SUBJECT: Nazi Party Membership Records, Japan

DATE: July 19, 1946

file

I am enclosing for your information a mimeographed copy of "Nazi Party Membership Records, Japan". This copy was prepared by a representative of the Department in Berlin from original NSDAP card indices captured in Germany.

The list of names in the enclosure is to the best of our knowledge an accurate record of Nazi Party members in Japan. It is understood that the list of names is not complete and we have been assured that supplemental lists will be forwarded when the cards have been properly sorted. As soon as additional lists are received they will be promptly transmitted to you.

Two copies of the enclosure were sent to Tokyo on July 13, 1946, under cover of DS-4 Forms.
