

# Editing challenges project

**Situation**

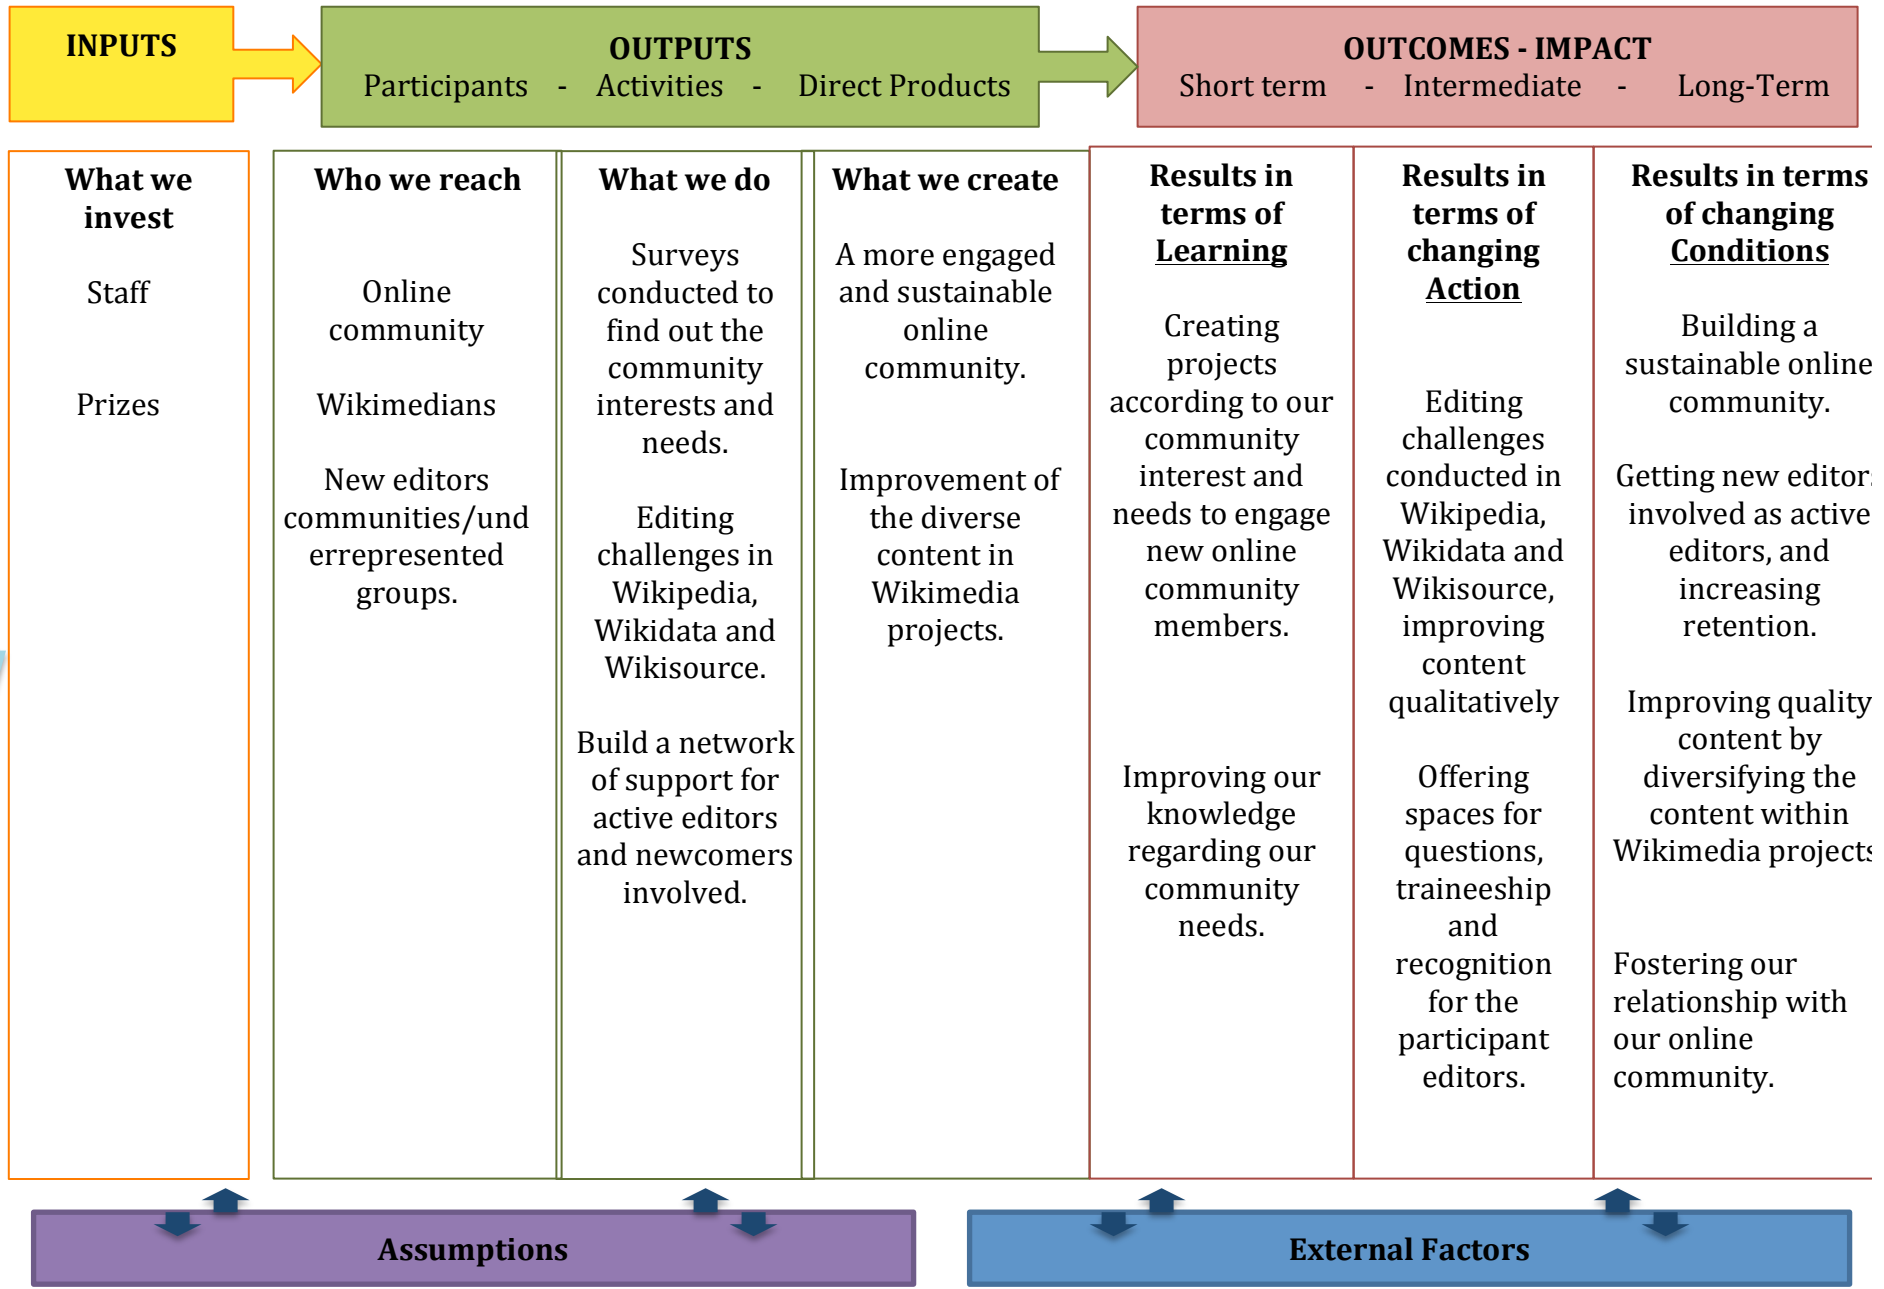

Media  
 ina has two  
 different  
 unities. Our  
 community

participates in  
 online  
 editing challenges. Editing  
 challenges have  
 not remained  
 successful  
 in the  
 long term  
 because of  
 the  
 lack of  
 diverse  
 content  
 in  
 Wikimedia  
 projects  
 and  
 the  
 lack of  
 active  
 and  
 engaged  
 editors.

**Priorities**

Getting active editors involved, re-activating editors and retaining new editors.

Increasing the diverse content in Wikimedia projects.

**Evaluation**  
 Identification – Design – Implementation – Completion/Follow-up
