STATUTORY PROVISIONS RELATING TO THE OFFICIAL REGISTER.

Act of Congress approved January 12, 1895. [28 Stats., 618.]

To enable the officer charged with the duty of preparing the Official Register of the United States to publish the same, the Secretary of the Senate, the Clerk of the House of Representatives, the head of each Executive Department of the Government, and the chief of each and every bureau, office, commission, or institution not embraced in an Executive Department, in connection with which salaries are paid from the Treasury of the United States, shall, on the first day of July in each year in which a new Congress is to assemble, cause to be filed with the Secretary of the Interior a full and complete list of all officers, agents, clerks, and other employees of said department, bureau, office, commission, or institution connected with the legislative, executive, or judicial service of the Government, or paid from the United States Treasury, including military and naval officers of the United States, cadets, and midshipmen.

Said list shall exhibit the salary, compensation, and emoluments allowed to each of said officers, agents, clerks, and other employees, the State or country in which he was born, the State or Territory and Congressional district and county of which he is a resident and from which he was appointed to office, and where employed.

A list of the names, force, and condition of all ships and vessels belonging to the United States, and when and where built, shall also be filed with the Secretary of the Interior by the heads of the departments having supervision of such ships and vessels, for incorporation in the Official Register.

The Postmaster-General shall furnish a statement of all allowances made during the period of two years next preceding said first day of July above mentioned to each contractor on contracts for carrying the mails, discriminating the sum paid as stipulated by the original contract and the sums paid as additional allowances.

The Secretary of the Interior shall cause the Official Register to be edited, indexed, and published by the chief clerk of the Interior Department on the first day of December following the first day of July above mentioned.

Act of Congress approved March 3, 1893. [27 Stats., 708.]

Hereafter the Official Register of the United States shall contain a statement which will show, by departments or offices, the number of officers and employees in the several Executive Departments, the Department of Labor, the Government Printing Office, and the offices of the government of the District of Columbia, appointed from each State and Territory and the District of Columbia, and the aggregate amount of their salaries or compensation.
