FROM WASHINGTON.

# NEW ORLEANS, MONDAY MORNING, MARCH 4, 1867.

CITY INTELLIGENCE. We need to live an easily
When John and I were young.
Sefore our Bal and Jane graw up
To teach he what was wrong. They raise a noise if even
I dust the parior new;
They say I've grown a lady,
And oughtn't to know how.

OCTY INTELLIGENCE.

The Firement of Ancierrory.—To day the Fire Department of New Oriens will colobrate their thirties antiversary, in a measure separation, as the second of the great increase in its membership since the organization as the pains and appease taken to make this colebration the crowning glory in the history of the gains and appease taken to make this colebration the crowning glory in the history of the pains and appease taken to make this colebration the crowning slory in the history of the parameters of the Department. What with the essay of the gain has the worn the continuous of the against a successful the second in the department of the day where along the route, the procession of handsomely naiformed men drawing their oncient in proceeds in lengthened line, accompanied with aplendid bands of maic, all under the direction of our distinguished, follow-citisen, Colonel I. M. Marks, as the Grand Marshal of the day. Meurs. George H. Brangha, Waiter V. Cronch and Alaxander Dapremont as Chief Aids, and untherous other gentlemen as Assistants.

The rotte of the procession will be found in another column of our paper, and we advise all who wish to witness the glorious pagesant to process eligible positions in the houses and gailaries along the streets indicated at as early an hour as possible.

The procession will conduct of four grand divisions, under the lamand are
