SUBJECT: Reconversion of Fuji Industrial Co., Ltd.,
Yokkaichi Factory.

TO: Commanding Officer, 94th Military Government Group, APO 660,
(Osaka, Honshu).

1. Reference is made to:

a. Letter, 83rd Military Government Company, subject: "Application for Reconversion", dated 18 Feb 46, and information attached thereto.

b. Letter, this headquarters, subject: "Fuji Industrial Co., Ltd., Yokkaichi Factory", dated 7 March 1946.

c. 1st indorsement to above reference, 83rd Military Government Company, dated 15 March 1946.

2. It is the decision of this headquarters that the application of subject plant be denied for the following reasons:

a. The subject plant is on the restricted list attached to Operational Directive No. 5. It is the policy of General Headquarters, Supreme Commander for the Allied Powers and Headquarters Eighth Army, that hereafter, no permits for reconversion will be issued to restricted plants which have not substantially completed reconversion prior to this date.

b. It is not absolutely necessary for this particular plant to manufacture the items listed in paragraph 5, a, 3 of application. There are a number of plants previously authorized to produce similar items. Furthermore, except for "Textile Machinery Parts", proposed products are not absolutely and immediately essential to Japanese civilian economy.

3. You are directed to inform the company of this decision, and request their compliance with the requirements of Operational Directive
