* An additional \$1 per month for each subsequent period of five years.

† The pay of a man who has ever reenlisted under the act of August 4, 1854, and who reenters the service more than three months after discharge, commences with amount stated in this column.

‡ Enlisted men of this corps are entitled to increased pay for length of service, the same as other enlisted men. Hospital stewards rank with ordnance sergeants and are entitled to all the allowances of that grade; acting hospital stewards to be detailed from privates of the hospital corps; privates of the hospital corps are entitled to the allowances of a corporal of the arm of service with which they are on duty.—[Act March 1, 1857; G. O. 29, A. G. O., 1857.]

§ Only one veterinary surgeon, at \$75 per month, allowed each of the cavalry regiments from the First to the Sixth Regiment, inclusive; two, one at \$100 and one at \$75 per month, allowed each of the Seventh, Eighth, Ninth, and Tenth regiments; the senior in date of appointment entitled to the higher grade.—Decision of Adjutant-General of December 5, 1874.

¶ Clothing.—Will be settled six months after the date of enlistment, and thereafter on June 30 and December 31 of each year.—[General Orders, No. 42, Adjutant-General's Office, series of 1894.] Balances found due United States to be charged soldier on muster rolls of those dates. Balances due soldier to be carried forward on company books credited to his current clothing account; any balance remaining due him at discharge to be credited on final statements.—[Section 1302, Revised Statutes.]

For causes of withholding retained pay on discharge of the soldier, see paragraph 10, General Orders, No. 51, series of 1872; No. 95, series of 1882; G. O. 70 and 127, series of 1889; G. O. 55, series of 1891, and paragraph 1309, Army Regulations, 1895.

The enlisted force of the Signal Corps shall hereafter consist of fifty sergeants, of whom ten shall be of the first class, with the pay of hospital steward.—[Act October 1, 1890; G. O. No. 124, series of 1890.] The remaining forty sergeants have the pay of engineer sergeants.—[Act June 20, 1878; G. O. No. 41, series of 1873.]

Enlisted men (retired) are entitled to three-fourths of the monthly pay allowed by law to them in the grade they held when retired, with commutation of clothing and rations.—[Act February 14, 1855; G. O. 55, A. G. O., 1855.] Not entitled to traveling allowances on retirement, but to transportation in kind by the Quartermaster's Department.

A certificate of merit entitles a soldier to \$2 per month additional pay, commencing on the date of rendering "distinguished service" and continuing as retired pay, in an enlisted man.—[Sections 1216 and 1285, Revised Statutes, and act of February 9, 1891.] The Court of Claims decided May 29, 1888, that the act of February 9, 1891, is retroactive and entitles to pay from date of the service, not merely from the date of the act.

The period within which soldiers may reenlist with the benefits conferred by sections 1282 and 1284, Revised Statutes, is extended to three months.—[Act August 1, 1894.]

Hereafter every enlisted man in the Army shall be entitled to all the benefits conferred by sections 1281 and 1282, Revised Statutes.—[Act August 1, 1894.]

Hereafter all enlistments in the Army shall be for the term of three years.—[Act August 1, 1894.]

Traveling allowances are forfeited when soldier is discharged, by order of the Secretary of War, for disability caused by his own misconduct.—[Act March 16, 1896.]

The veterinary sergeants and farriers of field artillery, artificers of field artillery, and corporals and privates of the Signal Corps, and quartermaster-sergeants of cavalry, infantry, and field artillery, are authorized only in time of war.—[Act April 20, 1896.]

Twenty per cent increase on pay proper of all enlisted men is allowed in time of war.—[Act April 22, 1896.]
