LOUISIANA ITEMS. Under the head of "A Fearful Storm "

Under the head of "A Fearful Storm," the Southern (berville) Nature has the following. Yesterday morning most of the inhalitants of our peaceful town were awakened by a trammendous atorm, accompanied by heavy hereens of ram, and a fearful horricane of wood, which hertoactey was of short duration. Greet many trees in town were felled to the earth-some torn up by their roots, and others their trunks to material in two; the fine large avenumers which as doed oppose to the court-house was accred in this manner, and laid right across. Main street; several lamilies roshed from their houses during the storm, fearing their destroottom, and another their destroottom, and another their destroottom, which is the control of the Catholic Church received ameningary. We have not learned the full extent of the injury of whether any material demander resulted in our vicinity. The steamer Motoral pages of in our vicinity. The steamer Motoral pages of the storm of the commander, the friends of those on board need have intelled and the storm, of the order of the result of the storm, of the result of the storm, of the commander, the friends of those on board need have intelled and the their affect.
