Lloyd's Register of Shipping

Part Halifax, Nova Scotia,

30th June, 1947.

This is to Certify that I have

Part

Surveyed the ~~Boiler~~ and Machinery of the steel single screw

Steamer "EMPIRE SUCCESS", of London, 6000 tons gross, while
afloat at Halifax, N. S. on the 20th June, 1947, and subse-
quent dates, on account of Machinery Repairs,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I have

Recommended that the record of L.M.C. (M.S.) with date as

previously recommended, from which

be made in the Register Book in the case of this vessel, when the

survey has been completed, subject to air pump chamber liner
being renewed, and junk ring of L.P. piston examined before
the end of September, 1947, (3 months limit). Also, as pre-
viously, auxiliary steam pipes to be tested, and L.P. turbine
not to be used until repaired.

Geo. Peattie
Engineer Surveyor in Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:
The Committees of the Society use their best endeavours to ensure that the functions of the Society are
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any
liability whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its
Members, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default
or omission of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
