natures, involves compromise and become "artificial" insofar as they are different from the unhampered expression of each individual nature. Every home, every town, every city is artificial in that sense. That is an important point to remember when we are inclined to become critical concerning what we feel is artificial. It is simply a question of selecting what is best in life and adjusting ourselves to it. Yes, thank goodness, Southern California is artificial. That is why we like it.

Vox Populi

Seems to be the fashion this year to cut out inaugural balls. Fear of being "bawled out" for extravagance, probably.

Alluring Name

The cookery expert of the Express is Kate Brew Vaughn. Is that middle name used to catch the eye of the home brew experimenters? You'd hardly believe it of such a dry paper as the Express.

Success To It

Change in the management of Orchard Camp brings to mind the fact that this is said to be the oldest camp resort in the nearby mountains. Hik-

ers who made the old trail a habit in years gone by remember the spot with gratitude for rest and refreshment on the way to Mt. Wilson. For the outer with limited time it is the most accessible of all mountain camps. Its location is a beauty spot susceptible of great development and improvement, some of which has already begun. The camp takes its name from an apple orchard planted about 1870. Some of the trees still remain as does and old split shake cabin built about the same time. Each of the camps hereabouts has its peculiar advantages and features of special attraction and Orchard Camp is far from the last.

MEN'S COMMUNITY CLUB NEXT THURSDAY NIGHT

The Men's Community club banquet and general good time will be held next Thursday night at the Congregational church. The dinner will be at 6:30 and the program will commence at 7:30. Judge Dana R. Weller, ex-judge of the Court of Appeals, will be the speaker of the evening, music will be furnished by a girls' chorus, and there will be moving pictures. Reservations for the dinner can be made at Hartman's drug store.

HELP TO PREVENT SPREAD OF DISEASE

It has come under the notice of the city nurse, and the same has been reported to her that milk bottles are being used for various purposes, other than milk (especially in the sick room.) This is a serious matter. Think of those bottles returning to you even, or to other people, with milk to drink! They contaminate "clean" bottles even, in the sterilizer.

Danger people don't realize the danger of infection through such sources. It is time they did. Think of the children. Help them to grow healthier. Give them a fair chance. It may be that some of you have thrown away those bottles but they were picked up and returned to the dairy. It is also a habit practiced by a few to spit in the sink! It is deplorable.

RE-ELECT Randall

The People's Congressman

FOR SIX YEARS Mr. Randall has faithfully represented the prevailing sentiment of the **VOTERS** of this district. He has been independent of the **BOSSSES** of all parties, which accounts for the strenuous efforts of party **BOSSSES** to manufacture sentiment against him.

REGARDING Mr. Randall's war record, President Wilson said two years ago "Mr. Randall's course in Congress has been of the highest value to the country and I should deem it a distinct loss if he were not returned to congress."

MR. RANDALL has always been nominated and elected by the free and untrammelled choice of the **VOTERS**. His opponent, Major Lineberger, was nominated in a conference of **BOSSSES** by the worst form of **MACHINE** methods, as testified by such strong Republican papers as the Long Beach Telegram and the Monrovia News.

GRAND MATRON VISITS SIERRA MADRE CHAPTER

Sierra Madre Chapter Order of Eastern Star held the regular meeting Monday night, being the occasion of the official visit of the District Deputy Grand Matron, Edythe Swanson.

The work of the Order was exemplified, after which the District Deputy spoke in a very pleasing manner of the work of the Order. At the close of the meeting an enjoyable social session was held and refreshments served.

All members of the Order are cordially invited to attend the meetings by the Worthy Matron, N. Madge Long and Worthy Patron, Frederick Vannier.

RECEPTION TO EDMUND RUSSELL

Captain and Mrs. Osgood, Mrs. Stork and Miss Bush were guests of Mr. and Mrs. Modeni Wood on Tuesday, at their home in Shatto Place, Los Angeles. The occasion was a reception given to Edmund Russell, a writer and lecturer of international reputation, an authority in the world of literature and the arts. Seventy-five guests, artists, sculptors, screen celebrities, and their friends, listened entranced to exquisite word painting by Mr. Russell, whose theme was India, whence he has recently returned. He is to lecture in San Francisco, then will return here to give courses in Los Angeles.

Mrs. Elizabeth Wood Stack, whose musical gifts are worthy of those of her parents, rendered vocal solos in a delightful and satisfying way. Her draperies in Baltic and the tortoise shell comb in her dark hair, made a picture, as she sang.

The guests were served with delicious refreshments, and the hospitable home, with its memories and trophies of Eastern and European travel, formed the setting of a twentieth century Salon of art, music and literature.

FINE MEETING EXPECTED

The Arcadia Chamber of Commerce is planning for a big meeting of the Associated Chambers of Commerce Tuesday evening, March 1. A. L. Parker, president, says that they will be ready to entertain the visitors with the best that Arcadia affords.

PARTY AT BEACH

Captain Sherman was host at a week end house party at Balboa Beach to the following young people: Misses Helen Seeley, Hermina Skvarla, Martha Sullivan and Betty De Silva of Pasadena; Messers, Emile Smith, William Schwartz, William Seeley and Louis Goff of Los Angeles.

WELL KNOWN PASADENAEN GUEST HERE

Roscoe Catelle of Pasadena was the guest of his cousins, Mrs. C. J. Stanley and family, on Saturday. Mr. Catelle has but recently returned from Algeria, Africa, where he has been engaged since the close of the war, in engineering work for the British Government. Mr. Catelle said the wages paid to an American a day are twice that paid to the Englishman, three times that of a Frenchman, five times that of an Italian and fifteen times the amount paid to a native. Mr. Catelle left Tuesday for Texas, where he has gone to look after oil interests.

MISSIONARY MEETING

The Missionary meeting held on Tuesday at the Congregational church was one of the most interesting given this year. Mrs. Carmelite B. Christie was the afternoon speaker. She told of her work as a missionary in Tarusu, Turkey, where she was engaged in spreading the gospel for forty-three years. For two years during the late war she was the only American in Tarusu.

Her daughter, Miss Jean Christie, was to have been present and spoken of her work as instructor in the Girls' College at Constantinople; but due to illness she was unable to come, but promises to come at a later date.

Mr. Tiebout read scripture from Ezekiel, 47 chapter. Miss Poline sang two solos and the Pastor, W. J. Thompson offered a prayer. Tea and wafers were served by the hostesses Mrs. L. M. Rice and Mrs. Krouter.

Cut Out Extravagance FROM STATE GOVERNMENT

It Was Done in Illinois and Should Be Done in California

Will Governor Stephens lop off scores of useless high-salaried departments from the State's payroll, and consolidate essential ones.

The King excess tax bill now pending in the State Legislature proposes to arbitrarily boost the State's 1921-1922 tax budget from \$47,000,000 to \$81,000,000.

Even allowing \$18,000,000 of this vast sum for school purposes, the proposed budget would still be \$63,000,000, or around \$16,000,000 more than last year's budget.

Governor Stephens and his friends in the California legislature are fighting to have the Legislature realize that the corporations merely pay taxes the Legislature resumes sessions, February 24th.

Will California's taxpayers, already grossly overburdened by taxes, stand for this tremendous boost in the State's budget to continue the administration's era of extravagance?

The King bill is ostensibly designed to tax the public utility corporations of the State. But when they pass this unjust and iniquitous measure when in a lump sum to the State and then collect them again from the public in turn, through added cost for service, the people—all the people—should demand the chopping off of wasteful expenditures of the people's money.

Governor Johnson's tax budget in 1915, for two years, was	\$36,000,000
Governor Stephens' tax budget for 1919, for two years, was	\$47,000,000

And Governor Stephens and his high-salaried departments demand a total of \$81,000,000 for State expenses in the next two years!

WILL YOU STAND FOR IT?

Or, will YOU write, 'phone or telegraph Governor Stephens and the legislators from YOUR district that YOU WILL NOT STAND FOR IT?

Demand Strict Economy, not Extravagance, in State Affairs!

It was done in Illinois, where 125 useless departments were eliminated, saving many millions of dollars.

It can be done in California, if YOU DEMAND IT!

GOOD LOCATION FOR A SMASH

The publisher of the News was standing near the corner of Woodland Drive and Sturtevant Trail Wednesday afternoon, when an auto of the fliver type took the corner on two wheels going up Woodland Drive. Fortune favored the driver in that there was not a machine coming down the drive. And while we were standing there two more machines passed and they heeded not the warning signs. Some day the Sierra Madre hospital will be called to accommodate people picked from smashed machines at this corner, because some idiot or idiots will collide right at this place. Traffic mushrooms and white lines painted might help a little.

THE MISSION PLAY

The magic song of the flute, the haunting melody of "La Golondrina" sung by Margaret Caraher during the Fiesat scene of The Mission Play in her powerful clear soprano voice and the rich tenor of George Willey in a Spanish love song are rare treats for music lovers. Color, laughter and music blend with the sublime story of John Steven McGroarty's pageant drama of the devotion and sacrifice of the Franciscan padres. The click of castanets, the twinkle of merry feet, the flashing smiles of lovely señoritas and the gay costumes of Spanish caballeros, savage Indian Chiefs in full war regalia, their bronze bodies gleaming in spot light as they dance to the thrumming of skin drums, all are part of one of the most spectacular scenes ever presented behind footlights. More than one hundred persons appear in the stupendous cast of the Mission Play. The powerful leading character, that of Fra Junipero is interpreted by Frederick Warde with such sincerity that the venerated padre is said to be incarnated by his admirers, in the personality of the noted Shakespearean actor. The Mission Play tells a story second only to the Passion Play of Oberammergau and its actors in the latter, by birth as well as training live their parts.

INTERESTING MEETING OF WOMAN'S GUILD

The Woman's Guild of the Church of the Ascension was entertained by Mrs. Shaw at the rectory Friday afternoon. Work was planned to be done by members during Lent for the Alaskan Indians, and the president, Mrs. Lydia Webster, read several interesting communications in regard to such work.

Mrs. J. I. Sampson, president of the Bishop's Guild in Los Angeles, who was to have been present and to have given a description of the work being done in her district was prevented from being present by illness. Misses Blanche Sead and Ethel Thornley of Canada were guests of honor, and Miss Thornley gave an informal talk describing their work for the Victoria Order of Nurses of Canada. They were sent to Northern Alberta to open a hospital and when they arrived there the thermometer registered 70 degrees below zero. They were subjected to many hardships during their two years duty there and are now enjoying a much needed rest in Sierra Madre. A short talk in regard to auxiliary work was given by Mrs. J. Stemons of Monrovia, afterwards refreshments were served by the hostess, assisted by Mesdames C. L. Drake and Tasker Webster.

Lest We Forget

Charles H. Randall voted AGAINST the declaration of war with Germany. He voted AGAINST the selective service act, which made possible the raising of the great army that smashed through to victory at Meuse-Argonne.

Walter F. Lineberger enlisted as a private, rose to a captaincy, was wounded and gassed at Lassigny, France, and came home with the rank of major of engineers.

Both men are candidates for congress at the special election, Tuesday, February 15.

SOME COCKTAIL

Guests who sat close to Major Walter Lineberger, at the recent Chamber of Commerce banquet will vouch for his wonderful gastronomic ability, and bear witness that the major was a real "dry" candidate and somewhat "het" up on this occasion. The Woman's Club committee in arranging the tables, placed goblets filled with catsup and peptic condiment at different sections. One such goblet reposed before candidate Lineberger. The major captured it. He went "over the top." He "dug in," his spoon was his trench spade. The contents disappeared and he reached his base. The young lady seated next him remarked that she might need some meat sauce. It then dawned on the congressional nominee that he had missed fire on the menu. He had mistaken the meat sauce for an oyster cocktail. He said he was puzzled over the lack of oysters. Later his capacity for water was evidenced as he reveled at the drinking fountain in the Womans Club House.

OBITUARY

Elizabeth J. Leathers, wife of Edward N. Leathers, 266 Santa Anita Court, passed away Saturday afternoon, Feb. 5th, aged 75 years.

Mrs. Leathers was born in England and very early in life came to the United States.

She is survived by her husband, Edward N. Leathers, and daughter, Miss Alice Leathers.

An impressive funeral service was held at the home, 266 Santa Anita Court on Monday February 7th at 2 p. m. The large gathering of friends and the many beautiful floral tributes bore eloquent testimony to the affection felt for one who was a real example of Christian womanhood.

Mrs. Hawks sang two beautiful solos with appropriate feeling. The Rev. W. J. Thompson, her pastor, speaking from the words, "Well Done, Good and Faithful Servant—Enter Thou into the Joy of Thy Lord" paid tribute to Mrs. Leathers Christian character, cheerfulness and courage.

Cremation took place at Forest Lawn. "They never quite leave us, such lives that have passed Though the shadows of death to the sunlight above: A thousand sweet memories we holding them fast To the places they blessed with their presence and love!"

SIGN CANNOT BE MOVED

At the regular meeting of the Chamber of Commerce at the City hall Monday night, the committee appointed to take up the matter of moving the Sierra Madre sign at the corner of Sierra Madre avenue and the Foothill boulevard, reported that Mr. Hastings, who owns the property whereon the sign is located, absolutely refused to permit the sign to be moved.

He stated to the committee that he had received many offers to have signs erected along the boulevard, but had refused each of them and he could not make an exception of the City of Sierra Madre.

Sierra Madre Chamber of Commerce.

Above is a reproduction of a postal valentine put out by the Chamber of Commerce for Invitation Day use. The governor has set February 14th as "California Invitation Day" when everyone who thinks this is a good stat eto live in is expected to send that glad message to some friend or relative in the frosty east. We all know that Sierra Madre is the best town in the best state and there's no sense being miserly about the infor-

mation. For your convenience, the Chamber of Commerce has prepared these cards so you can send the message with the minimum of effort. Write your name on the dotted line left for it—put the address on the other side, stick on a one cent stamp and start the little valentine on its way to those you think would be interested.

Cards are on sale at the Chamber of Commerce office and the News office. Do it now.

PLAYERS OPENING RECITAL

The opening recital of the course is that of Emilio de Gogorza, world-famous baritone, who comes to Monrovia on the evening of February 9. Not only will this program set a record for musical Monrovia in the entertainment of internationally celebrated soloists, but it will be the only recital of Mr. Gogorza in Southern California during his tour. He will sing with the Philharmonic in Los Angeles and Pasadena but will give no other concerts in this part of the state. This fact alone will draw the attention of the musical world of the Southland to Monrovia.

Mr. L. E. Behymer of Los Angeles who is acting as agent and assisting in the musical events of the Southland, is giving away a season ticket for the course to the most promising music student in each of the foothill towns.

Season tickets for the entire course are being sold at a marvelous low price, \$8, \$6, and a special student ticket at \$3. A great deal of interest is being manifested here in the player project and many have already purchased tickets. Included among the local people who will attend are: Mesdames Robert Bruegger, Edna Yerxa, Martha Brown, George B. Morgridge and pupils, Robert Mitchell, Elliott Rhodes, H. T. Bassett, W. R. Morgan, J. Milton Steinberger.

THREE HUNDRED ATTENDED BANQUET

Excellent Speakers, Program and Superb Musical Entertainment

The February meeting of the Associated Chambers of Commerce of San Gabriel Valley at the Sierra Madre Woman's Club House Tuesday night was the very best one that the publisher of this paper has attended since coming to California. Plates were laid for three hundred guests and there was not room enough for all those who wished to attend. There are seventeen towns in the valley who make up this association and out of the seventeen the following were represented: Arcadia, El Monte, Glendora La Verne, Monrovia, Pomona, San Dimas, West Covina. A delegation of five from San Bernardino, headed by Mr. J. E. Rich, president of the Eleventh National Orange Show, were guests of the association and speeches of invitation were given by Mr. Rich, W. L. Holmes, William Parker and Mr. C. A. Renfro. Each of the gentlemen was high in his praise of the meeting and expressed himself as being happy to be with the delegation. A sweeping invitation was extended to the people of this town to attend the show and February 23rd will be set aside for San Gabriel valley day. The valley has an exhibit in this year's show and the exhibitors hope to carry off a prize.

President of the Sierra Madre Chamber of Commerce, W. W. Felgate called the meeting to order and asked for the invocation by Rev. W. J. Thompson. President D. A. Shultis of Baldwin Park was present, and called for the reading of the minutes of the last meeting from secretary Charles Bayer of Pomona. President Shultis was absent from the San Gabriel meeting on account of sickness and in explaining his absence, stated that he was over the jump and was in just as good condition as ever.

Senator J. A. Rominger of Long Beach was present and was called upon for a discussion of the King tax bill. The Senator was emphatic in his denunciation of the unequal taxation levied upon the people and the public utilities of California. He has been opposed to the tax bill and is yet opposed to the tax bill in its present form, but is willing to help put the measure through if he can be shown that it is a good measure for all the people. He backed up his arguments by reading correspondence from various banks and representatives of public utilities. His remedies, however were weak, in that he proposed to cut off over a hundred commissions now drawing salaries from the state, but did not name the commissions. We can get along without many of the commissions, but there are many of them that we cannot get along without, especially those controlling the eleemosynary institutions.

P. S. COGSWELL, El Monte Supervisor P. F. Cogswell of El Monte was called upon and led his discussion with figures. Mr. Cogswell did not fence in his statements concerning the financial condition of Los Angeles county, but stated that if the taxes were not equalized and the money was not forthcoming to make up the budget for Los Angeles County the Board of Supervisors would be compelled to levy sufficient taxes to carry on the government of this county. In other words the county supervisors have the whack at the tax payers.

Assemblyman Henry W. Wright of Pasadena was the last speaker and he was loaded with facts, figures and correspondence. He was just as emphatic in his arguments that the public utilities were not paying their share of the taxes as Senator Rominger that the utilities were paying equally.

Mr. Wright did not offer a remedy, other than the utilities were not paying their share. His arguments were frequently interrupted with applause and we believe the man was honest in his attempt to put before the people a most important question.

It has been charged by some people that the defeat of this bill on Monday, Jan. 24th, was caused by the tremendous influence of corporation lobbyist. They came from the east, from the middle west and represented a greater aggregation of corporate interests and wealth than any which has ever visited the State Capitol at Sacramento.
