How are these decisions relevant to my affiliate?

Money	• How much money is allocated to my region and to my affiliate? • What are the rules I need to comply with when I get money? • How can I raise money for my affiliate?
Technology	• Does stuff that my community needs get built? • What are the tools available to my community for translations?
Affiliation	• Can I become a member of a hub? • Can I start a chapter or a user group?
