And whereas the Right Reverend Edward, Lord Bishop of Lincoln, hath, pursuant to an enactment aforesaid, made a representation in writing to the Right Honourable and Most Reverend Randall, Lord Archbishop of Canterbury, as follows:—

"I, the Right Reverend Edward, Bishop of Lincoln do hereby represent to your Grace that there is in the county and diocese of Lincoln the vicarage and parish church of Grimsby Saint Mary and Saint James.

That the population of the parish of Grimsby Saint Mary and Saint James aforesaid, according to the census of one thousand nine hundred and one hundred and forty-eight persons, but since the year one thousand nine hundred and one hundred and forty persons has been formed in a separate cure.

That there is no other consecrated church or chapel of ease in the said parish, but there are three mission rooms within the said parish capable of affording accommodation for eight hundred people.

That the net annual value of the said vicarage of Grimsby Saint Mary and Saint James is five hundred and seventy-three pounds two shillings and fourpence; that one thousand nine hundred and forty-eight persons are estimated to amount to fourteen thousand people.

That there is a good and sufficient house of residence for the Incumbent of the said benefice.

That the said vicarage of Grimsby Saint Mary and Saint James is in my patronage in right of my Bishopric.

That there is in the said county and diocese the vicarage and parish church of All Saints, Grimsby.

That the population of the said parish of All Saints, Grimsby, according to the census of one thousand nine hundred and one amounted to ten thousand and sixty-eight persons, and has since largely increased and is now estimated to amount to fourteen thousand persons.
That there is one church belonging to the said parish of All Saints, Grimsby, affording accommodation for seven hundred persons. There is no other consecrated church or chapel of ease in the said parish, but there is a mission room in that part of the said parish proposed to be separated capable of affording accommodation for three hundred people.

That the net annual value of the said vicarage of All Saints, Grimsby, is two hundred and eighty-five pounds arising from the vicarage of Cleo, the Ecclesiastical Commissioners for England, and fees.

That the said vicarage of All Saints, Grimsby, is twofold and parochial to which the said vicarage of Grimsby Saint Mary and Saint James shall have exclusive cure of souls within the limits of the said portion of the parish of All Saints, Grimsby, so to be annexed to the said parish of Grimsby Saint Mary and Saint James.

That the said vicarage of All Saints, Grimsby, is two hundred and eighty-five pounds arising from the vicarage of Cleo, the Ecclesiastical Commissioners for England, and fees.

That the said vicarage of All Saints, Grimsby, affording accommodation for three hundred people, is severed from the remaining portion of the said parish by a line of railway, and is therefore practically detached therefrom and can be more readily visited by the clergy of the church of Saint James than by those of All Saints.

It appears to me that the said severed portion of the said parish of All Saints, Grimsby, which is shown upon the plan hereto appended and thereon coloured red may under the provisions of the Pluralities Act, 1858, be advantageously separated from the said parish of All Saints, Grimsby, and annexed to the said parish of Grimsby Saint Mary and Saint James to which it is contiguous.

That pursuant to the directions contained in the twenty-sixth section of the above mentioned Act of Parliament I the said Bishop of Lincoln have drawn up a scheme in writing appended to this representation describing the mode in which it appears to me that the alteration above proposed may be best effected and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges and other ecclesiastical dues, rates and payments and in respect to patronage and rights to pews may be made with justice to all parties interested. And I do submit the same to the said Bishop of Lincoln for his approbation and signify our consent to the scheme hereunder.

That baptisms, churchings, marriages and services for the burial of the dead in respect of the inhabitants of the said portion of the parish of All Saints, Grimsby, so to be annexed shall take place in the church of Grimsby Saint Mary and Saint James or the chapel of the cemetery or burial ground of the said parish and that the fees for the same and for other ecclesiastical offices and all ecclesiastical dues and offerings arising from or in respect of the said portion of the said parish of All Saints, Grimsby, so to be annexed to the said parish of Grimsby Saint Mary and Saint James and usually payable to the Incumbent of a benefice shall belong and be paid to the Incumbent of the said parish and benefice of Grimsby Saint Mary and Saint James.

That the said inhabitants of the said portion of the said parish of All Saints, Grimsby, shall be exonerated from all liability to support the church of the said parish of All Saints, Grimsby, or any other church or chapel now or hereafter to be erected in the said parish but shall be liable subject to the provisions of "The Compulsory Church Rates Abolition Act, 1868," to repair the said church of Grimsby Saint Mary and Saint James.

That the said inhabitants of the said portion of the said parish of All Saints, Grimsby, shall be entitled to resort to and attend the said church of Grimsby Saint Mary and Saint James as their parish church and to be accommodated with settings therein but shall not henceforth be entitled to any accommodation in the church of the said parish of All Saints, Grimsby, or in any church or chapel now or hereafter to be erected in the said parish except nevertheless any person or persons (if any) possessing a legal right by faculty or otherwise to any pew or sitting in the said parish church of All Saints, Grimsby, and who may not be willing to relinquish and give up the same.

That nothing herein contained shall affect the endowments of either of the said vicarages of Grimsby Saint Mary and Saint James as their parish church and to be accommodated with settings now or hereafter to be erected in the said parish but shall be liable subject to the provisions of "The Compulsory Church Rates Abolition Act, 1868," to repair the said church of Grimsby Saint Mary and Saint James.

SCHEDULE.

As that part of the parish of All Saints, Grimsby, delineated on the said map or plan hereto appended and thereon coloured red and which is bounded on the east by the Great Northern Railway and south by the parish of Cleo and on all other sides by the said parish of Grimsby Saint Mary and Saint James.

At the Court at Buckingham Palace, the 22nd day of November, 1909.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS by section twenty-six of the Pluralities Act, 1838, after reciting that

"Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other things, enacted "That when with respect to his own diocees it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelcy, place, or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church, and either be constituted a separate benefice by itself or be united to any other parish, to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelcy, place, or district parochial or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent charges, and other ecclesiastical dues, rates and payments and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to which such alteration may be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same, and such consent as aforesaid, by his report to His Majesty in Council, shall be lawful for
"His Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect.

And whereas the Right Reverend Augustus, Lord Bishop of Lichfield, hath, pursuant to the enactment aforesaid, represented in a writing, dated the twenty-fourth day of April, one thousand nine hundred and nine, to the Right Honourable and Most Reverend Randall Thomas, Lord Arch bishop of Canterbury, as follows:—

"I, Augustus, by Divine permission Bishop of Lichfield, do, in pursuance of the twenty-sixth section of the Pluralities Act, 1838, hereby represent to your Grace as follows:

1. There is in the county of Stafford and my diocese of Lichfield the vicarage or perpetual curacy of Patshull, the parish whereof contains an area of one thousand eight hundred and twenty-four acres, and a population of two hundred and thirty-four. The net annual value of this benefice is eighty pounds or thereabouts.

2. There is also in the county of Salop and in my said diocese of Lichfield the vicarage of Albrighton, the parish whereof contains an area of three thousand four hundred and seventy-two acres, and a population of one thousand one hundred and thirty-four. The net annual value of this benefice is three hundred and eighty pounds or thereabouts.

3. A certain detached portion of the said parish of Albrighton, hereinafter described, containing an area of 1,262*7 acres and a population of one hundred and fifty-six, lies at a distance of about two miles from the parish church of Albrighton, and, with the exception of some outlying houses, about half a mile from the parish church of Patshull, and contiguous to the said parish of Patshull.

4. Most of the inhabitants of the detached portion have for many years past resort for Divine Service to the parish church of Patshull, and the pastoral visitation of such inhabitants has with the consent of the Incumbent of the said parish of Albrighton been performed jointly by himself and the Incumbent of the said parish of Patshull.

5. It appears to me that under the provisions of the said Pluralities Act the following alteration may advantageously be made, viz:—

"The separation of the said detached portion of Albrighton hereinafter referred to from the said parish of Albrighton and its annexation to the said contiguous parish of Patshull.

6. The benefice of Patshull is in the patronage of the Right Honourable William Henesyag, Earl of Dartmouth, who resides at Patshull Hall, in the said parish of Patshull, and the benefice of Albrighton is in the patronage of the Master and Four Wardens of the Fraternity of the Art or Mystery of Haberdashers, in the city of London, who are the persons entitled to present to the said benefice in the case of a vacancy.

7. The Reverend William Gordon is the present Incumbent of the said benefice of Patshull, and the Reverend Percy Roden Bartley is the present Incumbent of the said benefice of Albrighton.

8. Pursuant to the directions contained in the twenty-sixth section of the first mentioned Act of Parliament, the said Bishop has drawn up a scheme in writing annexed to this representation describing the district so as aforesaid proposed to be annexed to the said parish of Patshull, and the mode in which it appears to me the alterations may best be effected and how the changes consequent thereon in respect of ecclesiastical jurisdiction, glebe lands, ecclesiastical dues, rates and payments, and in respect to patronage and right to pews may be made with justice to all parties interested. And I do hereby submit the same to your Grace together with the consents in writing of the said Patrons and Incumbents that it may be inquired into in council that such scheme shall on full consideration and inquiry be satisfied with such scheme you may certify the same and such consents by your report to His Majesty in Council."

And whereas the said scheme drawn up by the said Bishop and the consents referred to in the said representation are as follows:—

"SCHEME.

"That the detached portion of the said parish of Albrighton hereinafter referred to shall be separated therefrom, and annexed for ecclesiastical purposes to the adjoining parish of Patshull.

That the Incumbent of the benefice of Patshull shall have sole and exclusive cure of souls within the said district so annexed to the said parish of Patshull. The said district shall be included in the rural deanery of Trentham and be subject to the archidiaconal jurisdiction of the Archdeacon of Stafford.

That the parishioners of such district shall be entitled to accommodation in the parish church of Patshull, but shall cease to be entitled to accommodation in the parish church of Albrighton, except nevertheless any person or persons possessing a legal right by faculty or otherwise to any pew or sitting in the said parish church of Albrighton who may not be willing to relinquish and give up the same.

That marriages, baptisms, churchings, and burials shall be solemnized and performed in the parish church of Patshull for the inhabitants of the said district, and all fees, dues, ecclesiastical offerings and emoluments arising from the said district (tithe rent charge excepted) shall henceforth belong to the Incumbent of the benefice of Patshull.

That no other alteration shall be made in the emoluments of the said benefice of Patshull and Albrighton.

That no alteration shall be made in the patronage of the said benefices, or either of them.

That the Master and Four Wardens of the Fraternity of the Art or Mystery of Haberdashers in the city of London, the Patrons of and the Corporation entitled to present to the said benefice of Albrighton in case the same were now vacant, and the Reverend Percy Roden Bartley, the present Incumbent of the same benefice having respectively given their consents to this scheme upon the express understanding that the tithe rent-charge arising from or payable out of the land and hereditaments within the said district shall for ever continue to belong as heretofore to the said benefice of Patshull, it is hereby declared that the same tithe rent-charge shall as heretofore remain and be attached to the said benefice of Albrighton for ever hereafter, as part of the income.
thereof, and belong and be payable to the Incumbent thereof for the time being.
