SECTION 1. Private corporations or associations may be formed for a term to be stated in their articles not exceeding fifty years for the purpose of insuring the property of their members against loss or damage by fire in accordance with this act, and not otherwise.

Trustees to adopt by-laws.

SEC. 2. The trustees or directors of any corporation or association shall adopt such by-laws not in conflict with the laws of this state, as they may deem proper for the government of its affairs and the conduct of its business. Such by-laws shall provide for the liability of its members in accordance with the provisions of this act.

Each member liable.

SEC. 3. Each person or partnership or corporation accepting a policy in any such mutual insurance corporation or association shall thereby become a member of such corporation or association and shall be liable for his proportionate share of losses and operating expenses as hereinafter provided.

No policy issued until \$500,000 is subscribed for.

SEC. 4. A violation of this provision shall render the officers and directors and all persons

having similar powers jointly and severally liable to such company for any amount used for expenses in excess of the amount provided for in this section. In the event that such company fails or refuses to recover such moneys so paid, the insurance commissioner may sue for and recover the same from any one or all of the officers or directors and all persons having similar powers of such company for the benefit of its policyholders. No officer or other person whose duty it is to determine the character of the risks, and upon whose decision the application shall be accepted or rejected by such corporation shall receive as any part of his compensation a commission upon the premiums, but his compensation shall be a fixed salary and such share of the net profits as the directors, and all persons having similar powers may determine.

SEC. 6. Such corporation or association may issue policies for a term not exceeding five years; *provided*, the term of any policy does not exceed the time limited for the existence of the charter or articles of association. SEC. 8. Each policyholder shall be liable to pay his proportionate share of any assessment which may be levied by any such corporation or association and in accordance with the law and his contract, on account of losses and expenses incurred while he is a member. Any such corporation or association shall charge and collect upon its policies the full premium in cash, and may, in its by-laws, fix the liability of its members for the payment of the losses and expenses not provided for by its cash funds; *provided*, that the liability of a member to assessment shall not be less than the amount of one annual premium in addition to the annual cash premium of his policy; *provided, however*, that corporations or associations which have accumulated, in the regular course of the business, cash assets of not less than two hundred thousand (200,000) dollars of which not less than fifty thousand (50,000) dollars is net cash surplus over and above all the requirements of section 13 of this act shall have power, while in that condition, to adopt by-laws limiting the liability of its policyholders for loss or damage by fire to any amount it may desire to specify in its policies, and the power to issue policies with such limitation of liability to continue only during the time such corporation or association is in such financial condition; *provided, further*, that every such corporation or association must print upon its policies such by-laws or mutual conditions as will define the liability of a policyholder.

Assessments to pay losses and expenses.

SEC. 9. Whenever such corporation or association is not possessed of cash funds above its reinsurance reserve fund and all other liabilities sufficient for the payment of accrued losses it shall make an assessment for the amount needed to pay such losses and expenses, upon its members liable to assessment therefor in proportion to their several liabilities. The corporation or association shall cause to be recorded in a book kept for that purpose the order of such assessment, together with a statement which shall set forth the condition of the corporation or association at the date of the order, the amount of its cash assets and contingent funds liable to assessment and the amount of the assessment called for. Such record shall be made and signed by the directors or other persons who voted for the order, before any part of the assessment is collected, and any person liable to assessment may inspect and take a copy of the same.

Members may withdraw.

SEC. 10. Any member of any such corporation or association may withdraw at any time by surrendering his policy or certificate of insurance to the corporation or association and giving thirty days' written notice of his intention to withdraw and by paying his share of all losses which shall have accrued by the end of the time specified in the notice, and of all losses arising out of fires occurring theretofore and all losses occurring within thirty days after the service of such notice and all assessments levied in whole or in part to meet such losses, and all assessments due, accrued or pending at the time of the cancellation of his policy, but the corporation or association may retain the customary short rate for the expired time;

provided, also, that the corporation shall have power to cancel or determine any policy by giving the insured five days' written notice to that effect, and returning to the insured his pro rata of the unearned premium.

SEC. 11. No corporation or association formed under this act may make any dividend except from profits in hand, after retaining unimpaired a cash surplus of fifty thousand (50,000) dollars over and above all liabilities including reinsurance reserve and shall thereafter retain not less than five per cent per annum of all profits available for dividends until the sum of two hundred thousand dollars (\$200,000.00) net cash surplus has been accumulated. Such cash surplus shall be invested in the manner provided for in subdivisions 1, 2, 3 and 4 of section 421 of the Civil Code of the State of California as that section was amended by act approved March 22, 1907. STATE OF CALIFORNIA.
EXECUTIVE OFFICE, SACRAMENTO.

The within bill, Assembly Bill No. 1586 (the general appropriation bill), is approved with the exceptions hereinafter noted; and the items hereafter specifically set forth are objected to in accordance with section 16 of article IV of the constitution and disapproved, to wit:

The item found under the caption "State Board of Health" "For salary of engineer inspector state board of health four thousand eight hundred dollars," for the reason that the said office of engineer inspector does not exist and has not been created.

The item under said caption "State Board of Health," "For equipment and supplies for engineer inspector, eight hundred dollars," for the reason that the said office of engineer inspector not having been created no equipment and supplies are required therefor.

The item under the said caption "State Board of Health," "For salary of sanitary chemist state board of health, three thousand dollars," for the reason that no such office exists as sanitary chemist and none has been created.

And all of said three items are unnecessary and improperly included in the said general appropriation bill.

The item under the caption "State Board of Health," "For sanitary work in oriental ports, ten thousand dollars," for the reason that the item is indefinite and uncertain, and it is doubtful whether or not the said sum could be legally expended, and the method of expenditure is not set forth.

The item under the caption "State Prisons," "For parole work of state board of prison directors, five thousand dollars," because the said work is amply provided for elsewhere and the state board of prison directors in a written communication to me have stated that this item might be construed as a limitation upon their right of expenditure and for that reason is undesirable, and would seriously hamper parole work.

The other portions of the said bill are approved.

Dated May 1, 1911.

HIRAM W. JOHNSON,
Governor of California.

Taxes entered on assessment roll.

SEC. 47. All taxes so levied must be computed and entered upon the assessment roll of the county where such property may be situated, by the county auditor, and collected by the tax collector, at the same time and in the same manner as state and county taxes, and when collected shall be paid into the county treasury for the use of such district.

Lands capable of independent mode of reclamation may be set aside.

SEC. 51. Whenever in the opinion of the board of trustees of any overflowed district, formed under this act, the cost of reclamation and irrigation according to the plans thereof, will be too great to be raised by taxes as provided in this act, to be paid within one year; the board of trustees of such district shall, for the purpose of voting the necessary bonded indebtedness therefor, order a special election to be held in said district at some time and some place or places designated by them.

Special election to vote bonds.

SEC. 56. The treasurer of said county shall place the bonds issued pursuant to this act, to the credit of said district and may at any time upon the order of the board of supervisors of said county, sell any of said bonds for the best price obtainable therefor, but in no event for less than the face value of said bonds, and the accrued interest thereon. [Approved May 1, 1911.]

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. Section 3408d of the Political Code is hereby amended so as to read as follows:

3408d. Whenever the state shall be entitled to make indemnity selections for any reason, the surveyor general shall, on behalf of the state and in the manner herein provided, issue and sell to persons qualified to purchase state lands, indemnity certificates of location or scrip, as herein provided. No person shall be entitled to purchase an indemnity certificate of location or scrip unless he be qualified to purchase state lands as provided by law, and no person shall be entitled to purchase such a certificate representing more than six hundred and forty acres of land, nor less than the smallest legal subdivision of land as shown and indicated on the United States plats. As the surveyor general shall ascertain, from time to time, the number of acres to which the state is entitled as indemnity, he shall sell at his office in the city of Sacramento, State of California, at public auction, to the highest bidder, for cash in gold coin, and to persons qualified to purchase state land indemnity certificates or scrip. When certificates of indemnity or scrip are sold as herein provided, the surveyor general shall issue to the purchaser an indemnity certificate of location or scrip, in such form as may be by him provided, containing the date of the sale, a description of the land, or statement of the facts or other cause constituting the bases by reason of which the state is entitled to indemnity, the name of the person to whom issued, the price paid therefor, and the fact that such certificate may be surrendered to the surveyor general, and the holder and owner thereof (provided he be the original purchaser of such certificate of indemnity or scrip) shall be entitled to have selected from the vacant unappropriated lands of the United States within the state open to selection, the same number of acres as represented by the certificate surrendered, which the party who makes the surrender shall designate; *provided, however,* that if the land sought to be selected be suitable for cultivation, then such person must be an actual settler thereon, and in that event, he shall only be entitled to have selected or located for him not more than three hundred and twenty acres, and the said certificate, if representing more than three hundred and twenty acres, shall not be deemed to give the said person so surrendering it the right to have selected for him any more than a single individual is by law now allowed to acquire, and if any such certificates of indemnity or scrip shall represent more than three hundred and twenty acres, the said owner thereof shall be entitled to restitution for the said excess to the amount paid therefor. At the time of surrendering said certificate said person so surrendering the same shall make and file the same affidavit and application as is now required by law for the purchase of state school lands, and he shall pay all fees as provided by law in connection with the sale of state school lands, and the issuing of evidences of title therefor. The said certificates of indemnity or scrip, however, shall be held to be, and shall be considered and accepted as the full purchase price for the land sought to be purchased by the applicant. The said certificate of indemnity shall not be subject to sale or assignment; *provided, however,* that if the purchaser shall die without having selected lands in accordance therewith, his successors in interest or legal representatives may surrender the said certificate and be entitled to restitution for the amount paid therefor. If it appears, when any certificate of indemnity or scrip is surrendered that the owner of said certificate was not qualified to purchase state lands when the said certificate was purchased, the said certificate shall be canceled and become null and void and he shall be entitled to restitution therefor. The surveyor general shall have the right to continue any sale, when he shall deem it to the interest of the state so to do, to the next sale date

thereafter. Whenever it is made to appear to the satisfaction of the surveyor general that the base or bases named in any certificate of indemnity or scrip is or are invalid, or has or have been used in a previous state indemnity selection, or will not be accepted by the land department of the United States, the owner and holder thereof may surrender said certificate of indemnity or scrip to the surveyor general and said certificate of indemnity or scrip shall be canceled and the surveyor general shall issue a new certificate of indemnity or scrip in lieu thereof containing an equal amount of acres of valid bases, and if the base land described in the said canceled certificate of indemnity or scrip has been used in making a state indemnity selection for said owner, the surveyor general shall forward to the United States land office an amendatory of said state indemnity selection by substituting the base land described in the new certificate of indemnity or scrip for the base land in the certificate canceled by him. If any certificate of indemnity or scrip has been lost or destroyed the owner thereof may, upon filing an affidavit with the register of the state land office showing the facts constituting such loss or destruction, have issued to him a duplicate thereof, across the face of which shall be marked in red ink the word "duplicate," and which shall have the same force and effect as the original. No person shall be considered as having made an entry of state lands under the provision of this article until the lands have been listed to the state. Whenever in accordance with the provisions of this article any person shall have the right to recover from the State of California any sum of money paid by him for a certificate of indemnity or scrip, he shall surrender the same to the surveyor general who shall thereupon cancel the same and issue to him a certificate showing the amount paid and the class of land upon which the payment was made, and upon the surrender of such certificate to the controller of state he must draw his warrant in favor of the person surrendering the same for the amount therein specified, upon the treasurer of state, who must pay the same out of the fund into which the purchase money was paid. All the provisions of the laws of this state governing the sale and disposition of state school land, where not in conflict with the provisions hereof, shall apply equally to lands purchased upon the surrender of certificates of indemnity or scrip. All moneys received by the surveyor general under the provisions hereof shall be disposed of by him in the same manner as other moneys received from the sale of state school lands.

If certificate has been lost.

On the final hearing the said board shall define and establish the boundaries of said boulevard district as provided in said petition, unless they shall deem it proper to change them; *provided*, that any change made by said board of supervisors shall not include any territory outside of the boundaries described in the petition, until the board has given at least two weeks' notice of its intention to include such territory within such district, by publication for two weeks of such notice of intention in a newspaper of general circulation published either in said district or at the county seat. All bonds issued under the provisions of this act shall be of such denomination as the boulevard commission may determine, except that no bonds shall be of less denomination than one hundred dollars nor of a greater denomination than one thousand dollars. Said bonds shall be payable in gold coin of the United States at the office of the county treasurer of the county wherein said district is situated, and shall bear interest at a rate not exceeding seven per centum per annum; which interest shall be payable semi-annually in like gold coin. Not less than one twentieth part of the total issue of bonds shall be payable each year, on a day to be fixed by the commission and specified in the bonds. (name of district) boulevard district tax," sufficient to raise the amount reported to them as herein provided, by the boulevard commission. The supervisors must determine the rate of such tax by deducting fifteen per cent for anticipated delinquencies from the total assessed value of the real property of the district within the county, as it appears on the assessment roll of the county, and dividing the sum reported by the boulevard commission as required to be raised by the remainder of such total assessed value. The tax so levied shall be computed and entered on the assessment roll by the county auditor, and if the supervisors fail to levy the tax as provided in the preceding section, then the auditor must do so. Such tax shall be collected at the same time and in the same manner as state and county taxes, and when collected shall be paid into the county treasury for the use of said district, and the purposes herein specified. The provisions of the Political Code of this state prescribing the manner of levying and collecting taxes and the duties of the several county officers with respect thereto are, so far as they are applicable and not in conflict with the specific provisions of this act, hereby adopted and made a part hereof. Such officers shall be liable upon their several official bonds for the faithful discharge of the duties imposed upon them by this act.

The following funds are hereby established to which the money belonging to the district shall be apportioned by the treasurer, to wit: bond fund; construction and maintenance fund, and district expense fund. The treasurer shall pay out the same only upon warrants of the boulevard commission, signed by the president and attested by the secretary. The treasurer shall report in writing to the commis-

sioners whenever requested by them or the secretary the amount of money in the various funds, the amounts of receipts since his last report and the amounts paid out.

SEC. 20. The amount to be raised by the issuance of bonds on the taxable property within said district, shall in the aggregate not exceed seventy-five per cent of the estimated cost of acquiring the right of way therefor and the constructing said boulevard, as given in the estimates to be furnished by the county surveyor; the balance of twenty-five per cent shall be paid out of the general road fund of the county. Seventy-five per cent of the cost of maintenance and repair of said boulevard shall be paid by the boulevard district and twenty-five per cent of the cost of such maintenance and repair thereof shall be paid out of the general road fund of the county.

Limit of
bond issue.

SEC. 21. When directed by the boulevard commission of said district, and before the calling of any election for the issuance of bonds, the county surveyor shall prepare a map showing the location of said proposed boulevard; also showing a cross-section and profile of said proposed boulevard, together with specifications for the construction thereof, and an estimate of the cost of acquiring the right of way therefor, and of the construction of said boulevard.

SEC. 23. The district may at any time be dissolved upon the vote of two thirds of the qualified electors thereof at an election called by the boulevard commission upon the question of dissolution. Upon a petition signed by a majority of the electors of said district asking for the dissolution of said district, the boulevard commission shall, within thirty days after receiving said petition, by resolution, order that an election be held in the said district for the determination of the question, and appoint three qualified electors thereof to conduct said election. Such election shall be called and conducted in the same manner as other elections of the district. Upon such dissolution, any property which may have been acquired by such boulevard district shall vest in any incorporated town or city where said boulevard district shall be wholly within or be identical with the corporate limits of such incorporated town or city; and the property in the territory of said district outside of the limits of such incorporated town or city shall vest in the county board of supervisors; and if there be no such incorporated town or city, then such property shall vest in the board of supervisors of the county

Any voter registered in premises in which the landlord or keeper neglects or refuses to comply with this section, or who is found registered as residing in such premises, and whose name is not returned in any list furnished by said landlord or keeper, under this section, may be cited to appear before the election commissioners within five days, in order to verify his right to vote. It shall be considered as a proper citation to such voter, if the citation is addressed to the name of the party registered, the number of room (if any room be named in his affidavit of registration) and place of registration; and if the party cited does not appear in answer to the citation at the time appointed, his name may be stricken from the register of voters, or may be placed upon a special challenge list to be sent to the inspector of election in the precinct with directions to challenge the vote of such person if offered at the election, under subdivision 5 of section 1230 of the Political Code. Such citation may be served by mailing the same addressed as required in a sealed envelope with proper postage prepaid thereon, and the five days above mentioned shall begin to run two days after the deposit of such envelope in the mail. It shall then deliver the assessment roll to the auditor and ex officio assessor, who shall compute and carry out the amount of the tax so levied upon each parcel of property contained in said assessment roll. The corrected list for each tax shall be the assessment roll of said tax for said year, and it shall be certified by the auditor and ex officio assessor as being the assessment roll of said tax. The tax levy authorized by the council, when collected, shall be placed in the general fund, which may be apportioned by the council, except as otherwise provided in this charter.

Annual tax levy.

Taxation for school purposes.

Taxation
for school
purposes.

SEC. 119. The council shall, when requested by the board of education, levy annually, a tax not to exceed five cents on each one hundred dollars of the assessed value of all real and personal property within the city. This amount when collected, shall be used in the building fund of the school department, and shall be used only for the purchase of land for educational purposes, or for the construction of permanent school buildings, or permanent additions thereto.

No land shall be purchased with any money raised by such tax except with the approval of the council, as provided for by section one hundred eighty-seven (187) of this charter, and no school building or addition thereto shall be constructed with any money raised by such tax except in the manner provided for by sections one hundred eighty-eight (188) and one hundred eighty-nine of this charter, and no money raised by such tax shall be placed in any fund of the school department, except upon these conditions. The council may, upon request of the board of education, levy a rate upon the taxable property of the city which will, with the money obtained from other sources for educational purposes, raise sufficient funds to adequately support the public schools of the city. The money collected for school purposes shall be immediately paid into the proper school fund of the city, to be drawn out only on the order of the board of education, and only for the purposes for which it was collected.

Cash basis fund.

Cash basis
fund.

SEC. 120. The council shall create and maintain a permanent revolving fund, to be known as the cash basis fund, for the purpose of putting the payment of the running expenses of the city on a cash basis. For this purpose the council shall provide that, from the money collected from the annual tax levy and from money received from other sources, a sum equal to not less than two and one half cents on each one hundred dollars of the assessed value of said property shall be placed in such fund until the accumulated amount in such fund shall be sufficient to meet all legal demands against the treasury for the first four months or other necessary period of the succeeding fiscal year.

The council shall have power to transfer from the cash basis fund to any other fund or funds such sum or sums as may be required for the purpose of placing such fund or funds, as nearly as possible, on a cash basis. It shall be the duty of the council to provide that all money so transferred from the cash basis fund be returned thereto before the end of the fiscal year.

Tax liens.

Tax liens.

SEC. 121. All taxes assessed, together with any percentages imposed for delinquency and the cost of collection, shall constitute liens on the property assessed; every tax upon personal property shall be a lien upon the real property of the owner thereof. The liens provided for in this section shall attach as of the first Monday in March in each year, and may be enforced

by actions in any court of competent jurisdiction to foreclose such liens, or by a sale of the property affected and the execution and delivery of all necessary certificates and deeds therefor, under such regulations as may be prescribed by ordinance; *provided*, that when real estate is offered for sale for city taxes due thereon, the same shall be struck off and sold to the city, in like case and in like manner and with the like effect and with like right of redemption, as it may be struck off and sold to the state when offered for sale for state and county taxes, except that no certificate or receipt need be delivered to the state controller and the council shall have power to provide for the procedure to be followed in such sales to the city and redemption thereafter.

Duties of the auditor.

SEC. 122. The auditor shall be ex officio assessor. As assessor he shall perform all the duties prescribed by this charter or by law for assessing property in the city for purposes of taxation. As auditor he shall keep and number a record of all demands allowed by him, showing the date of approval, amount, and name of original holder, the number, on what account and out of what fund payable. He shall be required to be constantly acquainted with the exact condition of the treasury. He shall within one week after the close of each month, or oftener if required, report to the council the condition of each fund in the treasury. He shall keep a complete set of books for the city, in which shall be set forth in a plain and business-like manner every money transaction of the city, so that he can tell at any time the exact condition of the city's finances. He shall make an annual report showing the sources from which the city's revenue was derived and how expended. The auditor must prepare, countersign and deliver from time to time to the treasury, and to every officer authorized by law to charge or collect any fee, commission, percentage, allowance or compensation for the performance of any official service or duty, as many receipts as may be required, charging therewith the treasurer or other officials receiving them. He shall draw and sign all warrants upon the treasury. Every demand against the city from whatever source, including the school department and the Oakland free library, when allowed by the council or proper board, shall have stamped upon it the date of approval by such body and shall be signed by the president and secretary or clerk of such body and shall then be presented to the auditor, who shall satisfy himself whether the money is legally due and remains unpaid and its payment authorized by law and out of what fund. After such examination he shall approve or reject the claim in whole or in part and indorse on such demand his approval or rejection over his signature, together with the date thereof. If it is approved the fund out of which it is to be paid shall be designated. If it is not approved, unless the party presenting it is willing to take in full for the entire demand the sum offered, the auditor shall reject it and return it with his reasons for rejection, to the body which originally authorized it; then, if it is allowed by a

four-fifths vote of the entire body authorizing it, it shall be audited in the same manner as if it had not been rejected; *provided*, the body had the authority to make the expenditure out of which the claim arose.

No demand upon the city treasury shall be considered, presented for action, or acted upon, allowed or approved unless it specifies on its face each several item composing it and the amount and date thereof. Every demand on any fund shall be numbered and acted upon by the auditor in the order of its presentation to him; and when allowed either in whole or in part, the warrant therefor shall be numbered and entitled to payment out of said fund in the same order as allowed. No demand upon the treasury shall be allowed by the auditor in favor of any officer or other person, or any firm, company or corporation, or his or its assigns, who is in any manner indebted to the city upon an obligation due the city, without first deducting therefrom the amount of such indebtedness. He shall on application of any person indebted to the city, holding money payable into the city treasury or desiring to pay money therein, certify to the treasurer the amount thereof, to what fund applicable, and by whom to be paid. He shall charge the treasurer with the amount received.

It shall be his duty to apportion among the several funds all public money at any time in the city treasury, not by law or ordinance specifically apportioned and forthwith notify the treasurer of such apportionment.

If for any reason a warrant remains unpaid for a period of three (3) years, during all of which time funds have been available to meet it, the auditor may cancel it upon his records, but he must at the same time enter a record of it upon a book kept for that purpose, and should demand be made for payment of the claim involved at a subsequent date, draw a warrant in payment therefor against the general fund of the fiscal year then current.

Every officer collecting or receiving any moneys belonging to or for the use of the city, or in his official capacity, shall settle for the same with the auditor on or before the last day of each week, or at more frequent intervals as may be directed by the council, and immediately pay all of the same into the treasury, accompanied by the certificate of the auditor, for the benefit of the funds to which such moneys severally belong. When the last day of the week falls upon a legal holiday, the said payments shall be made on the next preceding business day.

SEC. 124. Upon the recommendation of the commissioner of revenue and finance and the auditor, the council shall provide by ordinance a system of accounting for the city not inconsistent with the provisions of this charter, which shall be, as nearly as may be, a uniform system as to all departments.

ARTICLE XIX.

PUBLIC WORK AND SUPPLIES.

Form of contracts.

SEC. 125. All contracts shall be drawn under the supervision of the city attorney. All contracts must be in writing, executed in the name of the city of Oakland by an officer or officers authorized to sign the same, and must be countersigned by the auditor, who shall number and register the same in a book kept for that purpose.

Form of contracts.

Requirements for bids.

SEC. 126. All proposals shall be made upon printed forms to be prepared by the city and furnished gratuitously upon application, with a form for the affidavit, hereinafter provided for, printed thereon. Each bid shall have thereon the affidavit of the bidder that such bid is genuine and not sham or collusive or made in the interest or in behalf of any person not therein named and that the bidder has not directly or indirectly induced or solicited any other bidder to put in a sham bid, or any other person, firm or corporation to refrain from bidding, and that the bidder has not in any manner sought by collusion to secure to himself an advantage over any other bidder. Any bid made without such affidavit or in violation thereof, and also any contract let thereunder, shall be absolutely void. All bids shall be clearly and distinctly written without any erasure or interlineation, and if any bid shall have an erasure or interlineation it shall not be received or considered by the council or board as the case may be. All proposals offered shall be accompanied by a check certified by a responsible bank, payable to the order of the city clerk, for an amount not less than ten per cent of the aggregate of the proposal; and no proposal shall be considered unless accompanied by such check.

Requirements for bids.

No person, firm or corporation shall be allowed to make or file or be interested in more than one bid for the same work. If, on the opening of said bids, more than one bid appear in which the same person, firm or corporation is interested, all such bids shall be rejected.

On the day and at the hour specified in said notice inviting sealed proposals the council, or board as the case may be, shall assemble and remain in session for at least one hour, and all bids shall be delivered to the council, or board as the case may be, while it is so in session, and within the hour named in the advertisement. No bid not so delivered to the council, or board as the case may be, shall be considered. Each bid as it is received shall be numbered and marked "filed" by the president and authenticated by his signature. At the expiration of the hour stated in the advertisement, within which the bids will be received, the council, or board as the case may be, shall, in open session, open, examine and publicly declare the same, and an abstract of each bid shall be

recorded in the minutes of the council, or board as the case may be, by the city clerk or the secretary of such board. Before adjourning, the council, or board as the case may be, shall compare the bids with the record made by the city clerk or the secretary of such board, and shall thereupon, at said time, or at such other time, not exceeding twenty days thereafter, as the council, or board as the case may be, may adjourn to, award the contract to the lowest bidder, except as otherwise in this charter provided. Notice of such award shall forthwith be posted conspicuously for five days by the city clerk, or the secretary of such board, on a bulletin board at or near the council chamber door of the council.

The council, or board as the case may be, may reject any and all bids, and must reject the bid of any party who has been delinquent or unfaithful in any former contract with the city, and all bids other than the lowest regular bid; and on accepting such lowest bid, shall thereupon return to the proper parties the checks corresponding to the bids so rejected. If all the bids are rejected the council, or board as the case may be, shall return all the checks to the proper parties and may again invite sealed proposals as in the first instance.

The check accompanying the accepted bid shall be held by the city clerk until the contract for doing said work, as hereinafter provided, has been entered into, and the bond accompanying the same, as hereinafter provided, is approved and filed, whereupon said certified check shall be returned to said bidder.

If said bidder fails or refuses to enter into the contract to do said work, as hereinafter provided, then the certified check accompanying his bid, and the amount therein mentioned, shall be forfeited to the city, and shall be collected and paid into the general fund. Neither the city council nor any board shall have the power to relieve from or remit such forfeiture.

Penalty for collusion.

Penalty
for col-
lusion.

SEC. 127. If at any time it shall be found that the person, firm or corporation to whom a contract has been awarded has, in presenting any bid or bids, colluded with any other party or parties, then the contract so awarded shall be null and void, and the contractor and his bondsmen shall be liable to the city for all loss or damage which the city may suffer thereby, and the council, or board as the case may be, may advertise for a new contract for said work.

Contracts—Bonds.

Contracts;
bonds.

SEC. 128. All contracts shall be signed in triplicate, one of which with the specifications, and drawings if any, of the work to be done or materials to be furnished, or both as the case may be, shall be filed with the city clerk; one thereof with said specifications and drawings shall be kept in the office of the commissioner of the department under whose supervision the work is to be done, or in case the work is being done under the supervision of a board, then in the office of the secretary of

such board; and the other with said specifications and drawings shall be delivered to the contractor.

At the same time with the execution of the contract the contractor shall execute to the city and deliver to the auditor a bond in the form named in the notice for proposals with two or more sufficient sureties to be approved by the council, or board as the case may be, or shall deposit with the auditor a certified check upon some solvent bank for the said amount, for the faithful performance of the contract. No surety on any bond other than lawfully authorized surety companies shall be taken unless he shall be a payer of taxes on property not exempt from execution or subject to homestead claim, the assessed value of which over and above all encumbrances is equal in amount to his liabilities on all bonds on which he may be surety to the city and each surety shall certify and make an affidavit (for which a form shall be printed upon said bond), signed by him, that he is assessed upon the last assessment roll of the city, in his own name, for property in an amount greater than his liabilities on all bonds on which he is surety to the city, and that the taxes on such property so assessed are not delinquent.

The contract shall specify the time within which the work shall be commenced and when to be completed, as was specified in the notice inviting proposals therefor. The council, or the board as the case may be, may extend said time, but in no event shall the time for the performance of any contract be extended for more than ninety days beyond the time originally fixed for its completion, except by the unanimous vote of the council, or board as the case may be.

In case of failure on the part of the contractor to complete his contract within the time fixed in the contract or within such extension of said time as herein provided for, the contract shall by that fact be terminated and the council, or board as the case may be, shall not thereafter pay or allow him any further compensation for any work done by him under said contract; and the council, or board as the case may be, may proceed to complete such contract either by reletting or otherwise and the contractor and his bondsmen shall be liable to the city for all loss or damage which it may suffer on account of his failure to complete his contract within such time.

Progressive payments on contracts.

SEC. 129. Any contract may provide for progressive payments, if in the ordinance authorizing or ordering the work permission is given for such a contract. But no progressive payments can be provided for or made at any time which with prior payments, if there have been such, shall exceed in amount at that time seventy-five per cent of the value of the labor done and the materials used up to that time, and no contract shall provide for or authorize or permit the payment of more than seventy-five per cent of the contract price before the comple-

In the erection, improvement and repair of all public buildings and works, in all streets and sewer work, and in all work in or about streams, bays or water fronts or in or about embankments or other works for protection against overflow or erosion, and in furnishing any supplies and materials for the same, or for any other use by the city or in the purchasing of any supplies to be used by the city, when the expenditure required for the same exceeds the sum of five hundred dollars, shall be done by contract, and shall be let to the lowest responsible bidder, after advertising for five consecutive days in the official newspaper for sealed proposals for the work contemplated or supplies to be furnished. Such notice shall distinctly and specifically state the work contemplated or supplies to be furnished; *provided, however*, the council may reject any and all bids, if deemed excessive, and readvertise for bids, or provide for the work to be done by the department of public works or the supplies to be purchased in the open market; but in no case shall such supplies be bought at a price as high as the lowest bid received from a responsible bidder. In case no bid is received the council may likewise provide for the work to be done by the department of public works or the supplies to be purchased in the open market.

Indorsement of auditor upon contracts.

Indorse-
ment of
auditor
upon con-
tracts.

SEC. 131. No contracts made, the expense of whose execution is not provided by law or ordinance to be paid by assessment upon the property benefited, shall be binding or of any force, unless the auditor shall indorse thereon his certificate that there remains unexpended and unapplied as herein provided, a balance of the appropriation or fund applicable thereto, sufficient to pay the estimated expense of executing such contract, as certified by the board or officer making the same. This provision shall not apply to work done, or supplies furnished, involving expenditure of less than two hundred and fifty dollars, unless the same is required by law to be done by contract at public letting. The auditor shall make such indorsement upon every such contract so presented to him, if there remains unapplied and unexpended such amount so certified by the board or officer making the contract, and thereafter such sum shall be held and retained to pay the expense incurred until the contract shall be fully performed. The auditor shall furnish weekly to the head of each department a statement of the unexpended balances of the appropriation for his department.

SEC. 132. The council shall let annually contracts for the official advertising for the ensuing fiscal year. For this purpose the council shall advertise for five consecutive days, setting forth distinctly and specifically the work contemplated

to be done, including the type and spacing to be used, and asking for sealed proposals therefor. The council shall let the contracts for such official advertising to the lowest responsible bidder publishing a daily newspaper in the city of Oakland which is a newspaper of general circulation, having a bona fide general circulation of at least five thousand (5000) copies, and which newspaper has been regularly published in said city for two successive years prior to the time of awarding the contract; *provided*, that the council may reject any or all bids if found excessive, and advertise for new bids. The newspaper to which the award of such advertising is made shall be known and designated as the "official newspaper." Except when otherwise provided in this charter, or by general law, all official publications made by the city shall be made in the official newspaper only. All election notices, or lists of candidates for office, department reports, ordinances, charters, or charter amendments, advertising, publicity affairs, or other publications required or authorized by this charter, by general law, or by any ordinance of the city to be made in any newspaper and all such publications for which the city of Oakland may be liable, shall be paid for by the city at such rates as shall not, in any event, exceed the ordinary and regular advertising rates charged other advertisers; and all printing of books, pamphlets, bills, letterheads or other documents or printed matter required by the city shall be paid for at a price not exceeding the usual business rates therefor. No bill shall be paid by the city for such advertising or printing in excess of the said usual business rates.

Nothing in this section shall be construed as applying to spur or side tracks provided for in subdivision fifty-five (55) of section fifty-one (51) of this charter.

Applications for franchises.

SEC. 140. (1) An applicant for a franchise, permit or privilege shall file with the council an application therefor, and thereupon the council shall, if it proposes to grant the same, advertise the fact of said application, together with a statement that it is proposed to grant the same, in the official newspaper of the city. The publication of such advertisement must run for ten consecutive days, Sundays and legal holidays excepted, and must be completed not less than fifteen and not more than thirty days before any further action can be taken on such application.

CHAPTER 21.

Assembly Joint Resolution No. 13, relative to pending legislation in congress affecting the title to oil lands in the State of California.

[Filed with Secretary of State February 16, 1911.]

WHEREAS, By reason of uncertainties in the law relating to the location of oil claims and title thereto under the placer mining law caused by the decision of the interior department of the United States reversing a long line of precedents, including decisions of the supreme courts of this and other states, and the ruling of the department itself; locators of mineral oil lands have been justly expecting congress at this session to pass some legislation for the benefit of oil locators who have gone on in good faith and made locations and done work and spent money in compliance with the provisions of

the law as interpreted by the courts and the department for many years before such reversal; and

WHEREAS, Without such legislation at this session of congress the work of development of oil lands will be curtailed to the lowest possible expenditure; which means that thousands of workmen will be thrown out of employment, the production of oil greatly lessened, and the price of oil materially enhanced; all of which would be detrimental to labor and the industries of this state; now, therefore,

Resolved, That we request our senators and representatives in Washington to urge upon congress the importance and grave necessity for immediate relief legislation at this session of congress, to the end that the interests of labor may be protected and the progress of oil development be not retarded; and further

Urging congress to pass laws affecting title to oil lands.

Resolved, That a copy of this resolution be transmitted by telegraph to each of the senators and representatives in congress from this state.

CHAPTER 22.

Senate Constitutional Amendment No. 22, a resolution to propose to the people of the State of California an amendment to the constitution of said state, by amending section 1 of article IV thereof, relating to legislative powers, and reserving to the people of the State of California the power to propose laws, statutes and amendments to the constitution and to enact the same at the polls, independent of the legislature, and also reserving to the people of the State of California the power to approve or reject at the polls any act or section or part of any act of the legislature.

[Filed with Secretary of State February 20, 1911.]

The legislature of the State of California, at its regular session commencing on the second day of January, 1911, two thirds of all the members elected to each of the two houses of said legislature voting in favor thereof, hereby propose that section 1 of article IV of the constitution of the State of California, be amended so as to read as follows:

Constitutional amendment.

Section 1. The legislative power of this state shall be vested in a senate and assembly which shall be designated "The legislature of the State of California," but the people reserve to themselves the power to propose laws and amendments to the constitution, and to adopt or reject the same, at the polls independent of the legislature, and also reserve the power, at their own option, to so adopt or reject any act, or section or part of any act, passed by the legislature. The enacting clause of every law shall be "The people of the State of California do enact as follows:"

Legislative powers.

Enacting clause.

The first power reserved to the people shall be known as the initiative. Upon the presentation to the secretary of state of a petition certified as herein provided to have been signed

Initiative.

by qualified electors, equal in number to eight per cent of all the votes cast for all candidates for governor at the last preceding general election, at which a governor was elected, proposing a law or amendment to the constitution, set forth in full in said petition, the secretary of state shall submit the said proposed law or amendment to the constitution to the electors at the next succeeding general election occurring subsequent to ninety days after the presentation aforesaid of said petition, or at any special election called by the governor in his discretion prior to such general election. All such initiative petitions shall have printed across the top thereof in twelve point black-face type the following: "Initiative measure to be submitted directly to the electors."

Petition.

Upon the presentation to the secretary of state, at any time not less than ten days before the commencement of any regular session of the legislature, of a petition certified as herein provided to have been signed by qualified electors of the state equal in number to five per cent of all the votes cast for all candidates for governor at the last preceding general election, at which a governor was elected, proposing a law set forth in full in said petition, the secretary of state shall transmit the same to the legislature as soon as it convenes and organizes. The law proposed by such petition shall be either enacted or rejected without change or amendment by the legislature, within forty days from the time it is received by the legislature. If any law proposed by such petition shall be enacted by the legislature it shall be subject to referendum, as hereinafter provided. If any law so petitioned for be rejected, or if no action is taken upon it by the legislature within said forty days, the secretary of state shall submit it to the people for approval or rejection at the next ensuing general election. The legislature may reject any measure so proposed by initiative petition and propose a different one on the same subject by a yea and nay vote upon separate roll call, and in such event both measures shall be submitted by the secretary of state to the electors for approval or rejection at the next ensuing general election or at a prior special election called by the governor, in his discretion, for such purpose. All said initiative petitions last above described shall have printed in twelve point black-face type the following: "Initiative measure to be presented to the legislature."

Referendum.

The second power reserved to the people shall be known as the referendum. No act passed by the legislature shall go into effect until ninety days after the final adjournment of the session of the legislature which passed such act, except acts calling elections, acts providing for tax levies or appropriations for the usual current expenses of the state, and urgency measures necessary for the immediate preservation of the public peace, health or safety, passed by a two-thirds vote of all the members elected to each house. Whenever it is deemed necessary for the immediate preservation of the public peace, health or safety that a law shall go into immediate effect, a

statement of the facts constituting such necessity shall be set forth in one section of the act, which section shall be passed only upon a yea and nay vote, upon a separate roll call thereon; *provided, however*, that no measure creating or abolishing any office or changing the salary, term or duties of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be construed to be an urgency measure. Any law so passed by the legislature and declared to be an urgency measure shall go into immediate effect.

Upon the presentation to the secretary of state within ninety days after the final adjournment of the legislature of a petition certified as herein provided, to have been signed by qualified electors equal in number to five per cent of all the votes cast for all candidates for governor at the last preceding general election at which a governor was elected, asking that any act or section or part of any act of the legislature, be submitted to the electors for their approval or rejection, the secretary of state shall submit to the electors for their approval or rejection, such act, or section or part of such act, at the next succeeding general election occurring at any time subsequent to thirty days after the filing of said petition or at any special election which may be called by the governor, in his discretion, prior to such regular election, and no such act or section or part of such act shall go into effect until and unless approved by a majority of the qualified electors voting thereon; but if a referendum petition is filed against any section or part of any act the remainder of such act shall not be delayed from going into effect.

Petition.

Any act, law or amendment to the constitution submitted to the people by either initiative or referendum petition and approved by a majority of the votes cast thereon, at any election, shall take effect five days after the date of the official declaration of the vote by the secretary of state. No act, law or amendment to the constitution, initiated or adopted by the people, shall be subject to the veto power of the governor, and no act, law or amendment to the constitution, adopted by the people at the polls under the initiative provisions of this section, shall be amended or repealed except by a vote of the electors, unless otherwise provided in said initiative measure; but acts and laws adopted by the people under the referendum provisions of this section may be amended by the legislature at any subsequent session thereof. If any provision or provisions of two or more measures, approved by the electors at the same election, conflict, the provision or provisions of the measure receiving the highest affirmative vote shall prevail. Until otherwise provided by law, all measures submitted to a vote of the electors, under the provisions of this section, shall be printed, and together with arguments for and against each such measure by the proponents and opponents thereof, shall be mailed to each elector in the same manner as now provided by law as to amendments to the constitution, proposed by the legislature; and the persons to prepare and present such

arguments shall, until otherwise provided by law, be selected by the presiding officer of the senate.

Failure to
submit
measure.

If for any reason any initiative or referendum measure, proposed by petition as herein provided, be not submitted at the election specified in this section, such failure shall not prevent its submission at a succeeding general election, and no law or amendment to the constitution, proposed by the legislature, shall be submitted at any election unless at the same election there shall be submitted all measures proposed by petition of the electors, if any be so proposed, as herein provided.

Petitions
may be
presented
in sections.

Any initiative or referendum petition may be presented in sections, but each section shall contain a full and correct copy of the title and text of the proposed measure. Each signer shall add to his signature his place of residence, giving the street and number if such exist. His election precinct shall also appear on the paper after his name. The number of signatures attached to each section shall be at the pleasure of the person soliciting signatures to the same. Any qualified elector of the state shall be competent to solicit said signatures within the county or city and county of which he is an elector. Each section of the petition shall bear the name of the county or city and county in which it is circulated, and only qualified electors of such county or city and county shall be competent to sign such section. Each section shall have attached thereto the affidavit of the person soliciting signatures to the same, stating his own qualifications and that all the signatures to the attached section were made in his presence and that to the best of his knowledge and belief each signature to the section is the genuine signature of the person whose name it purports to be, and no other affidavit thereto shall be required. The affidavit of any person soliciting signatures hereunder shall be verified free of charge by any officer authorized to administer oaths. Such petitions so verified shall be prima facie evidence that the signatures thereon are genuine and that the persons signing the same are qualified electors. Unless and until it be otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of qualified electors.

Filing
petitions.

Each section of the petition shall be filed with the clerk or registrar of voters of the county or city and county in which it was circulated, but all said sections circulated in any county or city and county shall be filed at the same time. Within twenty days after the filing of such petition in his office the said clerk, or registrar of voters, shall determine from the records of registration what number of qualified electors have signed the same, and if necessary the board of supervisors shall allow said clerk or registrar additional assistants for the purpose of examining such petition and provide for their compensation. The said clerk or registrar, upon the completion of such examination, shall forthwith attach to said petition, except the signatures thereto appended, his certificate, properly dated, showing the result of said examination and shall forth-

with transmit said petition, together with his said certificate, to the secretary of state and also file a copy of said certificate in his office. Within forty days from the transmission of the said petition and certificate by the clerk or registrar to the secretary of state, a supplemental petition identical with the original as to the body of the petition but containing supplemental names, may be filed with the clerk or registrar of voters, as aforesaid. The clerk or registrar of voters shall within ten days after the filing of such supplemental petition make like examination thereof, as of the original petition, and upon the completion of such examination shall forthwith attach to said petition his certificate, properly dated, showing the result of said examination, and shall forthwith transmit a copy of said supplemental petition, except the signatures thereto appended, together with his certificate, to the secretary of state.

Supplemental petitions.

When the secretary of state shall have received from one or more county clerks or registrars of voters a petition certified, as herein provided, to have been signed by the requisite number of qualified electors, he shall forthwith transmit to the county clerk or registrar of voters of every county or city and county in the state his certificate showing such fact. A petition shall be deemed to be filed with the secretary of state upon the date of the receipt by him of a certificate or certificates showing said petition to be signed by the requisite number of electors of the state. Any county clerk or registrar of voters shall, upon receipt of such copy, file the same for record in his office. The duties herein imposed upon the clerk or registrar of voters shall be performed by such registrar of voters in all cases where the office of registrar of voters exists.

Receipt of secretary of state.

The board of election commissioners, upon the conclusion of such examination, shall forthwith attach to said petition their certificate showing the result of said examination, and forthwith mail a copy thereof to the persons filing said petition. No recourse shall be had against the city and county, or any board of officers thereof, for damages or loss to person or property suffered or sustained by reason of the defective condition of any sidewalk, street, avenue, lane, alley, court or place, none of which has been finally accepted by the supervisors of the city and county as by law, or as in this charter provided; nor shall there be any recourse against the city and county, or any board or officer thereof, for damage to person or property suffered or sustained by reason of accident on any such sidewalk, street, avenue, lane, alley, court or place; but in any such case the person or persons on whom the law may have imposed the obligation to repair such defect in any such sidewalk, street or public highway, shall be liable to the party injured for the damage suffered or sustained.

No recourse for damage sustained on streets not accepted.

When any portion of the roadway of a public street in the city and county which has been accepted by the supervisors as provided by law, shall be in such defective condition as to endanger persons or property in the use thereof; or when any public sewer is defective or in want of repair, it shall be the duty of the board of public works to cause any such defect in such roadway or in such sewer to be remedied or repaired. And, if through the official negligence of the said board such defect remains unremedied or unprotected, and in consequence thereof damage or loss to person or property is sustained or suffered, the said board shall be liable to the party injured for the damage sustained; *provided*, that a notice in writing directing attention to the existence of such defect, and specifying the particular street and block thereof whereon or wherein such defect exists, shall have been served upon the said board at least five days before such damage shall have been sustained; *and provided, further*, that there are at such time funds available to the said board for repairing or remedying such defects.

works, any portion of the roadway of any improved street, avenue, lane, alley, court or place, or any portion of any sidewalk thereof, in the city and county, none of which has been accepted by the supervisors as by law or as in this charter provided, shall be so out of repair or in such condition as to endanger persons or property passing thereon, or so as to interfere with the public convenience in the use thereof, the board is authorized to notify the owner or owners of any lot fronting on said portion of said street, avenue, lane, alley, court or place, or fronting on such portion of said sidewalk so out of repair or in such condition as aforesaid, by a notice in writing to be delivered to him, or his agent, or to any of the persons referred to in section 19 of this chapter (and for the purposes of this section any of such persons shall be deemed the "owner"), requiring such owner to repair, or reconstruct, or improve forthwith, in such manner and with such material as the board may determine and direct, said portion of said street, avenue, lane, alley, court or place, to the center line thereof, or said portion of said sidewalk in front of the lot of which he is the owner.

City may
make
repairs at

expense.

If said repair, reconstruction or improvement be not begun within five (5) days after notice given as aforesaid, and diligently and without interruption prosecuted to completion, the board may, if it so determine, enter into a contract with any suitable person at the expense of such owner for the doing of the work of the required repair, or reconstruction, or improvement, after the following proceedings as in this section hereinafter provided shall have been taken by the board.

The board shall cause a notice inviting sealed bids for the doing of said required work to be conspicuously posted in its office for three days (legal holidays excepted), together with the specifications for such required work. The said notice shall specify the day and hour when such sealed bids must be delivered to the board, and shall contain a general description of the work to be done, the time within which the work is to be commenced and when to be completed, and the amount of the certified check hereinafter provided for as a guaranty for the faithful performance of the contract, and shall refer to the specifications posted therewith. On the day and at the hour specified in said notice, the board shall assemble and remain in session for at least one hour, and all such bids shall be delivered to the board while it is so in session and within the hour named in the said notice. At the expiration of the hour stated in the said notice within which the bids will be received, the board shall, in open session, open, examine and publicly declare the same, and an abstract of each bid shall be recorded in the minutes of the board by the secretary. The board shall award the contract to the lowest responsible bidder, if in its judgment the bid of such bidder is reasonable and just.

The board may for good cause reject any and all bids, and must reject the bid of any party who has been delinquent or

unfaithful in any former contract awarded to him by the board. Bills may be collected.

No bid shall be considered by the board unless it be accompanied by a check, certified by a responsible bank, payable to the order of the clerk of the supervisors of the city and county, for an amount determined by the board and specified in the said notice inviting bids. Such check shall be held by the board as a guaranty that the bidder to whom the contract has been awarded, as hereinbefore provided, will enter into contract to do said work and faithfully perform such contract.

If said bidder fails or refuses to enter into the contract to do said work as hereinafter provided, or if after having entered into the said contract said bidder fails to faithfully perform the contract, then the said certified check accompanying his bid shall be forfeited to the city and county, and shall be collected and paid into the general fund thereof.

The bidder to whom the contract for the said work has been awarded shall enter into a written contract therefor with the board of public works within five (5) days after the date of the award thereof. Upon the completion of the required repair, reconstruction or improvement by the contractor as aforesaid to the satisfaction of the board, it shall make and deliver to the contractor a certificate to the effect that such repair, reconstruction or improvement has been properly made by said contractor, and that the charges for the same are reasonable and just, and that the board of public works has accepted the same. Upon the issuance of the said certificate the board shall surrender to the contractor the certified check hereinbefore provided for.

Until the sidewalk or the roadway of any improved street, avenue, lane, alley, court or place in the city and county is finally accepted as by law or as in this charter provided, the obligation to repair, reconstruct or improve the same is imposed upon the owner or owners of the lots fronting thereon.

Such valuation shall not include any value of the franchise or right of way through the streets or any earning power of such property. The valuation shall include as part of the costs of the plant, interest on actual investments during the period of construction prior to the commencement of operation. If the purchase be made within ten years from the time the franchise is granted, the city and county shall pay to the grantee, his or its successors or assigns, in addition to the amount of such valuation, a sum or bonus not less than ten per centum nor more than twenty per centum in the discretion of the arbitrators hereinafter provided for, of the actual cost of construction of the road and of the actual cost of all other tangible property owned by the grantee, his successors or assigns, in use, and usable for the purposes for which the franchise was granted. Such valuation shall be made and the proceedings therefor initiated upon call for the same by ordinance passed by the board of supervisors or the electors. On the passage of such an ordinance the mayor shall within thirty days appoint two arbitrators and forthwith notify the owner of said franchise of their appointment by written notice addressed as follows: "To the owner of the franchise for (inserting the name of the franchise)" and left at the office of the company operating or owning the said franchise; and call upon such owner in such notice to appoint within thirty days two arbitrators and notify the mayor of their appointment. Upon the filing of the decision of said arbitrators, the board of supervisors shall submit to the qualified voters in the manner provided for the acquisition of any public utility, the acquisition of the said franchise, plant and property and the issuance of bonds for payment therefor. Such bonds may, with the consent of the owner and at the discretion of the board of supervisors, be taken at not less than par by the said owner in payment for said utility. The mayor shall tender such moneys or the said bonds to said owner and unless within ten days thereafter he shall accept the same, and transfer said property to the city and county, the said franchise shall thereupon expire and all liability of said city and county to pay the above money or bonds or any sum whatsoever for such properties shall cease. SEC. 67. A municipal election shall be held in the city on the second Monday in April in the year 1911, and on the first Monday in April in 1913, and on the first Monday in April in every second year thereafter, and shall be known as the general municipal election. A second election shall be held, when necessary, as provided in subdivision 21 of section 68, on the third Monday after said general municipal election, and shall be known as the second general municipal election. All other municipal elections that may be held by authority of this charter or of general law shall be known as special municipal elections.

Alternative Proposition.

SEC. 68. (21) In case there is but one person to be elected to an office, the candidate receiving a majority of the votes cast for all the candidates for that office shall be declared elected; in case there are two or more persons to be elected to an office, as that of councilman, or school director, then those candidates equal in number to the number to be elected, who receive the highest number of votes for such office shall be declared elected;

provided, however, that no person shall be declared elected to any office at such first election unless the number of votes received by him shall be greater than one half of the number of ballots cast at such election. If at any election held as above provided there be any office to which the required number of persons was not elected, then as to such office the said first election shall be considered to have been a primary election for the nomination of candidates, and a second election shall be held to fill said office. The candidates not elected at such first election, equal in number to twice the number to be elected to any given office, or less if so there be, who receive the highest number of votes for the respective offices at such first election, shall be the only candidates at such second election; *provided,* that if there be any person, who, under the provisions of this subdivision, would have been entitled to become a candidate for any office except for the fact that some other candidate received an equal number of votes therefor, then all such persons receiving such equal number of votes shall likewise become candidates for such office. The candidates equal in number to the persons to be elected who shall receive the highest number of votes at such second election shall be declared elected to such office. The said second election, if necessary to be held, shall be held three weeks after the first election. All the provisions and conditions above set forth as to the conduct of an election, so far as they may be applicable, shall govern the second election, except that notice of election need be published twice only; *and provided, also,* that the same precincts and polling places shall, if possible, be used.

INITIATIVE, REFERENDUM AND RECALL.

Initiative. Procedure relating thereto.

SEC. 31. (1) Any proposed ordinance may be submitted to the council by a petition signed by registered voters of the city equal in number to the percentages hereinafter required.

Initiative:
procedure
relating
thereto.

(2) The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature, his place of residence, giving the street and number.

(3) One of the signers of such paper shall make oath before an officer competent to administer oaths, that the statements therein made are true, and that each signature to the paper appended is the genuine signature of the person whose name purports to be thereunto subscribed.

(4) Within ten days from the date of filing such petition the city clerk shall examine and from the great register ascertain whether or not said petition is signed by the requisite number of qualified electors, and if necessary, the council shall allow him extra help for that purpose, and he shall attach to said petition his certificate showing the result of said examination. If, by the clerk's certificate, the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate. The clerk shall, within ten days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same without prejudice, however, to the filing of a new petition to the same effect. If the petition shall be found to be sufficient, the clerk shall submit the same to the council without delay.

(5) If the petition accompanying the proposed ordinance be signed by electors equal in number to twenty per cent of the entire vote cast for all candidates for mayor at the last preceding general election at which a mayor was elected, and contains a request that said ordinance be submitted forthwith to a vote of the people at a special election, then the council shall either:

(a) Pass said ordinance without alteration within twenty days after the attachment of the clerk's certificate of sufficiency to the accompanying petition (subject to a referendary vote under the provisions of section 32 of this charter), but if the ordinance shall fail of passage by the council, then, within five days after determination that said ordinance shall have so failed of final adoption, the council shall proceed to call a special election at which said ordinance, without alteration, shall be submitted to a vote of the people; or,

(b) Forthwith after the clerk shall attach to the petition accompanying such ordinance his certificate of sufficiency, the council shall proceed to call a special election at which said

ordinance, without alteration, shall be submitted to a vote of the people.

(6) If the petition be signed by electors equal in number to at least ten per cent but less than fifteen per cent of the entire vote cast for all candidates for mayor at the last preceding general election at which a mayor was elected, then such ordinance, without alteration, shall be submitted by the council to a vote of the people at the next general municipal election that shall occur at any time after thirty days from the date of the clerk's certificate of sufficiency attached to the petition accompanying such ordinance.

(7) The ballots used when voting upon said proposed ordinance shall contain the words "For the Ordinance" (stating the nature of the proposed ordinance) and "Against the Ordinance" (stating general nature of the proposed ordinance). If a majority of the qualified electors voting on said proposed ordinance shall vote in favor thereof, such ordinance shall thereupon become a binding and valid ordinance of the city; and any ordinance proposed by petition, or which shall be adopted by a vote of the people can not be repealed or amended except by a vote of the people.

(8) Any number of proposed ordinances may be voted upon at the same election, in accordance with the provisions of this section; *provided*, that there shall not be held under this section of the charter, more than one special election within a period of six months.

(9) The council may submit a proposition for the repeal of any such ordinance, or for amendments thereto, to be voted upon at any succeeding general municipal election; and should such propositions, so submitted, receive a majority of the votes cast thereon at such election, such ordinance shall be repealed or amended accordingly. Whenever any ordinance or proposition is required by this charter to be submitted to the voters of the city at any election, the city clerk shall cause the ordinance or proposition to be printed, and he shall inclose a printed copy thereof in an envelope with a sample ballot, and mail the same to each voter, at least ten days prior to the election, but the city council may order such ordinance or proposition to be printed in the official newspaper of the city and published in like manner as ordinances adopted by the council are required to be published, and may order that such publication shall take the place of the printing and mailing of the ordinance or proposition, and of the sample ballot as first above provided.

measure, but all franchises shall be subject to the referendary vote herein provided), shall go into effect before thirty days from the time of its final passage and its approval by the mayor; and if during said thirty days a petition signed by electors of the city equal in number to at least twenty-five per cent of the entire vote cast for all candidates for mayor at the last preceding general election at which a mayor was elected, protesting against the passage of such ordinance, be presented to the council, the same shall thereupon be suspended from going into operation, and it shall be the duty of the council to reconsider such ordinance, and if the same is not entirely repealed, the council shall submit the ordinance as is provided in section 31 of this charter, to the vote of the electors of the city, either at the next general election or at a special municipal election to be called for that purpose, and such ordinances shall not go into effect or become operative unless a majority of the qualified electors voting on the same shall vote in favor thereof. Said petition shall be in all respects in accordance with the provisions of said section 31, except as to the percentage of signers, and be examined and certified by the clerk in all respects as is therein provided.

(2) The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. One of the signers of each such paper shall make oath before an officer competent to administer oaths, that the statements therein made are true, and that each signature to the paper appended is the genuine signature of the person whose name purports to be thereunto subscribed.

(3) Within ten days from the date of filing such petition the city clerk shall examine and from the great register ascertain whether or not said petition is signed by the requisite number of qualified electors and, if necessary, the council shall allow him extra help for that purpose, and he shall attach to said petition his certificate showing the result of said examination.

(4) If, by the clerk's certificate, the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate.

The recall. (5) The clerk shall, within ten days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same without prejudice, however, to the filing of a new petition to the same effect.

(6) If the petition shall be found to be sufficient the clerk shall submit the same to the council without delay.

(7) If the petition shall be found to be sufficient the city council shall order, and fix a date for holding the said election, not less than thirty days nor more than forty days from the date of the clerk's certificate to the council that a sufficient petition is filed.

(8) The city council shall make, or cause to be made, publication of notice and all arrangements for holding of such election; and the same shall be conducted, returned, and the result thereof declared, in all respects as are other city elections.

(9) The successor of any officer so removed shall hold office during the unexpired term of his predecessor.

(10) Any person sought to be removed may be a candidate to succeed himself and, unless he requests otherwise in writing, the clerk shall place his name on the official ballot without nomination. In any such removal election the candidate receiving the highest number of votes shall be declared elected.

(11) At such election if some other person than the incumbent receives the highest number of votes, the incumbent shall thereupon be deemed removed from the office upon qualification of his successor.

(12) In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of election, the office shall be deemed vacant.

(13) If the incumbent receives the highest number of votes he shall continue in office.

CHAPTER 34.

Senate Joint Resolution No. 18, relative to the rights of San Francisco and the cities surrounding San Francisco bay in and to the use of the waters of Tuolumne river for domestic and municipal purposes.

[Filed with Secretary of State March 3, 1911.]

WHEREAS, The cities surrounding and adjacent to the bay of San Francisco began as early as the year 1871 to plan for and seek out an adequate and available source of supply of pure mountain water for their municipal and domestic needs; and

WHEREAS, After careful investigation and as a result of almost continuous effort from the year 1871 until the present time, these municipalities, by their own action and by that of the city of San Francisco as representative of all, have selected and secured the Hetch Hetchy and Lake Eleanor reservoir sites as the most adequate and feasible sources of supply; and

WHEREAS, These reservoirs are capable of storing pure mountain water, from the uninhabited and barren granite water sheds of the high Sierra in quantities sufficient for the present and future needs of these large and rapidly growing cities; and

WHEREAS, The honorable secretary of the interior, being by the honorable attorney general of the United States first regularly advised that such action on his part would be legal and valid, granted to the city of San Francisco for itself and as representative of said municipalities full reservoir rights at Hetch Hetchy and at Lake Eleanor, and by reason of and based upon this grant San Francisco has purchased at a cost of over five hundred and sixty-five thousand dollars all private lands and water rights in these reservoirs and owns under patent more than one half the area of each reservoir, and is about completing incidental purchases of additional privately held rights and lands for six hundred and thirty-six thousand dollars; and

WHEREAS, The Hetch Hetchy and Lake Eleanor sources of supply were approved and a bond issue of forty-five million dollars for their development authorized by the city of San Francisco by a vote of more than twenty to one; and

WHEREAS, Certain well meaning people, misled by great private interests which would be adversely affected by municipal ownership of such water supply, have actively attacked the grant of the Hetch Hetchy reservoir site; and

WHEREAS, The present secretary of the interior, under pressure of these acts, has threatened to attempt to revoke the grant of the Hetch Hetchy site; and

WHEREAS, Such official action is tending to encourage and entrench more strongly the forces of private and corporate greed in their opposition to the development by the municipalities of this necessity of municipal existence, and will, if effected, increase the burden of taxation which must fall upon the citizens of these municipalities by the enforced purchase of rights to

water supplies already granted to these private corporations; and

WHEREAS, This action seriously impairs the market value of the said municipal bonds and discourages the purchase thereof, thereby impairing the credit and standing of said municipality; now, therefore, be it

Resolved by the senate and assembly, jointly, That it is the sense of the legislature of this state that the rights of the said city and county of San Francisco and the incidental rights of neighboring cities in and to the use of said waters and reservoir sites should be protected and confirmed, and that the said city and county should be permitted to develop its proposed water supply with the coöperation and support of the federal authorities; and be it further

San Francisco's right to waters of Hetch Hetchy defended.

Resolved, That the president of the United States is hereby petitioned to withdraw all opposition by the executive departments to the full enjoyment of such rights and to permit the development of said water supply under the terms of the grant of the secretary of the interior dated May 11, 1908; and be it further

Resolved, That the secretary of the senate be, and he hereby is, instructed to forward a copy of this resolution to the president of the United States.

WHEREAS, These forests are not sufficiently protected from fire during such months; now, therefore, be it

Resolved by the senate of the State of California and the assembly, jointly, That the war department of the United States be and it hereby is requested to station federal troops in the national forests within the State of California during the months of July, August and September each year for the purpose of preventing and fighting forest fires and protecting such national forests; and be it further

to charge or collect any fee, commission, percentage, allowance or compensation for the performance of any official service or duty, as many receipts as may be required, charging therewith the treasurer or other officials receiving them. He shall draw and sign all warrants upon the treasury. Every demand against the city from whatever source, including the school department and the Vallejo free library, when allowed by the council or proper board, shall have stamped upon it the date of approval by such body and shall be signed by the president and secretary or clerk of such body and shall then be presented to the auditor, who shall satisfy himself whether the money is legally due and remains unpaid and its payment authorized by law, and out of what fund. After such examination he shall approve or reject the claim in whole or in part and indorse on such demand his approval or rejection over his signature, together with the date thereof. If it is approved the fund out of which it is to be paid shall be designated. If it is not approved, unless the party presenting it is willing to take in full for the entire demand the sum offered, the auditor shall reject it and return it, with his reasons for rejection, to the body which originally authorized it; then, if it is allowed by a two-thirds vote of the entire body authorizing it, it shall be audited in the same manner as if it had not been rejected; *provided*, the body had the authority to make the expenditure out of which the claim arose. No demand upon the city treasury shall be considered, presented for action, or acted upon, allowed or approved unless it specified on its face each several item composing it and the amount and date thereof. Every demand on any fund shall be numbered and acted upon by the auditor in the order of its presentation to him; and when allowed either in whole or in part, the warrant therefor shall be numbered and entitled to payment out of said fund in the same order as allowed. No demand upon the treasury shall be allowed by the auditor in favor of any officer or other person, or any firm, company or corporation, or his or its assigns, who is in any manner indebted to the city upon an obligation due the city, without first deducting therefrom the amount of such indebtedness. He shall, on application of any person indebted to the city, holding money payable into the city treasury or desiring to pay money therein, certify to the treasurer the amount thereof, to what fund applicable, and by whom to be paid. He shall charge the treasurer with the amount received. It shall be his duty to apportion among the several funds all public money at any time in the city treasury, not by law or ordinance specifically apportioned and forthwith notify the treasurer of such apportionment. If for any reason a warrant remains unpaid for a period of three (3) years, during all of which time funds have been available to meet it, the auditor may cancel it upon his records, but he must at the same time enter a record of it upon a book kept for that purpose, and should demand be made for payment of the claim involved at a subsequent date, draw a warrant in payment therefor against the general fund of the fiscal year then current.

Money to meet warrants.

SEC. 62. When the running expenses of the city have been placed on a cash basis, warrants payable on demand shall be drawn upon the treasurer, or against any funds in his hands, only when at the time of the drawing and issuing of such warrants there shall be sufficient money in the appropriate fund in the treasury to pay said warrants.

This provision shall not apply to work done, or supplies furnished, involving expenditure of less than two hundred and fifty dollars, unless the same is required by law to be done by contract at public letting. The auditor shall make such endorsement upon every such contract so presented to him, if there remains unapplied and unexpended such amount so certified by the board or officer making the contract, and thereafter such sum shall be held and retained to pay the expense incurred until the contract shall be fully performed. Such petition shall contain a general statement of the grounds on which the removal is sought, which statement is intended solely for the information of the electors, and the sufficiency of which shall not be open to review.

When such petition is certified as is herein provided to the secretary of state, he shall forthwith submit the said petition, together with a certificate of its sufficiency, to the governor,

who shall thereupon order and fix a date for holding the election, not less than sixty days nor more than eighty days from the date of such certificate of the secretary of state.

And in not more than three hundred words there shall also be printed, if desired by him, the officer's justification of his course in office. The affidavit of any person soliciting signatures hereunder shall be verified free of charge by any officer authorized to administer an oath. Such petition so verified shall be prima facie evidence that the signatures thereto appended are genuine and that the persons signing the same are qualified electors. A petition shall be deemed to be filed with the secretary of state upon the date of the receipt by him of a certificate or certificates showing the said petition to be signed by the requisite number of electors of the state.

No recall petition shall be circulated or filed against any officer until he has actually held his office for at least six months; save and except it may be filed against any member of the state legislature at any time after five days from the convening and organizing of the legislature after his election.

Officer must be in office at least six months.

If at any recall election the incumbent whose removal is sought is not recalled, he shall be repaid from the state treasury any amount legally expended by him as expenses of such election, and the legislature shall provide appropriation for such purpose, and no proceedings for another recall election of said incumbent shall be initiated within six months after such election.

Officer not recalled to be repaid for expenses.

If the governor is sought to be removed under the provisions of this article, the duties herein imposed upon him shall be performed by the lieutenant governor; and if the secretary of state is sought to be removed, the duties herein imposed upon him shall be performed by the state controller; and the duties herein imposed upon the clerk or registrar of voters, shall be performed by such registrar of voters in all cases where the office of registrar of voters exists.

Senate Concurrent Resolution No. 18, inviting the national encampment of the Grand Army of the Republic to hold its forty-sixth annual encampment in the city of Los Angeles, California.

[Filed with Secretary of State March 25, 1911.]

WHEREAS, The Grand Army of the Republic, representing and composed of the survivors of the great army of the Union which fought the battles for the integrity of the republic from 1861 to 1865, has during its forty-five years of existence held its annual encampment but twice on the Pacific coast, viz., in San Francisco in 1886 and again in San Francisco in 1903; and

WHEREAS, The people of the State of California are desirous of again seeing this gallant body of men, once the flower of the youth and manly strength of the country, now well advanced in years, as the guests of the State of California, that its people may be enabled to extend to them the hospitality of highly honored guests, and that the children of the state may have the opportunity of seeing those who have been spared of that Grand Army, thereby inciting them to an increased reverence to the principles of patriotism which a passing through our streets under the tattered battle-flags of a half century ago can not fail to inspire; and

WHEREAS, An invitation was extended by the governor and the state legislature to the national encampment of the Grand Army of the Republic to hold its session in Los Angeles in 1911, but in the wisdom of the national encampment it was found impossible to accept this invitation for that year; and

WHEREAS, The three Grand Army posts of Los Angeles, Bartlett-Logan No. 6, Stanton No. 55 and Kencsaw No. 106, and the Department of California and Nevada G. A. R. through its council of administration have renewed their invitation to the Grand Army to hold its forty-sixth national encampment in Los Angeles in 1912; now, therefore, be it

Resolved by the senate of the State of California, the assembly thereof concurring (a majority of all members elected to each house voting for the adoption of this resolution and concurring therein), That the forty-sixth national encampment of the Grand Army of the Republic be, and is hereby, invited to hold its annual encampment in the year 1912 in the city of Los Angeles, State of California.

In each case, the person so appointed shall hold office until the election and qualification of a person to fill the vacancy for the unexpired term, which election shall take place at the next succeeding general municipal election, if any, occurring prior to the expiration of such term; and if no such election shall so occur, then such appointed person shall hold office for the unexpired term. Vacancy in board of education.

Sec. 198. The council shall have power to submit to the electors of said city at any election any proposition or question or ordinance required or authorized to be so submitted by the constitution of the State of California, the law, this charter, or by ordinance; *provided*, that in case such proposition or question is required by the said constitution, law, charter or ordinance to be submitted at a special or other particular kind of election, it shall be so submitted, and not otherwise. Submitting ordinances to electors.

THE INITIATIVE.

Sec. 198a. Any proposed ordinance which the council itself might adopt, may be submitted to the council by a petition filed with the city clerk, as provided in section 198b, praying for the adoption of such ordinance, or, if the same be not Initiative.

adopted, that such ordinance be submitted to a vote of the electors of the city. Any such petition shall be known as an initiative petition. Such petition shall set forth the proposed ordinance in full, and shall be signed by qualified electors of the city equal in number to the percentages hereinafter prescribed. The basis upon which such percentages of qualified electors of the city shall be estimated shall be the total number of votes cast for all candidates for the office of mayor at the last general municipal election prior to the filing of such petition at which a mayor was elected.

Petition.

Sec. 1986. Any petition submitting a proposed ordinance to the council, as provided in this article shall be in form, and shall be signed, filed and certified as follows:

In making such petition sheets of white paper of a uniform size shall be used which shall be substantially twelve by thirty inches. Such petition shall consist of separate papers, as follows: Each paper shall consist of a sheet or sheets, containing the proposed ordinances with additional sheet or sheets for the signatures thereto; *provided, however*, that if any paper consist of more than one sheet it shall be and remain securely fastened together at the top. The signatures need not all be appended to one sheet or paper. The proposed ordinance, as set forth in any paper, shall be followed by the signatures. Such petition shall be signed by qualified electors of the city in their own proper persons only, and opposite the signature written by each signer his residence shall be written by him, giving the street and number, when such designation by street and number can be given, or if the signer be unable to write, then such signature and residence shall be written by some person at his request, and the same identified on the margin by the signature of the person making the affidavit hereinafter provided. Each such paper shall have attached thereto at the bottom of the last sheet thereof the affidavit of a qualified elector of the city stating that all of the signatures on each sheet thereof were made in his presence, and that all of the sheets constituting such paper were fastened together at the time such signatures were appended thereto; and that to the best of his knowledge and belief each signature is the genuine signature of the person whose name purports to be thereunto subscribed. Each of the other sheets of such paper, containing signatures, shall be identified by the signature of the person making such affidavit.

Examination of petition.

Within ten days from the date of the filing of such petition, the city clerk shall examine the same and ascertain whether or not said petition is signed by the requisite number of qualified electors of the city; and, if requested by the city clerk, the council shall authorize him to employ persons specially for that purpose, in addition to the persons regularly employed in his office, and the provisions of the charter respecting the classified civil service of the city shall not apply to the persons so specially employed. When the city clerk has completed his examination of the petition, he shall attach to the same his cer-

tificate, properly dated, showing the result of such examination, and if from such examination he shall find that said petition is signed by the requisite number of qualified electors of the city, or is not so signed, he shall certify that the same is sufficient or insufficient, as the case may be. If by the certificate of the city clerk the petition is found to be insufficient, it may be amended by filing a supplemental petition or petitions within ten days from the date of such certificate. The city clerk shall, within ten days after the filing of such supplemental petition or petitions, make like examination of the same and certify to the result of such examination as hereinbefore provided. If his certificate shall show any such petition, or any such petition as amended, to be insufficient, it shall be retained by him and kept as a public record, without prejudice, however, to the filing of a new petition to the same effect. But if, by the certificate of the city clerk, such petition, or such petition as amended, is shown to be sufficient, the city clerk shall present the same to the council without delay. The sufficiency or insufficiency of such petition shall not be subject to review by the council.

If any supplemental petition be filed, all the signatures appended to the petition and to the supplemental petition or petitions shall be considered in determining the number of qualified electors signing the initiative petition. Supplemental petition.

Any signer to a petition or supplemental petition may withdraw his name from the same by filing with the city clerk a verified revocation of his signature before the filing of the petition, or supplemental petition, with said city clerk. No signature can be revoked after the petition to which it is attached or supplemental petition has been filed. The city clerk shall endorse on said petition and on any supplemental petition the name of the person or persons who filed the same, respectively. Withdrawing names. If any signature to such petition or supplemental petition be called in question, the city clerk shall forthwith mail notice to such purported signer, stating that his name is attached to such petition or supplemental petition, and cite him to appear before him forthwith to answer whether such signature is genuine. If the city clerk finds that any signature is not genuine, he shall strike the same from such petition. After an election based on any initiative petition, the sufficiency of such petition in any respect shall not be subject to judicial review or be otherwise questioned.

Sec. 198c. If the petition praying for the adoption by the council of any proposed ordinance, or if the same be not adopted, for the submission of such ordinance to a vote of the electors of the city, be signed by fifteen per centum of the qualified electors of said city estimated upon the basis aforesaid, then the council shall either:

Or call special election.

(b) Forthwith after the presentation of such petition to the council, it shall call a special election for the purpose of submitting said ordinance to a vote of the electors of the city, and such election shall be held not more than fifty days from the date of the presentation of such petition to the council by the city clerk; *provided, however*, that if a general or special municipal election for any other purpose shall be called and held in said city within said fifty days, then such ordinance shall be submitted at such election.

Subject to referendum.

Any ordinance proposed by initiative petition and passed by the council and approved by the mayor, or passed by the council and passed over the mayor's veto, shall be subject to the referendum by petition as herein provided in the case of other ordinances.

When to be submitted at general election.

If the said petition be signed by at least five per centum but less than fifteen per centum of the qualified electors of said city, estimated upon the basis aforesaid, then such ordinance, without alteration, shall be submitted by the council to a vote of the electors of the city at the next general municipal election, or at any special election prior thereto, that shall be held at any time after twenty days from the date of the presentation of said petition to the council.

In the event that said petition prays for the adoption of a proposed ordinance amending or repealing an ordinance theretofore proposed by petition and adopted by a vote of the electors, and is signed by qualified electors of said city equal in number to fifteen per centum of the qualified voters of said city estimated on the basis aforesaid, then, but not otherwise, the council must submit such proposed ordinance to a vote of the electors of the city at the next general municipal election, or at any special election prior thereto, that shall be held at any time after twenty days from the date of the presentation of such petition to the council.

Argument favoring ordinance.

Sec. 198d. Any person or persons filing an initiative petition, or the person or organization on whose behalf such petition is filed, shall have the right to file with the city clerk, at least twenty days prior to the election at which the ordinance proposed by such petition is to be submitted to a vote of the electors of the city, printed copies of an argument favoring said proposed ordinance, and the council shall have the right

to present, or permit to be presented and filed with the city clerk within the same limit of time, printed copies of an argument opposing said ordinance. No such argument shall exceed two thousand words in length, and such argument shall be printed in such form and upon such character of paper, suitable for mailing, as the city clerk shall prescribe. The city clerk shall enclose one copy of each such argument with the sample ballot and a copy of the proposed ordinance mailed to each voter; *provided*, he has been furnished with printed copies of such argument equal in number to five per centum in excess of the total number of qualified electors of the city. Nothing in this section contained shall authorize the council to expend money of the city for the formulating or printing of any such argument.

Sec. 198e. If a majority of the qualified electors voting on any ordinance proposed by petition shall vote in favor thereof, such ordinance shall become an ordinance of the city upon the declaration by the council of the result of the election at which such proposed ordinance was submitted; and any such ordinance adopted by a vote of the qualified electors of the city voting thereon, cannot be repealed or amended except by an ordinance proposed by petition and adopted by vote of the electors, as hereinbefore provided, or by an ordinance submitted by the council to a vote of the electors of the city and so adopted as hereinbefore provided or by any amendment to this charter repealing the same.

When proposed ordinance becomes ordinance of the city.

THE REFERENDUM.

Sec. 198f. The council shall have power, and is hereby authorized, to submit to a vote of the qualified electors of the city, at any general or special election, any proposed ordinance, order or resolution that the council itself might adopt. If a majority of the qualified electors voting on such proposed ordinance, order or resolution, vote in favor of the same, it shall be deemed to be adopted and shall take effect upon the declaration of the result of such election by the council, and it shall have the same force and effect as an ordinance adopted under the provisions of this article relating to the referendum.

Referendum.

Sec. 198g. No ordinance passed by the council shall go into effect until the expiration of thirty days from its publication, except an ordinance ordering or otherwise relating to an election, and an ordinance establishing or changing the name or curb lines of, or respecting the establishment or change of grade of, or the improvement, in any manner of, or the opening, widening, straightening or extension of, streets, boulevards, alleys, courts or other public places, and an ordinance respecting the construction of sewers or storm drains, or respecting the bringing or conduct of suits or actions or the levying or collection of local assessments upon private property, for any of said purposes, or respecting the condemnation of lands for parks, boulevards or playgrounds under laws or ordinances providing for the payment of the expense thereof

by local assessments upon private property, and any ordinance authorized or required by the laws of this state, or by or under the provisions of this charter, respecting the improvement of streets or other public places, and an ordinance required for the immediate preservation of the public peace, health or safety, which shall contain a specific statement showing its urgency, and is passed by a three-fourths vote of the council; but all ordinances of any of the classes heretofore excepted by this section shall take effect upon their publication. No grant of any franchise, right or privilege shall ever be construed to be an urgency measure, but all grants of franchises, rights or privileges shall be subject to a referendary vote as hereinafter provided. No ordinance, order or resolution passed by the council making or authorizing any contract shall go into effect until the expiration of thirty days from the publication of such ordinance, or the adoption of such order or resolution, except contracts for street or other public improvements, the cost and expenses whereof are to be paid by local assessments, and contracts that require the payment by the city of less than twenty-five thousand dollars, and except any ordinance, order or resolution of the council authorizing the sale or issuance of bonds of the city.

Submitting ordinance to electors.

Sec. 1987. At any time within the thirty days mentioned in the preceding section, a petition addressed to the council, and signed by qualified electors of said city equal in number to at least ten per cent of such qualified electors computed upon the basis for estimating percentages specified in section 198a hereof, may be filed with the city clerk, demanding the submission of any ordinance, order or resolution passed by the council, to a vote of the qualified electors of said city, except any ordinance, order or resolution which shall take effect as provided in the preceding section. Any such petition shall be known as a referendary petition, and shall contain the ordinance, order or resolution in full, the submission of which to a vote is thereby demanded. Such vote shall be known as a referendary vote.

The provisions of this charter, relating to the form and to the mode of signing initiative petitions, and to the filing, examination, certification and amendment of the same, and to the presentation thereof to the council by the city clerk, shall apply to referendary petitions filed under this charter.

Ordinance suspended.

If any referendary petition or petitions be filed, as hereinbefore provided, and the city clerk shall be unable to make his certificate to the sufficiency or insufficiency thereof within thirty days after the publication of the ordinance, or the adoption of the order or resolution, the submission of which to a referendary vote is thereby demanded, such ordinance, order or resolution shall be suspended from taking effect after the expiration of said thirty days and until the date of the certificate of the city clerk to the sufficiency or insufficiency of such petition or petitions. If by the certificate of the city clerk such petition or petitions are certified to be sufficient, such ordinance, order or resolution shall not go into effect

until it shall be adopted by vote of the electors of the city, as hereinafter provided; but, if by such certificate, such petition or petitions are certified to be insufficient, such ordinance, order or resolution shall go into effect upon the date of such certificate; *provided, however*, that no such ordinance, order or resolution shall take effect until the expiration of said thirty days. No referendary petition shall be amended by a supplemental petition filed after the expiration of said thirty days. In case more than one referendary petition be filed, all such petitions shall be considered in determining the number of qualified electors, and with the same force and effect as though all the names had been appended to one petition.

Sec. 198i. Upon the presentation to the council by the city clerk of a referendary petition or petitions, the ordinance, order or resolution, the submission of which to a referendary vote is thereby demanded, must be either repealed by the council without delay, or submitted to a vote of the qualified electors of the city for approval or rejection at the next general municipal election occurring subsequent to forty days from the date of the presentation of such referendary petition to the council by the city clerk; *provided*, that if before such general election, and subsequent to said forty days, a special election shall be held for any other purpose, then such ordinance, order or resolution shall be so submitted at such special election, or, in the discretion of the council, at any special election called for that purpose; *provided, however*, that if any referendary petition or petitions shall be signed by fifteen per centum of the qualified electors of said city computed upon the basis for estimating the percentage of such electors set forth in section 198a of this charter, the council must, upon the presentation thereof to it, immediately call a special election at which the ordinance, order or resolution contained in such petition shall be submitted to a referendary vote; and such election shall be held within forty days from the presentation to the council of such petition.

Council
may repeal
ordinance
or submit
it to vote.

If any referendary petition or petitions, presented to the council as aforesaid, be certified by the clerk to be signed by at least ten per centum but less than fifteen per centum of the qualified electors of the said city, computed upon the basis aforesaid, then and in that event, additional referendary petitions for the submission of such ordinance, order or resolution to a referendary vote may be filed; all such additional referendary petitions shall be in the same form, and be signed, examined, amended, and certified and presented to the council in like manner as provided in section 198b of this charter; and if it shall appear from the certificate of the city clerk thereto, that such additional referendary petition or petitions are signed by such number of qualified electors of the city, as, when added to the number of qualified electors whose signatures are appended to such referendary petition or petitions examined and certified by the city clerk, shall equal fifteen per centum of the qualified electors of said city, computed upon the basis aforesaid, the council must, upon the presenta-

tion of such additional referendary petition or petitions to it by the city clerk, immediately call a special election at which such ordinance, order or resolution shall be submitted to a referendary vote, and such election shall be held within forty days from the presentation of such additional referendary petition or petitions to the council.

If, upon the presentation by the city clerk to the council of a referendary petition signed by at least ten per centum, but less than fifteen per centum, of the qualified electors of the city, computed as aforesaid, the council shall have ordered the ordinance set forth in such petition submitted to a vote of the electors of the city at the next general municipal election, such action shall be annulled by the presentation to it of additional petitions, which, together with such referendary petition, shall be signed by at least fifteen per centum of the qualified electors of the city, and in such event the council shall submit such ordinance to such vote at a special election, as hereinbefore provided.

When
majority
favors.

Sec. 198j. No ordinance, order or resolution that has been submitted to a referendary vote shall go into effect unless a majority of the qualified electors voting thereon shall vote in favor thereof; and if such ordinance, order or resolution so submitted shall receive the votes of a majority of such qualified electors voting thereon, it shall be deemed to be adopted, and shall take effect upon the declaration by the council of the result of the election at which it shall have been so submitted; *provided, however,* that any ordinance, order or resolution so adopted shall be subject to amendment or repeal by the council at any time, but such amendment or repeal shall not be made within six months after such adoption, except by unanimous vote of the council, and such amendment or repeal shall be subject to a referendary vote as provided in this article.

Ballots.

Sec. 198k. Whenever any ordinance proposed by initiative petition, or any ordinance, order or resolution for the submission of which to a referendary vote a petition or petitions shall have been filed, is submitted at any election, there shall be printed on the ballots to be used at such election, the words, "Shall the ordinance (or order, or resolution, or proposed ordinance, as the case may be, stating the nature of the ordinance, order or resolution, or of the proposed ordinance) be adopted?" And opposite such proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed, on separate lines, with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," his vote shall be counted in favor of the adoption of the ordinance, order or resolution, or the proposed ordinance; and if he shall stamp a cross (X) in the voting square after the printed word "No," his vote shall be counted against the adoption of the same.

Any num-
ber may be
voted on
at one
election.

Sec. 198l. Any number of ordinances proposed by initiative petitions, or ordinances, orders or resolutions submitted by the council to a referendary vote, or so submitted in pursu-

ance of referendary petitions, may be voted upon at the same election, either general or special; *provided*, that there shall not be held in any period of six months more than one election called for the purpose of submitting an ordinance or ordinances proposed by initiative petitions, but if any election be called for any other purpose within such period, such ordinance or ordinances may also be submitted thereat. If the provisions of two or more ordinances, orders or resolutions adopted at the same election by vote of the qualified electors of said city, under the provisions of this article, conflict, then the ordinance, order or resolution receiving the highest affirmative vote shall prevail.

Sec. 198*m*. The council, at its own instance, or upon the presentation to it of an initiative petition, may submit any proposed ordinance for the repeal of any ordinance adopted or approved by vote of the qualified electors of the city, in pursuance of an initiative or referendary petition, as in this article provided, or for the amendment of such ordinance, to be voted upon at any succeeding general municipal election; and in the event that such proposed ordinance, so submitted by the council, receive a majority of the votes cast thereon at such election, the ordinance to which such ordinance so adopted is amendatory, or that is to be repealed thereby, shall be amended or repealed accordingly.

Repeal of ordinance.

Sec. 198*n*. Whenever any ordinance, order, resolution or proposition is required by this article to be submitted to the electors of the city at any election, the city clerk shall cause the same to be printed, and he shall enclose a printed copy thereof in an envelope with a sample ballot, and mail the same to each voter.

Ordinances mailed to electors.

Sec. 198*o*. If any ordinance, order or resolution be submitted to the vote of the electors in pursuance of a referendary petition, the person filing such petition, or the person or organization on whose behalf said petition was filed, shall have the right to present to the city clerk at least twenty days prior to such election, printed copies of an argument opposing such ordinance, order or resolution, and the council shall have the right to present or permit to be presented to the city clerk, within the same limit of time, printed copies of an argument favoring such ordinance, order or resolution. No such argument shall exceed two thousand words in length; and such argument shall be printed in such form and upon such character of paper suitable for mailing as the city clerk shall prescribe. The city clerk shall enclose one copy of each of such arguments with the sample ballot, and a copy of the ordinance, order or resolution, mailed to each voter; *provided*, he has been furnished with printed copies of such arguments equal to five per centum in excess of the total number of qualified electors of the city. Nothing in this section contained shall authorize the council to expend any money of the city for the formulating or printing of any such argument.

Arguments for and against.

THE RECALL.

Recall. Sec. 198*p*. Any incumbent of an elective office, whether elected by vote of the people or appointed to fill a vacancy, may be removed from office by the qualified electors of the city of Los Angeles, as hereinafter provided. Such removal of the incumbent of an office shall be known as the recall, and the procedure to effect the removal of an incumbent of an elective office shall be as hereinafter provided.

Petitions. (1) A petition signed by qualified electors equal in number to at least twenty per centum of the entire vote cast for all candidates for the office, the incumbent of which is sought to be removed, at the last preceding general municipal election at which an incumbent of such office was elected, demanding the submission to the electors of the city of the question whether the incumbent of such office shall be removed by vote of such electors, and if so removed, the election of a successor of such incumbent, shall be addressed to the council and filed with the city clerk. Such petition shall contain a general statement of the grounds for which such removal is sought, of not more than three hundred words in length, and the sufficiency of such statement shall not be subject to review; *provided, however,* that no petition for the removal of any elective officer shall be so filed until he has actually held his office for three months.

Form. (2) The provisions of this article relating to the form and to the mode of signing of initiative petitions, and to the filing, examination, certification and amendment thereof, and to the presentation of the same to the council, shall apply to any petition filed with the city clerk under this section, which petition shall be designated as a recall petition. The sufficiency or insufficiency of any recall petition shall not be subject to review by the council.

Special election. (3) Upon the presentation of such recall petition to the council by the clerk, the council shall thereupon, by ordinance, order the holding of a special election for the purpose of submitting to the electors of the city the question whether such officer shall be recalled, and if recalled, for the election of his successor. Such special election shall be held not less than fifty days nor more than sixty days after the date of the certificate of the city clerk to the sufficiency of such recall petition; *provided, however,* that if a general municipal election, or any special municipal election is to occur within sixty days after the date of such certificate, the council may, in its discretion, order the holding of such recall election, and the consolidation thereof with such general or special election.

Ballots. Sec. 198*q*. The ballots used at every recall election shall have printed thereon, as to every officer whose recall is to be voted on thereat, the following question:

“Shall (inserting name of officer sought to be removed) be removed from the office of (inserting name of his office), by the recall?”

And opposite such question to be voted on, and to the right

thereof, the words "Yes" and "No" shall be printed on separate lines, with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," his vote shall be counted in favor of the recall of such officer, and if he shall stamp a cross (X) in the voting square after the word "No," his vote shall be counted against such recall.

On such ballots, under each such question, there shall also be printed the names of all persons who have been nominated as candidates to succeed the person whose removal is sought, in case he shall be removed from office by vote of the electors. The nomination of such candidates shall be made as hereinafter provided, except that the person whose removal is sought, shall be deemed a candidate, and unless, within five days after the date of the clerk's certificate to the petition, he resigns his office, or declines in writing duly signed and verified by him, and filed with the city clerk, to be a candidate, his name shall be printed on the ballot the same as if he had been regularly nominated in accordance with the provisions of this article.

candidates.

Sec. 198r. Any incumbent of an office, whose removal is sought under the provisions of this article, may file with the city clerk, at least twenty days prior to such recall election, printed copies of a statement of not more than two thousand words in length justifying his course in office; and the person filing such recall petition, or the person or organization on whose behalf a recall petition was filed, shall have the right to present to the city clerk, within the same limit of time, printed copies of a statement in support of such recall of not exceeding two thousand words in length. Any statement filed under this section shall be printed in such form and upon such character of paper suitable for mailing as the city clerk shall prescribe. The city clerk shall enclose one copy of any such statement so filed with him with the sample ballot mailed to each voter; *provided*, he has been furnished with printed copies of such statement equal to five per centum in excess of the total number of qualified electors of the city.

Statements
of incumb-
ent and of
opposition.

Sec. 198s. Any elective officer, for whose recall and removal from office an election is held, shall continue to perform the duties of his office until such time as the council, having canvassed the vote at such recall election, shall declare that a majority of the electors, voting on the question as to whether such person shall be recalled and removed from office, have voted in favor of his recall and removal from office. But if such person shall resign at any time after the date of the certificate of the clerk certifying that the petition for his recall is sufficient and prior to the declaration of the result of such election, thereby creating a vacancy in such office, or a vacancy occurs therein during such time from any cause, such vacancy may be filled by the council in the same manner as other vacancies occurring in such office, but in that event, the person appointed to fill such vacancy shall hold his office only until the person declared by the council to have been elected at the recall election shall qualify. of any elective officer shall be deemed to be pending from the date of the certificate of the city clerk certifying that the recall petition is sufficient, and if he shall resign at any time subsequent thereto the recall election shall be held notwithstanding such resignation.

In the event that a majority of the electors voting on the question as to whether a person shall be recalled and removed from office shall vote in favor of the removal of such person from office by the recall, the person for whose removal from office such majority has voted shall be deemed to be and shall be recalled and removed from office upon the declaration of the result of such election by the council, and the candidate receiving at said election the highest number of votes for that office shall be thereby elected. If the incumbent receive the highest number of votes, he shall continue in office, but if some person other than the incumbent receive the highest number of votes at such election he shall become the successor of the incumbent so removed and shall hold office only during the unexpired term of such officer.

Sec. 198*t*. No person, who has been removed from an elective office by the recall, or who has resigned from such office while recall proceedings for his removal were pending against him, shall be appointed to any office under this charter within two years after such removal or resignation.

Nomination of candidates.

Sec. 198*u*. Any candidate to be voted for at a recall election, other than the incumbent sought to be removed, may be nominated by petition, which shall be substantially in the form proscribed in sections 206*c* and 206*d* of this charter. Any such petition or petitions shall be signed by qualified electors of said city equal in number to at least one per cent of the total number of votes cast for the office of mayor at the last general municipal election in said city at which a mayor was elected. Each petition must be presented to the city clerk not less than twenty-five days before such recall election. Immediately upon the presentation of any such petition, the city clerk shall ascertain and determine, in the manner hereinbefore provided as to initiative petitions, whether or not such petition is signed by the requisite number of qualified electors of the city. If requested by the city clerk, the council shall allow him additional assistants for that purpose, as in other cases, and he shall, within five days after the presentation thereof, attach his certificate to such petition, showing the result of his examination. If it shall appear therefrom, that any such petition is not signed by the requisite number of qualified electors, the same may be amended within three days from the date of such certificate, by presenting a supplemental petition. The clerk shall, within three days after such supplemental petition is filed, make like examination thereof, and shall certify the result of his examination thereof; but no further supplemental petition shall be allowed. If any such petition, as amended by a supplemental petition, be signed by the requisite number of qualified electors, both the petition and supplemental petition being considered together

for that purpose, the person therein named shall be deemed to be nominated as a candidate to be voted for at such recall election.

Sec. 198v. The provisions of sections 206h, 206i and 206j of this charter shall be applicable to recall elections held under this article.

Sec. 198w. The incumbent of any appointive office provided for in this charter, or created by ordinance under the authority thereof, may be removed at any time after the expiration of three months from his appointment, by the qualified electors of the city. The procedure to effect the removal of the incumbent of an appointive office shall be the same as that heretofore provided for the removal of the incumbent of an elective office by the recall, with the following exceptions:

Removal of appointive officers.

(a) The petition for the removal of the incumbent of an appointive office shall contain a demand for the submission to the electors of the city of the question whether the incumbent of such office shall be removed by vote of such electors.

(b) The ballots used at the election at which such question shall be submitted, shall have printed thereon, as to every appointive officer whose removal is to be voted on thereat, the following question:

And opposite such question to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines, with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," his vote shall be counted in favor of the removal of such officer, and if he shall stamp a cross (X) in the voting square after the word "No," his vote shall be counted against such removal.

(c) If a majority of the electors voting on such question shall vote in favor of the removal of such appointive officer, he shall be deemed to be and shall be removed from office upon the declaration of the result of such election by the council and such office shall thereupon be and become vacant. Such vacancy shall be filled by the appointing power in the same manner as other vacancies, but any appointive officer so removed shall not be eligible to any appointive or elective office under this charter until the expiration of two years after such removal.

Nothing in this section contained shall be construed to prevent any elector of the city from demanding and obtaining a recount of the ballots cast at such primary nominating election as hereinafter provided.

Contest.

Sec. 206*u*. Any elector of the city may contest the right of any person declared nominated as a candidate for any office to be such candidate, upon the ground that such person did not receive the requisite number of votes at the primary nominating election. When an elector contests the right of any person declared nominated as a candidate for any office to be a candidate therefor, he must, within five days after the result of the primary nominating election shall have been declared by the council, file with the city clerk a written petition setting forth specifically the following:

- (1) The name of the person contesting such nomination, and that he is an elector of the city;
- (2) The name of the person whose right to be a candidate for an office, stating the office, is contested;
- (3) A statement of particulars wherein the person, whose right to be a candidate is contested, did not receive the requisite number of votes at the primary nominating election; or, of such errors in the counting of ballots, which, if corrected, would give a different result;
- (4) A demand for a recount of the ballots cast at such election.

Such petition must be signed by and be verified by the affidavit of the person filing such petition, and such affidavit must state that the statements made in the petition are true of his own knowledge, except as to the matters which are therein stated on his information or belief, and as to those matters he believes it to be true. Any such petition shall be accompanied by a bond in the penal sum of five hundred dollars, in favor of the city of Los Angeles, executed by the petitioner and by two sureties satisfactory to the council, conditioned for the payment by the petitioner to the city of Los Angeles of the costs and expenses of such recount of ballots in case such contest does not change the result of such election.

The city clerk shall present said petition to the council at its next regular meeting after the filing thereof, and the council shall thereupon order a recount of the ballots cast at such election. Such recount shall be conducted by the mayor, city attorney and city clerk, who shall for that purpose constitute a board of contested primary nominating elections;

provided, however, that if any of said officers are interested parties to said contest, the council shall designate a disinterested elector to act upon such board in the place of such officer. Such board shall be authorized by the council to employ such persons as may be necessary to assist them in conducting such recount, which shall be public and conducted with due diligence to completion. Upon the completion thereof, such board shall make a report in writing of the result thereof to the council, which shall thereupon declare the same; and if any person or persons other than the person or persons theretofore declared nominated, are found upon such recount to be entitled to such nomination, the council shall so declare and direct that the proper certificate of nomination be issued to such person or persons. Nothing in this section contained shall be construed to prevent any person from contesting any nomination by such judicial proceedings as may be otherwise authorized by law.

In case the result of such primary nominating election is changed by such contest, the expense of such recount shall be paid by the city.

Sec. 206v. The provisions of section 206u shall be applicable to any case where it appears from the canvass of the returns of any primary nominating election that two or more persons have received an equal number of votes as candidates for any office at such election, so that the result of such election does not determine which of such persons are entitled to be nominated as candidates for such office. Any elector of the city may, in the event of any such tie vote, obtain a recount of the ballots cast at such primary nominating election by filing a petition demanding such recount, setting forth specifically the following:

- (1) The name of the person demanding such recount, and that he is an elector of the city;
- (2) The names of the persons who received an equal number of votes, stating the office;
- (3) A statement of particulars of such errors in the counting of ballots, which, if corrected, will give a different result;
- (4) A demand for a recount of the ballots cast at such election.

Such petition shall be signed, verified and filed as in said section 206u provided. The proceedings for such recount shall be conducted and the result thereof determined in the same manner and with the same force and effect as in said section provided, and the provisions thereof shall control in all matters pertaining to such proceedings so far as they may be applicable thereto.

Sec. 206w. A substantial compliance with the provisions of this article shall be sufficient for the holding of any election hereunder, and for the approval or rejection of any ordinance, order or resolution submitted to a vote of the electors of the city.

He shall have power to prescribe the method of installing, keeping and rendering all accounts of the several officers, boards or commissioners of the city; *provided, however*, that any change of the system of accounting shall first be authorized by the council.

The city auditor shall keep in his office a complete set of accounts, which shall show, at all times, the financial condition of the city and the state of each fund, from what source the money was derived, and for what purpose any money was expended.

He shall, on application of any person indebted to the city, holding money payable into the city treasury, or desiring to pay money therein, certify to the city treasurer the amount thereof, to what fund applicable, and by whom to be paid. He shall upon the deposit of the receipt of the city treasurer for money paid into the city treasury, charge the city treasurer with the amount received by him, and give the person paying the same a receipt therefor.

It shall be his duty to apportion among the several funds all public money at any time in the city treasury, not by law or ordinance specifically apportioned and appropriated and forthwith notify the city treasurer of such apportionment or appropriation. He shall countersign and deliver to the proper officer all licenses.

He shall report to the council at its second regular meeting of each month the condition of each fund in the city treasury and the amount drawn from each fund during the preceding month, and shall render to the council such other or special reports as it may from time to time require.

He shall make and present a report to the council on or before the fifteenth day of August of each year, showing all financial transactions of the city for the fiscal year ending the 30th day of June last preceding.

He shall audit and approve all demands against the city before payment, and keep a record of the same, as hereinafter provided in article XXI.

The city auditor shall perform such other duties and exercise such further powers as may be elsewhere prescribed for him by the charter or by ordinance. He shall devote his entire time to the performance of the duties of his office.

That section 46 of the charter be amended to read as follows:

CITY ASSESSOR.

Sec. 46. It shall be the duty of the city assessor, in addition to any duty that may be elsewhere prescribed for him by this

charter or by ordinance, to make out, within such a time as may be prescribed by ordinance of said city, either now in force or that may hereafter be passed in pursuance hereof, a full, true and correct list of all the property, both real and personal, taxable by law, within the limits of said city, with the valuation thereof, and assess the same to the persons by whom it was owned or claimed, or in whose possession or control it was, at twelve o'clock meridian on the first Monday of March next preceding.

Each taxpayer in said city shall make and deliver to the city assessor annually, and at such time as shall be provided for by ordinance, a statement under oath setting forth specifically all the real and personal property owned by such taxpayer, or in his possession or under his control at twelve o'clock meridian on the first Monday of March next preceding.

Statement
of tax-
payer.

It shall be the duty of the city assessor to collect the taxes on all personal property, when the owner of said property is not seized of real estate in said city sufficient to afford ample security for collection of said taxes. In all such cases he shall be governed in fixing the amount of the tax by the rate of the tax levy for the preceding year.

Immediately after fixing the assessment on such property he shall serve on its owner or owners a notice in writing, which shall specify the assessed valuation of the property, the rate per cent and the amount of tax payable, and contain a demand for the payment of said tax within three days after service of said notice. Said notice shall be served personally, or by leaving a copy of the same at the last known place of residence of the person whose property is so assessed.

Upon the expiration of said three days after such service, if the tax demanded still remains unpaid or payment thereof be not secured to the satisfaction of the city attorney and city assessor, the city assessor shall forthwith proceed to collect the same by seizure and sale of any personal property owned by the delinquent.

The said sale shall be made by him in the manner provided in sections 3791, 3792, 3793, 3794, 3795 and 3796 of the Political Code of the State of California; *provided*, that the newspaper referred to in said section 3792 shall be published in the city, and shall be designated by the council.

As soon as the rate is fixed for the year in which such collection is made, if it be found that a sum in excess of said rate has been collected, the excess must be repaid in the same manner as other demands against the city are paid, to the person from whom the collection was made, or to his assigns. And if a sum less than the rate fixed has been collected, the deficiency must be collected as other taxes on personal property are collected.

Should the board of equalization reduce the valuation for the same year of the property so assessed, the sum collected in excess of said reduced valuation must be repaid in like manner, to the person from whom the collection was made, or to his

assigns. And if the valuation of said property should be increased by said board, then the deficiency must be collected as other taxes on personal property are collected.

The city assessor shall carefully note upon his assessment list and also upon a book to be kept by him for the purpose all collections made by him under this section, and shall turn over to the city treasurer all money received immediately upon its receipt.

In case the city assessor shall fail to demand, and through his fault to collect, any and all taxes which by this section he is directed to collect, he shall be and become personally liable to the city for the amount of said delinquent taxes, with interest from the date of their assessment; and the council is authorized and directed to cause proper action or actions at law to be brought against him and the sureties on his official bond to recover the same.

The mode of making out assessment lists, of ascertaining the value of property and of equalizing the same shall be such as is now or may hereafter be prescribed by the ordinances of the city.

If, in the judgment of the board, such application should not be advertised for sale or granted, it shall so report, stating its reasons therefor: and if, in the judgment of the board, such application should be granted, it shall recommend the terms and conditions upon which the same should be so granted. No such franchise shall be advertised for sale or granted except upon an application therefor in writing previously filed with the city council, nor unless such application shall have been referred to the board of harbor commissioners, as aforesaid; *provided, however,* that if said board shall fail to report thereon within the time herein specified, or as extended by the council, nothing herein contained shall be construed to prevent the city council, at its discretion, from proceeding to advertise such franchise for sale, or from awarding the same, as provided by law. No franchise shall be advertised for sale or granted contrary to the recommendations of said board except upon a three-fourths vote of the entire council.

If, in the judgment of said board, such application should not be granted, said board shall so report, stating its reasons therefor; but if, in the judgment of said board, such application should be granted, said board shall in its report specify the terms, stipulations and conditions thereof, and the compensation to the city therefor, subject to the limitations elsewhere provided in this charter, as shall be deemed by said board to be proper or necessary in the premises. No application to use any portion of such water frontage, tide lands or submerged lands shall be granted, except in pursuance of an application therefor in writing previously filed with the council and referred to the board of harbor commissioners as aforesaid;

The board of harbor commissioners shall have power, subject to the provisions of this charter, to lease in the name of the city and for the benefit thereof, for terms not exceeding thirty years, and when authorized by ordinance determining the terms and conditions and limitations of such lease, any portion of any tide lands or submerged lands belonging to or under the control of the city of Los Angeles, whether filled or unfilled, that shall be declared by the council, by ordinance, or by other legal authority, to be not required for any public purpose or use, but all such leases shall be subject to such limitations and restrictions as are elsewhere in this charter provided. No such lease shall be made except after advertisement of notice by said board for not less than ten days in a daily newspaper printed, published and circulated in said city, inviting proposals therefor, stating explicitly the terms and conditions of the proposed lease. The said board shall have, and must reserve, in all cases, the right to reject any and all bids, and shall award such lease to the highest responsible bidder at the highest rent; *provided, however,* that no such lease shall be executed or be valid or binding upon the city unless the same is approved by the council by ordinance adopted by a two-thirds vote thereof. All such leases shall provide for readjustment of the rental every ten years.

Moneys shall only be drawn from said fund upon demands authenticated by the signature of the president and secretary of the board, or, in the absence of the president, by the signatures of two members and the secretary of the board, except that the city council, at the time of fixing the general tax levy, may, in its discretion, by ordinance, apportion and set apart, out of the moneys then in said harbor revenue fund, an amount sufficient to meet all sums coming due for interest or principal, or for interest and principal, upon all outstanding harbor improvement bonds, before the time for fixing the next general tax levy, and the city treasurer shall use the money so apportioned to make such payment, and for no other purpose; and if there shall be a surplus remaining, the same shall forthwith be retransferred into said harbor revenue fund.

auction or
to highest
bidder.

Any real property owned by the city of Los Angeles may, subject to the limitations and exceptions elsewhere prescribed in this charter, be sold, either in whole, or in part, in accordance with the provisions of this section. Whenever the public interest or convenience may require, the council is hereby authorized to order the sale, and to sell any such real property, either at public auction or to the highest bidder for cash after advertising for bids; *provided, however*, that the council shall prescribe the minimum price for which the same will be sold, and if the price offered at such auction, or the amount bid by the highest bidder at such sale shall be less than such minimum price, such property shall not be sold.

Before ordering the sale of any such real property the council shall, by a two-thirds vote of all its members, pass an ordinance declaring its intention to sell the same, describing the property proposed to be sold in such manner as to identify the same, specifying the minimum price for which it will be sold, and stating whether such sale shall be at public auction or to the highest responsible bidder after advertising for bids. Such ordinance shall be subject to the provisions of this charter providing for a referendary vote.

Unless a petition demanding the submission of such ordinance to a vote of the qualified electors of the city be filed with the city clerk within thirty days after the publication thereof, the council may, in its discretion, after the expiration of such thirty days, cause notice of the sale of the property described in such ordinance to be published for ten days in one or more daily newspapers printed and published in said city.

In the case of any sale of any real property after advertisement for bids, all such bids shall be sealed and filed in the office of the city clerk on or before a time to be specified in the notice of sale. The city clerk shall present all bids received by him to the council at its next regular meeting after the expiration of the time for the submission of bids. The council shall thereupon, in public session, open, examine and declare all bids received. At the time of opening the bids, any responsible person may bid for such property a sum exceeding the highest bid by not less than five per centum, and such bid so made may be

The council may, in its discretion in all cases where property is offered for sale, reject any or all bids, or withdraw such property from sale at any time, should it deem such action to be for the public interest.

Any real property proposed to be sold that is under the control of any board or commission authorized by this charter or by law to acquire, hold or control real property shall not be sold except with the approval of a majority of such board or commission, and the proceeds of any such sale shall be paid into the city treasury and placed in the fund of the department having control of such property.

Sec. 207f. Any personal property belonging to the city, that is no longer required for the use of the city, may be sold under such terms and conditions, and under such procedure as the council may by ordinance prescribe; *provided, however*, that no such personal property that is under the control of any department of the city government shall be sold except at the request or with the approval of the board, commission or officer having the management of such department. The proceeds of the sale of personal property shall be paid into the city treasury and placed in the fund of such department.

Charter Amendment Number Eight.

That article XXI of the charter be amended to read as follows:

ARTICLE XXI.

TAXATION, FINANCE, CLAIMS AND DEMANDS.

Sec. 208. The fiscal year of the city shall commence on the first day of July of each year and shall end on the thirtieth day of June of the following year.

Fiscal year.

Estimates
of expendi-
tures.

Sec. 209. It shall be the duty of every officer of the city, the conduct of whose office requires the expenditure of money, and every board or commission having the management and control of any department of the government of the city, to prepare and file with the city auditor, on or before the first day of April of each year, a detailed estimate in writing of the amount of expenditure required for the proper conduct of the business of their respective offices and departments for the next ensuing fiscal year, including a statement of the salaries of their subordinates.

Estimate
trans-
mitted to
council.

Sec. 210. On or before the first day of May of each year, the city auditor shall transmit to the council an estimate of the probable expenditures of the city government for the next ensuing fiscal year, stating the amount required for the interest and sinking funds for all outstanding bonded indebtedness of the city, and the requirements of all the offices and departments of the municipal government in detail, and showing specifically the amount necessary to be provided for each fund and department; also an estimate of the amount of income from fines, licenses and other sources of revenue, exclusive of taxes upon property, and the probable amount to be raised by taxation.

Budget.

Sec. 211. The council shall meet annually, prior to fixing the tax levy, and by resolution adopted by a majority of all its members, shall make a budget of the estimated amounts required for the interest and sinking funds for the bonded indebtedness of the city, and to pay the expenses of conducting the business of the city government for the ensuing fiscal year. The budget shall be prepared in such detail as to the aggregate sum and the items thereof allowed to each department, officer, board or fund, as the council may determine. The resolution adopting the budget shall be presented to the mayor for his approval and signature. Any item of said budget may, within ten days after the adoption thereof, be vetoed in whole or in part by the mayor, and it shall require the vote of two thirds of the council to overcome such veto. In making such budget, the council may provide for a general expense fund for expenses not otherwise provided for. After the budget is made in accordance herewith, it shall be signed by the president of the council, and the city clerk, and the several sums thereof shall thereupon be deemed appropriated for the ensuing fiscal year to the several purposes, departments and offices therein specified. The budget shall be filed in the office of the city auditor. The council must cause to be raised by tax levy, according to law, the amounts so appropriated, less the amount to be received by the city from fines, licenses and other sources of revenue.

Tax levy.

Board of
equaliza-
tion.

Sec. 212. When the assessment list is made out and transmitted to the council, as provided by the ordinances of the city, the council shall, at the time and in the manner in such ordinance provided, sit and act as a board of equalization, and shall have, as regards the equalization of said list, powers

similar to those conferred by law upon the board of supervisors of Los Angeles county, as a board of equalization of state and county taxes.

The meetings of said board of equalization shall be public, and notice of such meetings shall be given by publication at such time and in such manner as shall be provided by ordinance. The said board shall have the power, in its discretion, to increase or diminish the amount of any or all of the assessments on said lists, both as to real and personal property; *provided*, that before any such assessment shall be increased, due notice shall be given to the owner or owners of the property the assessed value of which is sought to be increased, and such owner or owners shall have the opportunity to be heard before the board, under oath; such notice to be regulated in all respects by ordinance.

After such list has been equalized, it shall be returned to the council, which shall forthwith fix the levy or rate per cent of taxes levied for all municipal purposes for such fiscal year.

Every tax so levied shall have the force and effect of a judgment against the person and property taxed, and shall be and constitute a lien upon the real property situated in said city so assessed or owned by the person against whom such assessment is made.

Every such assessment and the lien thereof shall have the force and effect of an execution duly levied upon all property owned by the person assessed, or by the unknown owner of such property when assessed to an unknown owner. The judgment is not satisfied nor discharged until the tax assessed against the property and the owner is paid, or the property sold for the payment thereof.

The city shall have such other rights, claims and liens for the amount of such municipal taxes as may now or hereafter be given to or exercised by the people of the State of California for and on account of the assessment of state and county taxes levied in Los Angeles county.

The mode and manner of collecting such municipal taxes, and enforcing such tax lien, and the proceedings thereafter, shall substantially be the same as the mode and manner at the time prescribed by law for the collection of state and county taxes in said county; *provided, however*, that the council may, by ordinance, have the power to regulate the time or times of the collection of said taxes within each fiscal year, and prescribe by what officers the respective duties appertaining to such collection and enforcement shall be performed. All proceedings, sales, certificates and conveyances had, made and executed by them in pursuance thereof, shall be of like force, effect and validity as is or may hereafter be given by law to like proceedings and acts in the matter of the collection of state and county taxes in said county.

Collecting
taxes.

Rate of
taxation.

Sec. 213. The council must, not later than the last Tuesday in August of each year, adopt an ordinance levying upon the assessed valuation of the property of the city, subject to the provisions of this charter, a rate of taxation upon each one

hundred dollars of valuation, sufficient to raise the amounts estimated to be required in the annual budget, less the amounts estimated to be received from fines, licenses and other sources of revenue.

Separate
funds.

Sec. 214. The income and revenues paid into the treasury shall be apportioned to and kept in separate funds. It shall not be lawful to transfer money from one fund to another, or to use the same in payment of demands upon another fund, except in the case of the general expense fund and the reserve fund; *provided, however*, that every fee, commission, percentage, allowance or compensation authorized by law to be charged, received or collected by any officer of the city for any service shall be paid into the city treasury, to the credit of such fund, and be applied to such purposes as the council shall by ordinance determine.

Reserve
fund.

Sec. 215. At the close of each fiscal year the council shall direct the auditor and treasurer to transfer all surplus moneys remaining in each fund, over and above the amount of outstanding demands and liabilities payable out of such fund, to a fund to be called the "reserve fund," except such surplus moneys as are in the several interest and sinking funds, bond funds, trust funds, the library fund, the water revenue fund, the power revenue fund, and the harbor revenue fund, but the council may by ordinance direct said surplus moneys in the power revenue fund or the harbor revenue fund transferred to such reserve fund.

Payment
of claims.

Sec. 216. All claims and demands against the city of Los Angeles, except coupons for interest and installments of the principal of outstanding bonds of the city, shall be paid only on demands as hereinafter provided, on forms and blanks to be prescribed by the city auditor.

Approval
of claims
by boards,
etc.

Sec. 217. Every claim and demand against the city of Los Angeles, except as provided in the preceding section, shall be first presented to and approved by the board, commission or officer authorized by this charter to incur the expenditure or liability represented thereby; if such approval be made by a board or commission the same shall be evidenced by a vote of two thirds of the members thereof, taken with the eyes and noses and spread upon the minutes, and the action of such board or commission, and the date thereof, must be endorsed on such demand, and signed in writing by the president or by two members thereof, and the secretary or clerk thereof; and if such approval be made by an officer he, or his chief deputy, shall endorse the same by his signature in writing. In all cases the date of such approval shall be given.

Payment
of salaries.

Sec. 218. The salaries of all officers and employes of the city shall be paid monthly; *provided, however*, that laborers and other employes whose wages are fixed by the day, may be paid weekly, if the council, by ordinance, shall so provide. At the expiration of each month the board, commission or officer having the management or control of any department or office shall cause a pay roll to be made out of all persons employed in such department or office during the preceding

month, stating the amount of the compensation of such persons in detail, which said pay roll shall be certified as herein provided in the case of demands against the city. In the case of laborers and other persons whose wages are fixed by the day, and payable weekly, as above provided, such pay roll shall be so made out and certified at the end of each week for the preceding week. Every such pay roll shall be filed with the city auditor and shall be accompanied by proper demands or pay checks for the salary or wages of each person specified therein; *provided*, that nothing in this article contained shall be deemed to affect or limit the provisions of section 151 of this charter.

Sec. 219. All demands approved by any board, commission or officer of the city shall be presented to the city auditor, who shall satisfy himself whether the money is legally due and remains unpaid, and whether the payment thereof from the city treasury is authorized by law, and out of what fund. If he approve it, he shall endorse upon it the word "approved," with the name of the fund out of which it is payable, and sign his name thereto; *provided*, that such approval by the city auditor shall be valid only for such amount as shall have been approved by the board, commission or officer approving the same. If, in the judgment of the city auditor, such demand should be allowed only for a less amount than approved by such board, commission or officer, or if he shall disapprove said demand, he shall transmit the same to the finance committee of the council.

Auditor's approval.

Sec. 220. Any demand transmitted to the finance committee of the council by the city auditor shall be considered by such committee, together with the objections of the city auditor thereto. Such demand shall be reported by the finance committee to the council with its recommendations, and the council shall consider the same and the action of the auditor and finance committee thereon.

Consideration of auditor's objections.

The council may overrule or sustain the objections of the city auditor to said demand, and its action shall be endorsed thereon, certified by the signatures of the president of the council and city clerk, and the demand shall thereupon be returned to the city auditor. If the action of the council is to overrule the objections of the city auditor to said demand, he shall make a record of the demand as in the case of demands approved by him; if the action of the council is to sustain the objections of the city auditor thereto, he shall file said demand.

Sec. 221. All demands against the fund for the support or maintenance of the office of the city auditor shall, before payment, be presented to the mayor, who shall have the same powers as to the approval or disapproval thereof as are exercised by the city auditor in the case of other demands. The action of the mayor with respect thereto shall be subject to review by the council, as hereinbefore provided.

Claims against auditor's office.

Sec. 222. No demand can be approved by any board or officer, or audited, unless it specify each several item, with the date and amount thereof.

Payments
from
treasury.

Sec. 222a. No payment can be made from the city treasury, or out of the public funds of said city, unless the same be specially authorized by law or this charter, nor unless the demand which is paid be duly audited as in this charter provided. The term "audited," as used in this charter with reference to demands upon the treasury, is to be understood to mean that said demands have been presented to, passed upon and approved by every officer, board, commission or body, as required by this charter, or that the objections of the city auditor have been overruled, as herein provided, and this must appear upon the face of the paper representing the demand, or else it is not audited; *provided*, that the approval or rejection in whole or part of a demand by the committee on finance of the council is advisory only to the council, and the rejection by said committee of a demand in whole or in part does not of itself prevent its being duly audited.

Sec. 222b. No demand upon the treasury shall be allowed by the city auditor in favor of any person or officer in any manner indebted thereto without first deducting the amount of such indebtedness, nor to any person or officer having the collection, custody of or disbursement of public funds, unless his account has been duly presented, passed, approved and allowed, as required by law or this charter; nor in favor of any officer who shall have neglected to make his official returns or his reports in writing in the manner and at the time required by law or this charter, or by the ordinances or regulations made in pursuance thereof; nor to any officer who shall have neglected or refused to comply with any of the provisions of this charter or ordinances of the city, or any act of the legislature regulating the duties of such officer, on being required in writing to comply therewith by the mayor or the president of the council or the city auditor; nor in favor of any officer for the time he shall have absented himself, without lawful cause, from the duties of his office during the office hours prescribed by this charter or by ordinance, and the city auditor may examine any officer receiving a salary from the treasury on oath respecting such absence.

Auditor's
record.

Sec. 222c. The city auditor must keep a record of all demands on the treasury approved by him, or his objections to which have been overruled, showing the number, date, amount, and name of the payee thereof, on what account allowed; and out of what funds payable, and it shall be a misdemeanor in office for the city auditor to deliver any demand with his approval thereon, or otherwise, until this requisite has been complied with.

Sec. 222d. Every lawful demand upon the treasury, duly audited, as in this charter required, shall in all cases be paid on presentation and canceled, and the proper entry thereof be made, if there be sufficient money in the treasury belonging to the fund out of which it is payable; but if there be not sufficient money belonging to said fund to pay such demand, then it shall be registered in a book to be kept by the treasurer

for that purpose, showing its number, when presented, date, amount, name of the payee, and on what account allowed, and out of what fund payable; and being so registered, shall be returned to the party presenting it, with an endorsement of the word "registered," dated and signed by the city treasurer. All registered demands shall be payable in the order of their registration.

Sec. 222*e*. Nothing in this article contained shall be construed as interfering with or preventing the payment by the city treasurer of bonds of the city of Los Angeles, and the interest coupons thereof, in accordance with the constitution, laws and ordinances authorizing the issuance of said bonds.

All money
to be paid
into treasury

Sec. 222*f*. All public moneys collected by any officer or employee of the city shall be paid into the city treasury, without any deduction on account of any claim for fees, commissions or any other cause or pretense; and the compensation of any officer, employee or other person so collecting money, shall be paid by demands on the treasury, duly audited as other demands are audited, and paid.

Sec. 222*g*. No suit shall be brought on any claim for money or damages against the city of Los Angeles, its board of education, board of directors of the Los Angeles public library, board of public works, or board of public service commissioners, or any officer or board or commission of the city, until a demand for the same has been presented, as herein provided, and rejected in whole or in part. If rejected in part, suit may be brought to recover the whole. Nor shall suit be brought against said city, or any board, officer or commission thereof upon any claim or demand that has been in whole approved and audited as provided herein; *provided*, that nothing herein contained shall be construed so as to deprive the holder of any demand of his right to resort to writ of mandamus or other proceeding against the city council, or any board, commission or officer of said city, to compel it or him to act upon such claim or demand, or to pay the same when so audited.

Charter Amendment Number Nine.

That section 261 of the charter be amended to read as follows:

Sec. 261. It shall be unlawful to sell, convey, alienate, transfer or lease any part of the water front, tide lands, submerged lands, or appurtenances thereunto belonging, owned or held by, or in the possession or under the control of the city of Los Angeles, or any borough therein, unless thereunto authorized by two thirds of the qualified voters of the city voting at a general or special election at which such proposition shall have been submitted; *provided*, that whenever the city of Los Angeles shall have acquired the ownership, or control and possession, of more than ten thousand feet (linear measurement) of water frontage, and the coterminous and adjacent tide and submerged lands upon the water front, as fixed by the government harbor lines upon the navigable waters of Los Angeles harbor, formerly known as the outer or

inner harbor of San Pedro, not including water frontage upon any island, or breakwater, nor water frontage held by any borough, nor any water frontage created by the construction of channels by any person, firm or corporation other than the United States, the city of Los Angeles may grant, by ordinance, to any person, firm or corporation wharf franchises and warehouse and other privileges and permits to use the water frontage in excess of said ten thousand feet, so owned or controlled by the city, for periods not exceeding fifteen years on alternate frontages upon said harbor, not exceeding two thousand feet in a body, with the adjacent and coterminous tide or submerged lands necessary for such purposes as determined by ordinance. Said ten thousand feet, and each alternate two thousand feet of such excess water frontage upon said harbor, together with the adjacent and coterminous tide and submerged lands, shall be reserved for public use, as aforesaid; *provided, however,* that whenever it shall be determined by the city of Los Angeles, by ordinance, or by other proper legal authority, that any part of such tide or submerged lands not nearer than three hundred feet to navigable waters are no longer required for public use, by reason of their remoteness from the harbor lines, as now or as hereafter established, such tide or submerged lands may be subdivided into lots and blocks, or otherwise, with streets or other public ways leading to the water front, and with such other streets or other public ways as may be established therein and may be leased by the board of harbor commissioners, subject to approval by ordinance, if there be such board, otherwise by the council, and in any event subject to the referendary provisions of this charter, for periods not exceeding thirty years; but in all cases where either franchises or privileges are granted or permits issued, or such tide or submerged lands leased, the same shall be granted, issued or leased, as the case may be, to the highest bidder, and after publication of notice for not less than ten days. In case of any grant of franchise or privilege, or the issuance of any permit under this section, the same shall at all times be granted or issued upon the condition, whether expressed therein or not, that the wharves, docks, warehouses or other works or structures provided for therein shall, if not already constructed, be completed within three years from the date of such franchise, privilege or permit, and all such franchises, privileges or permits, shall provide for the payment to the city of either an annual rental or a percentage of the gross annual receipts, received from the use, operation or possession of the franchise, privilege or permit, or both such rental and percentage. Every such franchise, privilege or permit shall contain a condition that in case the same, or the property, or any part thereof embraced therein, shall be transferred or subleased, or the control thereof be given or granted to any person, firm or corporation, so that such person, firm or corporation shall then own, hold or control, under franchises, privileges or permits, granted or issued by the city of Los Angeles, more than two thousand feet of said water frontage, upon any

part of said Los Angeles harbor, then such grant, privilege or permit, and all rights thereunder, shall thereupon and thereby be absolutely terminated. Every franchise, privilege or permit granted or issued hereunder, shall be subject at all times to all rights of way over tide or submerged lands embraced therein for such public sewers, pipe lines, conduits, electric lines, highways, streets, street or other railroads, as may from time to time be determined by the council. Whenever application shall be made for the lease of any part of such tide or submerged lands, that may be no longer required for public use, as aforesaid, an open bid shall accompany the same, and notice thereof shall be given by publication for not less than ten days in a daily newspaper printed, published and circulated in said city. At any time within thirty days after the last publication of such notice, any person, firm or corporation may make an open bid for the lease of such property. Upon the expiration of such thirty days, the board of harbor commissioners, if there be such board, or if not, then the council, in open session, may lease such land to the highest bidder theretofore or then bidding, or refuse so to do. Every lease of tide or submerged lands no longer required for public use, shall provide for readjustment of rental every ten years during the period of such lease. The procedure for such readjustment shall be specified in such lease, but in no case shall such readjustment decrease the amount of rental.

In any case, where the city of Los Angeles, or its predecessors in interest or authority, shall have granted or issued any franchise or permit or any document purporting to be such, to any person, firm or corporation, the water front, tide lands, and submerged lands covered thereby, shall not be deemed to be subject to grants for such purposes by the city of Los Angeles under this section until such franchise or permit shall have been canceled or otherwise terminated, and until the city of Los Angeles shall have regained peaceable possession of such property.

Charter Amendment Number Ten.

That a new subdivision be added to section 2 of the charter, relating to the powers of the city, to be known as subdivision 43, and to read as follows:

(43) To grant franchises, for terms not exceeding forty years, for the construction and operation of underground electric interurban, street or other railways through subways, and for the construction and operation of elevated electric interurban street, or other railways along or across public streets, highways, and other public places; *provided*, that any such grant shall first be authorized by a vote of a majority of the qualified electors of the city voting at an election at which such question shall be lawfully submitted; *and provided*, *further*, that no franchise along any public street or highway for the construction or operation of any elevated railway shall be submitted to the vote of the people unless there shall first be filed with the council the written consent thereto of the

owners of a majority of the frontage, other than public property, along such street or highway. Every franchise for an underground or elevated interurban or street railway shall be upon condition, whether expressed therein or not, that at any time after twenty-one years from the date of the grant thereof the city may take over the tangible property and plant of such railway over and along the line covered by such franchise, including any leases and rights of way, upon the same conditions as are in this article provided with reference to other franchises; and all such franchises shall contain all other terms, conditions and provisions required to be set out in surface street and interurban railway franchises, so far as applicable.

Ordinance
may be
submitted
by council.

The council may, upon its own motion, submit an ordinance to the vote of the qualified electors, authorizing the council to sell any such franchise at any special or general election. And it shall be the duty of the council to submit such an ordinance at the next general election, or the next special election, that may be called for any other purpose, whenever a petition asking that the same be so submitted shall be filed with the clerk and signed by not less than ten per cent of the total number of qualified electors voting at the last general city election at which a mayor was elected.

Charter Amendment Number Eleven.

That a new section be added to the charter, immediately after section 30 thereof, to be known as section 30a, and to read as follows:

Height of
buildings.

Sec. 30a. No building shall be erected within said city of a height exceeding one hundred and fifty feet, except public buildings and monuments, and except spires, domes and towers of houses of religious worship, when authorized by ordinance passed by a two-thirds vote of the council; and except other structures or buildings, or parts of buildings, not designed for business, manufacturing or commercial purposes, when authorized by ordinance adopted by a vote of a majority of the qualified electors of the city voting thereon at an election at which such ordinance may be submitted.

Charter Amendment Number Twelve.

That article XXII of the charter be amended by adding a new section thereto, immediately following section 228, to be known as section 228a, and to read as follows:

Sale of
liquor in
annexed
territory.

Sec. 228a. Whenever, under the terms of this charter, or under the provisions of the constitution or of the general laws of the State of California, any incorporated city or town shall be consolidated with or annexed to the city of Los Angeles, and the charter of such incorporated city or town shall contain any provision or provisions restricting, prohibiting or regulating the sale, distribution or giving away of any spirituous, malt, vinous or alcoholic liquors, within the boundaries of such city or town so consolidated with or annexed to the city of Los Angeles, such provision or provisions shall, upon such consoli-

dation or annexation becoming effective, be and thereby become an integral part of and take effect as a subdivision of the charter of the city of Los Angeles, but only for the purposes in this section specified, and shall operate and be of full force and effect in the territory of such city or town so consolidated with or annexed to the city of Los Angeles, and shall govern as to restricting, prohibiting or regulating the sale, distribution, or giving away of spirituous, malt, vinous or alcoholic liquors within such territory. No such provision or provisions shall be altered or repealed except by the vote of a majority of the electors within such territory, voting thereon at any election at which such question shall have been submitted to the electors within such territory.

Charter Amendment Number Thirteen.

That two new subdivisions be added to section 2 of the charter, relating to the powers of the city, to be known as subdivisions 44 and 45, and to read as follows:

(44) To create and maintain, and provide for the disbursement of, a firemen's relief, health, life insurance and pension fund, to be used for the payment of pensions to members of the fire department of the city who shall be retired from such department; for the payment of pensions to members of such department who shall become physically disabled by reason of bodily injuries received in, or by reason of sickness caused by, the discharge of their duties, and for the payment of pensions to the widows and children of members of such fire department who shall have died from bodily injuries received in the performance of their duties. tional
amend-
ment.

The legislature of the State of California, at its thirty-ninth regular session commencing on the second day of January, 1911, two thirds of all the members elected to each of the two houses of said legislature voting therefor, hereby proposes that a new section be added to article XI of the constitution of the State of California, to be known and designated as section seven and one half of article XI of the constitution of the State of California, and to read as follows:

County
charters.

Section 7½. Any county may frame a charter for its own government consistent with and subject to the constitution (or, having framed such a charter, may frame a new one), relating to the matters hereinafter in this section specified, and none other, by causing a board of fifteen frecholders, who have been for at least five years qualified electors thereof, to be elected by the qualified electors of said county at a general or special election. Said board of frecholders may be so elected in pursuance of an ordinance adopted by the vote of three fifths of all the members of the board of supervisors of such

county, declaring that the public interest requires the election of such board for the purpose of preparing and proposing a charter for said county, or in pursuance of a petition of qualified electors of said county as hereinafter provided. Such petition, signed by fifteen per centum of the qualified electors of said county, computed upon the total number of votes cast therein for all candidates for governor at the last preceding general election at which a governor was elected, praying for the election of a board of fifteen freeholders to prepare and propose a charter for said county, may be filed in the office of the county clerk. It shall be the duty of said county clerk, within twenty days after the filing of said petition, to examine the same, and to ascertain from the record of the registration of electors of the county whether said petition is signed by the requisite number of qualified electors. If required by said clerk, the board of supervisors shall authorize him to employ persons specially to assist him in the work of examining such petition, and shall provide for their compensation. Upon the completion of such examination, said clerk shall forthwith attach to said petition his certificate, properly dated, showing the result thereof, and if, by said certificate, it shall appear that said petition is signed by the requisite number of qualified electors, said clerk shall immediately present said petition to the board of supervisors, if it be in session, otherwise at its next regular meeting after the date of such certificate. Upon the adoption of such ordinance, or the presentation of such petition, said board of supervisors shall order the holding of a special election for the purpose of electing such board of freeholders, which said special election shall be held not less than twenty days nor more than sixty days after the adoption of the ordinance aforesaid or the presentation of said petition to said board of supervisors; *provided*, that if a general election shall occur in said county not less than twenty days nor more than sixty days after the adoption of the ordinance aforesaid, or such presentation of said petition to said board of supervisors, said board of freeholders may be elected at such general election. Candidates for election as members of said board of freeholders shall be nominated by petition, substantially in the same manner as may be provided by general law for the nomination, by petition of electors, of candidates for county offices, to be voted for at general elections.

It shall be the duty of said board of freeholders, within one hundred and twenty days after the result of such election shall have been declared by said board of supervisors, to prepare and propose a charter for said county, which shall be signed in duplicate by the members of said board of freeholders, or a majority of them, and be filed, one copy in the office of the county clerk of said county and the other in the office of the county recorder thereof. Said board of supervisors shall thereupon cause said proposed charter to be published for at least ten times in a daily newspaper of general circulation, printed, published and circulated in said county; *provided*, that in any

county where no such daily newspaper is printed, published and circulated, such proposed charter shall be published for at least three times in at least one weekly newspaper, of general circulation, printed, published and circulated in such county; *and provided*, that in any county where neither such daily nor such weekly newspaper is printed, published and circulated, a copy of such proposed charter shall be posted by the county clerk in three public places in said county, and on or near the entrance to at least one public school house in each school district in said county, and the first publication or the posting of such proposed charter shall be made within fifteen days after the filing of a copy thereof, as aforesaid, in the office of the county clerk. Said proposed charter shall be submitted by said board of supervisors to the qualified electors of said county at a special election held not less than thirty days nor more than sixty days after the completion of such publication, or after such posting: *provided*, that if a general election shall occur in said county not less than thirty days nor more than sixty days after the completion of such publication, or after such posting, then such proposed charter may be so submitted at such general election. If a majority of said qualified electors, voting thereon at such general or special election, shall vote in favor of such proposed charter, it shall be deemed to be ratified, and shall be forthwith submitted to the legislature, if it be in regular session, otherwise at its next regular session, or it may be submitted to the legislature in extraordinary session, for its approval or rejection as a whole, without power of alteration or amendment. Such approval may be made by concurrent resolution, and if approved by a majority vote of the members elected to each house, such charter shall become the charter of such county and shall become the organic law thereof relative to the matters therein provided, and supersede any existing charter framed under the provisions of this section, and all amendments thereof, and shall supersede all laws inconsistent with such charter relative to the matters provided in such charter. A copy of such charter, certified and authenticated by the chairman and clerk of the board of supervisors under the seal of said board and attested by the county clerk of said county, setting forth the submission of such charter to the electors of said county, and its ratification by them, shall, after the approval of such charter by the legislature, be made in duplicate, and filed, one in the office of the secretary of state and the other, after being recorded in the office of the recorder of said county, shall be filed in the office of the county clerk thereof, and thereafter all courts shall take judicial notice of said charter.

Amend-
ments.

The charter, so ratified, may be amended by proposals therefor submitted by the board of supervisors of the county to the qualified electors thereof at a general or special election held not less than thirty days nor more than sixty days after the publication of such proposals for ten times in a daily newspaper of general circulation, printed, published and circulated

in said county; *provided*, that in any county where no such daily newspaper is printed, published and circulated, such proposed charter shall be published for at least three times in at least one weekly newspaper, of general circulation, printed, published and circulated in such county; *provided*, that in any county where neither such daily nor such weekly newspaper is printed, published and circulated, a copy of such proposed charter shall be posted by the county clerk in three public places in said county, and on or near the entrance to at least one public schoolhouse in each school district in said county. If a majority of such qualified electors voting thereon, at such general or special election, shall vote in favor of any such proposed amendment or amendments, or any amendment or amendments proposed by petition as hereinafter provided, such amendment or amendments shall be deemed to be ratified, and shall be forthwith submitted to the legislature, if it be in regular session, otherwise at its next regular session, or may be submitted to the legislature in extraordinary session, for approval or rejection as a whole, without power of alteration or amendment, and if approved by the legislature, as herein provided for the approval of the charter, such charter shall be amended accordingly. A copy of such amendment or amendments shall, after the approval thereof by the legislature, be made in duplicate, and shall be authenticated, certified, recorded and filed as herein provided for the charter, and with like force and effect. Whenever a petition signed by ten per centum of the qualified electors of any county, computed upon the total number of votes cast in said county for all candidates for governor at the last general election, at which a governor was elected, is filed in the office of the county clerk of said county, petitioning the board of supervisors thereof to submit any proposed amendment or amendments to the charter of such county, which amendment or amendments shall be set forth in full in such petition, to the qualified electors thereof, such petition shall forthwith be examined and certified by the county clerk, and if signed by the requisite number of qualified electors of such county, shall be presented to the said board of supervisors, by the said county clerk, as hereinbefore provided for petitions for the election of boards of freeholders. Upon the presentation of said petition to said board of supervisors, said board must submit the amendment or amendments set forth therein to the qualified electors of said county at a general or special election held not less than thirty days nor more than sixty days after the publication or posting of such proposed amendment or amendments in the same manner as hereinbefore provided in the case of the submission of any proposed amendment or amendments to such charter, proposed and submitted by the board of supervisors. In submitting any such charter, or amendments thereto, any alternative article or proposition may be presented for the choice of the electors, and may be voted on separately without prejudice to others.

Such ordinance, prior to such election, shall be published five times in a daily newspaper, or twice in a weekly newspaper, if there be no such daily newspaper, printed, published and circulated in said county; *provided*, that if no such daily or weekly newspaper be printed or published in such county, then a copy of such ordinance shall be posted by the county clerk in three public places in such county and in or near the entrance to at least one public school house in each school district therein. In all other respects, every such election shall be held and conducted, the returns thereof canvassed and the result thereof declared by the board of supervisors in the same manner as provided by law for general elections. Whenever boards of freeholders shall be elected, or any such proposed charter or amendment or amendments thereto submitted, at a general election, the general laws applicable to the election of county officers and the submission of propositions to the vote of electors shall be followed in so far as the same may be applicable thereto.

If required by said clerk, the council, or other legislative body, of said city shall authorize him to employ persons specially to assist him in the work of examining such petition, and shall provide for their compensation. Upon the completion of such examination, said clerk shall forthwith attach to said petition his certificate, properly dated, showing the result thereof, and if, by said certificate, it shall appear that said petition is signed by the requisite number of qualified electors, said clerk shall present the said petition to said council, or other legislative body, at its next regular meeting after the date of such certificate. Upon the adoption of such ordinance, or the presentation of such petition, said council, or other legislative body, shall order the holding of a special election for the purpose of electing such board of freeholders, which said special election shall be held not less than twenty days nor more than sixty days after the adoption of the ordinance aforesaid, or the presentation of said petition to said council, or other legislative body; *provided*, that if a general municipal election shall occur in said city not less than twenty days nor more than sixty days after the adoption of the ordinance aforesaid, or the presentation of said petition to said council, or other legislative body, said board of freeholders may be elected at such general municipal election. Candidates for election as members of said board of freeholders shall be nominated by petition substantially in the same manner as may be provided by general laws for the nomination by petition of electors of candidates for public offices to be voted for at general elections.

It shall be the duty of said board of freeholders, within one hundred and twenty days after the result of such election shall have been declared by said council, or other legislative body, to prepare and propose a charter for said city, which shall be signed in duplicate by the members of said board of freeholders, or a majority of them, and be filed, one copy in the office of the city clerk of said city and the other in the office of the county recorder of the county in which said city is situated. If a majority of such qualified electors voting thereon at such general or special election shall vote in favor of such proposed charter, it shall be deemed to be ratified, and shall be submitted to the legislature, if it be in regular session, otherwise at its next regular session, or it may be submitted to the legislature in extraordinary session, for its approval or rejection as a whole, without power of alteration or amendment. Such approval may be made by concurrent resolution, and if approved by a majority vote of the members elected to each house, such charter shall become the charter of such city, or, if such city be consolidated with a county, then of such city and county, and shall become the organic law thereof, and supersede any existing charter, (whether framed under the provisions of this section of the constitution or not), and all amendments thereof, and all laws inconsistent with such charter. A copy of such charter, certified by the mayor, or other chief executive officer of said city, and authenticated under the seal of such city, setting forth the submission of such charter to the electors of said city, and its ratification by them, shall, after the approval of such charter by the legislature, be made in duplicate and deposited, one in the office of the secretary of state and the other, after being recorded in the office of the recorder of the county in which such city is situated, shall be deposited in the archives of the city, and thereafter all courts shall take judicial notice of said charter.

The charter, so ratified, may be amended by proposals therefor submitted by the council, or other legislative body of the city, to the qualified electors thereof at a general or special municipal election held at intervals of not less than two years, except that charter amendments may be submitted at a general municipal election at an interval of less than two years after the last election on charter amendments; *provided*, that no other election on charter amendments has been held since the beginning of the last regular session of the state legislature or shall be held prior to the next regular session of the state legislature, and held not less than twenty days, nor more than forty days, after the completion of the publication of such proposals for ten times in a daily newspaper of general circulation, printed, published and circulated in said city, or for three times in at least one weekly newspaper of general circulation, printed, published and circulated in said city, if there be no such daily newspaper. A copy of such amendment or amendments shall, after the approval thereof by the legislature, be made in duplicate, and shall be authenticated, certified, recorded and filed as herein provided for the charter, and with like force and effect. The first publication of any proposed amendment or amendments to such charter so proposed by petition shall be made within fifteen days after the aforesaid presentation of said petition to said council, or other legislative body. In submitting any such charter, amendment or amendments thereto, any alternative article or proposition may be presented for the choice of the electors, and may be voted on separately without prejudice to others.

Such ordinance shall, prior to such election, be published five times in a daily newspaper, or twice in a weekly newspaper, if there be no such daily newspaper printed, published and circulated

in said city. Such election shall be held and conducted, the returns thereof canvassed, and the result thereof declared by the council, or other legislative body of such city, in the manner that is now or may be hereafter provided by general law for such elections in the particulars wherein such provision is now or may hereafter be made therefor, and in all other respects in the manner provided by law for general municipal elections, in so far as the same may be applicable thereto.

[Filed with Secretary of State March 28, 1911.]

WHEREAS, Applications have been made by the State of California, through the United States general land office, to the secretary of the interior for approximately three hundred thousand acres of indemnity school lands, which applications are still pending unexamined and unapproved; and

WHEREAS, It is admitted by the secretary of the interior that the State of California has complied with all requirements of law and with all rules and regulations of the United States general land office and of the secretary of the interior relating thereto; and

WHEREAS, Notwithstanding the larger portion of these applications have been pending for many years, it is represented by the secretary of the interior that such applications have not been approved, for the reason that the clerical force at his disposal has been insufficient to make the required examinations; and

WHEREAS, The United States general land office, in November, 1910, determined to make an examination in the field of all lands so applied for before approving the same, and the work of such examination in the field has not yet been commenced; and

WHEREAS, The failure to approve these selections has prevented the state and the citizens thereof from making any beneficial use of the lands so withheld and has resulted in the annual loss of many thousands of dollars in taxes; and

WHEREAS, The State of California having in all things complied with the law and with the rules and regulations of the United States general land office, and being admittedly entitled to action thereon by the federal government, the continued delay is unwarranted and is manifestly unjust to the state; therefore, be it

Resolved, by the senate and assembly, jointly, That we respectfully urge the honorable secretary of the interior that such action be taken by his department as shall result in an immediate examination and an early determination of the applications made by California for approximately three hun-

Resolved, That in the opinion of the legislature of the State of California, the time has arrived when there should be a concert of action between all nations that lay claim to civilization and enlightenment to compel the observance on the part of any other nation of the laws of humanity and common justice towards its citizens; and be it further
