**T**HIS Supplementary Catalogue of Books and MSS., begun under the direction of the late Mr. JAMES CROSSLEY, F.S.A., was completed under that of the DEAN OF MANCHESTER, who revised the proof sheets from L to Z; Mr. RICHARD HANBY, the Governor of the boys on the Foundation, rendering material and valued assistance throughout.

The work comprises the additions made to the Library between 1863 and 1881, and includes the Byrom Collection bequeathed by the late Miss ATHERTON; also particulars of the numerous volumes of Tracts—some exceedingly rare—with a short account of the MSS. This account was kindly prepared by Mr. JOHN EGLINGTON BAILEY, and contains a brief sketch of the forty-four MS. volumes bequeathed by the late Canon RAINES.

With a view to brevity the full titles of books have not been given, as in Vols. I. to IV., but only shortened titles as in Vol. V. (the index volume).
