- § 4. BOARD SHALL ESTABLISH GRASS TRIAL STATION AT DICKIN-SON.] It shall be the further duty of the said board of trustees to establish a grass trial station at or near Dickinson, Stark county, for

VETOED ITEMS.

This Senate Bill No. 103 is approved this 21st day of March, 1903, except as to the part or parts appropriating money for the purchase of pure bred stock for breeding purposes for the experiment station at Fargo, for the salary of the state veterinarian, for enlarging the scope of investigation by the station staff of the experiment station at Fargo, for locating and maintaining and erecting suitable buildings on a sub-experiment station at or near Minot, in Ward county, and locating and operating a sub-station at or near Dickinson, in Stark county, and to the excepted parts my approval is withheld by reason of the following objections:

First. The total appropriations made by the Eighth legislative assembly, together with the annual and fixed appropriations, as closely as I am able to estimate, will amount for the biennial period ending January 1, 1905, to \$1,250,000 to be paid out of the general fund. The total receipts of the fund for the biennial period ending July 1, 1902, as shown by the auditor's report, omitting the amounts borrowed on funding warrants and the receipts for the benefit of institutions and which by law are credited to the appropriation of such institution, amount to \$1,054,948.31. The receipts for the present biennial period will exceed this amount quite materially, and in estimating the probable revenue I have considered the annual increase in valuation equal to the average annual increase for the past three years, the levy the highest permitted by the constitution and the per cent. of collections equal to the average per cent. collected for the past twelve years. I have also taken into consideration the probable increase in the amount of fees that will come in from the various departments; the sum total, however, does not equal in amount the sum total of the appropriations.

Second. The income from present laws available for the payment of the expenses of the agricultural college and the experiment station attached thereto seem to me to be inadequate to meet all necessary expenses. The federal appropriation for the agricultural college is \$25,000 annually, to the experiment station \$15,000 annually; the income from the land grant of 130,000 acres to the agricultural college over and above the reservations for interest and sinking fund to care for bonds issued and authorized to be issued, will amount this year to over \$9,000, and will rapidly increase each year as the lands are sold; the special 2-10 of a mill tax, available for the expenses of the Agricultural college or any department connected therewith as the board of trustees may direct, will this year amount to \$26,000 and will increase annually as the valuation of the state increases. The total from all these sources exceeds \$75,000 annually, which amount will increase and keep pace with the increased needs of this institution. There are besides this, special appropriations to pay for the analysis of foods, for the salaries and expenses of holding farmers' institutes, for the salary and expenses of the assistant dairy commissioner, for the expenses of the state veterinarian, for the expenses of the geological survey, and for the analysis of fertilizers.

Third. The sub-station at Edgeley was established in 1893. The people of that community deeded to the state free of cost 160 acres of land as required under the terms of the act establishing the station. Since that time comparatively nothing has been done to carry out the provisions of that act. Until the sub-station established ten years ago be made a success it would not be good policy to establish others.

[Signed] Frank White,

FRANK WHITE, Governor.

DRAINAGE.

CHAPTER 80. [S. B. No. 88—Cashel.]

ESTABLISHMENT AND MAINTENANCE OF DRAINS.

AN ACT to Amend Section 1447 of the Revised Codes as Amended by Section 1, Chapter 79, of the Laws of 1899, Relating to the Establishment, Construction and Maintenance of Drains.

Be it Enacted by the Legislative Assembly of the State of North Dakota:

- § I. AMENDMENT.] That section 1447 of the revised codes of 1899, as amended by section 1, chapter 79, of the laws of 1899, be amended so as to read as follows:
- § 1447. How established.] A petition for the construction of a drain may be made in writing to the board of drain commissioners. If among the leading purposes of the proposed drain are benefits to the health, convenience or welfare of the people of any city or other municipality, the petition shall be signed by a sufficient number of the citizens of such municipality or municipalities, to satisfy the board of drain commissioners that there is a public demand for such drain. If the chief purpose of such drain is the drainage of agricultural, meadow, grazing or other lands, the petition shall be signed by at least six or more freeholders whose property shall be affected by the proposed drain. Upon the presentation of a petition as hereinbefore provided, and filing of the same, the board of drain commissioners shall, personally, as soon as practicable, proceed to examine the line of the proposed drain, and if in its opinion it is necessary and for the public good, it shall cause a survey of the line thereof to be made by a competent surveyor, who shall establish the commencement and terminus and determine the route, width, length and depth thereof. For the purpose of making examinations or surveys, the board of

drain commissioners, súrveyors and their employes may enter upon land traversed by any such proposed drain, or upon other lands when necessary. Such surveyor shall prepare profiles, plans and specifications of the proposed drain, an estimate of the cost thereof and a map or plat of the lands to be drained, showing the regular subdivisions thereof, all of which shall be filed in the office of the county auditor of the county in which the drain is proposed to be constructed, subject to inspection. In locating a drain the board of drain commissioners may, under the advice of the surveyor, vary from the line described in the petition as it seems best. When the line proposed is along highways already established, the drain shall be located at a sufficient distance from the center of such highway to permit a good road along the central line thereof; when the length of the line described in the petition does not give sufficient fall to drain the lands sought to be drained, the board of drain commissioners may extend the drain below the outlet named in the petition far enough to obtain a sufficient fall and outlet. Drains shall, as far as practicable, be located on dividing lines between sections or regular subdivisions thereof, but the general utility of the drain must not be sacrificed to avoid crossing any tract of land in such direction as the board of drain commissioners find advisable. All persons whose land may be affected by any such drain may appear before the board of drain commissioners and fully express their opinion upon the matters pertaining thereto.

§ 2. EMERGENCY.] Whereas, an emergency exists in that there are no adequate provisions of law relating to or governing the matters enumerated in the foregoing amendments, and, whereas, it is desirable that such amendments shall take effect at once for the purpose of expediting the work of constructing drains during the spring months, therefore, this act shall take effect and be in force from and after its passage and approval.

If the decedent leaves no surviving husband or wife; but leaves issue, the whole estate goes to such issue, and if such issue consists of more than one child living, or one child living and the lawful issue of one or more deceased children, then the estate goes in equal shares to the children living, or to the children living and the issue of the deceased child or children by right of representation.

2. If the decedent leaves no issue and the estate does not exceed in value the sum of five thousand dollars, all the estate goes to the surviving husband or wife, and all property in excess of five thousand dollars in value, one-half thereof goes to the surviving husband or wife and the other half goes to the decedent's father, and if he is dead, to the decedent's mother, and if both father and mother are dead and the decedent leaves brothers or sisters or children of a deceased brother or sister, then in equal shares to the brothers and sisters of decedent and to the children of any deceased brother or sister by right of representation. If the decedent leaves no issue, nor husband, nor wife, the estate must go to the father, and if he is dead, to the mother. If the decedent leaves a surviving husband or wife and no issue and no father nor mother, nor brother, nor sister, nor children of a deceased brother or sister, then the whole estate goes

to the surviving husband or wife.

3. If there is no issue, nor husband, nor wife, nor father, nor mother, then in equal shares to the brothers and sisters of the decedent and to the children of any deceased brother or sister by right of

representation.

4. If the decedent leaves no issue, nor husband, nor wife, nor father and no brother or sister is living at the time of his death, the estate goes to his mother to the exclusion of the issue, if any, of deceased brothers or sisters.

5. If the decedent leaves no issue, nor husband, nor wife and no father, nor mother, nor brother, nor sister, the estate must go to the next of kin in equal degree, excepting that when there are two or more collateral kindred in equal degree, but claiming through different ancestors, those who claim through the nearest ancestors must be preferred to those claiming through an ancestor more remote. However, if the decedent leaves several children, or one child and the issue of one or more children, and any such surviving child dies under age and not having married, all the estate that came to the de-

ESTATES.

ceased child by inheritance from such decedent descends in equal shares to the other children of the same parent, and to the issue of any such children of the same parent and to the issue of any such

other children who are dead, by right of representation.

6. If at the death of such child, who dies under age, not having been married, all the other children of the parents are also dead and any of them have left issue, the estate that came to such child by inheritance from his parents descends to the issue of all other children of the same parent; and if all issue are in the same degree of kindred to the child, they share the estate equally, otherwise they take according to the right of representation.

7: If the decedent leaves no husband, wife or kindred, the estate

escheats to the state for the support of the common schools.

CHAPTER 100. [H. B. 118—Richmond.]

LEGAL FENCES.

AN ACT Defining Legal Fences, Providing for the Construction and Maintenance of Partition Fences, How Controversies Over Construction of Legal Fences May be Settled and Providing Penalties for Violating the Provisions of this Act.

Be it Enacted by the Legislative Assembly of the State of North Dakota:

- § I. Legal fences defined.] All fences four and a half feet high and in good repair, consisting of rails, timber, boards or stone walls, or any combination thereof, and all brooks, rivers, ponds, creeks ditches and hedges, or other things which shall be equivalent thereto, in the judgment of the fence viewers within whose jurisdiction the same may be, or any such fences as the parties interested may agree upon, shall be deemed legal and sufficient fences.

- § 3. OCCUPANTS TO MAINTAIN PARTITION FENCES.] The respective occupants of land enclosed with fences shall keep up and maintain partition fences between their own and the next adjoining inclosures, in equal shares, so long as both parties continue to improve the same.
- § 4. Penalty for neglect.] In case any party neglects to repair or rebuild any partition fence which of right he ought to maintain, the aggrieved party may complain to the civil township supervisors or a majority of them, who, after due notice to each party, shall proceed to examine the same and if they determine that the fence is insufficient, they shall signify the same in writing to the delinquent occupant of the land, and direct him to repair or rebuild the same within such time as they deem reasonable; and if such fence is not repaired or rebuilt accordingly, it shall be lawful for the complainant to repair or rebuild the same.
- § 5. Same. Value of Repairs, etc., recoverable.] When any deficient fence, built or repaired by any complainant as provided in the preceding section, is adjudged sufficient by two or more of said supervisors, and the value of such repairing or building up, together with their fees, is ascertained by a certificate under their hands, the complainant shall have a right to demand, either of the owner or occupant of the land where the fence was deficient, the sum so ascertained; and in case of neglect or refusal to pay the sum so due for one month after demand thereof is made, the complainant may recover the same, with interest at one per cent a month, in civil action.
- § 6. Controversy. How settled.] When any controversy arises about the rights of respective occupants in partition fences, or their obligation to maintain same, either party may apply to a majority of the supervisors of the civil township where the lands lie, who, after due notice to each party, may, in writing, assign to each his share thereof and direct the time within which each party shall erect or repair his share of the fence, in the manner before provided; which assignment, being recorded in the registry of deeds, shall be binding upon the parties, and upon all the succeeding occupants of the lands; and they shall be obliged always thereafter to maintain their respective portions of said fence.
- § 7. Party neglecting to maintain fence. How liable.] In case any party refuses or neglects to erect or maintain the part of any fence assigned to him as aforesaid, the same may be erected and main-

§ 8. DIVISION OF FENCES VALID.] All divisions of fences made by supervisors according to the provisions of this chapter, or which shall be made by the owners of adjoining lands, in writing, witnessed by two witnesses, signed, sealed and acknowledged by the parties making the same, being recorded in the registry of deeds, shall be good and valid against the parties thereto, and their heirs and assigns.

§ 9. Party voluntarily erecting whole fence May recover. When.] When any controversy that may arise between the occupants of adjoining lands, as to their respective rights in any partition fence, it shall appear to the supervisors that either of the occupants had, before any complaint made to them, voluntarily erected the whole fence, or more than his just share of the same, or otherwise become proprietor thereof, the other occupant shall pay for as much as shall be assigned to him to repair and maintain, the value of which shall be ascertained and recorded in the manner provided in this chapter.

§ 10. Fences to be kept in repair throughout the year.] All partition fences shall be kept in good repair throughout the year, unless the occupants of the lands on both sides otherwise mutually agree.

§ 11. Proceedings when land is bounded by rivers.] When lands of different persons which are required to be fenced are bounded upon or divided by any river, brook, pond or creek, which of itself, in the judgment of the supervisors, is not a sufficient fence, and it is in their opinion impracticable, without unreasonable expense, for the partition fence to be made in such waters, in the place where the true boundary line is; if in such case the occupant of the land on one side refuses or neglects to join with the occupant of the land on the other side, in making a partition fence on the one side or the other, or if such person disagrees respecting the same, then two or more supervisors of the civil township in which such lands lie, on application to them made, shall forthwith proceed to view such river, brook, pond or creek.

§ 12. Supervisors to give notice and render decision.] If such supervisors determine that such river, brook, pond or creek will not answer the purpose of a sufficient fence, and that it is impracticable, without unreasonable expense, to build a fence on the true boundary line they shall, after giving notice to the parties, determine how, or on which side thereof, the fence shall be set up and maintained, or whether partly on one side and partly on the other side, and shall reduce such determination to writing and sign the same; and if either party refuses or neglects to make or maintain his part of the fence, according to the determination of said supervisors, the same may be made and maintained by the other party as before provided in this chapter, and the delinquent party shall be subject to the same charges and costs, to be recovered in like manner.

§ 13. Lands occupied in common. How fenced.] When any lands belonging to different persons in severalty have been occupied in common without a partition fence between them, and one of the occupants is desirous to occupy his part in severalty, and the occupant refuses or neglects, on demand, to divide with him the line where the fence ought to be built, or to build a sufficient fence on his part of the lines when divided, the party desiring it may have the same divided and assigned by a majority of the supervisors of the same civil township, in the manner provided in this chapter.

§ 14. Supervisors to assign time for making fence.] Upon the division and assignment as provided in the preceding section, the supervisors may, in writing under their hands, assign a reasonable time for making the fence, having regard to the season of the year; and, if either party shall not make his part of the fence within the time assigned, the other party may, after having completed his part of the fence, make the part of the other, and recover therefor the ascertained expense thereof, together with the fees of the supervisors, in

the manner provided in this chapter.

§ 15. Partition fence. When removable.] When one party ceases to improve his land, or opens his enclosure, he shall not take away any part of the partition fence belonging to him, and adjoining the next enclosure, if the owner or occupant of such adjoining enclosure will, within two months after the same is ascertained, pay therefor such sum as a majority of the supervisors shall, in writing under their hands, determine to be the value of such partition fence

belonging to such parties.

§ 16. Rule in case of uninclosed lands afterwards fenced.] When any uninclosed grounds are afterwards inclosed, the owner or occupant thereof shall pay one-half of each partition fence, standing upon the line between his land and the inclosure of any other owner or occupant, and the value thereof shall be ascertained by a majority of the supervisors of the civil township, in writing under their hands, in case the parties do not agree; and if such owner or occupant neglects or refuses for sixty days after the value has been ascertained and demand made to pay for one-half of such partition fence, the proprietor of each fence may maintain a civil action for such value and the cost of ascertaining the same.

§ 17. Supervisors. How selected in certain cases.] In all cases where the line upon which the partition fence is to be made, or to be divided is the boundary line between civil townships, or partly in one civil township and partly in another, a supervisor shall be taken

from each civil township.

§ 18. RULE WHEN PARTITION FENCE RUNS INTO WATER.] When a partition fence running into the water is necessary to be made, the same shall be done in equal shares, unless otherwise agreed by the parties; and in case either party refuses or neglects to make or maintain the share belonging to him, similar proceedings shall be had as in case of the other fences, and with like effect.

§ 19. EFFECT OF RECORD OF DIVISION.] In all cases where the line upon which a partition fence, to be built between unimproved lands, has been divided by the supervisors, or by agreement in writing between the owners of such lands, recorded in the office of the register of deeds of the county where such lands lie, the several owners thereof, and their heirs and assigns forever, shall erect and support said fence agreeably to such divisions.

§ 20. Notice of determination not to improve Lands.] If any person determines not to improve any of his lands adjoining any partition fence that may have been divided according to the provisions of this chapter, and gives six months' notice of such determination to all the adjoining occupants of the lands, he shall not be required to keep up or support any part of such fence during the time his lands are open and unimproved, and he may thereafter remove his portion thereof, if the owner or occupant of the adjoining inclosure will not pay therefor, as provided in the fourteenth section of this chapter.

§ 21. Supervisor neglecting to perform duty. Penalty.] Any supervisor who shall, when requested, unreasonably neglect to view any fence, or to perform any other duty required of him in this chapter, shall forfeit the sum of five dollars, and shall be liable to the party injured for all damages consequent upon such neglect.

§ 22. FEES OF SUPERVISORS] Each supervisor shall be paid by the person employing him, at the rate of one dollar per day for the time he is so employed; and if such person neglects to pay the same within thirty days after the service is performed, each supervisor having performed any such service may recover in civil action the amount of

§ 23. Fence viewers.] In all counties not divided into civil townships, the county commissioners shall act as fence viewers, and be governed by the provisions of this chapter; provided, the provisions of this act shall apply to the respective occupants of the land enclosed with fences for the purpose of pasturage or grazing.

§ 24. CIVIL ACTION FOR FAILURE TO BUILD. RECOVERY.] In case any person neglects or refuses to erect or maintain the part of any such fence assigned to him to erect or maintain, the same may be erected and maintained by the party aggrieved thereby in a good and substantial manner, and he may recover of the party so neglecting or refusing, in a civil action in any court having jurisdiction of the amount involved, the value of that part of said fence so erected or maintained which was assigned to the party so neglecting or refusing, together with all the costs and expenses of such action, and all the costs and expenses of the assignment in the first section of this act provided for.

§ I. Assessments valid. When.] Every assessment of real or personal property for the purposes of taxation, and every assessment roll, hereafter made by any officer authorized by law to assess the property described in such assessment roll for the purpose of taxation, and returned to the county auditor of any county in this state, and acted upon and adopted by the board of equalization of such county as an assessment, or assessment roll, shall be held valid; provided, such assessment or assessment roll, if it purport to be an assessment of real property, contains sufficient data from which can be definitely ascertained the description of the property intended to be assessed, and the valuation fixed thereon by the assessor; and if it is an assessment of personal property, contains the name of the owner of the property assessed, and the valuation of such property.

of the property assessed, and the valuation of such property.
§ 2. Taxes valid. When.] All taxes, levied for any purpose, hereafter made in this state, by any board or officer authorized by law to make the same, shall be held valid, provided it can be definitely ascertained from the official records of the proceedings of such officer

or board, what amount of taxes, or what rate per cent of taxation was intended to be levied; and provided, further, that this act shall not be construed to validate any tax levy made for any purpose unauthorized by law or which is in excess of the amount allowed by law to be levied.

where such bank or banking association is located, and not elsewhere, whether such stockholders reside in such places or not; such shares shall be listed and assessed annually, with regard to the ownership and value thereof on the first day of April of each year. To aid the assessor in determining the value of such shares of stock, the accounting officer of every bank shall furnish a statement to the assessor, verified by oath, showing the amount and number of such shares of capital stock of such bank, the amount of its surplus or reserve fund and undivided profits in excess of an amount equal to five per cent of the loans and discounts of such bank; the amount of its net investments in real estate, which real estate shall be returned in the name of the bank and shall be assessed and taxed as other real estate is under this article. And it is adjudged that unless the amount to which each of such pieces or parcels is liable, be paid, each of such piece or parcel be sold as provided by law, to satisfy such amount to which it is liable.

At the term at which such proceedings come on for trial, they shall take precedence of all other business before the court. The court shall proceed without delay, without a jury, and summarily hear and determine the objections or defenses made by the several answers, and shall dispose of all of said answers, and direct judgment accordingly at said term, and in the trial thereof shall disregard all technicalities and matters of form not affecting the substantial merits, and any person making answer as herein provided shall be entitled to a separate trial upon the

If the court sustains the defense or objection to the taxes and penalties as to any piece or parcel of land, the judgment shall after the statement of the lands against which judgment is given, state that all other pieces or parcels not embraced in that or the prior judgments of the court, and which are described in the list as published, are discharged from the taxes in said list set down against such other pieces or parcels, and from all penalties, and the court may in its discretion award disbursements against the county laying such taxes, and in favor of the party answering as to the pieces or parcels so discharged.

§ 9. LIST FILED WITH CLERK OF COURT PRIMA FACIE EVIDENCE OF VALIDITY. TAX HELD INVALID. WHEN.] In all proceedings under this act the list filed with the clerk of the district court shall be prima tacie evidence of the validity of all taxes charged therein. No tax involved in proceedings under this act shall be held invalid unless it be made to appear by the party objecting thereto that one or more of the following defects exist, to-

That the valuation of the property for taxation was unfair or unequal; provided, however, that no claim of any unfairness or inequality of any valuation of property shall be heard unless it appears either, that there was no meeting of the board of equalization authorized by law, to hear and determine such complaint, or if there was such meeting of such board, that it acted in excess of its powers in relation to the valuation objected to; or, that the valuation fixed by the proper board has been unlawfully increased; but in all such cases the court shall hear the evidence and determine therefrom the amount that is justly due for such taxes.

6. That the tax or some part thereof is in excess of the amount

6. That the tax or some part thereof is in excess of the amount limited by law, or for a purpose unauthorized by law; but in such cases the court shall not cancel the taxes except as to such excess or

as to such unlawful purpose.

§ 10. JUDGMENT MAY BE FINAL, EXCEPT MAY BE SUBMITTED TO SUPREME COURT. WHEN.] The judgment which the court shall render shall be final, except that upon application of the county, or other party against whom the court shall have decided the point raised by any defense or objection, the court may, if in its its opinion the point is of great public importance, or likely to arise frequently, make a brief statement of the facts established, bearing on the point and of its decision, and forthwith transmit the same to the clerk of the supreme court, who shall enter the same as a cause pending in such court, and place the same on the term calendar of such court for the term then in session, or for the first term thereafter. And the same shall be entitled to preference over any other business before such court, and shall be decided by such court at the term for which it shall be entered on the calendar. As soon as it shall be decided, the clerk of the supreme court shall enter the proper order and forthwith transmit a certified copy of such order to the clerk of the proper district court; provided, that such proceedings if applied for by a party objecting to the taxes shall not stay the entry of judgment nor stay the sale thereunder unless the party applying therefor shall execute and file with the clerk of the district court an undertaking with at least two sufficient sureties to be approved by the judge of the district court, conditioned, that such party will pay all taxes, penalties, interest and costs awarded against him in such proceedings if the decision of the district court is affirmed in whole or in part. DUTY OF CLERK OF COURT.] When the tax judgment pursuant to this act shall be entered against those tracts as to which no answer has been filed, the clerk of the district court shall forthwith deliver to the sheriff of the county a certified transcript of such judgment, written on the left hand pages of a book to be provided by the county, and the sheriff upon receipt of such

tarnscript shall proceed as hereinafter provided.

Sheriff of County.

At the time and place appointed in such notice, the sheriff shall commence the sale of such land, and proceed to the sale thereof from day to day (Sundays and legal holidays excepted,) until the whole shall be sold.

§ 14. Sheriff shall sell at Public vendue. How.] The sheriff shall sell by public vendue each piece or parcel of land separately in the order in which they are described in the judgment and by the description therein, but if the sum bid for any piece or parcel shall not be paid before the sale closes, he shall again offer such piece or parcel for sale. In offering the lands for sale, he shall state the amount for which each piece or parcel is to be sold; he shall then offer the same in fee to the highest bidder, who shall bid not less than the amount for which the same is to be sold. If no bidder shall bid an amount equal to that for which the piece or parcel is to be sold, then the county treasurer shall bid in the same for the county at such an amount. The treasurer shall attend at the sale and receive all money paid thereon.

§ 15. SHERIFF SHALL EXECUTE CERTIFICATE TO PURCHASER. FORM OF.] The sheriff shall execute to the purchaser of any piece or parcel a certificate, which may be substantially in the following form: I, sheriff of the county of North Dakota, do hereby certify that at a sale of lands pursuant to the real estate tax judgment entered in the district court in the county of North Dakota, on the day of 19...., in proceedings to enforce payment of taxes on lands forfeited to the state or county for taxes, which sale was held at in said county of, North Dakota, the following described piece or parcel of land in said county, to-wit: (Insert description) was struck off and sold to, for the sum ofdollars; and in consideration thereof, and pursuant to the statute in such case made and provided, I do hereby convey the above described piece or parcel of land to said his heirs and assigns, to have and to hold the same unto the said his heirs and assigns forever, subject, however, to redemption as provided by law.

Witness my hand this day of 19....

Sheriff ofCounty, North Dakota.

Such certificate in case the land shall not be redeemed, shall pass to the purchaser or county the absolute title to the land therein described without any other act or deed whatever, subject, however, to any taxes levied thereon for the year in which the list is filed and subsequent years. Such certificate shall be acknowledged and may be recorded as other deeds of real estate. If any purchaser shall at such sale purchase more than one piece or parcel, or if more than one shall be bid in for the county, all of the pieces or parcels so purchased or bid in for the county may be included in the same certificate; but in all cases the certificate must state the amount at which each piece or parcel was sold or was bid in for the county.

§ 16. OWNER OF CERTIFICATE TO GIVE NOTICE OF TIME OF RE-DEMPTION.] Not more than ninety days preceding the expiration of one year from the day of sale, the owner of such certificate of sale, except the county, shall give notice of the expiration of the time for redemption as follows: He shall deliver to the sheriff of the county for service a notice in writing containing a description of the land sold, the date of sale, the amount sold for, the amount of any subsequent taxes paid by the purchaser or assigns, with date of payment, and further stating that the time for redemption will expire one year from the date of sale; or if the notice is served less than sixty days before the expiration of the year, then sixty days after the service of said notice; said notice to be signed by the holder of the certificate or his agent or attorney. The said notice shall be served by the sheriff on the occupant of the land therein described in the same manner as a summons in a civil action is served; but if the land is unoccupied the sheriff shall post a copy of the notice in a conspicuous place on the

premises. Immediately after completing service of the notice the sheriff shall return the notice to and file the same with the county auditor, together with his return of service thereon, which return shall show when and how the notice was served, and shall be prima facie evidence of the facts therein recited. The time for redemption from any such sale shall not expire until the expiration of sixty days from the date of the service of such notice. After the period of redemption shall have expired, and no redemption made, the county auditor shall issue to the holder of the certificate of sale a certificate to the effect that the right to redeem has expired, which auditor's certificate of no redemption may be recorded in the office of the register of deeds as an instrument affecting real property. Such certificate or the record thereof shall be prima facie evidence that the right to redeem has expired, and after the expiration of two years from its date shall be conclusive evidence of the service of the notice and failure to redeem.

§ 17. Certificate evidence of compliance.] The certificate of sale shall in all cases be prima facie evidence that all the requirements of law with respect to the sale have been duly complied with. And no sale shall be set aside or held invalid unless the party objecting to the same shall prove, either that the court rendering the judgment pursuant to which the sale was made had no jurisdiction to render the judgment, or that after the judgment, and before the sale such judgment had been satisfied; and such certificate shall be conclusive evidence that due notice of sale, as required by this act, was given and that the piece or parcel of land was duly offered for sale and sold, and the validity of any sale shall not be called in question unless the action in which the validity of the sale shall be called in question shall be brought, or the defense alleging its invalidity be interposed within three years from the date of sale.

§ 18. Duty of sheriff.] The sheriff shall immediately after such sale set out in his transcript of judgment book opposite the description of each piece or parcel of land, to whom and for what amount the same was sold, and shall deliver the book to the county auditor, who shall keep the same as one of the records of his office; and the sheriff shall also, as soon as possible after the sale, file with the clerk of the district court a report of his proceedings on such sale showing the completion of the same and accompanied by a copy of the notice of sale as published, and an affidavit of the owner, publisher, manager or foreman in the printing office of the newspaper in which such notice was published, showing the date on which the same was published; the clerk shall then mark said judgment satisfied on his records.

§ 19. LANDS BOUGHT BY COUNTY CANNOT AGAIN BE SOLD FOR SUBSEQUENT TAXES. EXCEPTION.] Taxes for subsequent years shall be levied on lands bid in for the county the same as on other lands subject to taxation, but such lands shall not again be sold for subsequent taxes unless the lands are redeemed or the right of the county

as a purchaser assigned. After the expiration of the time for redemption all lands bid in for the county remaining unredeemed or unassigned after sale shall cease to be taxed, unless the board of county commissioners otherwise direct.

§ 20. County auditor shall assign right of county to unredeemed land. To whom. Form of assignment.] After any piece or parcel of land shall have been bid in for the county, at any time before the time to redeem expires, and while the same shall remain unredeemed, the county auditor shall assign the right of the county in such piece or parcel of land to any person who shall at any time before the time for redemption expires pay the amount for which the same shall have been bid in, with interest and the amount of any subsequent taxes, penalties and interest upon the same, and shall execute to such person an assignment which may be subtantially in the following form:

§ 21. Who may redeem. How.] Any person having any estate or interest in the property wishing to redeem from such sale, may make such redemption at any time within one year by paying into the treasury of the county, to the use of the person entitled thereto:

Second. If the right of the county shall have been assigned, the amount paid by the assignee with interest from the day when so paid, and, if he shall have paid any taxes, penalties or interest, accruing subsequent to the assignment, the amount so paid by him, with interest from the day of such payment, and all unpaid taxes, interest and penalty that may have accrued on such piece or parcel after such assignment, including the fees, if any, for serving notice of expiration of redemption.

Third. or parcel of land sold or an estate or interest in any part thereof, may redeem such part of the undivided estate by paying into the treasury a proportionate part of the amount required to redeem the whole estate, and in such case the certificate shall express the estate, portion of, or interest redeemed.

§ 24. PROCEDURE IN CASE OF REDEMPTION.] Upon application of the party entitled thereto, the treasurer upon the order of the auditor shall pay to such applicant any money paid into the treasury on the sale of any piece or parcel of land in excess of the amount due thereon. The procedure upon redemption except as herein otherwise provided shall be the same as that prescribed by law in respect to sales for delinquent taxes.

When.] Any person in possession under a lease of any piece or parcel of land, or any part thereof, against which a judgment pursuant to this act shall have been rendered, may before the time to redeem shall expire, redeem the same. § 12. LEGACIES CHARGED UPON LAND.] Whenever any legacies subject to said tax are charged upon or payable out of any real estate, the heir or devisee, before paying the same, shall deduct said tax therefrom and pay it to the executor, administrator, trustee or treasurer of state, and the same shall remain a charge and be a lien upon said real estate until it is paid; and payment thereof shall be enforced by the executor, administrator, trustee or treasurer of state in his name of office, in the same manner as the payment of the legacy itself could be enforced.

§ 13. PAYMENT BY EXECUTOR OR TRUSTEE. § 14. PAYMENT TO STATE.] All taxes imposed by the provisions of this act shall be payable to the treasurer of state, and those which are made payable by executors, administrators or trustees shall be paid within fifteen months from the death of the testator or intestate, or within fifteen months from assuming of the trust by such trustee, unless a longer period is fixed by the court. COLLECTLONS.] It is hereby made the duty of all executors, administrators or trustees charged with the management or settlement of any estate subject to the tax provided for in this act, to collect and pay to the treasurer of state the amount of the tax due from any devisee, grantee or donee of the decedent, except in cases falling under the provisions of sections 10 and 11 hereof, in which cases the treasurer of state shall collect the same. Applications may be made to the district court by such executor, administrator, trustee or state treasurer to sell the real estate subject to said tax in an equitable action, or, if made to the court having charge of the set-

§ 18. Copy of appraisement.] As soon as any such real estate is appraised, it shall be the duty of the executor, administrator or trustee, if he has not been discharged, and if he has finally been discharged, then it shall be the duty of the clerk, to file with the treasurer of state a copy of such appraisement, stating also the amount of tax to be paid and within what time ordered to be paid.

§ 19. SETTLEMENTS WITH EXECUTORS OR TRUSTEES.] No final settlement of the account of any executor, administrator or trustee shall be accepted or allowed unless it shall show, and the court shall find, that taxes imposed by the provisions of this act upon any property or interest therein belonging to the estate to be paid by such executors, administrators or trustees, and to be settled by said account, shall have been paid, and the receipt of the treasurer of state for such tax shall be the proper voucher for such payment.
