# CLASS OF 2000

On August 17, 1996, the freshman class of 2000 arrived on campus to blast off into their futures at Meredith. Together with their crew, they moved into their space quarters with all the equipment they felt they would need to survive on this new Planet Meredith. Their student advisers, faculty advisers, and others who had already established their citizenship in this new world were of great assistance to these burgeoning explorers. Many activities were planned to assure the new cadets that Planet Meredith was a planet that they would want to live in, not just visit. Freshmen had to attend orientation sessions on computer usage and the fitness center. They also had to attend the Honor Code Ceremony, at which they pledged allegiance to the rules of their new home. The day before classes began, student groups took turns trying to stake their claims on the classes they wanted. Then the official orientation period was over, and the real adventure of true college life was about to begin. Orientation helped to prepare the class of 2000 for an "out of this world" first year at Meredith.

# OPEN *house*

For the past few years, seeing guys on campus was something of a rarity. However, this year that changed with the changing of open house policies. Beginning this year, males were allowed in Barefoot dorm every Saturday from 1-8 p.m. and allowed in the other dorms every other weekend. This met the approval of many Meredith residents like junior Candace Whitty, who said, "It's really nice to have guys around more often." All in all, the introduction of new open house rules has made Meredith a more equal opportunity campus.

# FRESHMAN frolic

The Freshman Frolic was a new event this year. The class of 2000 had a great time with it and will be the first class to head off this new tradition. The frolic is a chance for the freshmen to get to know one another and have a good time doing it. Some of the events included bed racing, human gift wrapping, egg tossing, and a song contest. The events were a success and seemed to have brought the class much closer.

First Year Experience, headed by Chrissy Bumgardner, started the Freshman Frolic. Their intentions were well worth it.

# FALL FEST

One of the advantages of having a beautiful lake and amphitheater is that it makes the perfect setting for events like Fall Fest.

Held in October, Fall Fest took place on an open house day, so that students could bring their male guests in the dorms before or after Fall Fest.

Fall Fest, which is hosted by MEA, featured a band, refreshments, and activities like the moon walk.

# KEEPER OF DADDY'S HEART

FATHER/DAUGHTER DANCE

He is a terrific date. He brings you flowers and takes you dancing. And the conversation-it is as if you have known him forever. And then you realize you have.

This terrific date is...your dad. Your dad??? Of course, you are a sophomore at the Father/Daughter Dance, in the beautiful Velvet Cloak Inn. It is the night you discover, as the saying goes, that even if you find your Prince Charming, Daddy will always be your King.

# RING DINNER

## CLASS OF 1998

While trying to carry tradition, the Class of '98 instead became the ones to break it!

The familiar decorations were offered... The mood was established very quickly and carried throughout the evening by bursting laughter and sniffles... Guest speakers made sure that the recipients understood the symbolism of their rings... A bond had been established, a seal in their relationship... They had been given their connection to the tradition of Meredith College... It was just on a

different day!

No tradition had really been broken. It was just the opposite. Perhaps it is the "tradition of changing tradition," and the Class of 1998 started it.

India, Great Britain, Morocco, Canada, Belgium, Japan, Haiti, France,, and Brazil were not just geography class pop-quiz answers anymore. These countries were represented everyday on the Meredith College campus by 46 of the college's own students. The Meredith community was especially aware of these international students and their countries during the fourth annual International Week held October 28-31.

On Monday 28, the International Association of Students held a street fair on the first floor of the Park Center. Their bake sale table was full of representative foods. France was represented by croissants, Japan by sushi, Israel by a humus-like dip, and India by murruku (fried noodles).

On Tuesday the association held a faculty and staff luncheon in the Oak Room. International Association

members prepared all of the food for the luncheon. Many faculty and staff were present to indulge in the exotic fare.

Wednesday was the last day of planned activities by the association. A buffet dinner, foreign dancing, and a foreign exhibition

was planned to take place in the Belk Dining Hall. After eating, students were encouraged to visit the exhibition table. International students had filled the table with items representative of their native country. This table held moroccas, Japanese origami, and many other representatives of foreign countries.

All of these activities helped American Meredith students appreciate cultures of international students.

# MEREDITH PERFORMS

## *Drama*

The stage was set as the talented actors and actresses of “Meredith Performs” presented another outstanding season of performances. In September, the children’s play “The Calico Tiger” was performed. In October, Shakespeare’s classic drama “As You Like It” was presented by talented young women of the Meredith community as well as guest performers. The musical “Quilters” was produced in April. The talents of Meredith College shone brightly through yet another successful season.

# CORNHUSKIN'

# 1996

It's  
Cornhuskin'  
time once again!  
Despite the  
rainy, gray  
weather, the  
Meredith Angels  
were still fired  
up for Meredith  
College's  
Cornhuskin '96.

This year's MRA Cornhuskin' co-chairs, Sara Muse and Shannon MacFarlane, worked hard in order to make Cornhuskin' 96 a huge success. The week began with the Big Sis/Lil' Sis bonfire, the perfect time for big sisters to bond and get team work going with their little sis'. Surprise hall raids followed shortly after. This year's sophomore and senior classes woke up groggy-eyed freshmen and juniors the

second morning of Cornhuskin' week.

That didn't get the classes of 98' & 2000 down though; they just got right back at the seniors and sophomores with a late evening black raid, one that had a huge turnout from the freshman class.

# 1996 CORN HUSKIN'

The Queens stuck together when it was time to raid President Weems' house. All-week brought about the scavenger hunt, a chance for the players to develop some teamwork. While the clues each class gave stumped everyone for awhile, the ones of 2000 finally found the sophomore's hidden treasure.

The win got

the  
Clas  
frid up,  
and the  
seniors  
ended up  
coming in second  
place by finding the  
juniors' treasure.

## "UNDER THE HARVEST MOON"

As Friday neared, the Angels' spirit only grew. Can art was a great success; the courtyard was decorated with a maniac, a disco dancing queen, basketballs and pom-poms, and angel wings and airplanes. Teamwork was a must in this competition, faculty got fired up for the biggest night of the week. Skits were awesome even if the Maniacs had no experience...the seniors showed them what four years of practice can do for the angels! The final scores for the whole week were announced and screams of excitement filled the air. For Cornhuskin '96, the seniors flew out with first place, and the juniors proved they were back in the ballgame by falling into second place. Freshmen showed that a little craziness could win them third, and the disco queens danced away with fourth place.

# CORNHUSK'IN

# Electi 9 ns

This past year Meredith was visited by various politicians. This first woman to ever represent the state of Texas, Kay Bailey, spoke. She talked about the numerous obstacles women face in the work place. David Price and Harvey Gantt also visited the Meredith campus to express the need for young people to vote. They shared their ideas with hope of swaying votes. Robin Dole campaigned for her father, Senator Robert Dole. She stressed the importance of voting and family values. Meredith was certainly involved in the elections this year. Students encouraged others to vote and the campus participated in the '96 '96 program. The program was used to register students to vote and encourage students to vote by absentee ballot if needed.

# Lil' friends

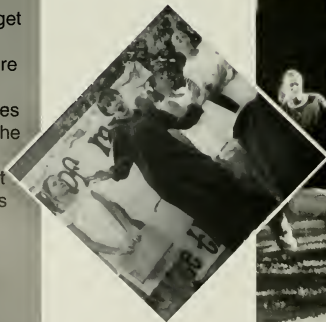

"Lil' Friends" weekend was a blast as always. Bunches of big friends and little friends enjoyed an eventful weekend at Meredith. The Theme for the weekend was "ClowningAround." The theme was carried throughout the day on Saturday with clowns for entertainment and was integrated into the crafts that the children made. All the activities were great from the Aqua Angles performance to the worship service on Sunday morning. It was nice to see young smiling faces on campus, and the endless energy that the children possessed brought a breath of fresh air to the normal routine of life at Meredith.

# OUR MANY COLORED MEREDITH DAYS" STUNT

"Our Many Colored Meredith Days" was the theme for Stunt 1997. Each class had a great time in preparation for Stunt. As always the lip sync was the highlight of Stunt. The freshmen's theme was a halftime show for a basketball game. They were trying to follow the lead of their Big Sis' class "These are a Few of My Favorite Things" was the link that tied the juniors lip sync together. The juniors performed to a medley of songs which were symbolic of their years here at Meredith. The seniors as always brought tears to everyone's eyes. Their medley of songs took us down memory lane and gave as a quick glance into the future. These grand performances did not quite get the job done this year though. The sophomores were on a mission to redeem themselves. The sophomores blew everyone away with "The Shows of Our Lives." The seniors of course won Stunt overall, with the sophomores taking second, the juniors third, and the freshmen last.

*"midnight magic"*  
SPRING FORMAL

An atmosphere of stars and moons set the mood for "Twilight Magic" the 1997 spring formal.

As always the formal was held at the Raleigh Civic Center. The dance chairs, freshmen Gabe Gray and Alison Thomas, sophomores Jennifer Hobbs and Amy Duckwall, and juniors Tammy Boughton and Sheridan Whitty were responsible for the transformation of the ballroom into a magical place for the night. The hit for the night was a balloon drop released at midnight. This topped off the evening and added a little twist to the evening. The night was filled with the excitement of romance and fun as the Angels danced yet another formal night away under the moon. The formal was a great way to bring the school year to an end for everyone.

MOTHER / DAUGHTER TEA

# "IN OUR MOTHER'S IMAGE"

The Mother/Daughter Tea is yet another one of Meredith's favorite traditions. "In our Mother's Image" was the theme for the 1997 Mother/Daughter Tea. The theme fit the mothers and daughters to a "tea". We have their eyes, smiles, walk, and talk; however just like them we are our own person.

The Tea is a time for the sophomore class to invite their mothers and mother figures to come together as one. There was a very special treat this year. The guest speaker was Mrs. Deborah Tippet. Her presence was thoroughly enjoyed. Tippet had come up with six tips in life that could be easily remembered through the popular dance, "The Macarena." The tea was ended with a touching slide show portraying each mother and daughter. It was a very special and memorable time.

A special thanks goes to the co-chairs of the Mother/Daughter Tea, Wendy Holman, Julie Holland, and Megane Clifton.

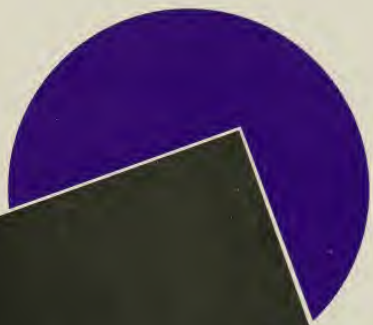

# Leadership and Academic

The Academic Awards Convocation and the Leadership Awards Convocation were days of pride for Meredith students, proud faculty, family and friends. Both events were packed full of the successes of the many outstanding young women that make up the Meredith community. Many awards of recognition and scholarship were presented. Both convocations were very moving as we saw how much the new freshmen as well as the upperclassmen achieved throughout the 1996-97 school year. As always it was hard not to get a little teary as seniors received their awards, but it gave great inspiration and a sense of pride to those of us who are working toward the goal of graduation. Each of us hopes that we will achieve as highly as those recognized at these two events.

# news around the world

President Bill Clinton and Vice President Al Gore maintained a strong and consistent lead in the polls during their campaign for four more years in the White House. The Democratic team campaigned on a “four more years” platform that featured a strong economy and a lower crime rate. During his first term, Clinton formed a very close partnership with Gore, who served as confidant and adviser.

Bob Dole retired after 35 years in Congress to devote himself full time to running for President. At the age of 73, the former senator from Kansas would be the oldest person elected to a first term as Republican and former cabinet member. Dole and Kemp promised to give President Clinton a “run for his money.” They attacked the president’s character and ethics while promoting the Republican 15 percent tax cut.

Shannon Lucid is a new record holder. The 53-year-old astronaut veteran set the woman’s record for consecutive days in orbit—188—beating the Russian cosmonaut Elena Kondakova. She also amassed 223 days in orbit since 1995, making her America’s most experienced astronaut.

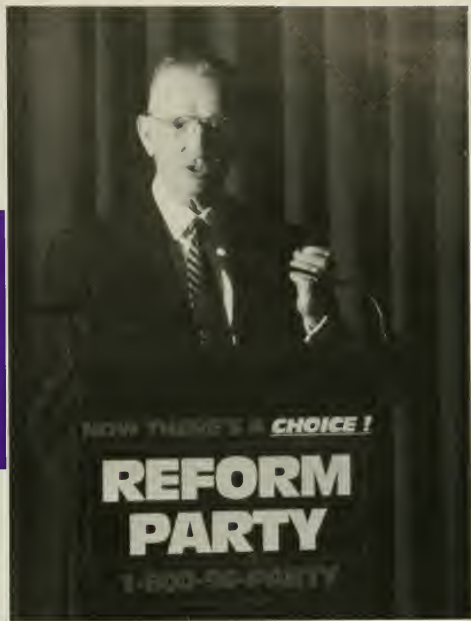

Benjamin Netanyahu, the 47-year-old leader of the Likud political party, was elected prime minister of Israel. He declared that his government would honor the existing agreements on peace and security issues and would continue to negotiate toward a final peace agreement in the Middle East.

For the first time in its history, the House of Representatives voted to reprimand and fine its speaker for bringing discredit on the House. The House Ethics Committee ruled that House Speaker Newt Gingrich was involved in using tax-exempt foundation money for his political ends.

Ross Perot launched a campaign as the 1996 nominee of the Reform Party. The 66-year-old Texas billionaire was a less formidable figure than he was in 1994, but a very vocal candidate nevertheless. Lacing his speeches with inspirational anecdotes from American history and his own life, Perot lambasted budget deficits and big government.

Hong Kong was a British colony on the brink of great change in 1997. Great Britain's lease on Hong Kong was set to expire on July 1, 1997 and the Chinese were poised to reclaim the island. After 100 years of British rule, British administration and jurisdiction over Hong Kong will end and it will become a Special Administrative Region of the People's Republic of China.

# music in the charts

Mariah Carey was only a teenager when a Columbia record executive heard her demo tape and signed her up. Her first album soared to the No. 2 spot and the rest is history. It's been solid gold ever since. When Mariah performs, her voice takes command over the large band and battalion of background singers. Her latest album "Daydream" hit the number 1 position on the charts.

Three years ago Jewel was a fledgling singer-songwriter living on carrots and peanut-butter sandwiches. Now, the 22-year-old performer from Alaska is a smashing success. Her debut album of bitter-sweet folksongs, "Pieces of You", just went platinum. Jewel sings many of the songs on the album in a crystalline voice while playing her acoustic guitar.

Celine Dion had the impossible good fortune of taking two movie songs--"Beauty and the Beast" and "Because You Loved Me" (from *Up Close and Personal*) and took them to the top of the charts. The Canadian performer has a dynamic voice that raises even the most modest material to a level loveliness. Her latest release, "Falling Into You" was a runaway hit.

Three years ago, Dave Matthews--a South African who settled in Virginia as a teenager--put together a quintet that became one of the biggest draws on the concert circuit. The Dave Matthews Band brought funk into the mainstream, as one critic said. And non-traditional instruments, such as the violin and the sax, expanded the band's sound and universal appeal.

George Strait began recording hit songs twenty-five years ago. He's still at it. Every one of his more than 20 albums for MCA Records went at least gold, and his total sales are now at about 30 million albums. His latest hit "Blue Clear Sky" is well on its way to gold sales.

Hyped as the most popular British band since the Beatles, Oasis is a million-selling rock band that is about to begin work on its third album. After abruptly cancelling a U.S. tour, the band denied reports that the group would break up. The group's first two albums have sold 20 million copies.

Alanis Morissette has talent that seems to know no limit. Her debut album "Jagged Little Pill", attracted considerable attention thanks to the hit single "You Oughta Know", a fiery, graphic rant at a former boyfriend. Morissette delivers the deeply personal lyrics with a dramatic voice and dynamic lyrics.

The Fugees hit the charts with their best-selling album "The Score". One critic said "The Fugees sound, style, and spirit, without question, goes a long way to dispel the stereotypical approach to making modern urban melodies."

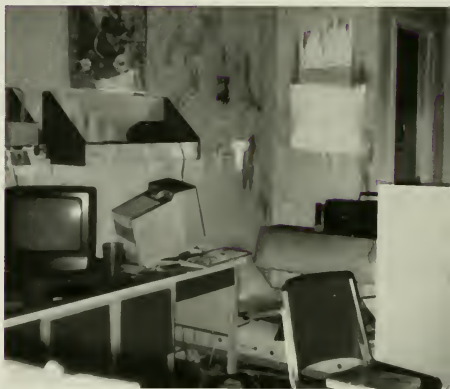

A R&B pop singer named Toni Braxton hit the charts about three years ago and hasn't left. Her latest hit album, "Secrets" blends her rich, smooth voice with a versatility that continues to go with each new hit. "Secrets" has the firepower to carry Toni to the top.

# news around meredith heilman fire

Early in the morning of September 16, 1996, fire struck the Heilman Dorm. The students living in room 201 awoke to find their room on fire, and they quickly left the room and began pounding on the doors of the other residents. Fortunately, no one was injured, however extensive damage was done to the building and the room in which the fire began was completely destroyed. The cause of the fire was determined to be an overloaded electrical socket. Many other Meredith students helped give clothes and other necessities to the girls who lost their possessions. Due to the fire, all resident students had to attend a mandatory two-hour Fire Training session to help prevent any future accidents from occurring.

# hurricane fran

The weekend of September 5-6 has gone down in history as being the most disastrous weekend in the history of the State of North Carolina. Hurricane Fran roared up from the coast and made a direct line through Raleigh. Fran brought winds of up to 150 mph, which was enough to tumble trees, topple power lines, and basically destroy anything that got in its way. The torrential rains drenched the state with upwards of ten inches, the most rain than has ever hit North Carolina in a 48- hour period.

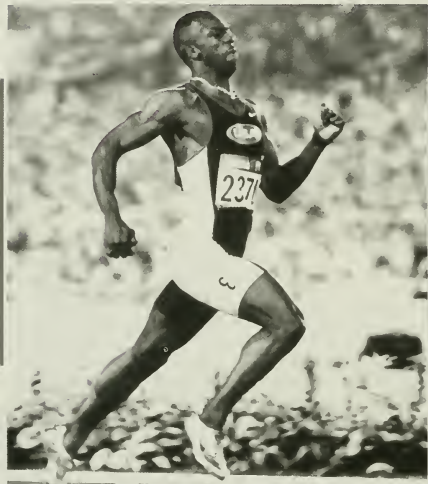

The rough winds and rains in Raleigh caused many old, historic trees that had been standing for hundreds of years to fall. Power was out in parts of the city for over a week, with some people not receiving power for three weeks. Meredith girls found themselves sleeping in the first floor hallways of the dorms the night that Hurricane Fran hit. Meredith was lucky that the damage to the campus was not extremely severe. Several trees were uprooted, however no buildings suffered structural damage. The effects of Fran can still be seen today in many of the hard-hit areas of North Carolina.

## meredith breaks away from baptist convention

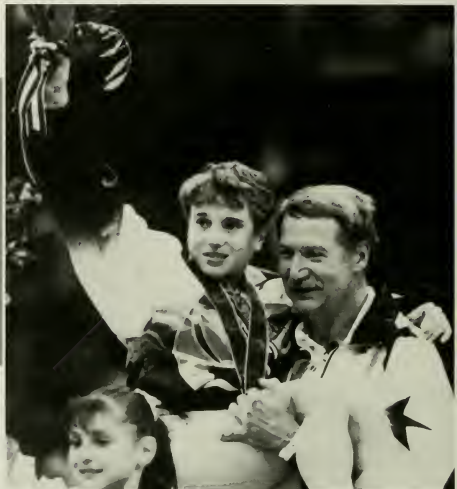

Meredith College defected from the North Carolina Baptist State Convention in March, which came as both a surprise to some students. The Meredith Board of Trustees voted to have no association with the Convention after several years of conservative takeover in the Convention. Many students and alumni seemed pleased with the decision. It meant that Meredith would still be considered a Baptist college, but would not receive any funds from the NCBSC. This caused a \$2000 per year tuition raise, but many other means of financial assistance would still be available.

# 1996 summer olympics & news around the country

Olympic gold medal winner Michael Johnson has what track coaches call speed endurance-- the ability to carry top speed. He proved he has endurance-plus. Johnson won an unprecedented double win in the Summer Olympics in Atlanta. He won the 200 and 400 meter race. He was also the overwhelming favorite in the 200, but a case of food poisoning weakened him and he failed to qualify for the final.

A deadly explosion disrupted the Olympic Games. Just as the games were turning Atlanta into a giddy metropolis overflowing with tourists, a black-powered pipe bomb packed with nails exploded in the crowded Centennial Park. One person died instantly, and another died of a heart attack. More than 100 people were injured, and as of late, nobody has been charged in the crime.

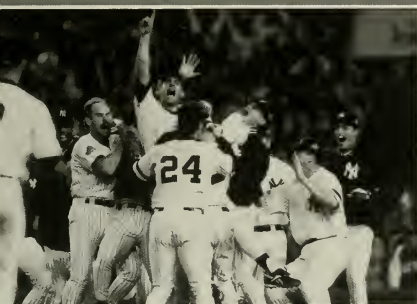

The seven members of the U.S. women's gymnastic team won the unlikelyst of the gold medals in the unlikelyst of fashions. Team member Kerri Strug made the clinching vault on a bad ankle, and became an olympic heroine the instant she landed. Her coach, Bela Karolyi, carried her to the stand to be awarded the medal.

Months after TWA flight 800 exploded in midair in the summer of 1996, investigators were still searching for a cause. The Boeing 747 jumbo jet plunged into the Atlantic Ocean off the coast of Long Island, New York, just minutes after taking off. All 230 people on board were killed. The theories ranged from a mechanical failure to a bomb, from an exploded fuel tank to a missile.

The New York Yankees brought a world championship back to the Bronx by edging the defending champion Atlanta Braves 3-2 in Game 6 of the World Series. This was the first championship for the Yankees since 1978, and their 23rd overall.

It was late in the third quarter when Desmond Howard of the Green Bay Packers returned his first kickoff for a touchdown as a pro. And it was a whopper-- a 99-yard return for the longest kickoff return in Super Bowl history. The Packers went on to beat The New England Patriots 35-21 in Super Bowl XXXI.

The Macarena hit all the charts--from Latin to Pop-- and enlivened dance floors all over the world. The song was first released three years ago and it became a big hit in Spain. Then someone had the bright idea to market the song internationally. Numerous Macarena versions have added variation to the basic moves of the dance, which requires a 360-degree turn to be completed in four jumps to the right.
