Further negotiation with Fukushima City is necessary.

Article 4:

Undecided matters of Social Education Section:

a. Establishment of Social Education Section in county offices.

In order to improve social education, a Social Education Section must be established. This was commissioned by the Standing Committee of the Prefecture and had been decided to establish, but has not yet been realized. When the Social Education Section is established, a stronger liaison will be established between the Prefecture and the town or village.

Social education activities are limited in cities and not for town or village was the complaint of some people. There were two reasons for this; 1) shortage of officials, 2) no section of social education in county offices which have direct relation with towns or villages.

We hope that the Social Education Section would be established in county offices in order to improve social education.

散会

一つは、現在 視私の教員の欠員を見ようとしている時、新採用をするための養成所は縮少するのが当然と思う。第二には新免許法が出来たものは單位を與えることができなくなるらしい。

○民家委員
それならば、現私の助教諭を対象としたらどうか。第二については そうでもないようにきいているが。

○行政課 青木主事
教員養成施設に併置しても認めないものは 文部省では指導している

○行政課長
現私の助教諭を六ヶ月間 学校をあけさせることは、定数不足の折柄 学校で困るとになりはしないか。また 何かしら實行予算編成の面で 節減しなければならない。

G. Bill #1. Matters concerning 1949 supplementary revised budget
Explanation was given by Watanabe, Administration Section chief (annex 6)

Ujiie: I am against the expenditure reduction of Temporary Teacher Training Institute.

Watanabe, Admin. Sec. chief:
First reason: We feel that it is a proper conduct to reduce the training institute in order to adopt new teachers when present teachers are to be dismissed.
Second reason: When a new certificate law is passed, credits may not be given to graduates of Pref. USS

Ujiie: Then why not train assistant teachers in the training institute? I've heard that we do not have to worry about the second reason.

Aoki: Aoki, shuji, Administration Section:
Monbusho is guiding so that they will not approve any matters not attached to teachers training facilities

Administration Section chief:
Would not a school suffer to let an assistant teacher stay out for 6 months, specially when fixed number of teachers is short? Moreover, if we have to reduce the executive budget, we naturally take this expenditure to be reduced.

Other unsettled problems are to be discussed tomorrow.
