Subj: Labor Education Playback Records

3. It is suggested that this list be brought to the attention of the Labor Officer of your region, the prefectural public information offices, and audio-visual officials. As these records have been specially prepared for the labor education program, every effort should be made to encourage their full utilization by the Japanese.

4. In addition, one record each on "Union Finances," "Local and National Unions" and "Re-Negotiation of Labor Contracts" is being prepared for future release. Another on "Seniority Rights" is still in the planning stage. The Labor Ministry will notify prefectural labor offices and other Japanese agencies when these records are available.
