

## BUSINESSIMPROVEMENT

### FRANK BOOTH TO BUILD MISSION STYLE STORE AT KENWOOD AND BROADWAY

Frank Booth, the coffee merchant at 318 East Broadway, has purchased the lot on the southwest corner of Kenwood and Broadway, opposite the Ford Agency, and plans to erect thereon a store suitable for his growing business. The lot represents a frontage of fifty feet on Broadway and 150 feet on Kenwood. Mr. Booth has in mind a Mission style of architecture with an arcade entrance and belfry top. He is planning to utilize the top for a roof garden where light lunches will be served as he says "to advertise his coffee." He also expects to enlarge his grocery business and add a market department, carrying meat and vegetables.

To add to Mr. Booth's satisfaction he has just been advised that he is a winner in a window dressing contest covering the entire United States. It was put on by the Joint Coffee Association of New York, the largest organization of its kind in this country and the competition was open to all grocers in the country. Mr. Booth sent photographs of his coffee display window and has been advised that he won fourth prize.

### CENTRAL AVENUE BRIDGE COMPLETED

The repairs on Central avenue bridge over the Wash are all completed and yesterday the new approach on the south side made necessary by the elevation of the bridge four feet higher than the old level was completed as far as hauling the dirt into place with scrapers and leveling it. Autos are now crossing the bridge though the approaches have not been oiled and rolled.

The bridge across the Wash on Brand boulevard although not completed is being crossed with entire safety.

These are the bridges to which the Glendale Evening News called the attention of Supervisor Dodge about four weeks ago, and at that time he promised the citizens of Glendale that he would see to it that the contractors would speed up the work and put the bridges in crossing condition not later than May 15th. The Brand boulevard bridge was being crossed by May 5th and the Central avenue bridge was completed yesterday.

Supervisor Dodge has very ably represented the Fifth Supervisorial District since his election as supervisor four years ago, and as a recognition of his superior qualifications his fellow supervisors have elected him as chairman of the board.

## CHAFFEE EMPLOYEES

### GIVEN 20 PER CENT WAGE INCREASE, EFFECTIVE MAY 17TH

Beginning May 17th the employees of the H. G. Chaffee Company are receiving an increase of 20 per cent in salaries. The announcement was made at a meeting last Thursday night at the Ebell Club in Highland Park where 400 employes gathered and heard speeches of welcome for the former employes of the Acme Corporation now under the Chaffee organization. The wage increase will not affect managers of departments and new employes.

On Thursday night H. G. Chaffee announced the new wage raise at the meeting which was held under the auspices of the Employees' Association. President Chaffee and General Manager F. E. Chaffee made the speeches of welcome to the Acme ex-workers. R. K. Smith, one of the district managers for the company, made the response in behalf of the Acme employes. L. Randall acted as toastmaster. Vaudeville specialties were enjoyed for over an hour in the entertainment part of the program which was followed by a dance.

The Acme men were instructed concerning the plans of the Chaffee organization.

Mrs. N. J. Ackley of Los Angeles and Mrs. Franc Ackley of San Diego were guests of Miss Mary Chester, 134 North Louise, this week. The former Mrs. Ackley formerly lived in Glendale and owned two residence properties and some vacant lots at different times. She expects to again become a citizen of Glendale ere long.

**WEATHER FORECAST:** Fair tonight and Friday. Cloudy in the early morning.

### PATIENTS DISCHARGED FROM SANITARIUM

The Glendale Sanitarium has been losing several patients of late, owing to the excellent care given them which led to early recovery. John Gysin, the well-known sign painter, who had to have a leg amputated on account of blood poisoning, was well enough to be removed to his home, 225 South Orange, a few days ago, and Dave M. Cory, the motorcyclist, so badly injured when his machine turned on its side and slid for a hundred feet and caused the overturning of the Sunland-Los Angeles stage, some weeks ago, was discharged at about the same time. Mrs. Edith Schmalpo of Los Angeles, who suffered severe bruises and lacerations when her machine rolled over twice, Sunday afternoon, when she made too quick a turn to avoid striking another auto, at the junction of Doran street with San Fernando Road, was able to return home yesterday. A companion, Mrs. Johnson, who was less severely hurt, left the Sanitarium on Monday.

## P. - T. A. CONVENTION

### SESSIONS INCREASE IN INTEREST—LARGELY ATTENDED BY GLENDALE MOTHERS

Mrs. A. A. Barton reports tremendous interest in the convention of the Mothers' Congress and Parent-Teacher Associations now being held in Los Angeles and largely attended by members of the P. - T. A. organizations of this city. Glendale seems to have established a great reputation in the state and there were many flattering references to the work being done here. At one of the Wednesday sessions Mrs. R. T. Burr gave a very excellent five-minute resume of the work of the Mutual Benefit Reading Circle which excited great interest and made her fellow members very proud of her ability to so well present the aims and accomplishments of the "Circle" work which is spreading to other parts of the country.

Wednesday was election day, the ballot box being open throughout the day. The presidency, in accordance (Continued on Page 4)

## TRAGEDY AT MATEWAN, W. VA.

### TEN DEAD AND MANY WOUNDED IN CLASH BETWEEN MINERS AND DETECTIVES

(Special Service to Glendale Evening News)

MATEWAN, W. Va., May 20.—With at least ten men dead and as many wounded, this town was quiet this morning when the first detachment of state police arrived to take charge following last night's battle between miners and operatives of the Baldwin-Felts Detective Agency. The eviction of miners from their homes by the detectives caused the battle. The dead include seven detectives, Mayor Testeman and two miners.

## CASUALTIES AT LIMERICK

### ONE MAN KILLED, WOMAN AND GIRL WOUNDED IN CLASH BETWEEN CIVILIANS, POLICE AND SOLDIERS

(Special Service to Glendale Evening News)

LIMERICK, Ireland, May 20.—One man was killed and a woman and girl wounded in a clash between civilians and police and soldiers here last night. The streets were patrolled today.

## MEXICAN AFFAIRS

### GENERALS AND TROOPS ASSEMBLING AT MEXICO CITY; PROVISIONAL ELECTION NEXT MONDAY

(Special Service to Glendale Evening News)

MEXICO CITY, May 18.—(Via Galveston, Tex.)—May 20.—General Pablo Gonzales probably will be rewarded with the provisional presidency for his agreement to withdraw his candidacy in the coming elections, it was reported here today. Advice to the capital indicated the situation throughout the country was gradually returning to normal. The outlook for the formation of a new government was considered bright. Obregon was acclaimed by the people when he arrived at Querotara and San Luis Potosi, the advices said. He did not carry out his reported plan to proceed to Tampico. General Cerrano, who has been operating in Durango and Chihuahua, is coming to the capital with 5000 men, it was reported tonight, and General Calles was expected to arrive with a contingent some time this week. All revolutionary leaders planned to reach the capital by next Monday when the provisional president will be chosen. An unconfirmed report was circulated here that Carranza had advised the provisional government he was ready to sign his resignation.

## EUROPE TO STAND ALONE

### PRESIDENT AND CABINET DECIDE ALLIES MUST WORK OUT FINANCIAL SALVATION WITHOUT AID

(Special Service to Glendale Evening News)

WASHINGTON, May 20.—President Wilson and his cabinet have decided that the allies and Germany must work out their own financial recovery unaided further by the United States, it was learned today. This important decision is understood to have been reached at the cabinet meeting Tuesday and is believed to have been precipitated by an agreement arrived at between Premier Lloyd George of Great Britain and Premier Millerand of France last Sunday. This agreement would heavily involve the United States. Some of the provisions of the agreement are regarded as inconceivable by this government, it is understood.

## REDUCTION OF INFLATED PRICES

### ACTION OF FEDERAL RESERVE BOARD IN ORDERING THE LIQUIDATION OF LOANS PRIMARY CAUSE

(Special Service to Glendale Evening News)

NEW YORK, May 20.—Food today joined with clothing and other commodities in the downward sweep of prices. Although a slump in food prices was not generally reported, advices from southern points led wholesale grocers in the northern cities and government officials at Washington to predict that food quotations would soon be lower throughout the nation. They based their forecast on the tightness of the money market and economic conditions. The contraction of credit will force onto the market goods being held by speculators, causing a flood of sales throughout the nation. The liquidation of loans ordered by the Federal Reserve Board has been proceeding quietly throughout the country for several weeks, it was learned today, although the announcement of the Board's policy was not made public until recently. Borrowers were not being pressed to the point of disaster. Banks desired to protect their customers' credit but they were given to understand that new loans would be limited. The stock market continued to drop today due to the tightening of the money market. Another important factor in the slump in prices is the falling off in exports. The Department of Commerce announced today that exports were \$35,000,000 less in April than the previous month. This was said to be due to the fact that Europe is getting back onto its pre-war basis economically and will no longer need such a large amount of American products.

## SOLDIER BONUS BILL

WASHINGTON, May 20.—The Republican soldier bonus bill struck a snag in the House Ways and Means Committee today when the Democrats succeeded in writing into the measure a tax of 10 per cent on the privilege of issuing stock dividends.

## READING CIRCLE

### LETTER FROM MRS. CHARLES H. TOLL DATED NEW ORLEANS READ AT MEETING

Because of the large exodus to the convention of the Mothers' Congress and Parent-Teacher Associations the attendance on the Mutual Benefit Reading Circle meeting at the City Library Wednesday afternoon was considerably reduced. It was an enthusiastic meeting, however, and a profitable one. At the forenoon session Mrs. Danford gave a much appreciated review of new books now on the library shelves, and a letter from Mrs. Toll addressed to the Circle was read and greatly enjoyed.

When Mrs. Toll said good-bye to the members of the Circle she was presented with a little medicine box described as a box of powders containing folded slips contributed by the ladies with instructions that the box was not to be opened by her until the day arrived for the next meeting of the organization. In her letter she writes that the instructions were observed to the letter. Some of the slips bore the inscription: "Take at mealtime," others said: "Take at bedtime." Still others advised her to "Take when needed." When she opened the box, she wrote, though she was 1700 miles away, the loving messages she found in that "box of powders" brought her home. She said she was having a wonderful trip. The first place in which she and her son stopped was New Orleans which they found a very beautiful city but "so hot." It amused her, however, to hear the natives speculating on how terribly hot it must be in Los Angeles. Mrs. Toll expressed the hope that members of the Circle would all be able to visit New Orleans but advised that they go in February instead of May. She spoke of the age of the city and the quaint old buildings to be seen there. Their next stop will be Jacksonville.

At the afternoon session Mrs. Ralston read the chapter in the book the Circle is now considering, "The Training of the Child," by Oppenheim.

## LUNCHEON AND CARDS

### MRS. J. B. COHN ENTERTAINS WITH CHARMING FUNCTION AT WHITE INN

Mrs. J. B. Cohn of Central and Wilson avenues entertained with a charming luncheon and card party at the White Inn last Saturday at which covers were laid for seventeen. A yellow, pink and purple color scheme featured the floral decorations and table appointments, the table being centered with pink sweet peas, the luncheon favors being little flower pots filled with yellow flowers, the nut baskets being yellow and the place cards purple and yellow butterflies mounted on slender wire. Following the delicious luncheon of six courses, tables were arranged for Five Hundred and Bridge. The guest list included Mrs. E. W. Kinney, Mrs. A. Leighton and Mrs. H. Levy, all of Glendale, the following ladies from Los Angeles: Mesdames S. Cohn, A. B. Cohn, Sidney Cohn, M. B. Cohn, S. Cahn, A. Boas, J. Weisenberger, J. B. Cook, M. Freisleben, R. Levy, L. B. Cohn and H. Rosenmayer. Mrs. W. Bircovitz of Kansas City was the guest of honor and received the prize provided for the guest of honor. Mrs. E. W. Kinney who made high score received the Five Hundred prize, and Mrs. M. B. Cohn the prize for Bridge.

### INTERMEDIATE BALL PLAYERS

Some close baseball games have been played at Intermediate this week. At noon on Tuesday the Red Sox and the Bees were opposed and each made a score of 2. On the same day the Tigers met the White Sox, the score being 7 to 4 in favor of the Tigers. Wednesday the Red Sox and Bees again played, making a score of 4 to 4, and the Tigers and White Sox also played, their score being 3 to 2.

In the girls' schedule of games the Bees played the Tiger Lilies Tuesday with a score of 10 to 4 in favor of the Bees. Wednesday the Terrors played the Tiger Lilies with a score of 20 to 1 in favor of the Terrors.

Wednesday the Intermediate School team played the Burbank Grammar School team on the Burbank field, the score being 22 to 6 in favor of Glendale. Three pitchers represented Glendale, Leon L. Martinez, William Morgan and Harold Thompson. All did good work.

## NEW HOME PLEASURES

### MRS. KRAFT GOES EAST, BUT RETAINS RESIDENCE TO COME BACK TO

Mrs. Nancy Lois Kraft, her daughters, Margaret and Annie, and son, Edwin, of 606 West Elk avenue, are leaving today for the old home in Cleveland, Ohio, where Mr. Kraft is waiting to see them. He will accompany them to Glendale when they return this fall. Mrs. Kraft bought H. C. Tomaw's property a few weeks ago, after looking in Hollywood and other sections of or near to the big city and is so well pleased with her bargain that when informed a few days ago by a real estate agent that he had her property sold for her she said: "Not much. My place is not for sale. You get it only over my dead body." Mrs. Kraft rented the place for the time of her absence in the East to an English couple by the name of Hammersley, who had just arrived in Glendale, and who will occupy it with their two children. Mrs. Kraft says she has not the slightest sympathy with the refusal of so many property owners to allow parents of children to rent their houses, but that any property she owns for rent will always be open for children, if she can pick the parents.

## EAT LOTS OF CABBAGE

### SAN FERNANDO RANCHERS TO DUMP THOUSANDS OF TONS ON MARKET

The Evening News is requested by the consumers' branch of the Federal Fair Price Committee to give publicity to the following:

Sixty to one hundred thousand tons of cabbage grown in the San Fernando valley is to be delivered in Los Angeles, Friday, at \$23 a ton, wholesale, and it is hoped Glendale merchants will secure enough of it for their trade, to retail at not more than 2½ cents a pound. This makes it the cheapest food on the market and the supply is unlimited. Thousands of tons will be wasted if not bought and eaten within the next two weeks. Cabbage has been selling at a higher price than necessary because the indifferent demand of the public has made it not profitable for retailers to handle it in large quantities. The quality of the present supply is excellent. Universal consumption of it in Los Angeles county will reduce the cost of living and prevent tremendous waste.

### AUTO ACCIDENTS SHOULD BE REPORTED

It is a misdemeanor for any auto driver to fail to report to the police any accident he may have which results in injury to the person or property of another, whether he is to blame or not. It is always better for both parties to a collision or any other kind of auto smashup to report the matter and their versions of it, then adjustments could be the sooner made.

## MILFORD CARD CLUB

### ENTERTAINED BY MRS. BRUMMEL AT HER HOME IN SUNLAND

Members of the Milford Street Card Club had an unusual treat Tuesday when they were entertained by Mrs. Brummel, who recently moved from Glendale to Sunland. The luncheon served by the hostess at noon included beefsteak broiled over the coals of an outdoor fire and was most delicious. In the card game which followed the luncheon Mrs. C. H. Thompson won high score, the consolation prize going to Mrs. James, of Sunland. The card tables were placed in a large porch, a cool and charming place of entertainment, the more enjoyed because the afternoon was unusually warm for the time of year. Four members were unable to be present and substitutes were invited to take their places. The ladies entertained were: Mrs. Jenkins of Los Angeles, a former member, Mrs. Blake-more, a former member who has been absent from Glendale for several months and has recently returned to her home on Milford street, Mrs. Strain of Glendale, Mrs. James of Sunland, and the regular club members — Mesdames Thompson, Hosford, Brummel, Fletcher, Rath-bun, Southard, McPherson and Vinton.

The ladies made the trip in two autos driven by Mrs. Jenkins and Mrs. Strain and enjoyed the ride hugely.

SYMPATHY OUT OF PLACE

The indignation of a New York magistrate against poker cheats will be shared by honest men and women throughout the country, whether or not they acknowledge a strain of sportsmanship in their makeup.

The magistrate asserted when a certain contemptible being was arraigned before him on a charge of having defrauded another out of \$400 by dishonest poker that such cheats should not be brought to court, but horsewhipped and dropped out of the window. Which is all very well as personal, private sentiment. But what of the sworn duty of this magistrate?

Gambling is a crime in New York state, like in most other states. Win or lose, in a square or a crooked game, those who engage in it are violators of the law. The magistrate properly may hate the cheat, but that should not blind him to his duty. The defrauded one also has committed an offense of which cognizance should be taken.

In New York, of all cities, gambling should be rooted out, for there, as has been demonstrated many times, it is a well-spring of official and private corruption, leading to all sorts of monstrous crime, even to murder for hire.

Magistrates should be the last persons to exhibit sympathy for gamblers.

## Personals

A. N. Cole and wife, who have been living at 1115 East Elk avenue, moved to Lamanda Park yesterday.

Mrs. A. T. Dobson of 311 Vine street is finally on the road to recovery after being terribly ill for weeks from an abscess occasioned by an infected tooth.

Doty Anderson returned Wednesday afternoon from a two-day stay at Redondo Beach. He was glad to return to Glendale as he found it too foggy at Redondo for pleasure.

Mrs. Hazeo Scott and daughter Ethel, and Mrs. C. A. Hankle, of St. Louis, Mo., are spending a few weeks with Mrs. Wm. Hedges, 121 East Park avenue.

J. P. McCarthy is having M. Hugo build for him a garage at 1011 East Lomita avenue, to be used as a temporary residence. The estimated cost of the building is \$400.

Glen D. Bronner of 422 East Harvard had his new bicycle stolen yesterday. Glen is the boy who suffered a broken arm and a smashed bicycle a few months ago when riding along Colorado.

More than 60 people, members and their friends, partook of the weekly church supper at Central Christian last evening, and a goodly number remained to attend the Bible study, conducted by Pastor Cole and the prayer meeting led by M. G. Musser.

Mrs. E. L. Young of 325 West Milford street it was expected would be brought home Tuesday night from Clara Barton Hospital, where she recently underwent an operation. She is making an excellent recovery and will be glad to get back to her home and friends. She has been greatly missed at the Milford Street Card Club and in other organizations of which she is an active and popular member.

Miss Catherine Weising of 117 North Kenwood, who went back to the old home, St. Louis, Mo., early in the spring to visit relatives, returned to Glendale Tuesday accompanied by a sister, Mrs. J. S. Bolson, and three children, who will spend the summer here. Another sister, Mrs. Clarence Green, together with her husband and their little daughter, arrived a few days before from St. Louis and will make their home in Glendale. They are now living at 127 South Kenwood.

Miss Regina Becker, who recently leased the residence at 319 West Wilson avenue for a term of six months, has become a regular reader of the Evening News. She was in Glendale last summer and liked the city so well she came back. Now that her sister, Mrs. Arthur Yale, of 205 West Doran, has become a permanent resident, she is the more inclined to do likewise. Miss Becker and Mrs. Yale still own stock in the Utica, New York, Globe, which their father conducted as a weekly paper for more than 40 years and which is now in charge of an uncle. Both are thorough believers in newspapers and always take the local paper wherever they are located as residents.

## GLEN EYRIE SOCIAL CLUB

The Social Club of Glen Eyrie Chapter, O. E. S., was entertained Wednesday at the home of Mrs. E. A. Case at 337 North Kenwood St. for an all-day meeting. A delicious two-course luncheon was served at noon, carnations being employed for the floral decorations, and all the appointments being most attractive. Assisting hostesses were Mrs. Davis, Mrs. Vesper and Mrs. Naudain. Following a brief business session a pleasant afternoon was spent with games, music and informal social chat.

## SOLDIER FUN

GLENDALE POST AMERICAN LEGION AND WOMEN'S AUXILIARY ENTERTAIN

In connection with the membership drive that is being made by the Glendale Post of the American Legion and the affiliated organization, the Women's Auxiliary, a delightful social function is being arranged to take place tonight from 8 to 11 at La Ramada, when all members of the two organizations named will be entertained without charge and all ex-service men who choose to accept the cordial invitation which is being extended to meet under these pleasant circumstances their brothers in arms. A committee headed by W. B. Kelly and assisted by members of the Women's Auxiliary is arranging for the entertainment which will include dancing, cards, music and a miscellaneous program with a wienie roast and proper accompaniments at the appropriate time during the evening. It sounds good and a jolly time is assured when such a meeting place has been selected and such a program arranged by fun-loving ex-soldiers. They expect all the buddies to be there and promise to give them the best they can provide.

## OLD-TIME PARTY

LADIES' AID OF CENTRAL METHODIST CHURCH GIVE DELIGHTFUL ENTERTAINMENT

Members of the Ladies' Aid of the Central Methodist Church entertained in an unusual and very delightful way with an "Old-Fashioned Party" in the church parlors Tuesday evening. The ladies came dressed in the costumes of long ago, some of them with their wedding gowns and some of them in dresses of other sorts fifty years old. Their hair was dressed to fit the quaint gowns and they presented a very picturesque appearance. The following program entertained the guests who represented almost the full church membership:

Vocal duet, "Annie Laurie," by Rev. and Mrs. F. Marion Smith.

Solo, "Old Black Joe," in character make-up, Dr. P. O. Lucas.

Duet, "Darling, I Am Growing Old," sung by Mrs. Smith and Miss Emily Kopp.

Playlet, "The Golden Wedding," Rev. F. M. Smith and Mrs. Ethel Klamm.

Vocal solos, songs of the civil war, Comrade Robert Taylor.

Vocal duet, "The Old Home," with special interior stage setting, Dr. P. O. Lucas and Will Marple.

At the close of the program refreshments were served and informal visiting characterized the balance of the highly successful social evening.

## MRS. EVA TUFT RETURNS

Mrs. Eva Tuft, who was the efficient head of the Surgical Dressings Department of the Glendale Red Cross Chapter during the war, is a visitor in Glendale. She owned property in this city on Burchett street, which has been sold and she is here to close the transaction. She will return in a few days to San Jose. Mrs. Tuft is a graduate of the Loma Linda School of Nurses and is now employed by the Pacific Press Publishing Association at Mountain View, which is near San Jose, as a visiting nurse.

## BICYCLISTS' AND RIGHTS OF THE ROADS

There have been quite a number of accidents reported to the police recently in which boys riding bicycles have been run into by autoists, fortunately without serious results in any of the cases. In some the fault was with the boys and in others seemingly due to a disregard of road rules by autoists who seemed not to know that the bicycle is classed as a vehicle and thus entitled to the same rights as the auto. So the bicycle rider has a legal right to half the road and the autoist must go around him if he wishes to pass, just the same as if his bike was an auto. Most bicyclists, however, prefer to sheer out to the roadside when immediately in front of an auto where two meet, fearing the driver coming up behind them will not slow up till the meeting auto passes, but surge right ahead, thinking the bicyclist will clear the track. Such bike riders are wise. It is better to shove yourself off the road than to be shoved off or run over by a reckless, law-defying auto driver.

## WHEN SHALL WE BUILD?

THE MATTER THOROUGHLY DISCUSSED BY EXPERT ESTIMATOR

There has been a slight reduction in the price of lumber at the mills, that is, some lumber. Fir lumber, common, has dropped \$3 a thousand, and clear fir, including flooring, \$5 per thousand. Lath was reduced \$5 a thousand, redwood shingles 13c a bundle and cedar shingles 5c a bundle. This is the statement made by a leading trade journal of Los Angeles. There has been no reduction in any other kinds of lumber but an advance is looked for in redwood. In this connection, the opinion of Geo. M. Seglin, expert estimator for the department of architecture, State of New York, may be of interest. Writing on the question, "Shall We Build Now?" he analyzes and discusses building material, price tendencies. A chart of wages and building material prices for the five years prior to January 1, 1920, shows an increase of 71 per cent on the former and 171 per cent on the latter. Both were still climbing upward on April 1st, when the article was written by Mr. Seglin and at that time the increases had amounted to 88 and 195 per cent, respectively. But this rise, he asserts, is not caused by an overplus of building since 1915, for as a matter of fact the nation is 206 per cent behind in the normal amount of its production of permanent construction.

The whole question of prices, he declares, has been regulated since the war by supply and demand and the constant upward tendency has been due entirely to a lack of surplus of both materials and labor. The most optimistic view, as he sees it, would probably place the return to normal production at four years, but the actual return will not be before six or seven years, in all probability. Not only has there been a pronounced shortage of building materials, which is just now being caught up with on some few items, such as lath and fir products, but the shortage of labor, particularly skilled mechanics, is acute, and it will take a long time for the country to catch up in this respect. Hence, according to Mr. Seglin, the best time to build is right now.

## DOMESTIC ROOSTER

BROODY CHANTICLEER HOVERS EGGS IN MRS. CHAMBERS' POULTRY YARD

Mrs. Frank Chambers of 736 South Glendale avenue has an interesting rooster in her flock of poultry in which fatherhood shows abnormal development. He is a good specimen of what is known as the "Phoenix" breed, a long-tailed fowl developed in Japan and cultivated for its beauty and novelty. Mrs. Chambers has quite a flock which she expects to exhibit in coming poultry shows. But attractive as this bird is, it is not his fine feathers that have brought him fame. When Mrs. Chambers was having trouble persuading some of her gad-about hens to sit, this rooster showed signs of "broodiness" and took to the nest with such constancy that she gave him some eggs which he is guarding faithfully. When she visits his nest and feels of the eggs he makes the same kind of a protesting cluck that a hen would utter. She is watching his case with very great interest to see what he will do if he hatches a brood of chickens. She is wondering if the doctrines of sex equality in work and opportunity have penetrated to the underworld of fowls and animals.

## THE PRICE DECLINE ON CLOTHING AND FOOTWEAR IN EAST

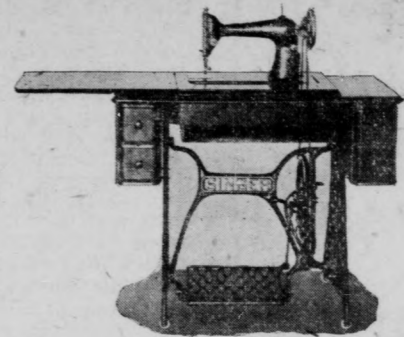

The continued slashing of prices in men's clothing, women's wear, shoes, etc., in the East and Middle West is giving rise to hopes that the reduction may spread to the coast and even as far as Glendale, but, according to Los Angeles dailies, big merchants of that city discourage such a view, saying it is impossible; that Eastern merchants who made the reported great reductions, amounting to from 30 to 50 per cent, must have been heavily overstocked. This seems rather a specious plea, considering the fact that the movement has already taken in many cities in several states and it does not seem likely that all the stores in these cities would be in the same condition as to their stocks. A break in prices has been predicted for many weeks because of profiteering by manufacturers of shoes and clothing and this may be the fulfillment of that prophecy.

**P.-T. A. CONVENTION**

(Continued from Page 1)  
with the policy of the organization, goes to a northern woman next year, the officers elected being:

Mrs. Charles F. Gray, of Los Angeles, first vice-president.

Mrs. Hugh Bradford, second vice-president.

Mrs. John Sheehan, Jr., of San Francisco, recording secretary.

Mrs. Arthur Pinter, of Berkeley, financial secretary.

Mrs. J. J. Dale, of Mountain View, treasurer.

Mrs. Blanche Bates, of San Diego, auditor.

Mrs. G. H. Goodale, of Anaheim, historian.

Mrs. Jerome O. Cross, of Fresno, parliamentarian.

Appointive offices have not yet been filled.

Miss Cora Hickman of Glendale, who has served the Association as corresponding secretary, made her official report Tuesday, the statistics she presented showing that she had sent out 13,000 pieces of mail. She wanted them all to go from this post-office and to bear the Glendale stamp, but when she consulted the postoffice authorities was told they would be stamped "Glendale" if they had time, otherwise they would be chucked into the bag and stamped in Los Angeles, so she took them to Los Angeles to be mailed. Wednesday morning Miss Hickman made her report as chairman of publicity. She is very enthusiastic over the record made by Dr. Russell as president and the reputation she has achieved all over the state, declaring it is a great asset to Glendale. The doctor, she reports, has been the recipient of very beautiful gifts in appreciation of her service from many of the federations and that no officer who has ever held the office has been so showered with flowers.

Today is Glendale Day, as before stated. This afternoon, about 4:30, automobiles will leave Los Angeles to bring out-of-town delegates to Glendale for a tour of the city and at about 5 o'clock they will be entertained at the Elks' Club House. All the civic organizations of Glendale and the City Trustees are co-operating to show this attention to women from northern cities.
