- Why we need a war here against racism and bigotry
- How media lies covered up the massacre of Iraqi people
- What the real objectives of the U.S. are in the Gulf

- Why we must support the Palestinian struggle and stop U.S. support for the Israeli occupation of the West Bank and Gaza

## **END U.S. OCCUPATION OF THE MIDDLE EAST**

U.S. propaganda concerning the battle to retrieve Kuwait is being deflated by information received from Iraq which states that it took them over 48 hours to do that. The U.S. forces and allied countries troops faced a solid Iraqi front. They are continuing the war inspite of Soviet efforts to arrive at an accommodation. They are doing that in order to humiliate Iraq and the Arab nation.

No one expected a third world nation to win against an alliance that included three of the most powerful states in the world. We supported the principle of withdrawal from Kuwait on condition of having it linked to Israeli withdrawal from the Israeli occupied territories.

We stand now at a crossroad: We stood alongside Iraq while the U.S. fought against it in order to defeat it and humilate it. We continue to stand with Iraq's right to determine the course of action it should take in dispensing with its natural resources. The PLO and Iraq together faced the U.S. in denying linkage to a political resolution that would have seen both Iraq and Israel withdraw from occupied territories. The whole world is witnessing today a linkage between Arab oil, democracy for Middle Eastern states, and the continued occupation of Palestine.

To the Palestinian and Arab Community in the U.S.A.

The people of Iraq and our Arab nation and homeland are being subjected to military aggression and was that has been imposed in order to dominate and control and dominate the natural wealth that rightfully belong to its people. They want to control the oil which is the primary source of world energy. The reactionary oil producing Arab regimes have joined the U.S. inspired war against Iraq at a time they refrained from using the oil as a weapon to liberate Palestine. As we applaud Iraq's steadfastness, and as we applaud the continuing Palestinian Intifada against occupation and U.S. aggression, we will not over-look the huge destruction that is being inflicted by the U.S. on Iraqi cities, women, children and old men.

American and Israeli supported by reactionary Arab lackeys, work at preventing food and medicine to reach the people of Iraq and of Palestine. As an expression of support to the epeople of Iraq and to national steadfastness, our community is called upon to stand in solidarity with others in Jordan, Algeria, Yemen, Jerusalem and Baghdad not only on the political and propaganda level but also through participation in demonstrations and rallies, and financial assistance.

Consequently, we declare the initiation of a campaign to collect funds for food and medecine. These funds will be collected from our Palestinian and Arab community to help Iraqi women and children. This we do to strengthen relations between Palestine and Iraq... between the Intifada in the Occupied territory, and the Iraqi steadfastness for the sake of freedom and independence to our greater Arab homeland.

## EMERGENCY APPEAL

**NOW IS THE TIME TO SHOW YOUR SUPPORT!**

With the West Bank and Gaza Strip under massive curfew for more than one month, an urgent appeal has gone out for emergency medical supplies, children's educational materials, and food. Only 10% of the 1.7 million Palestinians under occupation have received gas masks, while none have been provided to children under 15 years of age. Information coming from human rights organizations and monitoring groups working in the West Bank and Gaza Strip indicates that the living conditions of Palestinians have deteriorated dramatically, and will continue to worsen even after war in the Gulf has subsided.

◆ **Medical clinics**, committees and hospitals have been left short-staffed by curfew travel restrictions and are lacking even the most basic medical supplies. Your donation will allow health care providers to purchase essential supplies in the West Bank and Gaza and distribute first aid manuals to people in their homes, thus strengthening the weakened local economy as well as securing the needed medical aid. Medical aid to children, the majority of the population, is a priority at this time.

◆ **Food coupons** funded through donations can be used by Palestinians under curfew who are unable to earn their daily wages. While UNRWA (United Nations Relief and Works Agency for Palestine Refugees) provides basic foods like rice, milk and flour, food coupons enable Palestinian families to purchase vegetables and other foods essential for a healthy nutritional balance.

Show your support by looking over our list and mailing back your contribution with the form below indicating where you would like your donation to be spent. By contributing to these grassroots projects, you are not only responding to emergency needs but also enabling Palestinians to develop their own infrastructure and to strengthening their local economy. The threat of "transfer"—or mass expulsion—increases daily; your support is needed now more than ever. **Together, we can heed the call for support.**

## Violence Against Arab-Americans

Violence against Arabs is not only a problem overseas—it occurs in our own community. Brooklyn Arab-Americans are experiencing harassment by their neighbors and by FBI “questioning.” From name-calling at school to racist cartoons in newspapers to physical attacks on the street, they witness discrimination every day. The American-Arab Anti-Discrimination Committee has documented over 100 criminal acts against Arabs since the crisis in the Persian Gulf began. How many more incidents have gone unreported, and how many more will occur? Come to a forum to address this problem and its possible solutions.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)  
DOMESTIC SECURITY/TERRORISM INVESTIGATION  
OFFICE OF ORIGIN - NEW YORK  
DATE INVESTIGATIVE SUMMARY PREPARED:  
APRIL 10, 1991

This communication is classified "~~SECRET~~" where noted.

I. PREDICATION

The MAY 19 COMMUNIST ORGANIZATION (M19CO) came to the United States Government's attention following the October 20, 1981 robbery of a BRINKS armored car at Nanuet, New York and the subsequent murder of a BRINKS guard and two Nyack, New York police officers. Investigation into this incident determined that members of the M19CO and the Republic of New Afrika (RNA) had formed a criminal enterprise for the purpose of funding (through "expropriations", or armed robberies) their domestic terrorist organizations.

Subsequent investigation determined that this criminal enterprise committed a series of armed robberies prior to, and including the Nanuet, New York incident. Other acts include murders, bombings, conspiracy, theft and storage of explosives, possession and interstate transportation of weapons and explosives, and the manufacture of false identification. The purpose for this criminal enterprise, it has been determined, through evidence and statements of the M19CO members, is to effect the overthrow of the United States Government.

Since the initial authorization for a domestic security/terrorism investigation, the M19CO has been the subject of continual investigation, renewal authority for which has been obtained at 180-day intervals. Current authorization for this investigation was granted October 10, 1990, extended to expire April 18, 1991.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

## II. BACKGROUND

The M19CO is a Marxist-Leninist group that advocates the violent overthrow of the United States government through armed struggle and revolution. Members of the M19CO have been involved in violent criminal activity to include bombings, armored truck and bank robberies and the possession of explosives and firearms. A "member" is defined as one of the individuals composing a group, enterprise or organization, in this case the M19CO or a person who knowingly acts in furtherance of the group's goals and objectives. The M19CO has openly published a list of members and supporters by geographic location in an open letter on Page 8 of The Daily Texan, Austin, Texas, on January 25, 1983. These geographic locations include the states of Connecticut, Illinois, Maryland, Massachusetts, New York, Wisconsin and Washington, D.C.

Members of the M19CO are linked through evidence to known domestic terrorist organizations such as the New Afrikan Freedom Fighters (NAFF), a clandestine organization comprised primarily of black revolutionaries engaged in terrorist activities, and the Fuerzas Armadas De Liberacion Nacional (FALN), an armed clandestine Puerto Rican terrorist group dedicated to end the US control of Puerto Rico. Both the FALN and NAFF are currently subjects of Domestic Security/Terrorism investigations.

The M19CO evolved directly from the Weatherman Underground Organization (WUO), and the Prairie Fire Organizing Committee (PFOC). The criminal activity of the M19CO had its beginning in the late 1970s. Since then, M19CO members have been convicted in state and federal court of bombings and murder. These M19CO members are serving lengthy prison sentences and continue to characterize themselves as "revolutionaries." They espouse the "armed struggle" and continue to communicate with other non-incarcerated M19CO members who are also believed to be engaged in criminal activity which includes force and violence, in whole or in part, to further their revolutionary goals.

This escape was supported through vehicle surveillance and transport by MARILYN JEAN BUCK, [redacted] BUCK [redacted] are known members of the M19CO and are currently serving long prison sentences for the murders of two (2) Nyack, New York Police Officers and one (1) Brinks Armored Car guard.

On February 29, 1980, M19CO members MARILYN JEAN BUCK and [redacted] participated with the "Family" (namely, [redacted] in an aborted attempt to rob a COIN DEPOT armored truck at Greenburgh, New York.

Between February 29 and March 3, 1980, explosives and other items were stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas. Specifically, ten cases (500 pounds) of Hercules Unigel dynamite with approximately 90 to 100 sticks of dynamite per 50 pound case; two-1000 foot spools of primacord (a high

explosive), six (6) boxes of blasting caps comprised of 25 blasting caps per box; and two detonators or blasting machines (one electric and one plunger-type), were stolen during this theft. This theft, as set forth later in this document, was attributed to members of the M19CO.

On September 26, 1981, five M19CO members were arrested in an altercation with New York/New Jersey Port Authority Police at JOHN F. KENNEDY INTERNATIONAL AIRPORT, Queens, New York during a protest of the visiting South African SpringBok rugby team. During this demonstration, a caustic substance was thrown in the face of a Port Authority police officer, blinding him. Arrested on riot and assault charges were M19CO members [redacted]

[redacted] and [redacted]. Four were sentenced to six-month and 18-month jail terms on these charges. [redacted] Identification Order Number [redacted] is currently the subject of an Unlawful Flight to Avoid Prosecution warrant (UFAP) issued September 14, 1982, by the Eastern District of New York (EDNY).

On October 20, 1981, a BRINKS armored car robbery was committed in Nanuet, New York, during which a BRINKS guard was murdered and another was seriously injured. Shortly after the robbery, a number of suspects were stopped at a roadblock in Nyack, New York, by Nyack police officers. These suspect individuals opened fire and killed two Nyack, New York police officers and wounded a third police officer. One of these individuals, M19CO member [redacted] was arrested near the scene of the shootout. [redacted] had been a Weather Underground Organization fugitive since 1970 and had not been seen prior to her 1981 arrest in Nyack, New York. Two other M19CO members who were involved, [redacted] and [redacted] were arrested a few miles from the scene of the shootout, when the vehicle in which they were escaping crashed. This vehicle was registered to New York M19CO member [redacted]. The latent fingerprints of M19CO member [redacted] were identified on maps and other items located inside this vehicle. Investigation following these robbery/murders resulted in the identification of other M19CO members, to include, MARILYN JEAN BUCK, [redacted] and

[redacted] as participants in these crimes. It was also determined that these M19CO members were part of a larger criminal enterprise known amongst themselves as the "collective" or "family". This case has been FBI case captioned, NYROB.

b6  
b7C

On November 5, 1981, a communique was received by a New York radio station stating the October 20, 1981 BRINKS robbery was a joint effort of black and white combatants who were all members of the Revolutionary Armed Task Force, stating further that robbery was part of their larger plan to "accumulate millions of dollars."

On February 28, 1982, a series of four bombs exploded in the financial district of New York City, causing damage to the MERRILL LYNCH building, the CHASE MANHATTAN PLAZA, the NEW YORK STOCK EXCHANGE, and the AMERICAN STOCK EXCHANGE. These bombings have been FBI case captioned, STOCKBOM. A five-page communique was left in a telephone booth on Riverside Drive in Manhattan, stating the FALN was responsible for the bombings. On November 9, 1982, a federal search warrant was issued for the residence of M19CO member [redacted]

[redacted] New York, New York. Nine items were seized pertaining to the bombings including a cut-and-paste communication identical to the FALN communique, and what was later determined to be an exact carbon of that original communique. Latent fingerprint analysis of this communique by the FBI Laboratory, Latent Fingerprint Section, determined that latent prints found on the communique

convicted and jailed for contempt of Grand Jury.

On March 26, 1982, a battery operated detonator, stolen  
in the same 1980 theft from the BLAND CONSTRUCTION COMPANY, was  
recovered in the search of the safehouse apartment of BRINKS  
armored car robbery suspect [redacted] an [redacted]  
[redacted] at [redacted] New York, New York.

On New Year's Eve in 1982, the Fuerzas Armadas De  
Liberacion Nacional Puertorriquena (FALN) claimed responsibility  
for four bombings in New York City at the following locations:  
One Police Plaza (NYC Police Department Headquarters); 26 Federal  
Plaza (FBI Offices); and United States District Court, Eastern  
District of New York. These bombings have been FBI case  
captioned, EVEBOM, and resulted in the serious and permanent  
injury and maiming of four (4) New York City Police Officers.  
One improvised explosive device (IED) consisting of four sticks  
of dynamite was recovered by the New York City Police Bomb Squad  
from the plaza of the United States Attorney's Office, Southern  
District of New York, One St. Andrew's Plaza. It was determined  
that the IED was designed to detonate at the same time as the  
other four bombings. The dynamite recovered from this unexploded  
fifth device was positively identified by the FBI laboratory,  
Explosives Unit, in Washington, D.C, as being identical to the  
previously described Hercules dynamite stolen at the BLAND  
Construction Company in Austin, Texas during 1980.

On January 28, 1983, a bomb exploded in the ladies room  
adjacent to the offices of the FBI, Staten Island, New York.  
Responsibility for this was claimed by the Revolutionary Fighting

On November 7, 1983, a bomb exploded within the US Capitol in Washington, D.C. This bombing was claimed by the Armed Resistance Unit (ARU) by a written communique.

On April 5, 1984, a bomb exploded at the office of ISRAELI AIRCRAFT INDUSTRIES, 50 West 23rd Street, New York, New York. Claiming responsibility for this through a written communique was the Red Guerilla Resistance (RGR).

On April 24, 1984, a bomb exploded in the Officers Club at the Washington Navy Yard in Washington, D.C. This bombing was claimed by the Red Guerrilla Resistance (RGR).

On September 2, 1984, M19CO members [redacted] and ALAN BERKMAN, armed with handguns, robbed a grocery store in Cromwell, Connecticut, posing as Drug Enforcement Administration (DEA) Special Agents trying to serve a search warrant. The "warrant" was inadvertently left at the location after BERKMAN and [redacted] panicked during the robbery. BERKMAN's fingerprints on b6 this document, plus a positive photographic identification of b7C [redacted] tied them both to this robbery. BERKMAN pleaded Nolo Contendere (guilty) to robbery in the first degree on March 17, 1988, and was sentenced to five years imprisonment on May 18, 1988. [redacted] was never tried for this crime.

On November 24, 1984, M19CO members, [redacted] and [redacted] were arrested in Cherry Hill, New Jersey. Searches conducted incidental to this arrest of a vehicle, trailer and storage bin, resulted in the recovery of over 600 pounds of explosives, of which approximately 100 pounds was identical to the Hercules dynamite stolen in 1980 at the BLAND CONSTRUCTION COMPANY in Austin, Texas.

On February 23, 1985, a bomb exploded in the ladies room adjacent to the Police Benevolent Association (PBA) offices, 250 Broadway, New York, New York. Claiming responsibility for this through a written communique was the RGR.

On May 11, 1985, MARILYN JEAN BUCK and [redacted] were arrested at Dobbs Ferry, New York. BUCK was a Federal fugitive at the time. [redacted] was subsequently charged with harboring. The vehicle they were driving was registered to [redacted] known alias for M19CO member [redacted]. Both BUCK and [redacted] were armed with handguns when arrested.

In conjunction with the arrest of BUCK and [redacted] on May 11, 1985, a search warrant was issued for a safehouse located at [redacted] Baltimore, Maryland. Located in this safehouse at the time the warrant was served was M19CO member [redacted]. The FBI previously believed [redacted] had gone underground as she had not been seen for several years. [redacted] also assaulted the FBI agents when they forcefully entered the Alameda apartment, and attempted to escape twice from the FBI agents transporting her to the Baltimore FBI office. Among items seized was a [redacted] employee identification card for M19CO member [redacted] to include written instructions which were later determined to be [redacted] handwriting. These instructions indicated the use of a telephone truck, and the location of underground cables to the HOLMES PROTECTION AGENCY, New York, New York, with the words, "If a stick of dynamite is strapped to the cable and lit, the whole central office will blow up putting out most of Manhattan."

Another item obtained during this search included a coded message, deciphered by the FBI Laboratory to read: "Did you hear we bombed the PBA Office in support of the struggle against killer cops?" Also found was a written communication stating:

"...We would like to more formally describe our organization, the Red Guerilla Resistance. We are a clandestine Communist political/military organization. We are comprised of revolutionaries from the North American oppressor nation. A number of our members were formerly part of May 19, but we have been a totally independent organization for the last two years. During this time we have tried to consolidate a rudimentary political and military infra-structure as well as obtain the skills necessary to survive. We have done a number of armed propaganda actions claimed under the names of the Revolutionary Fighting Group, the Armed Resistance Unit, and more recently, the RGR."

On May 23, 1985, M19CO member [redacted] was arrested with FBI fugitive and M19CO member ALAN BERKMAN at Doylestown, Pennsylvania. Both were carrying numerous pieces of false identification and three loaded weapons, including a sawed-off shotgun. After being charged with federal firearms violations, harboring a fugitive and false identity statutes, [redacted] was released to the custody of her sister, and has since jumped bail. A warrant was issued by the Eastern District of Pennsylvania (EDPA) on October 13, 1985, and [redacted] (Identification Order Number [redacted] remains the subject of an extensive fugitive investigation. BERKMAN was successfully prosecuted and was sentenced to ten (10) years.

In August of 1986, a storage space was opened by the owner of a public storage facility in Santa Fe Springs, California, based on non-payment of rent. It was determined that a locker in that storage space contained dynamite and the resulting investigation positively identified the dynamite as part of the same Hercules dynamite which was stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas, during 1980. Subsequent investigation by the FBI in California and Pennsylvania resulted in the belief that this storage locker in California had been rented by [redacted] using an alias. [redacted] is currently a FBI Top Ten Fugitive and is a known member of the Prairie Fire Organizing Committee (PFOC). The PFOC is known through investigation to be the West-coast faction of the M19CO. Members of both M19CO and PFOC once compromised the Weather Underground Organization (WUO). The WUO claimed responsibility for over twenty-six (26) bombings from early 1969 to 1975. Despite the above-mentioned seizures, the entire amount of explosives stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas, in 1980 has not been fully accounted for.

b6  
b7C

Therefore, based on arrests and recoveries of stolen explosives as described in the preceding paragraphs, two conclusions have been drawn: That members of the M19CO have and continue to be in the possession of stolen explosives, and that other criminal enterprises under FBI investigation have also come into the possession of these same explosives and thereafter utilized these explosives in their criminal activities. As further proof of the M19CO's connection to these stolen explosives, the FBI has learned through investigation that certain core leaders of the M19CO are either from or have resided in or around Austin, Texas, during the time period when the theft occurred.

These incidents are examples of the criminal activity engaged in by members of the M19CO in New York. Although some have been prosecuted and jailed for their actions, there is no indication their goals of revolution through force or violence have changed, nor those of the remainder of the organization.

#### IV. Finances of the Group

As stated in the predication section, the M19CO has previously depended upon "expropriations" or armed robberies, in cooperation with other domestic terrorist groups, to generate funds for the organization. After the successful government prosecutions of members for these "expropriations" the M19CO has been forced to resort to more legitimate means for funding. There have, however, been four (4) armored car robberies, specifically in Baltimore, Minneapolis and Buffalo, New York which bear some resemblance to robberies involving the M19CO in the past. Investigators are pursuing this as a possibility. The Minneapolis robberies occurred on April 1988 and March, 1989, in which \$100,00.00 - \$200,00.00 was taken and one armored car company guard was wounded. The most recent armored car robbery occurred on December 11, 1990, in Buffalo, New York during which \$1.6 million was stolen and the method utilized by the robbers seem to be identical with the Minneapolis robberies.

Unknown, but apparently financial considerations, caused the M19CO to move their offices from 326 Livingston Street, Brooklyn, New York to 243 West 98th Street, Apartment 5C, New York, New York several years ago. This apartment was purchased in the name of [REDACTED] and is occupied by [REDACTED] and [REDACTED] all M19CO members. Most of the M19CO administrative business seems to be conducted at this location. Both New York and Chicago chapters are run by member contributed funds, earned through mainstream employment. The communal living arrangements exercised by all chapters not only increase control over members, but also reduce the individual's living expenses, so as to allow more money for organization offers.

This meeting, in general, shows the continued interaction between these Domestic Terrorist organizations as well as the support for each group's individual causes.

V. Geographical Dimensions of the Group

The M19CO maintains its most active chapters in New York City and Chicago. Although numerous activities have been planned to include members from both chapters, source information indicates there is limited day-to-day coordination between these groups.

Investigation at Minneapolis, Minnesota has indicated a support base for M19CO members from New York City and Chicago who traveled to that area, however there is yet no confirmation on an organized chapter. Minneapolis M19CO supporters would include

Investigative analysis has determined a significant exodus of former Los Angeles PFOC and M19CO members from Los Angeles to Chicago during the past five years. [redacted] and [redacted] relocated in 1987; [redacted] and [redacted] moved in 1986; and [redacted] moved to Chicago in 1985. CHICAGO investigators have speculated these people represent the above-ground support system for previously mentioned FBI Top Ten Fugitives, [redacted] and four of their fugitive associates commonly referred to as the Sequel Six Fugitives, and their relocation possibly signaling similar relocation of these fugitives. Surveillance efforts attempted periodically by the Chicago Office have determined these people to be astutely surveillance conscious.

The JBAKC has active chapters in New York City, San Francisco, and Austin, Texas. As shown previously, certain persons from both chapters maintain dual membership in the M19CO. Similarly, many M19CO members maintain dual membership in the PFOC.

Although investigation has determined that each group (M19CO, JBAKC and PFOC) and chapter are separate administrative entities, certain members are mobilized to contact and establish liaison between the chapters and groups across the country. [redacted] former New York M19CO member, is now affiliated with the San Francisco JBAKC/PFOC chapter. Additionally, New York

VI. Planned Activities and Goals of the Group

As stated previously, the M19CO's basic goal is to achieve political change in the United States Government through force or violence. Short-term objectives in furtherance of this goal include the close monitoring of any Federal, State or local investigations and/or prosecutions of group members, or members of allied organizations such as the MLN, the FALN, the NAFF and the United Freedom Front (UFF).

Additionally, the M19CO seeks release of presently incarcerated group members and others deemed "political prisoners." A successful campaign by the M19CO to close the Women's Control Unit at the Lexington, Kentucky federal prison gained momentum and national attention through M19CO efforts. Also, a primary objective of the M19CO is the maintenance of a complex underground support structure for fugitives within their ranks. This structure, developed and refined over the past twenty years, consists of multiple information relay points, false identification outlets, and moving residences for members actively sought by law enforcement agencies. M19CO members who seem to have disappeared from their usual attendance at M19CO functions, support this "underground" network of support.

For example, [redacted] "disappeared" for several years and was found in the M19CO Baltimore safehouse in support of FBI fugitives MARILYN JEAN BUCK and [redacted] dropped from sight in 1983 only to reappear accompanying FBI fugitive ALAN BERKMAN. The latent fingerprints of [redacted] were found at both of these locations indicates that she was also being supported by this "underground" fugitive network. [redacted] is still a FBI fugitive (since 1982) and [redacted] became a FBI fugitive in 1985, when she failed to show for trial.

VII. Association with Other Organizations/Groups

As stated in the introduction, the M19CO has continually provided support to the FALN, the MLN, PFOC, UFF, NAFF and NAPO. The M19CO is supportive of activities promoting the Sandinista Government in Nicaragua, promoting the armed clandestine movement in Puerto Rico; promoting the PROVISIONAL IRISH REPUBLICAN ARMY (PIRA), protesting U.S. policy and actions against Libya; protesting treatment being afforded "political prisoners" in U.S. prisons, and promoting activities which are anti-U.S. military and anti-nuclear power.

The United Freedom Front was a terrorist organization responsible for 10 bombings and one attempted bombing in the greater New York area between December 12, 1982 and September 26, 1984. Its seven members were convicted on March 7, 1986 in the Eastern District of New York on various bombing and conspiracy counts. UFF members, [redacted] and [redacted] were each sentenced to 45 years imprisonment; [redacted] and [redacted] were sentenced to 53 years; and [redacted] and [redacted] were sentenced to 15 years

[redacted] is scheduled for trial in late April, 1991, for this participation in that same murder. [redacted] received a life sentence which he is currently serving in a New Jersey State Prison.

M19CO members have maintained frequent communications, both written and in person, with the incarcerated UFF members. These M19CO members include [redacted]

M19CO [REDACTED] has been known to travel abroad to third world countries in Africa and South America to allegedly meet revolutionary nationals, and has been associated with the notorious Japanese Red Army (JRA), based out of Lebanon. The JRA is described as an international terrorist group which has been responsible for several violent crimes to include the May 30, 1977 machine-gun ambush at Lod Airport, Israel, in which twenty-six (26) innocent people were killed:

A known JRA member and Japanese national, [REDACTED] was arrested by the New Jersey State Police on April 12, 1988 for possession of explosives, bomb construction paraphernalia and false identification. It is known from past investigation of two successful escapes that M19CO members played crucial surveillance, transportation and harboring roles.

On April 20, 1988, a federal grand jury in the District of Columbia, Washington, DC, returned indictments charging seven (7) defendants who were also recognized as members of the May 19th Communist Organization, with acts of violence against the united states, including the bombing of the U.S. Capitol on November 7, 1983. These M19CO members including, [redacted] [redacted] MARILYN BUCK, [redacted] [redacted] ALAN BERKMAN and [redacted] were charged in a

five-count indictment, to include participation in a far-reaching conspiracy to bomb various government and private buildings.

This indictment charges that these M19CO members and their co-conspirators were part of a secret organization which described itself as a "communist politico/military organization" and which operated under the names, Revolutionary Fighting Group (RFG), Armed Resistance Unit (ARU) and the Red Guerilla Resistance (RGR). The indictment also charges that as a part of their program of "armed propaganda", and placing and detonating explosives at specific locations, these M19CO members made extensive use of false identification to evade surveillance and detection by law enforcement authorities.

On May 25, 1988, a arraignment was held at the United States District Court (USDC), Washington, DC for six of the defendants, as [ ] is still a current fugitive. Each defendant introduced themselves to the court as "prisoners of war" and advised they would not recognize the jurisdiction of the court.

b6  
b7C

After over a year of delays and appeals, during which a trial date was never set, the government entered into a plea agreement with the six defendants.

The government accepted a guilty plea from defendants, [ ] and BUCK for one count of conspiracy to destroy federal and private property by means of bombing and one count of malicious destruction of federal property in the bombing of the U.S. Capitol building in 1983. In addition, [ ] pled guilty to a one count of fraud relating to the use of false identification featured in another indictment originating in Baltimore, MD.

b6

In this same agreement, bombing charges against BERKMAN, [ ] and [ ] were dismissed.

The Red Army Faction (RAF) has recently claimed an attack on the U.S. Embassy in Bonn, Germany in February of 1991 and the assassination of a well-known German industrialist on April 2, 1991. On December 5, 1990 [redacted] (DOB [redacted]) and [redacted] (DOB [redacted]) were denied entry into the United States at John F. Kennedy International Airport. As a result of this International Tribunal in NYC on December 7-10, 1990, the Tribunal jury determined that the U.S. government criminalizes and imprisons persons who legitimately struggle for national liberation. These persons, or prisoners of

war (POW's) exist in substantial numbers in U.S. jails and prisons where they have been incarcerated for their opposition to U.S. government policies and actions. These POW's have also been subjected to disproportionately lengthy prison sentences and to torture, inhumane and degrading treatment within the U.S. Criminal Justice System.

The Tribunal called on the U.S. government to release all prisoners who have been incarcerated in opposition to U.S. policies and practices. It also calls for the end of all U.S. government interference and repression against political movements aimed at the same U.S. policies and practices.

It should be noted that these persons are incarcerated for crimes of armed robbery to murder.

With regard to M19CO activity following the December, 1990 Tribunal in New York City, investigation has revealed an increased amount of travel by various M19CO members and associates, (MLN, FALN, etc) to overseas destinations such as Cuba, Puerto Rico, Germany, as well as to approximately 13 other cities and countries. Also in early APRIL, 1991, source information in San Antonio determined that a document entitled "HOW TO AVOID BEING INTERVIEWED BY THE FBI" was to be circulated to M19CO/JBAKC members. Included in his handout was a toll-free telephone number to call in the event the event the FBI did attempt an interview.

Continued investigation by New York and various other FBI field offices continues to show that the M19CO is still a viable organization operating as a number of smaller, committee-type structures and has even established new "above ground" factions such as the Committee for Puerto Rican Independence and Lesbians Against Imperialism. The M19CO also continues to develop and utilize a covert-type of communication network with other M19CO members and associates on a national scale. In addition, as a viable and efficient organization, the M19CO continues to show organizational and monetary support for other domestic terrorist groups such as the MLN in Chicago, the PFOC in San Francisco and the JBAKC in Texas.

IV. Justification of Continuation of Investigation

The M19CO has consistently stated that United States imperialism is a major issue to be attacked, and that "armed struggle" is the only way to achieve its goals. It has violently opposed United States involvement in Central America and supported Puerto Rican independence through violent actions. It has consistently aligned itself with other groups, including international groups committed to armed resistance. It has used these issues as ideological underpinnings for a hard-core revolutionary movement dedicated to the overthrow of the United States Government. Past participation in criminal activities by

M19CO members coupled with their continued violent rhetoric indicates the group's willingness to use force to achieve its goals.

The recent investigative efforts into the activities of [redacted] show strong evidence of a nationwide support group to assist [redacted] and support of other clandestine activities of the M19CO and other domestic terrorism organizations.

b6  
b7C

M19CO contacts with other domestic and international terrorist organizations, or governments supporting terrorism as documented above, reveal a definite trend towards forming affiliations to further their terrorist objectives.

The regular public forum presentations by Chicago M19CO leader [redacted] and [redacted] articulate the support of armed struggle for Puerto Rican independence and other causes, establishes that the M19CO has not waived from its embrace of violence as a means to an end.

b6  
b7C

The above developments, coupled with the continued fugitive status of M19CO members [redacted] and the positive connection with the FBI Top Ten Fugitive, [redacted] provide strong evidence that the M19CO is a viable criminal enterprise deserving of continued federal investigative interest.

MAY 19TH COMMUNIST ORGANIZATION  
DOMESTIC SECURITY/TERRORISM INVESTIGATION  
OFFICE OF ORIGIN: NEW YORK

October 1, 1991

I. PREDICATION

The MAY 19TH COMMUNIST ORGANIZATION (M19CO) came to the United States Government's attention following the October 20, 1981 robbery of a BRINKS armored car at Nanuet, New York and the subsequent murder of a BRINKS guard and two Nyack, New York police officers. Investigation into this incident determined that members of the M19CO and the Republic of New Africa (RNA) had formed a criminal enterprise for the purpose of funding (through "expropriations" or armed robberies) their domestic terrorist organizations.

Subsequent investigation determined that this enterprise committed a series of armed robberies prior to, and including the Nanuet, New York incident. Other acts include murders, bombings, conspiracy, theft and storage of explosives, possession and interstate transportation of weapons and explosives, and the manufacture of false identification. It has been determined through evidence and statements of the M19CO members that the purpose of this criminal enterprise is to effect the overthrow of the United States Government.

Since the initial authorization for a domestic security/terrorism investigation, the M19CO has been the subject of continual investigation, renewal authority for which has been obtained at 180-day intervals. Current authorization for this investigation was granted June 25, 1982, extended to expire October 30, 1991.

II. BACKGROUND INFORMATION OF GROUP

1. Finances of the May 19th Communist Organization:

The M19CO has previously depended upon "expropriations" or armed robberies, in cooperation with other domestic terrorist groups, to generate funds for the organization. After successful government prosecutions of members for these "expropriations" the M19CO has been forced to resort to more legitimate means for funding. There have, however, been four (4) armored car robberies, specifically in Baltimore, Minneapolis and Buffalo, which bear some resemblance to robberies involving the M19CO in the past. Investigators are pursuing this as a possibility. The Minneapolis robberies occurred on April, 1988 and March, 1989, in which \$100,000.00 - \$200,000.00 was taken and one guard was wounded. The most recent armored car robbery occurred on December 11, 1990, in Buffalo, New York during which \$1.6 million was stolen and the method utilized by the robbers apparently was identical with the Minneapolis robberies.

The M19CO moved their offices several years ago from [redacted] Brooklyn, New York to [redacted] New York, New York for unknown, but apparently financial considerations. This apartment was purchased in the name of [redacted]

[redacted] It is now occupied by [redacted] and M19CO members [redacted] Most of the M19CO

[redacted] at this location, as indicated by the telephone activity and T-1 advised [redacted]

[redacted] M19CO chapters located in New York and Chicago are maintained through member contributed funds, which seems to be earned through mainstream employment. The communal living arrangements exercised by all chapters not only increases the organization's control over members but also reduces each individual's living expenses, so as to make more funds available for organizational activities.

Investigation has determined that some members earn a limited amount from speaking engagements on various university campuses. Chicago M19CO member [redacted]

## 2. Criminal Acts of the M19CO:

The M19CO is a Marxist-Leninist group that advocates the violent overthrow of the United States government through armed struggle and revolution. Numerous members of the M19CO have been involved in violent criminal activity to include bombings, armored truck and bank robberies and the possession of explosives and firearms. A "member" is defined as one of the individuals composing a group, enterprise or organization or a person who knowingly acts in furtherance of the group's goals and objectives. The M19CO has openly published a list of members and supporters by geographic location in an open letter on page 8 of The Daily Texan, Austin, Texas, on January 25, 1983. These geographic locations include the states of Connecticut, Illinois, Maryland, Massachusetts, New York, Wisconsin and the District of Columbia in Washington.

Members of the M19CO are linked through evidence to known domestic terrorist organizations such as the New African Freedom Fighters (NAFF), a clandestine organization comprised primarily of black revolutionaries engaged in terrorist activities, and the Fuerzas Armadas De Liberacion Nacional (FALN), an armed clandestine Puerto Rican terrorist group dedicated to end the United States control of Puerto Rico. Both the FALN and NAFF are currently subjects of Domestic Security/Terrorism investigations.

The M19CO evolved directly from the Weatherman Underground Organization (WUO). The criminal activity of the M19CO had its beginning in the late 1970's. Since then, M19CO members have been convicted in state and federal court of bombings and murder. These M19CO members are serving lengthy prison sentences and continue to characterize themselves as "revolutionaries." They espouse "armed struggle" and continue to communicate with other non-incarcerated M19CO members who are believed to be engaged in criminal activity involving force and violence in furtherance of their revolutionary goals.

On [redacted] M19CO members MARILYN JEAN BUCK and [redacted] participated with the "Family" (RNA members [redacted]) in an aborted attempt to rob a COIN DEPOT armored truck at Greenburgh, New York.

Between February 29 and March 3, 1980, explosives and other items were stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas. Stolen during this theft were ten cases (500 pounds) of Hercules Unigel dynamite with approximately 90 to 100 sticks of dynamite per 50 pound case; two-1000 foot spools of primacord (a high explosive) six (6) boxes of blasting caps comprised of 25 blasting caps per box; and two detonators or

blasting machines (one electric and on plunger-type). This theft, as set forth later in this document, was attributed to members of the M19CO.

On [redacted] five M19CO members were arrested in an altercation with New York/New Jersey Port Authority Police at JOHN F. KENNEDY INTERNATIONAL AIRPORT (JFKIA), Queens, New York during a protest of the visiting South African Springbok Rugby Team. During this M19CO sponsored demonstration, a caustic substance was thrown in the face of a Port Authority police officer, blinding him. On October 20, 1981, a BRINKS armored car robbery was committed in Nanuet, New York, during which a BRINKS guard was murdered and another was seriously injured. Shortly after the robbery, a number of suspects were stopped at a roadblock in Nyack, New York, by Nyack police officers. These suspect individuals opened fire and killed two Nyack, New York police officers and wounded a third police officer. One of these individuals, M19CO member [redacted] was arrested near the scene of the shootout. [redacted] had been a [redacted] and FBI fugitive since [redacted] and had not been seen prior to her arrest in Nyack, New York. Two other M19CO members who were involved, [redacted] and [redacted] were arrested a few miles from the scene of the shootout, when the vehicle in which they were escaping crashed. This vehicle was registered to New York M19CO member [redacted]. The latent fingerprints of M19CO member [redacted] were identified on maps and other items located inside this vehicle. Investigation following these robbery/murders resulted in the identification of other M19CO members, to include, MARILYN JEAN BUCK, [redacted] and [redacted] as participants in these crimes. It was also determined that these M19CO members were part of a larger criminal enterprise known amongst themselves as the "collective" or "family". This case has been FBI case captioned, NYROB.

Following his arrest for bank robbery in December of 1981, "collective" member [redacted] began cooperating with the Federal Bureau of Investigation (FBI). [redacted] further advised that the "collective" was also responsible for forcibly freeing and harboring "collective" member [redacted] from a New Jersey State prison in 1979, where she had been serving a life sentence for the murder of a New Jersey State Trooper.

On February 28, 1982, a series of four bombs exploded in the financial district of New York City, causing damage to the MERRILL LYNCH building, the CHASE MANHATTAN PLAZA, the NEW YORK STOCK EXCHANGE, and the AMERICAN STOCK EXCHANGE. These bombings have been FBI case captioned, STOCKBOM. A five-page communique was left in a telephone booth on Riverside Drive in Manhattan, stating the FALN was responsible for the bombings. On November 9, 1982, a federal search warrant was issued for the New York City residence of M19CO member [redacted]. Nine items were seized pertaining to STOCKBOM including a cut-and-paste communique identical to the FALN communique, and which was later determined by the FBI Laboratory to be an exact carbon of that original communique. Latent fingerprint analysis of this communique by the FBI Laboratory, Latent Fingerprint Section, determined that latent prints found on the communique were identical with M19CO members [redacted] and [redacted]. With this evidence, [redacted] and [redacted] were indicted to testify before a Eastern District of New York (EDNY), Federal Grand Jury that was investigating the bombings. Both [redacted] and [redacted] refused to testify and were subsequently convicted and jailed for contempt of Grand Jury. They were later released after serving 18 month sentences.

On New Year's Eve in 1982, the Fuerzas Armadas De Liberacion Nacional Puertorriquena (FALN) claimed responsibility for four bombings in New York City (NYC) at the following locations: One Police Plaza (NYC Police Department Headquarters); 26 Federal Plaza (FBI Offices); the U.S. Attorney's Office, Southern District of New York (SDNY); and United States District Court, Eastern District of New York (EDNY). These bombings have been FBI case captioned, EVEBOM, and resulted in the serious permanent injury and maiming of four (4) New York City Police Officers. A fifth improvised explosive device (IED) consisting of four sticks of dynamite was recovered by the New York City Police Bomb Squad from the plaza of the United States Attorney's Office, Southern District of New York, One St. Andrew's Plaza. It was later determined that this IED was designed to detonate at the same time as the other four bombs, but did not detonate due to a faulty electrical connection. The dynamite recovered from this unexploded fifth device was positively identified by the FBI laboratory, Explosives Unit, in Washington, D.C. as being identical to the previously described Hercules dynamite stolen at the BLAND CONSTRUCTION COMPANY in Austin, Texas during 1980.

On January 28, 1983, a bomb exploded in the ladies room adjacent to the resident agency (RA) offices of the FBI, Staten Island, New York. Responsibility for this was claimed by the Revolutionary Fighting Group (RFG) through a written communique.

On September 2, 1984, M19CO members [redacted] and ALAN BERKMAN, armed with handguns, robbed a grocery store in Cromwell, Connecticut. Both were posing as Drug Enforcement Administration (DEA) Special Agents trying to serve a search warrant. The "warrant" was inadvertently left at the location after BERKMAN and [redacted] panicked during the robbery. BERKMAN's fingerprints on this document, plus a positive photographic identification of [redacted] tied them both to this robbery. BERKMAN pleaded Nolo Contendere (guilty) to robbery in the first degree on March 17, 1988, and was sentenced to five years imprisonment on May 18, 1988. [redacted] was never tried for this crime.

On February 23, 1985, a bomb exploded in the ladies room adjacent to the POLICE BENEVOLENT ASSOCIATION (PBA) offices, 250 Broadway, New York, New York. Claiming responsibility for this through a written communique was the RGR.

On May 11, 1985, MARILYN JEAN BUCK and [redacted] were arrested at Dobbs Ferry, New York. BUCK was a Federal fugitive at the time. [redacted] was subsequently charged with harboring. The vehicle they were driving was registered to [redacted] a known alias for M19CO member [redacted]. Both BUCK and [redacted] were armed with handguns when arrested.

In conjunction with the arrest of BUCK and [redacted] on May 11, 1985, a search warrant was issued for a safehouse apartment located at 5714 The Alameda, in Baltimore, Maryland. Located in this safehouse at the time the warrant was served was M19CO member [redacted]. The FBI previously believed [redacted] had gone underground as she had not been seen for several years. [redacted] also assaulted the FBI agents when they forcefully entered the Alameda apartment, and attempted to escape twice from the FBI agents transporting her to Baltimore FBI office. Among

other items seized in the apartment pursuant to a Federal Search Warrant, was a [redacted] employee identification card for M19CO member [redacted] to include handwritten instructions which were later determined to be in [redacted] handwriting. These instructions indicated the use of a New York Telephone Company truck, and the location of underground cables to the HOLMES PROTECTION AGENCY, New York, New York, with the words, "If a stick of dynamite is strapped to the cable and lit, the whole central office will blow up putting out most of Manhattan."

Another item obtained during this search of this Baltimore apartment included a coded message, deciphered by the FBI Laboratory to read: "Did you hear we bombed the PBA Office in support of the struggle against killer cops?" Also found was a written communication stating:

"...We would like to more formally describe our organization, the Red Guerilla Resistance. We are a clandestine Communist political/military organization. We are comprised of revolutionaries from the North American oppressor nation. A number of our members were formerly part of May 19, but we have been a totally independent organization for the last two years. During this time we have tried to consolidate a rudimentary political and military infra-structure as well as obtain the skills necessary to survive. We have done a number of armed propaganda actions claimed under the names of the Revolutionary Fighting Group, the Armed Resistance Unit, and more recently, the RGR".

On [redacted] M19CO member [redacted] was arrested with FBI fugitive and M19CO member DR. ALAN BERKMAN at Doylestown, Pennsylvania. Both were carrying numerous pieces of false identification and three loaded weapons, including a sawed-off shotgun. After being charged with federal firearms violations, harboring a fugitive and false identity statutes, [redacted] was released to the custody of her sister, and has since jumped bail. A warrant was issued by the Eastern District of Pennsylvania (EDPA) on October 13, 1985, and [redacted] (Identification Order Number [redacted]) remains the subject of an extensive fugitive investigation. BERKMAN was successfully prosecuted and was sentenced to ten (10) years. There is also a national M19CO movement currently underway attempting to effect the release of BERKMAN based on reasons concerning his health.

On August 20, 1986, a storage space was opened by the owner of a public storage facility in Santa Fe Springs, California, based on non-payment of rent. It was soon determined that a locker in that storage space contained dynamite and the resulting investigation positively identified the dynamite as part of the same Hercules dynamite which was stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas, during 1980. Subsequent investigation by the FBI in California and Pennsylvania resulted in the belief that this storage locker in California had been rented by [redacted] using an alias. [redacted] is currently a FBI Top Ten Fugitive and known as a member of the PRAIRIE FIRE ORGANIZING COMMITTEE (PFOC). The PFOC is known through past investigation to be the West-coast faction of the M19CO. Members of both M19CO and PFOC once comprised the WEATHER UNDERGROUND ORGANIZATION (WUO). The WUO claimed responsibility for over twenty-six (26) bombings from early 1969 to 1975. Despite the explosive seizures mentioned in the preceding paragraphs, the entire amount of explosives stolen from the BLAND CONSTRUCTION COMPANY in Austin, Texas, in 1980 has not been fully accounted for.

b6  
b7C

These incidents as described above, are examples of the criminal activity previously engaged in by members of the M19CO. Although some have been prosecuted and jailed for their actions, there is no indication that the goals of the M19CO revolution through force or violence have changed.

### 3. Association With Other Organizations/Groups

As stated in the introduction, the M19CO has continually provided support to the FALN, MLN, NAFF, and RNA. The M19CO is supportive of activities promoting the armed clandestine movement in Puerto Rico; promoting the PROVISIONAL IRISH REPUBLICAN ARMY (PIRA), protesting U.S. policy and actions against Libya; protesting treatment being afforded "political prisoners" in U.S. prisons; protesting U.S. intervention in Central America and promoting activities which are generally anti-U.S. military and anti-nuclear power.

The UNITED FREEDOM FRONT (UFF) was a terrorist organization responsible for 10 bombings and one attempted bombing in the greater New York area between December 12, 1982 and September 26, 1984. Its' seven members (7) were convicted on March 7, 1986 in the Eastern District of New York (ENDY) on various bombing and conspiracy counts. UFF members, [redacted] and [redacted] were sentenced to 45 years imprisonment; [redacted] and [redacted] were sentenced to 53 years; and [redacted] and [redacted] were sentenced to 15

[redacted] is currently on trial in New Jersey which started in late June, 1991 for his participation in that same murder.

M19CO members have initiated frequent communications, both written and in person, with the incarcerated UFF members. These M19CO members include, [redacted]

[redacted] and [redacted] Specifically contacted by M19CO members at the federal penitentiary at Hartford, Connecticut, were [redacted]

[redacted] and [redacted] A UFF associate. A photograph depicting M19CO/JBAKC leader [redacted] with UFF members [redacted] and [redacted] was recovered in 1989 during the Wisconsin investigation of current FBI Fugitive [redacted]

Additionally, numerous M19CO members were seen regularly at court proceedings at Federal District Court in Hartford, Connecticut in support of the Puerto Rican based terrorist group, EPB-Macheteros members (convicted in March, 1989). FBI case captioned WELLROB.

Recent telephonic and personal contacts by M19CO members indicate the alignment with various international terrorist groups to be a current, actively pursued objective. According to T-1, New York M19CO members [redacted] and [redacted] traveled during August, 1989 to Palestine as guests of the PALESTINE LIBERATION ORGANIZATION (PLO). T-1 also advised that New York JBAKC chairperson [redacted] travelled to Libya in April, 1989 as a guest of the Khadafi government.

During April, 1988, the New York FBI learned that during 1986, the New York M19CO cadre played host to five West German Red Army Faction (RAF) members (formerly the Baader/Meinhoff Gang). These members met with M19CO attorney [redacted] and attended pre-trial hearings in the SDNY for M19CO member MARILYN JEAN BUCK and former FBI Top Ten fugitive and RNA member [redacted] (true name [redacted]).

During May of 1988, New York M19CO member [redacted] in conjunction with Chicago MLN member [redacted] prepared and presented a report on human rights violations of "political

prisoners" in the United States, namely the conditions at the Women's Control Unit at Lexington, Kentucky, to the Soviet Foreign Ministry. The report was timed to be used by the Soviets in countering United States claims of civil rights violations within the USSR, and was reportedly presented to Soviet Foreign Minister [redacted] prior to his June, 1988 visit to New York.

New York M19CO leader [redacted] has been known to travel abroad to third world countries in Africa and South America to allegedly meet revolutionary nationals, and has been associated with the notorious Japanese Red Army (JRA), based out of Lebanon. The JRA is described as an international terrorist group and which has been responsible for several violent crimes to include the May 30, 1977 machine-gun ambush at Lod Airport, Israel, in which twenty-six (26) innocent people were killed.

A known JRA member and Japanese National, [redacted] was arrested by the New Jersey State Police on [redacted] for possession of explosives, bomb construction paraphernalia and false identification. [redacted] had also been arrested previously in Amsterdam, Holland, for similar violations in May of 1986. Subsequent investigation by Dutch police in 1986 revealed that [redacted] intended contact in Amsterdam was [redacted] and who was arrested by French authorities in 1986. Subsequent to the arrest of [redacted] a search revealed an address book in his possession contained the name of M19CO leader, [redacted] [redacted] as well as her prior New York City residence telephone number, [redacted] is known to European law enforcement as a suspected conduit for various terrorist groups in the procurement and illegal acquisition of explosives.

During January, 1989, prison authorities at the Federal Correctional Institution (FCI), Leavenworth, Kansas were advised that a prison break was being planned among members of "The Order". Included in this prison break were convicted BRINKS robbery participants [redacted], aka [redacted] and [redacted] aka [redacted] was an associate of [redacted] who was serving a life sentence for the murder of a New Jersey State Trooper before her M19CO orchestrated 1979 escape. Although thwarted by prison officials, it has been theorized that such a prison break would necessarily have involved prior contact with NAFF and M19CO supporters for its planning and execution.

It is known through the previous investigation of two successful prison escapes that M19CO members played crucial surveillance, transportation and harboring roles. In support of this theory, on October 30, 1988, M19CO leaders [redacted] and [redacted] were observed meeting clandestinely with [redacted] (NAFF), [redacted] (NAFF) [redacted] (NAFF), and [redacted] (FALN), in New York City. Information concerning this high level, secret meeting was not disseminated to any group members except to indicate it concerned "prisoners of war" and involved only trusted leaders of each group. The agenda of this meeting is still unknown.

On June 20, 1989, a meeting was observed by New York FBI surveillance, between diplomatic personnel from the Cuban Mission to the United Nations, and members of the Palestinian Liberation Organization (PLO), NAFF and the M19CO. On April 4, 1990, source information revealed that on April 17, 1990, several Americans would be traveling to Libya after the U.S. bombing of Tripoli. This group of Americans, labeled the International Human Rights Association of American Minorities, included New York M19CO member [redacted] and NAFF member [redacted]

b6  
b7C

These associations represent a continued attempt by the M19CO at solidarity with other terrorist groups to achieve their goal of political change through violence.

Reinforcement of fellow M19CO comrades who have been incarcerated is also an important activity for those individuals who align themselves with the M19CO mission.

A letter, dated September 14th, (year unknown) was obtained during 1990 from discarded trash addressed to M19CO member [redacted] and in the handwriting identified by the FBI Laboratory, Document Section, as being that of incarcerated M19CO leader [redacted]. In this letter, [redacted] refers to [redacted] as "sister comrade" and gives [redacted] "revolutionary greeting". [redacted] advises [redacted] that she [redacted] utilized her attorney to send secure mail out of the Washington, D.C. jail where she was incarcerated at the time. In the conclusion of the letter, [redacted] writes, "stay strong and well, sister. My fighting spirit is right next to you ALWAYS." "Adelante (Forward) for Revolution)".

In a second letter to [redacted] recovered at the same time and dated October 31st, (year unknown) the handwriting was identified by the FBI Laboratory, Document Section, as that of [redacted]. She writes, "It's this: That there was one big advance in solidarity by white northamerican anti-imperialists when some groups began to support rev. armed orgs. like the BLA and FALN. We correctly saw that you can't support self-determination if you place conditions on it, or if you don't support an oppressed nation's right to fight freedom. We also understood, I think, that because our enemy is U.S. imperialism, supporting fighting it - and whose struggles go to the very essence of the system, i.e. its colonialism - was not a moral but a strategic imperative."

"But this advance would only be partial without a commitment in practice by northamerican rev. anti-imerialists to also fight against the enemy. That's why I believe that the development of various armed clandestine orgs. over the past 10 years has been a real advance for the concept of revolutionary strategic heart of our ability to fight to defeat U.S. imperialism."

On April 6, 1990, a meeting was held at the Senior Citizen Center, in Madison, Wisconsin for the "Women for Political Prisoners". This group had recently been formed by [redacted] and Madison, Wisconsin resident [redacted] as a support group for M19CO incarcerated members, specifically [redacted] and MARILYN BUCK. This group, which schedules regular bi-weekly meetings, further supports Puerto Rican "Political Prisoners". Discussed at this meeting were actions they could take to draw support for the "political prisoners". [redacted] advised the primary activity of the group be to take part in criminal actions, primarily, damage to property. This action met with approval of all members at the meeting with one unidentified member relating she would commit an "assassination" to further the cause of the "political prisoners".

#### 4. KEY LEADERS AND MEMBERS OF THE GROUP

The M19CO remains an umbrella organization, overseeing and providing cohesiveness of direction to a series of committees: The Free Puerto Rico Committee (FPRC) - formerly the New Movement in Solidarity with Puerto Rico; the Committee to Fight Repression (CFR), the John Brown Anti-Klan Committee (JBAKC); the Committee for Puerto Rican Independence, and Lesbians Against Imperialism.

The JBAKC is the above ground recruiting arm of the M19CO headquartered in Austin, Texas and with active chapters in Chicago and Washington D.C.

Additionally, Austin, Texas M19CO/JBAKC leader [redacted] who resided in Almond Wisconsin during 1988-90, made significant inroads in establishing a "Political Prisoner" support group in Madison, Wisconsin. This group is directly associated with the M19CO leadership and is arguing for the release of incarcerated M19CO members, MARILYN JEAN BUCK, [redacted] and [redacted]. This group also encourages the participants to raise funds for planned activities.

Investigative analysis has determined a significant exodus of former Los Angeles PFOC and M19CO members from Los Angeles to Chicago during the past five years. [redacted] and [redacted] [redacted] relocated in 1987; [redacted] and [redacted] [redacted] moved in 1986; and [redacted] moved to Chicago in 1985. Chicago FBI speculates that these people represent the above-ground support system for previously mentioned FBI Top Ten Fugitives, [redacted] and four of their fugitive associates commonly referred to as the Sequel Six Fugitives. Their relocation possibly signals similar relocation of these fugitives. Surveillance efforts attempted periodically by the Chicago Office have determined these people to be astutely surveillance conscious. In addition [redacted] moved from Chicago to Connecticut in 1989 and San Francisco PFOC members [redacted] and [redacted] moved to Atlanta, Georgia in 1988. New York M19CO member [redacted] recently [redacted] [redacted] and telephone toll record and pen register analysis of both [redacted] and [redacted] has confirmed continued communications to [redacted] as well as with various [redacted] [redacted]

The JBAKC has active chapters in New York City, San Francisco, and Austin, Texas. As shown previously, certain persons from both chapters maintain dual membership in the M19CO.

~~SECRET~~

~~SECRET~~

M19CO fugitive [redacted] had been tied closely with JBAKC hierarchy and [redacted] in Austin prior to her fugitive status. Each of these women maintain dual JBAKC/M19CO memberships. Similarly, many M19CO members maintain dual membership in the PFOC.

Although investigation has determined that each group (M19CO, JBAKC and PFOC) and chapter are separate administrative entities, certain members are mobilized to contact and establish liaison between the chapters and groups across the country. [redacted] former New York M19CO member, is now affiliated with the San Francisco JBAKC/PFOC chapter. Regardless of the shifting membership, the goals of all these groups remain the same, the overthrow of the present form of government in the United States.

#### 5. Planned Activities and Goals of the Group

As stated previously, the M19CO's basic goal is to achieve political change in the United States Government through force or violence. Short-term objectives in furtherance of this goal include the close monitoring of any Federal, State or local investigations and/or prosecutions of group members, or members of allied organizations such as the MLN, the FALN, the NAFF.

Additionally, the M19CO seeks release of presently incarcerated group members and others they deem to be "political prisoners" and "POW'S." A successful campaign by the M19CO to close the Women's Control Unit at the Lexington, Kentucky federal prison gained momentum and national attention through M19CO efforts and was successful in closing the unit. Also, a primary objective of the M19CO is the maintenance of a complex underground support structure for fugitives within their ranks. This structure, developed and refined over the past twenty years, consists of multiple information relay points, false identification outlets, and moving residences for members actively sought by law enforcement agencies. M19CO members who seem to have disappeared from their usual attendance at M19CO functions, support this "underground" network of support.

For example, M19CO member [redacted] "disappeared" for several years before being "found" in the M19CO Baltimore safehouse in support of FBI fugitives MARILYN JEAN BUCK and [redacted] [redacted] dropped from sight in 1983 only

The latent fingerprints of [redacted] were found at both of these locations and indicates that she was also being supported by this "underground" fugitive network. On April, 2, 1991, the FBI interviewed [redacted] [redacted] Wisconsin with regard to M19CO leader and fugitive, [redacted] was interviewed based on her close association and [redacted] with M19CO leader [redacted] is known to law enforcement to be a close associate of [redacted] Although it has not been established that there is a direct communication link between [redacted] and [redacted] a letter transcribed the FBI Laboratory from a typewriter ribbon and obviously written by [redacted] and recovered during the search of the vehicle in which [redacted] was arrested in 1985, advises [redacted] children that they can contact her through [redacted] This letter also advises her children that "Its hard to believe that its taking so long for the p.o. box to come through". Immediately following this FBI interview, [redacted] telephonically contacted [redacted] in Austin, Texas after

Soon after, [redacted] began telephoning various members and leaders of domestic terrorism groups around the country and which eventually resulted in the establishment of a 800 toll-free telephone number for people to call in the event they were interviewed by the FBI.

On April 5-6, 1991, a conference hosted by the MLN and M19CO in Chicago entitled, "Puerto Rican Reality", discussed the Puerto Rican Prisoners of War and the struggle for Puerto Rican independence. At least 70 people attended, including a large contingent of Chicago M19CO members. M19CO leader [redacted] was the Master of Ceremonies and lunch was sold by the M19CO committee, Freedom Now. T-1 advised that a white female (identity unknown) from Germany attended the meeting and was known as a representative of the RED ARMY FACTION (RAF).

Between [redacted] a surveillance was conducted in New York of M19CO/MLN associate [redacted]. Previous New York investigation of M19CO leader [redacted] determined that [redacted] is almost in daily telephone contact with New York City resident, [redacted] association with the M19CO is currently unknown. While in New York City, [redacted] and was not observed meeting with [redacted] or other M19CO members. It is known from previous investigation however, that [redacted] has met [redacted] in the past and has talked with her by telephone on several occasions.

In May of 1991, close associates of the M19CO leader [redacted] MLN members [redacted] brother of current FBI fugitive and FALN member [redacted], and [redacted] both of whom reside in New York City, traveled to Germany. Their activities there are unknown at this time.

On December 10, 1991, FALN/MLN attorney and close friend of M19CO fugitive [redacted] was sentenced for contempt of court for refusing to testify before a Federal Grand Jury in Philadelphia, Pennsylvania. This testimony was in regard to [redacted] association with and knowledge of the escape of [redacted] in October of 1985. [redacted] was released in June of 1991 when the Federal Grand Jury's term expired.

On June 7, 1991, [redacted] and known member of the RED ARMY FACTION (RAF), entered the United States at Washington D.C.. [redacted] visited M19CO member [redacted] on June 20-21, 1991, and who is incarcerated in the U.S. Penitentiary, Marion, Illinois on explosives and firearms charges. These charges were the result of his arrest with M19CO member [redacted] in Cherry Hill, New Jersey in 1984. [redacted] had previously visited [redacted] in July of 1990, at which time [redacted] was being held in the Washington D.C. jail pending trial. [redacted] (protect) believes the RAF, through [redacted] is using the United States for meetings between the terrorist support elements (the M19CO) and the "action" terrorist element (the RAF). [redacted] had advised the FBI in July 1990 that [redacted] would be contacting members of FREEDOM NOW, a committee of the M19CO, in addition to visiting incarcerated M19CO members prior to the now finished Capitol bombing trial in Washington, D.C.. Prison officials responsible for the security of [redacted] and other terrorists incarcerated in Marion, FCI advised that [redacted] and [redacted] correspond through the U.S. mail frequently in a very cryptic fashion. Past investigation of the M19CO has revealed that M19CO attorneys carry communications between incarcerated M19CO members and non-incarcerated M19CO members in a clandestine manner and on a frequent basis, utilizing the attorney-client privilege. It is known that this form of communication still exists. (S) Another RAF member, [redacted] was convicted in Germany during July of 1991 of the 1977 assassination of a West German banker. Past "actions" of the RAF include the 2/13/91 machine gun attack on the United States Embassy in Bonn, Germany as well as the 3/30/91 of the German trust administrator for East German

property, [redacted] Forensic investigation determined the same weapon was used by the RAF in both "actions" described above. There is a strong connection between M19CO leader [redacted] and RAF members who continually enter the United States. Some of these individuals had been arrested previously in foreign countries, and had [redacted] New York City residence telephone number in their possession. (S)

On June 21, 1991, RAF member/attorney [redacted] also requested to visit incarcerated FALN leader [redacted] who along with [redacted] is also incarcerated at the U.S. Penitentiary at Marion. A previous 1986 attempt by current FBI Top Ten Fugitives [redacted] and [redacted] to break [redacted] out of the U.S. Penitentiary at Leavenworth, Kansas was unsuccessful. However it is believed that [redacted] is still the target for members of the FALN, MLN and M19CO with regard to the planning of a prison escape.

Other RAF members who continue to contact various M19CO members in and out of prison include [redacted] (W/F, DOB [redacted]) ; [redacted] (W/F) ; [redacted] (W/F, DOB [redacted]) ; [redacted] (W/F, DOB [redacted]) ; and [redacted] (W/M, DOB [redacted]) .

On [redacted] the court authorized pen register on the [redacted] was discontinued.

On July 23-25, 1991, a conference was hosted by the San Francisco Division to discuss investigative strategy with regard to fugitive associates of the M19CO and FBI case captioned, Sequel Six. It has been determined that members of the M19CO have corresponded with the SEQUEL SIX fugitives regarding the transfer of explosives as previously mentioned in this report. During this conference, Bureau of Prison officials assigned to the Federal Correctional Institute (FCI) at Pleasanton, California, advised that recently incarcerated FALN leaders were receiving more than their normal visitations and an increased amount of mail. FCI officials stated that this written and verbal communication indicates that the FALN prisoners seem to think they are going to be "liberated" and how they believe they are going to be "joining the brothers and sisters in Puerto Rico soon".

During one of the "visits" by FALN family members, one of these FALN prisoners attempted to walk out of the facility using a baby as a ruse. It has been previously noted in this report that members of the M19CO directly assisted in the prison escapes, as well as the transportation and hiding of Black Liberation Army (BLA) member [redacted] and FALN bombmaker [redacted] in 1978 and 1979 respectively.

On July 25, 1991, a public demonstration was held in Washington, D.C. demanding the unconditional amnesty of all Puerto Rican Prisoner's of War (POW) from U.S. jails as well as for the independence of Puerto Rico. This date marks the anniversary of the U. S. invasion of Puerto Rico in 1898. This demonstration was organized by the Puerto Rican Independence Movement and by the Free Puerto Rico Committee (FPRC). The FPRC is a committee of the M19CO and is led by M19CO leader and New York City resident, [redacted]. During this, as well as other identical demonstrations around the country, to include New York, San Francisco and Chicago, various speakers advised the public that 1992 has been declared as the target date to free all political prisoners held in United States jails.

On July 29, 1991, a representative from the Domestic Terrorism Unit, FBIHQ, met with the producers of the television program, Unsolved Mysteries, in Los Angeles, California with regard to depicting M19CO fugitives [redacted] and [redacted]. Although no firm commitment was made, the producers were receptive to a segment on [redacted] and her M19CO associates who recently pled guilty to the bombing of the U. S. Capitol and seven (7) other bombings in the New York City and Washington, D.C. areas.

The September, 1991 issue of Cosmopolitan magazine depicted a number of FBI fugitives to include M19CO leader, [redacted]. Also depicted was FBI Top Ten Fugitive, M19CO associate, and SEQUEL SIX subject, [redacted].

This source also advised that after this meeting, [redacted] and these RAF members would be traveling to the Hartford, Connecticut MLN Center on 10/9/91 and would then drive to Washington, D.C. to participate in the Puerto Rican Independence demonstrations planned there for October 12, 1991. It is known that other Puerto Rican demonstrations are planned for cities in the United States and Europe on this same date, 10/12/91. The [redacted] source also stated that after the Washington, D.C. demonstration, these Germans would then travel to Puerto Rico on October 15, 1991 to meet with various members of the Puerto Rican independence movement. The intent or association these RAF members may have with the Puerto Rican independence movement is unknown at this time. As previously described in this report, Red Army Faction (RAF) members have visited incarcerated FALN and M19CO members in the past and have claimed responsibility for terrorist acts in Europe, to include bombings and assassinations.

In addition to supporting the current FBI fugitives and M19CO members [redacted] (Identification Order # [redacted]) and [redacted] (Identification Order # [redacted]), it is believed that the primary role of the "aboveground" and "underground" M19CO members, is to provide support for other domestic terrorist fugitives aligned with the M19CO. Some of these fugitives include:

b6  
b7C

In conclusion, the M19CO, through its various committees and continued association with other domestic terrorist groups, continues to espouse the overthrow of the United States Government through armed resistance and revolution. There are still approximately 200 pounds of stolen Texas explosives outstanding in the investigation of the M19CO. Renewed communications and meetings between the M19CO and MLN with members of the Red Army Faction (RAF) gives some reason for concern, especially since the RAF has claimed credit for several recent (1990-1991) bombings and assassinations in Europe. Other M19CO roles include providing financial assistance as well as tasking various M19CO members to support terrorist groups around the world.

It is the opinion of New York that based on prior successful prison escapes of domestic terrorist fugitives orchestrated by the M19CO and in light of the recent ideas of freedom exhibited by various incarcerated FALN members, one or a series of escapes may be in the planning stage. In light of this opinion, one of the future investigative objectives is to initiate contact with the various Federal Correctional Institutes (FCI's) holding FALN and M19CO members in order to closely monitor inmate mail and visitors. It is also expected

that this objective will be enhanced by strategically placed

In conclusion, the M19CO continues to espouse the

El Taller Boricua moved to 1256 Second Avenue, between 110th and 111th streets, when the Real Great Society building was designated to be demolished by the City of New York. The new location consisted of a street-level storefront, which was divided into two spaces: a gallery and work area. Limited work space was provided for the production of silk-screen graphics and paintings. It appears that only Carlos Osorio, who lived at El Taller, painted there during this period. The backyard provided an area that was used to create assemblages of found objects and as the location for the beginning of El Taller's first film, a collaboration between Marcos Dimas and Héctor Nieves that showed the production of silk-screen printing and a travelling exhibition to Plaza Betances in the South Bronx.

### PHILOSOPHY AND GOALS

Members of El Taller Boricua saw themselves as artists and cultural workers. General goals and organizational structure remained the same as in previous years. The specific goal of this period was to reach the larger Puerto Rican community in New York City, planting seeds of knowledge, raising consciousness, spreading revolutionary ideas. The vehicle for the extended outreach was outdoor exhibits, which were provided in every borough, at schools, festivals, community centers, and on the street. Members Manuel Otero, Nitza Tufiño, Adrián García, and Samuel Tanko left to build and establish workshops for El Museo del Barrio.

### ÆSTHETIC DEVELOPMENT

By this time the "New York Puerto Rican aesthetic" was more developed and distinct in its use of abstract and representational symbols taken from Taino and African culture and from the social, political, and economic experiences of the Puerto Rican immigrant.

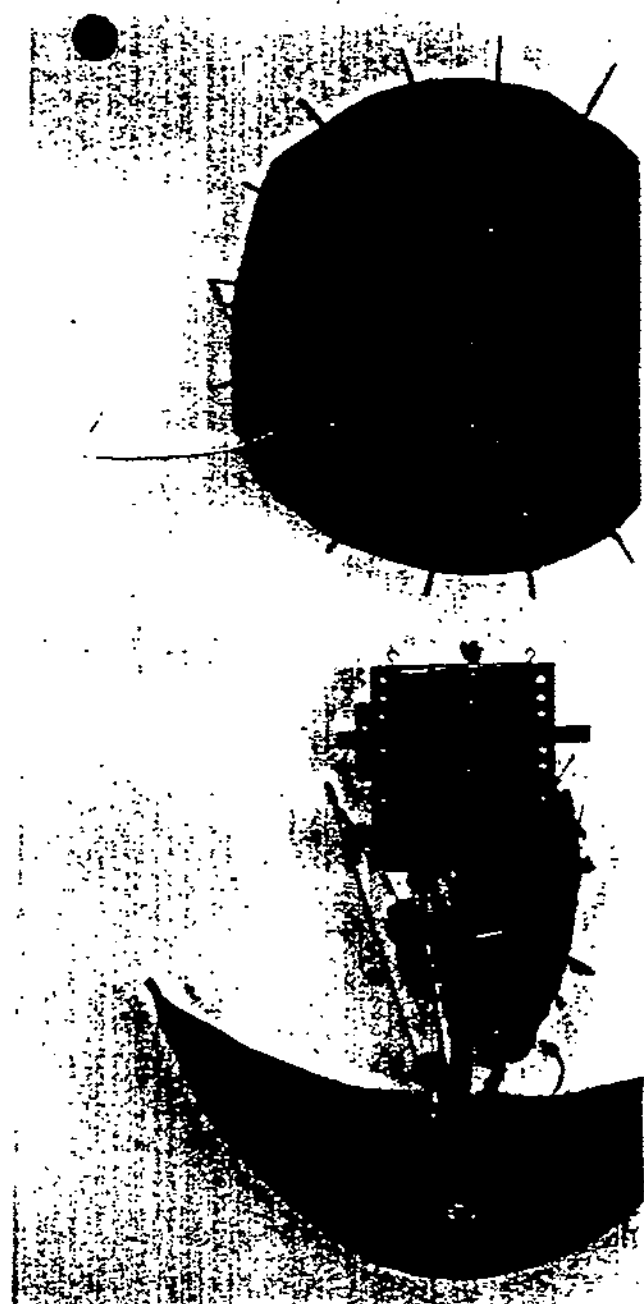

The production of graphics and the development and use of individual monograms intensified. For the first time, assemblages were created from El Barrio found objects to depict the struggle of life in the community. Film as an artistic medium was also explored at this time.

### COMMUNITY INVOLVEMENT

Outdoor exhibits to communities beyond El Barrio were major endeavors of community work. Poets and musicians from El Barrio performed at the gallery space of El Taller.

Collaborators were Julio Rodríguez, Héctor Nieves, Ramón Abdías, Muskie Borrero, Ismael Carlo, David Cottes, Joe Falcón, Frank Espada, Juan Maldonado, Roberto Ortiz Meléndez, Samuel Tanko, Ana Marta Morales, Leo Rivera, Palilo, Cando, El Museo del Barrio and others.

## MEMBERSHIP

Co-founders: Marcos Dimas Ramirez, Adrián García, Carlos Osorio, Armando Soto, Rafael Tufiño, and Manuel "Neco" Otero.

## PHILOSOPHY AND GOALS

El Taller Boricua was incorporated on September 17, 1970, as The Puerto Rican Workshop, Inc., as a nonprofit organization. The goal was to establish a workshop that would provide space for the production of art, the teaching of art classes, and the interchange of ideas with cultural and political workers in the community. Outdoor exhibits were to be developed as a method of community outreach education, as well as a vehicle for financial support. Organizationally, the group established itself as a collective based on consensus decision making.

## AESTHETIC DEVELOPMENT

During this period the aesthetic principle was "back to the roots." Members looked to the Taino, African, and Spanish cultural traditions of their ancestors for symbols, imagery, and rituals, which they then used in their art. For subject matter they utilized the political, social, and economic realities of their lives as sons and daughters of the Puerto Rican migration and the struggle for the independence of Puerto Rico. They painted portraits of nationalistic leaders such as Pedro Albizu Campos and Ramón Emeterio Betances. They continued to use abstract expressionism, geometric abstraction, and social realism but now incorporated Taino petroglyphs and African symbols and masks. In their silk screens and other graphics and their photography, they integrated images and words to represent political and artistic organizations such as the Young Lords, Movimiento Pro-Independencia, and El Museo del Barrio. Members develop individual monograms based on Taino symbols, which they used to sign their graphics and from which the Taller Boricua logo was later developed.

## COMMUNITY INVOLVEMENT

During this period, El Taller became not only a place where people from the Barrio, artists, community organizers, and intellectuals interacted, but also a center and the reality of North American racism. El Taller was a place of involvement, lending support to related causes.

El Taller worked with Park East High School to provide art classes to Puerto Rican students. It continued to offer other classes at the workshop and to provide outdoor exhibitions in the community.

Collaborators were Joe Falcón, Gil De La Madrid, Hiram Maristany, Roberto Ortiz Meléndez, Dylcia Pagán, Harry Quintana, Leo Rivera, Julio Rodríguez, Martín Rubio, Movimiento Pro-Independencia, and the Young Lords.

## ■ 1970-71

El Taller Boricua's first location was the building occupied by the Real Great Society, 1673 Madison Avenue, at the corner of 111th Street. The space consisted of three floors, comprising six rooms used for painting and graphics. The organization was first called Taller de la 111 (111th Street Workshop) and later, Taller Alma Boricua.

Dear Carmen,

I have so much to tell you since I saw you last and that seems like such a long time ago. First let me tell you of a project that I've become involved in and really what instigated my writing tonight.

In Atlanta PFOC is beginning a project for women to write women. PP + POW's. There are five of us at our first gathering and we hope to reach more women as the months go on.

Bill and I had a very busy but very pleasant summer. The first two weeks of June we went to Cuba to a conference of North Americans and Cuban philosophers. The focus of the conference was the future of socialism altogether a very good experience. I'll be happy to tell you more about our impressions of Cuba in another letter.

After Cuba we spent some time visiting my children (more about that later) and Bill's sister got married in San Francisco so we made a hurried trip to California. Sometime in the middle of all the traveling, we bought a house in Atlanta. It's a

old house but it was in great condition. We know we'll be in atlanta for some years and the house we were renting was very small and not really a place for guests. My family occasionally visits us, Bill's mother & brother and people who come through atlanta giving presentations. Josefin Rodriquez was here a few months ago. Anyway, we are now settled in the house and enjoying it.

Now our school year has begun and once again our busy lives. Bill is working with Carlos Alberto in Talladega, Alabama, to have a cultural program. Carlos had the idea that a Latino appreciation day would be a good event at the prison so he & Bill have been busy arranging a program that will happen sometime in October.

Also in October (the 12th) Bill is going to Washington D.C. to the big Puerto Rico demonstration. Well I'm sure you know all about it. I'll be going to St. Augustine, Florida, where native americans from all over the country will be involved in a demonstration around 1992.

In the middle of what we are doing I wanted to mention that I'm a new grandmother. My son's partner had a

beautiful, wonderful little girl. They  
named her Adriana Marie. I tell you  
this because I understand you also  
love a new grandchild. Both of our  
grandchildren were a little unexpected.  
My son is elated in his new role  
as father.

Carmen, when I first wrote to you  
a couple of years ago, I told you I  
was new at political work and later  
married. You gave me a lot of  
inspiration. Then I went to Nicaragua  
and the marriage was over. I feel  
I can't be anything but politically  
active now. There is so much to do.

My relationship with Bill continues  
to become more wonderful everyday.  
He's such a dear person.

Carmen, I'm off to another meeting  
tonight. I'm representing PF in  
a coalition to bring Walter and  
Albertina Sisulu to Atlanta so I  
had better be off.

I would be very happy to hear  
from you. Take good care.

Love,  
your sister  
Ann Marie

Dear Zia -

10 October 1991

Thanks so much for the letter! I especially liked the stationery and the instructions on how to make a chocolate mold. Did you know it's originally from Town? That makes the "cows from around the world" even more appropriate!

And thanks for sending me the color slip for your room - I have a design in mind that's a bouquet of flowers of lots of colors - including shades of mauve, blues, and violets. You have to understand that it will take quite awhile for me to finish this project, because I have to order all the materials - I can't just go to the store to buy them, unfortunately! I'm sending you a copy of the "chart" for the flowers I'm thinking of - if you think you'd like something else better, please just let me know. There are tons of charts for cross-stitching,

and if I make you something, I want you to really like it. Or if you don't like flowers, think of something else you might like better...

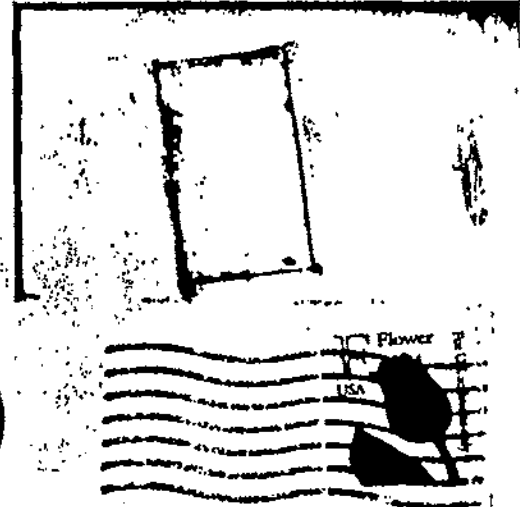

You said you're reading Greek history. Sometime you might be interested in reading a book called Black Athena. I'll try to find out the author, who is a famous black historian. His research shows that a lot of the ideas and advances attributed to the Greeks really came from Africa and African civilizations. Just one more area where black history has been hidden from us.

I'm sending you our AIDS poster and the questionnaire we passed out - the discussion groups have been lively and pretty interesting - lots of talk about safe sex! Do you have any AIDS education groups in school?

I'm really looking forward to seeing you, whenever you can come. We'll talk on the phone! Best love to Jay & Sheli -  
Your sister in struggle - Linda

Hello Linda,  
 I know this is a surprise.  
 But I just could not hold  
 out any longer. I think about you  
 all the time. Trella is  
 completely lost and I'm really  
 concerned about her. She  
 keeps going through some very  
 depressive moods and I'm afraid  
 that she will do something stupid.  
 I keep telling her that we all  
 need her and if you knew this  
 was happening you'd be very upset  
 with her. Believe or not that snape  
 her back for a little while.  
 She says you don't have his  
 new # to call her. So  
 going to give it to you.  
 Linda I wish you  
 call me as well. You  
 well in this together  
 that's what the  
 struggle is all  
 about.

I'm sorry I can't pay for phone calls.  
 I want to hear from you  
 but I'm really busy for  
 interesting to busy. I know  
 please call and whenever  
 you can come over to talk to  
 me.  
Call ME

So even though you are going  
 through such a difficult time  
 right now,  
 I hope you find that when it's over  
 it will all have been for the better,  
 and that you will be able  
 to take something positive  
 out of what you've been through...  
 and I hope that time is soon.

On 3/25/92, [redacted] Window Clerk, United States Postal Service (USPS), [redacted] Hammond, Louisiana, telephone [redacted] telephonically contacted FBI New York and advised as follows:

At approximately 9:00 AM, Central Standard Time (CST), 3/25/92, [redacted] observed an unknown male (Unsub# 1) and unknown female (Unsub# 2) at the US Post Office, Hammond, Louisiana. The couple acted strangely, as they did not make a purchase or request any assistance from postal service employees. Unsub# 1 glanced at the FBI Wanted Poster of [redacted] and [redacted] on display at the office, and after doing so the couple promptly departed the premises. The couple was not observed further.

b6  
b7C

[redacted] provided the following description of the couple he observed:

Unsub# 1

Race:	White
Sex:	Male
Height:	5'6" (approximate)
Weight:	160-170
Hair:	Brown
Age:	30's
Facial hair:	Mustache, neatly trimmed beard
Dress:	Casual shirt, slacks

Unsub# 2

Race:	White
Sex:	Female
Height:	5'5"
Weight:	130-135
Age:	Late 30's-40's
Hair:	Sandy blond, perm hairdo
Dress:	Light-colored dress
Miscellaneous:	Wore facial makeup

[redacted] further advised that the couple was in the post office not more than three minutes. Subsequent to their departure, [redacted] upon examining the wanted poster of [redacted] and [redacted] observed that the couple resembled [redacted] and [redacted]

b6  
b7C

For the benefit of New Orleans, captioned fugitives are linked to the M19C0, a criminal enterprise. The M19C0 is a Marxist-Leninist Communist organization which advocates armed revolution and the violent overthrow of the US Government. The M19C0 was formed in the late 1970s by former members of the WEATHER UNDERGROUND ORGANIZATION (WUO). The M19C0 later split into two factions, the PRAIRIE FIRE ORGANIZING COMMITTEE (PFOC) on the west coast in San Francisco, California; and, the M19C0 as it is known today on the east coast in New York, New York. The M19C0 resolves to fight alongside the black liberation struggle; the Puerto Rican independence movement, notably the FUERZAS ARMADAS DE LIBERACION PUERTORRIQUENA (FALN); the struggle of the American Indian movement; and other oppressed people throughout the world. Numerous M19C0 members are currently serving lengthy prison sentences as the result of their convictions on charges of armed robbery, assault, murder, weapons and explosives violations, as well as possession and manufacture of false identity documents.

New Orleans should note that [redacted] were indicted by a Federal Grand Jury in the Middle District of Louisiana on [redacted] for one (1) count each of Conspiracy to Transport and Cause to be Transported in Interstate Commerce, Explosive Material, in violation of Title 18, United States Code, Section 842 (A)(3)(a).

In 1985, [redacted] were the targets in an FBI undercover sale of inert explosives and after a protracted surveillance, both were successful in eluding the FBI. Searches of several locations by the FBI in California resulted in the recovery of numerous weapons, explosives, bomb components and false identity documents. Prior to their eluding the FBI surveillance, other individuals observed to be directly associated with [redacted] included the following: [redacted]

outstanding in the investigation of the M19CO. Renewed communications and meetings between the M19CO and MLN with members of the Red Army Faction (RAF) gives some reason for concern, especially since the RAF has claimed credit for several recent bombings and assassinations in Europe. Other M19CO roles include providing financial assistance as well as tasking various M19CO members to support terrorist groups around the world.

However, to date, traditional methods of investigation, to include: pen registers, surveillances, mail covers, informants, interviews of members and associates, circulation of IO's and wanted posters, subpoenas of telephone and financial records, trash covers and electronic monitoring have not revealed the minimum requisite criminal activity as required by the Attorney General Guidelines. [REDACTED]

b7E

[REDACTED] has failed to uncover overt acts beyond mere advocacy of criminal activity. MIOG clearly indicates that although advocating criminal acts may be enough to empower a preliminary investigation, in regards to full field investigations, the Advocacy Provision "...does not itself provide any special authority with respect to such matters. It must be implemented in accordance with the other substantive provisions of the Guidelines and only when the threshold standards for an inquiry or full investigation are satisfied." MIOG, Part I, section 100-1 (d) (1). Due to the lack of evidence of criminal activity on the part of the May 19TH Communist Organization necessary to satisfy the threshold standard set out in the Attorney General Guidelines, it is recommended that investigation on this case be discontinued.

b7E

For the information of recipients, the [Redacted] at FBIHQ is producing a continuing series of short, informative articles on a variety of topics relating to FBI terrorism investigations. The following addresses information relating to the May 19th Communist Organization.

The May 19th Communist Organization (M19CO) has been one of the most criminally active domestic terrorist groups in the United States. It is a Marxist-Leninist group that advocates the overthrow of the U.S. Government through armed struggle and violence. Since 1976, members of this organization have participated in several illegal activities, either alone or in concert with other left-wing terrorist groups. These acts have included armored truck robberies and assisting in the prison escapes of Black Liberation Army (BLA) leader [Redacted] and Fuerzas Armadas de Liberacion Nacional (FALN) [Redacted]

b6  
b7C

Some members of the M19CO were also implicated in bombings claimed by the Armed Resistance Unit (ARU), the Red Guerrilla Resistance (RGR), and the Revolutionary Fighting Group (RFG). These three groups were responsible for bombing activities in the New York and Washington, D.C., areas, from 1983-85. The U.S. involvement in Central America and South Africa's apartheid policy were some of the issues used to justify their attacks.

RE: May 19th Communist Organization (M19CO);

[REDACTED]

Evidence recovered from a Baltimore, Maryland, safehouse following the May 11, 1985, arrests of M19CO members Marilyn Jean Buck and [REDACTED] in New York City and [REDACTED] in Baltimore, Maryland, indicated that the RGR, RFG, and ARU were, in fact, one and the same and made up primarily of M19CO members. Other M19CO members believed part of this group were [REDACTED] and [REDACTED] arrested in Cherry Hill, New Jersey, on November 24, 1984, and Alan Berkman and [REDACTED] arrested in Doylestown, Pennsylvania, on May 23, 1985. [REDACTED] jumped bail and is currently a fugitive. Since these arrests, no bombings have been claimed by either the RGR, RFG, or ARU.

b7E  
b6  
b7C

Although these arrests have undoubtedly hurt the organization, the M19CO could still pose a threat. Within the past few years, some members of the organizations are believed to have gone underground, while others utilize counter surveillance techniques. Past investigations have shown that M19CO members believed to be underground often become members of clandestine cells that are capable of carrying out terrorist operations. Because of the recent disappearance of some M19CO members, including two who are fugitives, the possibility exists that an infrastructure capable of carrying out armed actions against the United States may exist within the organization.

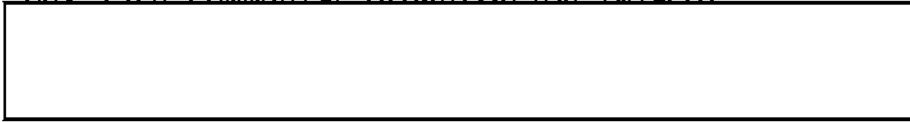

Included for recipients, therefore, are brief write-ups of [REDACTED] and [REDACTED] who are believed underground, and M19CO fugitives [REDACTED] and [REDACTED]. Also, since some recipients are unfamiliar with the M19CO, a brief history of the group has been included. Finally, because of a possible resurgence of M19CO activities, a threat assessment has been provided.

b6  
b7C

The origins of the M19CO can be traced back to the Weather Underground Organization (WUO), a violence prone group which periodically staged bombing attacks from 1969-75, and its support group, the Prairie Fire Organizing Committee (PFOC). In 1976, the WUO began to experience internal disagreements between various leaders and members. At the same time, the organization was being severely criticized by black and Puerto Rican independence groups for failing to logistically support their movements. The WUO became increasingly aware that it would have to change if it was to survive. This resulted in the WUO splitting into two factions: the Central Committee and the Revolutionary Committee. The Central Committee favored assisting members of other leftist groups, both philosophically and logistically. To accomplish this, the Central Committee advocated aligning with these groups. It was felt that by supporting other movements with more than just rhetoric, a strong

movement against the United States Government would be created. The Revolutionary Committee; however, wanted to continue the WUO philosophy of functioning alone as a clandestine organization. As a result of these differences, the WUO began to split apart and eventually ceased to exist.

These differences also surfaced in the PFOC. The West Coast faction wanted to follow the Revolutionary Committee's philosophy and kept the PFOC name. However, the East Coast faction followed the Central Committee's philosophy of striving for unity among all leftist groups. It later changed its name to the May 19th Communist Organization.

The group chose the name May 19 in honor of the anniversary date of the birthdays of Ho Chi Minh and Malcolm X and death of Cuban leader Jose Marti. The M19CO participates in demonstrations and rallies in support of various groups and causes; however, some members feel that violent activity is the only way to bring about change.

Following are brief write-ups of two individuals who may be underground. Although this does not indicate their involvement in covert operations, past investigations have shown that some M19CO members who have disappeared, have become involved in the organization's underground operations.

Threat Assessment

The M19CO has consistently stated that United States imperialism is a major issue to be attacked. The group, moreover, believes that armed struggle is the only way to achieve its goals. In the past, foreign policy issues such as the U.S. involvement in Central America, and domestic issues such as Puerto Rican independence, have been used as ideological underpinnings for a hard-core revolutionary movement dedicated to the overthrow of the United States Government. Past participation in criminal activities by some M19CO members indicates the group's willingness to use violence to achieve its goals.

[REDACTED]

b6  
b7C  
b7E

Despite the arrests of M19CO members, including key leaders, the threat of the M19CO's participating in a terrorist operation, either alone or with other left-wing terrorist groups, has not been eliminated. The chance for renewed criminal activity will always exist as long as the location of members such as [REDACTED] a close associate of the more militant M19CO members, remains unknown. Also its membership still consists of individuals who have been associated with the left-wing terrorism movement for many years. A certain amount of trust and comradeship has probably developed between many M19CO members. These loyalties will continue to provide greater strength to the group.

The M19CO still appears to be a group bound together by an ideology rooted in the perceived need to support national liberation movements. The involvement of the United States in Central America could likely provide the catalyst that will encourage further acts of violence by the M19CO. Although group members will be cautious because of past arrests, the knowledge gained from these and other experiences will enable the group to be more tightly disciplined and capable of carrying out clandestine activities. Whether actively involved in terrorist incidents or furnishing support in the form of material and guidance to others, the M19CO is still a dangerous terrorist group by any standard. The elements necessary for carrying out a successful campaign of terrorism--technical skills, experience, motivation, and an established infrastructure--may once again be present.

RECENT INVESTIGATION WAS PREDICATED UPON THE OCTOBER 12, 1988  
ADVISORY FROM ROCHESTER, NEW HAMPSHIRE THAT A CERTIFIED COPY OF A  
BIRTH CERTIFICATE IN THE NAME OF [REDACTED] (BORN [REDACTED]  
[REDACTED] HAD BEEN REQUESTED SENT TO [REDACTED]  
[REDACTED] ATLANTA, GEORGIA. A CERTIFIED COPY OF THIS  
SAME BIRTH CERTIFICATE HAD BEEN FOUND DURING AN OCTOBER 21, 1981  
SEARCH OF [REDACTED] EAST ORANGE, NEW JERSEY, A KNOWN SAFE  
HOUSE ESTABLISHED BY M19CO MEMBER AND NYROB PARTICIPANT MARYLIN JEAN  
BUCK. BUCK HAS BEEN CONVICTED AND SENTENCED FOR HER PARTICIPATION  
IN THE NYROB BANK ROBBERIES AND MURDERS.

b6  
b7C

MULTIPLE OTHER ALIASES WERE FOUND DURING THAT 1981 SEARCH, IN  
ADDITION TO THE [REDACTED] BIRTH CERTIFICATE, INCLUDING A TEXAS DRIVER'S  
LICENSE IN THE NAME OF [REDACTED] SHOWING BUCK S

PHOTOGRAPH.

INVESTIGATION AT ATLANTA HAS DETERMINED THE ADDRESS WHICH THE [REDACTED] BIRTH CERTIFICATE WAS TO BE SENT IS [REDACTED] A KNOWN MAIL DROP. THE APARTMENT [REDACTED] WAS IN FACT [REDACTED] AT THIS LOCATION. IT WAS ALSO DETERMINED THAT THE APPLICANT FOR THE MAIL BOX WAS ONE [REDACTED] WHO LISTED A FICTITIOUS ADDRESS AND TELEPHONE NUMBER. THE BOX HAD BEEN RENTED AT THE END OF AUGUST FOR A THREE MONTH PERIOD.

INSTALLTION OF SURREPTITIOUS CAMERAS IN THE LOBBY AREA OF [REDACTED] [REDACTED] WAS EFFECTED BY THE ATLANTA DIVISION. ON OCTOBER 19, 1988 ATLANTA OBSERVED A WHITE FEMALE PICK UP MAIL FROM THE P.O. BOX. VEHICLE OPERATED BY THIS PERSON WAS REGISTERED TO [REDACTED] [REDACTED] ATLANTA, GEORGIA. [REDACTED] IS MARRIED TO [REDACTED]

b6  
b7C

FURTHER INVESTIGATION TO DETERMINE THE REASONS BEHIND [REDACTED] [REDACTED] APPARENT ATTEMPT TO OBTAIN A FRAUDULENT BIRTH CERTIFICATE REVEALED [REDACTED] TO BE THE DIVORCED WIFE OF TOP TEN FUGITIVE [REDACTED] IO NUMBER [REDACTED] (TAMPA 88A-21203), WHO IS CURRENTLY WANTED FOR UFAP LEWD AND LASCIVIOUS ASSAULT ON A CHILD. [REDACTED] WAS THE SUBJECT OF RECENTLY TELEVISED FEATURE

PRESENTATION BY CBS NETWORK "60 MINUTES", DETAILING HER ACTIVITIES AS [REDACTED]

ADMITTED ON THIS TELEVISION PROGRAM THAT SHE WAS ACTIVELY INVOLVED IN OBTAINING BIRTH CERTIFICATES TO BE UTILIZED TO OBTAIN FALSE IDENTIFIES FOR MOTHERS WHO HAVE TAKEN THEIR CHILDREN AGAINST COURT ORDERS. [REDACTED] ACTIVISM APPARENTLY AROSE FROM HER UNFORTUNATE EXPERIENCES WITH TOP TEN FUGITIVE [REDACTED]

b6  
b7C

ATLANTA ADVISED THAT [REDACTED] WAS INTERVIEWED ON OCTOBER 24 1988 HOWEVER, ONLY REGARDING KNOWLEDGE OF HER EX HUSBAND'S WHEREABOUTS. SHE REPORTEDLY WAS NOT QUIZED CONCERNING HER ACTIVITIES SURROUNDING THE FRAUDULENT BIRTH CERTIFICATE, AND APPEARED NERVOUS AND DISTRESSED OVER THE FBI INQUIRY. DURING THE MORNING OF OCTOBER 28, 1988, THE [REDACTED] BIRTH CERTIFICATE WAS RETRIEVED FROM THE MAIL DROP. AGENTS HAVE THUSFAR BEEN UNABLE TO IDENTIFY THE WOMAN PHOTOGRAPHED BY THE CCTV WHO PICKED UP THE BIRTH CERTIFICATE.

b6  
b7C

IN A PARALLEL INVESTIGATION, TELEPHONIC CONTACT WITH AUSTIN RA, SA [REDACTED] ON [REDACTED] INDICATED THAT A LOCATION WHICH HAS BEEN SUBJECT OF A PEN REGISTER AND MAIL COVER (IN CONNECTION WITH NEW YORK INVESTIGATION TITLED [REDACTED] MAY ALSO BE OPERATING AS A SAFE HOUSE FOR MOTHER'S TAKING THEIR CHILDREN AGAINST

CUSTODIAL COURT ORDERS. / ADDITIONALLY, THE WOMAN OWNING THIS

LOCATION, [REDACTED] (DOB [REDACTED]) ALSO OWNS A

BUILDING THAT FUNCTIONED AS A MAIL DROP FOR THE ALIAS [REDACTED]

[REDACTED] HAS BEEN IDENTIFIED AS AN ASSOCIATE OF NY M19CO

MEMBERS, WITH TELEPHONE CALLS PLACED TO HER HOME RESIDENCE FROM A  
KNOWN M19CO COMMUNAL LIVING ESTABLISHMENT IN MANHATTAN, NEW YORK.

b6  
b7C

FURTHER INVESTIGATION CONDUCTED BY AUSTIN DETERMINED THAT THE  
ALIAS [REDACTED] HAD BEEN USED IN 1982 TO OBTAIN A TEXAS  
STATE IDENTIFICATION IN THE NAME OF [REDACTED] BUT BEARING  
A PHOTOGRAPH GREATLY RESEMBLING ANOTHER M19CO FUGITIVE, [REDACTED]

NEW YORK HAS BEEN INVESTIGATING THE POSSIBILITY [REDACTED] HAS  
BEEN USING HER THREE PROPERTIES IN AUSTIN, TEXAS AND THE FOUR MOBILE  
TRAVEL TRAILERS REGISTERED IN HER NAME, TO HIDE AND/OR TRANSPORT

IN LATE SEPTEMBER, 1988, [REDACTED] PRODUCER FOR A CCTV INDEPENDENT STATION IN AUSTIN, TEXAS, ADVISED THAT HE WORKED WITH M19CO MEMBER [REDACTED] AUSTIN, TEXAS. [REDACTED] WAS REPORTEDLY INVOLVED WITH PRODUCING POLITICAL COMMENTARY PROGRAMS FOR THE CABLE TV STATION. [REDACTED] REPORTEDLY IDENTIFIED A PHOTOGRAPH OF M19CO FUGITIVE [REDACTED] AS AN INDIVIDUAL INTRODUCED TO HIM BY [REDACTED] AT THE TELEVISION STATION IN EARLY 1988. AT THIS TIME, THE WOMAN IDENTIFIED AS [REDACTED] WAS INTRODUCED TO [REDACTED] AS "A WRITER WHO LIVES ON A NICE RANCH OUTSIDE OF AUSTIN." SINCE [REDACTED] HAD PREVIOUSLY MADE REFERENCE TO A FRIEND, [REDACTED] LIVING IN AUSTIN, IT IS HIGHLY POSSIBLE THAT THIS [REDACTED] IS [REDACTED] AND THE RANCH REFERRED TO BY [REDACTED] IS [REDACTED]

THE FOLLOWING SIMILARITIES HAVE THUS BEEN DEVELOPED IN THIS INVESTIGATION:

1. BOTH FALSE IDENTIFICATIONS IN THE NAME OF [REDACTED] AND [REDACTED] WERE OBTAINED DURING THE SEARCH ON OCTOBER 21, 1988. AT [REDACTED] EAST ORANGE, NEW JERSEY.

b6  
b7C

2. BOTH ALIASES HAVE RESURFACED IN SUBSEQUENT INVESTIGATION AND ARE CONNECTED WITH INDIVIDUALS MOST PROBABLY PARTICIPATING IN

[REDACTED]

3. A CURRENT M19CO FUGITIVE, [REDACTED] MAY POSSIBLY BE SEEKING SANCTUARY AT [REDACTED] IDENTIFIED AS ONE OF THESE SHELTERS.

THE M19CO HAS REMAINED LARGELY A RADICAL ORGANIZATION COMPRISED PREDOMINANTLY OF LESBINANS AND FEMINISTS. THEIR GOALS WOULD BE CONSISTENT WITH THOSE OF [REDACTED] ORGANIZATION, [REDACTED]

[REDACTED] THE M19CO HAS BEEN CONSISTENTLY KNOWN TO MAINTAIN A COMPLEX UNDERGROUND SUPPORT STRUCTURE FOR FUGITIVES WITHIN THEIR RANKS. THIS STRUCTURE, WHICH HAS BEEN DEVELOPED AND REFINED OVER THE PAST 20 YEARS, CONSISTS OF MULTIPLE INFORMATION RELAY POINTS, FALSE IDENTIFICATION OUTLETS, AND MOVING RESIDENCE FROM MEMBERS ACTIVELY SOUGHT BY LAW ENFORCEMENT AGENCIES.

Reference Baltimore airtel dated 3/6/89.

Referenced airtel provided list of identifications found in a safehouse used by MARILYN JEAN BUCK and others prior to her arrest.

Based on a check of DMV records, Atlanta found one match. This was on [redacted] white female; DOB: [redacted] SSAN: [redacted] 5'7"; 140 pounds; Georgia Driver's License number [redacted] issued 7/11/86; Georgia address listed as [redacted] Atlanta, Georgia 30307. A check showed this SSAN to be a true one for [redacted] with parents listed as [redacted] and [redacted]. Records also show [redacted] has traffic violations dating back to 1984. [redacted] worked for the Legal Aid Society during 1986-87 and possibly for another attorney after 1987. A phone number of [redacted] was listed for [redacted] but is currently disconnected.

[redacted] A current address for [redacted] appears to be [redacted] Rego Park, New York 11374.

Based on the above, it does appear [redacted] is a true person whose identity is not being used by a Fugitive. However, if other information is available to show otherwise, Atlanta will investigate [redacted] further.

Investigation in Atlanta continuing.

3. Four policeman questioning two civilians in front of a large building, which is perhaps a Federal Building or a United States Courthouse, location unknown. The police officers are dressed in light blue shirts and dark blue trousers.

Enclosed for Milwaukee, Minneapolis, and San Francisco is one copy each of color photographs numbered one and two listed above.

As the Bureau and receiving offices are aware, [redacted] white female, date of birth [redacted] of Austin, Texas, is considered a suspect in the harboring of captioned fugitive [redacted] Texas, on [redacted] Dates of the photographs are unknown.

The photograph of [redacted] with former top ten fugitive [redacted] and [redacted] appears to have been taken in a jail house hallway. The date and place of photograph number three is unknown. It could perhaps have been taken of a Federal Building or United States Courthouse in Boston, Chicago, or New York during any of the numerous court proceedings which have taken place in those cities in recent years related to NYROB, May 19TH, [redacted] and his group, etc. It would also be interesting to know if this photograph is of a federal installation in Baltimore or WMFO which has been bombed or targeted for bombing by M19CO or related groups in recent years. The building appears to be fairly distinctive and therefore, it may be able to identify the location of this photograph if the photograph is viewed by appropriate terrorism investigators in receiving offices.

Neighborhood source in vicinity of [redacted] residence in Austin, Texas, was told by current occupant of the residence owned by [redacted] that [redacted] will return to Austin, Texas, in mid-June 1989.

Bureau and other offices receiving the third photograph are requested to advise San Antonio Division if the building in the background can be identified.

Investigation continuing in San Antonio.

RE MIairtel to Director, 9/11/90.

For information of receiving offices, this nationwide investigation centers around the location and apprehension of captioned fugitives [redacted] and [redacted] as well as the identification of ongoing criminal activity of the M19CO.

By way of background, [redacted] and [redacted] are members of the M19CO which advocates the armed revolution and armed overthrow of the United States Government and which aligns itself with the armed struggle of other oppressed people of the world.

b6  
b7C

[redacted] has been a fugitive since 1985 when a federal warrant was obtained in Philadelphia, Pennsylvania when [redacted] jumped a \$300,000 real estate bond placed in her behalf.

had been arrested on [redacted] by the FBI along with Dr. ALAN BERKMAN, who was wanted for his participation in the Brinks armored truck robbery in 1981 which was co-sponsored by several revolutionary groups, to include the M19CO, and which resulted in the deaths of one Brinks' guard and two local Nyack, N.Y. police officers. At the time of their arrest, [redacted] and BERKMAN had three fully-loaded handguns and a sawed-off shotgun in their possession as well as multiple pieces of false identification.

Investigation since her fugitive status indicates that [redacted] is very close to fellow member [redacted] also a fugitive, being sought for assaulting a Port Authority Police Officer in 1981 during a demonstration at Kennedy Airport in New York.

Investigation of the criminal activities of the M19CO to include bombings, armed robbery, kidnapping, with resultant searches of safe-houses and storage facilities reveal the presence of [redacted] fingerprints in conjunction with those of [redacted] further indicating that they may be travelling and/or living together.

Ongoing analysis of calling activity reproduced on court authorized pen registers on the telephones of key harboring suspects [redacted] and [redacted] have reflected numerous out-of-state calls which are, as yet, unidentified.

As recipients may be aware, [redacted] has recently relocated to her home state from Almond, Wisconsin, where she shared the home of [redacted] at [redacted] telephone number [redacted]. Her new address has been verified as [redacted] Austin, Texas. Preliminary indications regarding this move point to the fact that [redacted] has found new employment as a teacher. Nevertheless, she is expected to continue to overtly espouse the revolutionary rhetoric and show support for the incarcerated M19CO members as she had been when her close friend, [redacted] relinquished her position as Austin M19CO chapter leader to [redacted] prior to going into fugitive / underground status.

With respect to [redacted] she continues to have regular contact with numerous M19CO members to include [redacted] as she maintains the position of national spokesperson and president of the M19CO with great distinction.

#### LEADS

Receiving offices are requested to identify the subscribers of the telephone numbers relative to their respective divisions, and thereafter conduct discreet full fugitive investigations to determine if any significant relationship or information exists between the subscriber and the location and/or identification of the captioned fugitives.

As recipients are aware, the MAY 19TH CO (M19CO) has historically associated itself with other known terrorist groups and participated in acts of criminality with some of these groups to include the FUERZAS ARMADAS DE LIBERACION NACIONAL (FALN) and the NEW AFRIKAN FREEDOM FIGHTERS (NAFF). The M19CO has continued these associations and has initiated alliances with several international terrorist organizations as well. In addition to enhancing solidarity with these other groups, it is believed that the M19CO is using these associations to aide in the harboring of captioned fugitives, as well as to support other clandestine activities of the M19CO and other terrorist organizations.

CAPTIONED INVESTIGATION OF THE MAY 19TH COMMUNIST ORGANIZATION (M19CO) WAS AUTHORIZED ON JUNE 25, 1982 AND WILL EXPIRE ON APRIL 30, 1992, PER REFERENCED TELETYPE. INVESTIGATION WAS FORMALLY CLOSED BY OO WITH THE CONCURRENCE OF FBIHQ, AS INVESTIGATION FAILED TO UNCOVER OVERT ACTS BEYOND THE MERE ADVOCACY OF CRIMINAL ACTIVITY AS SET OUT IN M19CO AND THE ATTORNEY GENERAL GUIDELINES FOR DOMESTIC TERRORISM INVESTIGATIONS.

FORMER INVESTIGATION OF THE M19CO IN THE CAPTIONED INVESTIGATION HAS REVEALED A CLOSE NETWORKING OF M19CO MEMBERS AND ASSOCIATES AND IT IS STRONGLY BELIEVED BY OO, FBIHQ, AND RECEIVING OFFICES WHO HAVE BEEN INSTRUMENTAL IN CAPTIONED INVESTIGATION, THAT THESE INDIVIDUALS CONTINUE TO SUPPORT AND HARBOR FBI FUGITIVES AND M19CO MEMBERS. [REDACTED]

ID NUMBER [REDACTED] AND [REDACTED] ID NUMBER [REDACTED] IN ADDITION, IT IS KNOWN THAT THE M19CO HAS COMMUNICATED WITH SEQUEL SIX (TWO FBI TOP TEN FUGITIVES) AND FALN FUGITIVES IN THE PAST, AND IN ALL PROBABILITY, CURRENTLY SUPPORT THE FUGITIVE STATUS OF INDIVIDUALS IN THESE AUTHORIZED DOMESTIC SECURITY/TERRORISM INVESTIGATIONS.

AS THE FUGITIVE ASPECT OF THE M19CO CONTINUES TO BE

ACTIVELY PURSUED, AND AS INFORMATION CONTAINED IN CAPTIONED (CLOSED) INVESTIGATION (100A-182933) DIRECTLY EFFECTS THIS FUGITIVE INVESTIGATION, ANY INFORMATION THAT IS INADVERTENTLY RELEASED FROM THE CLOSED 100A INVESTIGATION THROUGH A FOIPA REQUEST WILL DETRIMENTALLY IMPACT THIS ONGOING 1836 FUGITIVE INVESTIGATION.

THEREFORE, IT IS RECOMMENDED THAT THIS COMMUNICATION BE PLACED AS THE TOP OR LAST SERIAL IN CAPTIONED INVESTIGATION AND THAT ALL FOIPA REQUESTS REGARDING THE INDIVIDUALS IN THIS CLOSED INVESTIGATION BE DENIED DUE TO THE ONGOING 1836 FUGITIVE INVESTIGATION. IN THE EVENT ANY CLARIFICATION IS REQUIRED BY RECEIVING OFFICES, CONTACT SA [REDACTED] OF THE NEW YORK OFFICE, TELEPHONE NUMBER [REDACTED] AND SSA [REDACTED] FBING, EXTENSION 4650.
