TO YOU

After you have witnessed and enjoyed (for we feel sure you will) Mr. Cyril Maude in "Grumpy," there is one thing for you to do — urge your friends to see it. They will enjoy it equally as much as you have. Don't hesitate to emphasize the fact that both star and play created the biggest sensation in New York and London last season. And Boston has already extended its enthusiastic approval. In fact, the critics unanimously proclaim "Grumpy" the biggest theatrical treat in years. Therefore, in justice to your friends, impress upon them that to see this play is to enjoy a genuinely delightful evening's entertainment. Make an effort to explain to them that the piece abounds in thrills, throbs and surprises. Tell them that the story is woven around the mysterious theft of a \$500,000 diamond. In short, tell them that it is the most baffling and absorbing detective story produced in a long time. And by all means don't omit the fact that seats are selling three weeks in advance, and mail orders, as is the custom, are given prompt and accurate attention. Make all remittances payable to Fred E. Wright.

PHOTOGRAPHS OF CHILDREN

Patience and a knowledge of children combined with a sense of the artistic are absolutely necessary in photographing children. Then often the best proofs are spoiled by being poorly finished.

We are especially equipped in regard to the first, and the beautiful work being turned out by the studio is a result of the care in finishing.

Every print is inspected and signed before leaving the studio and none are allowed to pass until they are as perfect as it is possible to make them.

SIGN THIS PETITION**

To the Senate and House of Representatives of the Commonwealth of Massachusetts and Any Committees Thereof, and To Whom Further It May Concern:

We, the undersigned, users of the Boylston Street Subway and surface cars on Boylston Street in the City of Boston, and customers of the merchants upon upper and lower Boylston Street and in Park Square, believe that it is for the great benefit of the shopping public in Boston, the City of Boston and the Elevated Railway that a STATION should be built and established at ARLINGTON STREET IN SAID SUBWAY; that a station should have been placed at or about Arlington Street when the Subway was originally constructed, and the absence of a station at Arlington Street is a great detriment to the retail business in Boston and a great inconvenience to the undersigned, who desire to use a station at Arlington Street for the purpose of gaining access to the stores of the merchants at and about that point.

We, therefore, respectfully pray that any bill or measure which may be introduced into the Senate or House of Representatives of the State of Massachusetts looking to the establishment and building of such a station be favorably acted upon.

We believe that the withholding of favorable action under all the circumstances will do a great injustice to the Boston public.

Three Generations

of the **VOSE** family have made the art of manufacturing **VOSE** Pianos their life work. For sixty-three years they have been developing their instruments with such honesty of construction and materials, and with such skill, that the **VOSE** Piano of to-day because of its real artistic qualities is universally known as the piano for the American home. Their new Grand is the climax of their achievement, wonderful in tone, action, and general construction. It attracts both the ear and the eye, and is the finishing touch in adding refinement to the home.
