Meeting Street 66 feet wide

South Carolina
City of Charleston

By the request of the Commissioners of Streets Lamps &c. I have Resurveyed the east line of Meeting Street and find that Mr. John Dunn has trespassed on said Street at the corner of Market and Meeting Street sixteen inches fronting on Market Street and diminishing from that point seventy feet six inches to the South line of Gen. C. C. Pinckney's land where said trespass is only fourteen inches and one third of an inch on said Meeting Street distinguished on the above Plat by the pin coloured lines - Resurveyed this 20th April 1809.

Drawn on a Scale of 100 feet to an Inch

J. Muddock
City Surveyor
