RULES,

MANUFACTURED BY

A. STANLEY & CO.,

NEW BRITAIN, CONN.

NEW BRITAIN:

NOTICE.

The numbers of Rules are the same as on our previous Lists, but for convenience, are classified and arranged differently.

The long prices are also the same, except in a few cases where a reduction has been made. We have added several new kinds; and any Rules not included in the List, will be made to order. Our Boxwood Rules are made of the best quality Turkey boxwood, well seasoned; and having greatly improved our machinery, and increased our facilities for making Rules, we are enabled to give better terms on most kinds, than heretofore, and have also greatly improved the quality of our goods.
