## WHY DOES NOT GOD DESTROY THE DEVIL?

Rev. C. S. Prout Preaches Striking Sermon at Eagle Rock

Why doesn't an omnipotent God destroy the devil? Was the question answered by Rev. C. S. Prout at the Seventh-day Adventist Tabernacle on Myrtle avenue, Eagle Rock, Sunday evening. Rev. Prout did not ask his congregation to accept his opinion on the subject, but read his answer from the Bible.

There is a personal devil, the speaker said, but he is not as represented in the cartoons, where he is pictured with horns and hoofs and a tail. Satan, the Scripture tells us, fell from heaven. In heaven he was known as Lucifer, meaning light bearer. "How art thou fallen from heaven, O Lucifer, son of the morning!" exclaims the prophet, Isaiah (ch. 14, v. 12), and Ezekiel speaks of him as "the anointed cherub that covereth" (ch. 28, v. 14). "Thou wast perfect in thy ways from the day thou wast created, till iniquity was found in thee," says Ezekiel. Id. From these texts we learn who made the devil. God made Lucifer, an exalted angel, perfect in his ways, glorious and beautiful; and Lucifer, by rebelling against God, became the devil. So the devil, in a sense, made himself.

How this happened is told us also by the prophets. Of Lucifer the prophet Ezekiel says, "Thine heart was lifted up because of thy beauty" (ch. 28, v. 17). He was not content with his station as covering cherub. From Isaiah we learn that he aspired "to be like the Most High" (ch. 14, v. 13, 14). He wanted to be equal with God, and in trying to realize this unholy ambition he made himself the devil.

Lucifer rebelled against God and persuaded many of the angels to join in his rebellion. He represented God as being unjust, arbitrary, and tyrannical, and promised them a better government under his leadership. The result was, "there was war in heaven." (Rev. 12:7). "Michael and his angels fought against the dragon, and the dragon fought, and his angels, and prevailed not." "He was cast out into the earth, and his angels were cast out with him." (V. 8, 9).

Why did not God destroy Lucifer instead of merely casting him out of heaven? If he had done so, it would have proved nothing except that God was stronger than Lucifer. God could easily have demonstrated his omnipotence, but He did not propose to make a martyr of Lucifer by doing so. He did not want the angels to serve him from fear, questioning in their minds whether Lucifer's charges might not after all be right, and whether God had not destroyed him because he could not overcome him any other way. God's character had to be vindicated before the angels, and also (after Adam's fall) before the inhabitants of earth. So he gave Satan liberty to work out a demonstration of his principles before heaven and earth, and when finally Satan is destroyed in the lake of fire, as we learn from Rev. 20:10, that he will be, all the universe will say, Amen.

God might have made it impossible for Lucifer or any other being to do wrong, but He did not want to surround Himself with automatons. "God is love," and He wants his creatures to love Him; hence must give them full freedom of choice. God was responsible for Lucifer, the perfect being; but Lucifer was responsible for what he made of himself. God was responsible for Adam, as He was at creation; but Adam was responsible for his own transgression.

The subject for Wednesday evening will be "The Tragedy of Calvary." Why Was It Necessary for Christ to Die? Stereopticon pictures will be shown.

## L. A. BOND ISSUE WILL NOT AFFECT EAGLE ROCK

May Election Will Not Tax This City, It Is Said

The bond issue, which will come before the people of Los Angeles in May, will not affect the residents of Eagle Rock, if they are not at that time a definite part of Los Angeles. If the issue is floated, it will in no way tax Eagle Rock, as Eagle Rock will not be admitted to the bigger city until June, after the Los Angeles elections are over, it was stated by city officials today.

Many people have inquired about this, knowing that Los Angeles will adopt Eagle Rock as soon as the legal procedure is finished. They feared that they would be called to take some active part in a measure which they have not studied and are affected by in a most indirect manner.

Receives Total of 158 Deposits With a Total of \$27,000

The new Eagle Rock State Bank had a successful opening day, both in a financial way, and because of the large number of visitors who appeared to look over the newest addition to the business life of Eagle Rock. Most of those who came to "look around," made a substantial deposit before leaving, as evidenced by the total of the 158 deposits that were made. This was \$27,000, and every dollar of it came through independent deposits. There were no county or city moneys added in to make this "grand total."

With this evidence of good will on the part of the community the officials of the new bank feel that it is destined to play a big part in the growth of a bigger, better Eagle Rock.

## WHISKEY CONCENTRATION IS UNDERWAY, REPORTED

WASHINGTON, April 2.—Concentration of whiskey in warehouses where it can be guarded and its legitimate withdrawal more easily supervised by federal prohibition forces is being made rapidly, according to reports today to Federal Prohibition Commissioner Haynes. Enforcement headquarters announced that it was expected by July 1 half of the 290 private warehouses will be emptied of their stocks.

## MUSICAL REVUES TO OFFSET FLOATING BAR PRACTICE

NEW YORK, April 2.—An innovation in trans-Atlantic travel on American liners designed to offset the attractions of bars on foreign vessels will be nightly sea shows on the giant liner Leviathan, when she goes into commission next June. Musical revues, with a large chorus, will be given every night.

## CHARGES DAMAGES WHILE EN ROUTE TO OWN STORE

Alleged to Have Injured Neighbor's Stock of Goods

"John Doe Candee, plaintiff, charges John S. Thomas with maliciously breaking and destroying certain personal property belonging to said plaintiff and not the property of said defendant." This, in general, is the way a case in the local court records reads for last Saturday. Both parties are business men of Eagle Rock. Mr. Candee is located at 1028 West Colorado boulevard, and Mr. Thomas has a place adjoining. Mr. Thomas, having mislaid his key, and being unable to get into his own place, without looking up Mr. Candee for permission, broke through Mr. Candee's store. It is alleged, to get into his own. In so doing, it is alleged, he did damage to Mr. Candee's stock. So Mr. Candee alleged he suffered an injustice, as well as considerable material loss and appeared before Judge Harold Ide Cruzan to charge Mr. Thomas with "malicious damage." But Mr. Thomas did not appear in answer to the charges.

Judge Cruzan announced that a warrant will be issued for Mr. Thomas.

## RACING WITH THE STORK IS NEW EXCUSE

Gets by in the Eagle Rock Court for the First Time

J. V. Mercer, Nemesis of the speeders who "step on it" through Eagle Rock, halted but one of the contestants in a boulevard race last week, and instructed him to appear in the local court Saturday morning. And on Saturday morning "racing with the stork" was the unique inscription recorded in the local court record across the case against O. E. Gallenkamp, the impatient father-to-be.

Mr. Gallenkamp, whose place of business is at 241 South Broadway, was picked up by Officer Mercer for "going" 33 miles an hour on Eagle Rock avenue, in the fifteen-mile limit.

After hearing the new parent's reasons for undue haste, Judge Cruzan, considering deeply from the judicial standpoint, as well as the humane, placed a \$20 suspension sentence upon Mr. Gallenkamp.

## SUNRISE GREETED BY WORSHIPERS UNDER WRAPS

Despite Cold and Wet, Devotions Held According to Program

Despite the inclemency of the weather a considerable crowd gathered on Eagle Rock in the early gray hours of Easter morning to join in worship before the great cross.

About five hundred or more persons arrived during the hours that preceded the hour set for the services, shrouded in heavy wraps and raincoats. During the services, which were very quiet, people stood with umbrellas raised, cold and damp, but hopeful that the sun would show a smiling morning countenance through the clouds before the service was concluded.

Many, despite the discomfort attendant upon their open position on the rock, were heard to remark that thanks should be given for the rain, so welcome after the unusually dry winter.

Some women have trouble getting husbands and nothing but trouble after getting them.

SHIPSTEAD, MINNESOTA'S DENTIST-SENATOR, WILL "GET AT ROOT OF THINGS" IN NEW JOB

Dr. Henrik Shipstead will forsake his dentist's chair in Minneapolis to take his seat in the senate in Washington. The new senator says he will "get at the root of things" in his new job, the same as he has done in the old. "That's the only right way to go about anything," says Dr. Shipstead. He was elected on the Farmer-Labor ticket. The photograph shows him at work at his profession.

## CHARGES AGAINST PROF. CHANDLER ARE DROPPED

No Complaint Is Sworn Out Against Him in Court

Professor Chandler, who was expected to appear in the court Saturday morning, did not have to appear as no charge was sworn out against him. After the case had been thrashed out by those in charge of legal proceedings, and the fact came out that there had been a general misunderstanding about the parking and electioneering orders in the vicinity of the polling place at the city hall, it was decided by those in charge of the case to let the matter drop.

## TWENTY-FIVE ARE UP FOR TRAFFIC VIOLATIONS

Twenty-five traffic violators were listed for the court session Saturday. Only four of these were for offenses other than speeding. The majority of the fines came in thru the Auto club, so but about a half dozen of the offenders personally appeared before Judge Cruzan. The fines imposed ranged from \$5 to \$25, or a corresponding number of days in jail.

NEW YORK CRIME WAVE REPORTED TO BE ENDED  
[By Associated Press]  
NEW YORK, April 2.—Police of New York, with the city's force still working overtime, declared today they had broken the crime wave which struck New York last week. A threatened widespread outbreak of crime on Easter Sunday was checked, the police said, through the department's preparations. Through lengthened working hours, curtailment of holidays, the addition of clerical officers to patrol duty and the use of all the city's detectives on the streets, the force was increased an estimated one-third.

Allison, inspectors of the Texas and Southwestern Cattle Raisers' association. The double killing took place in the lobby of a hotel at Seminole.

## CAVANAH TEACHER IN EAGLE ROCK PERFORMANCE

Carter Moore to Take a Part in "Other People's Husbands"

A very clever one-act comedy, by Miss Margaret Penny of Pasadena, which made a decided success with its initial performance some months ago at the Pasadena Community playhouse, is to be presented by the Eagle Rock Community Players at the Central School auditorium, Eagle Rock, Wednesday and Thursday evenings, April 4th and 5th.

Mr. Carter Moore, director of the dramatic department of the Cavanah Studios, 330 North Orange street, Glendale, is taking an important role in "Other People's Husbands." Mr. Moore has had several years' experience in Little Theatre and Community Theatre work, both as an actor, and also as director. He has also been on the professional stage, and in recent years has devoted his time to teaching elocution and dramatic art.

Another very clever one-act play on the same program with "Other People's Husbands" in which Mr. Moore will also appear, is Stuart Walker's "The Triplet." And what is "The Triplet?" It will be worthy while to go and find out for yourself, for "The Triplet" is one of the pleasantest fantasies ever produced.

MAIL BANDITRY IS EPIDEMIC IN MIDDLE WEST  
[By Associated Press]  
CHICAGO, April 2.—Mail robberies of the daring type of banditry in Springfield, Illinois, yesterday, and St. Louis today, engaged the attention of federal agents. The report that a bandit band with headquarters in St. Louis staged the Springfield robbery yesterday when \$25,000 in mail were stolen, the man wounded and numerous shots fired promiscuously by the bandits. Virtually all the contents of the stolen pouches were recovered.

Here's hoping your Christmas tree was fruitful.

## MUSIC MEMORY CONTEST BEGAN TODAY

Burbank Pupils Start Study in Art Appreciation

Tuesday from 3 to 4 o'clock the Burbank Music Store will play for any one interested in the Daily Press Music Memory Contest two selections that are in the first group of ten—Elegie (Massenet) and To a Wild Rose (MacDowell).

The Daily Press Music Memory Contest began today. It is open to any school child. The Press will run short sketches concerning some of the most noted composers. These are to be clipped and pasted in a notebook by the contestants, which will be judged by three leading citizens of Burbank. Neatness, completeness and general style of notebook will be counted.

A study is to be made by the pupils entering the contest of fifty selections which every child should know. Two will be studied each school day at the John Muir Junior High school under the supervision of Miss Fryberger, but for any school child not in her music appreciation classes the selections will be played at various places outside of school. Each day the Burbank Music Store will play the pieces for that day at their store.

The final examination day of the contest a few bars of twenty of the compositions will be played and the pupils are to write down the name of the composition and composer. Three judges will mark these papers. These papers and the notebooks will then be marked and prizes will be given to the highest scoring children.

The list of prizes promised by various people interested in children acquiring appreciation of good music follows: DeMoss & Hollomon—Golden oak writing desk. Burbank Music Shop—\$10 in merchandise. \$5 savings account for the highest scoring child in each room of the John Muir School—W. J. Riley, State Bank of Burbank. Morrie Spahr. # THE PEOPLES FINANCE AND THRIFT CO.

## OF GLENDALE

CAPITAL \$75,000.00

# OPENING

## Announcement

Tuesday, April 3rd, 8:30 a.m.

233 South Brand Boulevard

The purpose of our Organization is to assist the 10,000 wage earners, salaried people and others of Glendale and vicinity to properly finance themselves.

UNTIL A FEW YEARS AGO PERSONS IN THE UNITED STATES WITHOUT PROPERTY or gilt edge collateral, regardless of how good their character or how great their earning ability, had no credit in a business sense. If credit was extended to them it was given as a personal favor. They could cast their ballot and contribute their portion of tax levies, but they could not borrow a dollar without paying the Loan Shark's ruinous rate of interest or applying to some charitable loan agency.

THE PEOPLE'S FINANCE AND THRIFT COMPANY OF GLENDALE was created to meet the demands of these people. The company is officered and managed by some of Glendale's best business men and financiers. They will confine their efforts to the financing of the wage earners, salaried people and others of Glendale in sums of from \$25 upwards, at 6 per cent plus a nominal fee for investigations and clerical service. Re-payments may be made in small weekly, semi-monthly or monthly payments to suit the borrower.

LOANS WILL BE MADE ON THE BASIS OF CHARACTER AND EARNING ABILITY. No assignments of wages nor pledges are demanded. No publicity or unnecessary delays.

IF YOU'RE HONEST AND NEED MONEY FOR ESSENTIAL PURPOSES, a call at our institution will solve your problem for you. You will be placed on the same financial basis that the business man enjoys through his banking connections, and can borrow the money you need at a reasonable rate of interest.

IF YOU DO NOT NEED TO BORROW, MAKE YOUR MONEY WORK FOR YOU. Our Investment Certificates are SAFE and are redeemable in CASH. They pay you 6 per cent for your idle money. They may be purchased either for cash or on the installment plan. Interest payable semi-annually. Come in and let us explain this feature to you.

MORE THAN ONE HUNDRED MILLION DOLLARS WAS LOANED TO WAGE EARNERS in the United States by similar institutions during the year 1922, with a loss ratio of less than one-tenth of one per cent. This firmly establishes the fact THAT "CHARACTER PLUS EARNING ABILITY IS A PROPER BASIS OF CREDIT."

YOU ARE CORDIALLY INVITED TO CALL AS A PATRON OR A GUEST. Further information cheerfully furnished upon application.

TAX REFUNDS TO BE CONSIDERED BY COLLECTOR

Special administrative measures for carrying into effect far-reaching amendments to the Revenue Act of 1921, adopted during the closing days of the last session of congress, with respect to claims for refund, and credit of income, war profit or excess-profit taxes, were outlined in instructions received from Washington yesterday by Collector of Internal Revenue Rex Goodcell.

These changes in the revenue law are of especial importance to taxpayers of the Southern California district, as claims for refund, credit and abatement of income taxes amounting to \$18,500,000 have been filed in this district alone and are now pending, and new claims are being filed daily.

Until March 4, 1923, the effective date of the amendment, a claim for refund or credit of an amount of income, war-profits or excess-profits taxes, erroneously or illegally collected, could be allowed after five years from the date when the return was due, even though the claim was not filed by the taxpayer until after the expiration of the five years, if the claim was presented to the commissioner of internal revenue within four years next after payment of the tax.

In those cases, however, where the taxpayer has, within five years from the time the return for the taxable year 1917 was due, filed a waiver of his right to have the tax due for the taxable year determined and assessed within five years after the return was filed, a claim for credit or refund may be allowed or made after five years from the date when the return was due if claim therefor is filed either within six years from the time the return for the taxable year 1917 was due or within two years from the time the tax was paid.

Foley's Friendly Fancies

JAMES W. FOLEY

THE GRISLY RHYME

I'd like to write me a ripping rhyme, Of the good that a man might do, And I've thought of the poem many a time Ere the day's hard work is through.

Yet the poets do, and I write with pain; They speak of the greed of man, And I know I shall hear it once again As the rhymes of the day I scan.

The thought of self is a horrid crime, To that I will agree, And I'd like to write a scathing rhyme For all of the world to see.

Yes, the thought of self is a horrid crime, A world's outstanding curse, But the use of "self" to make a rhyme To me is as bad or worse.

for the year 1917, an additional year in which to present their claims for refund or credit of the excessive tax paid for the year 1917, with the result that in such cases the claim may be entertained after the return was due or within two years from the time the tax was paid.

La Crescenta News and Activities

The La Crescenta Improvement association will hold its regular monthly meeting at the school auditorium next Thursday evening, April 5. Dr. J. G. Zeller is the newly appointed secretary to fill the vacancy made by the resignation of C. R. Pool.

Beautifully impressive, were the Easter services of the Community church, Sunday morning. Easter lilies, iris and greenery were used in the decoration of the little church.

Mrs. R. Stine and Mrs. A. Burt entertained the primary Sunday school class of the Community church at the home of Mrs. Stine on West Mayfield venue last Friday afternoon.

Misses Mary Ann Howard, Zella Dunlop, Margaret Brown, Lorna Lewis, Dorothy Wooley, Louise Wundy, Florence Leurer and Irene Murdock returned Wednesday from a three-day hike up the Arroyo Seco, the jolly group of girls being chaperoned by Mrs. C. Murdock.

C. Mattly, Jr., of Bakersfield, was the guest of Dr. B. H. Smith of 501 South Los Angeles avenue for the week-end.

Mr. and Mrs. Percy Girvin and son Donald of Oakland, were the guests of Mrs. Girvin's father and mother, Mr. and Mrs. H. Carpenter of 134 East Mayfield avenue, during the past week.

Mr. and Mrs. C. Dennis of Hollywood are occupying their home on East Altura avenue. Mr. and Mrs. Dennis expect to build soon and make this their permanent home.
