1. Based on the provisions of the information service of the KWANTUNG Army, the project of collection of information by the KWANTUNG Army, and the project of topographical data investigations of the KWANTUNG Army, consider especially (i) the capacity for continuation# of war in the Far East by the SOVIET UNION, (ii) the capacity for operations and fighting, and (iii) tactical schemes; and bring about the fulfillment of the following requirements for our war against the SOVIET:
 - A. In pertinent areas
 - i. Collection of data which would facilitate judgment of the fighting power of the SOVIET Army (including reserve armaments).
 - ii. As it is an important and urgent problem for the army to grasp precisely the tempo of the war preparations of the SOVIET Army in order to meet ### changing situations, it is expected that this will be thoroughly done.
 - B. In view of the progress of construction by both sides, the collection for in pertinent areas of data for judging the plans ## operation and of information of the SOVIET UNION should be carried out. This should be done not only for the beginning of the war, but for every stage of it and for every conceivable situation arising from changes in the aspect of the war.
 - C. Carry out investigations of topographical data and
